LETTER OF APPRECIATION

Kavingar Thamizholi Centenary Celebration Committee as part of the Birth Centenary Celebration of Kavingar Thamizholi decided to upload the available works of Kavingar Thamizholi in the website www.kavingarthamizholi.com.

We approached the friends with expertise in the field for help in this regard.

"Kaniyam Foundation" came forward to offer their services to digitalize the works of Kavingar Thamizholi.

The help rendered by Kaniyam Foundation in scanning and and converting the available works of Kavingar Thamizholi is timely.

Tamil knowing people living in different parts of the world were able to access the works of Kavingar Thamizholi.

Kavingar Thamizholi Centenary Celebration Committee records its appreciation and gratitude for the Kaniyam Foundation for their contribution in making the knowledge available for all people.

Thanking you,

Sincerely Yours,

S. S. S. S.
