__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (28) , in the author's series books in arabic .

(الكامل في أحاديث خُلقت المرأة من ضلع أعوج فدارها تعيش بها)

ولن يفلح قوم ولّوا أمرهم امرأة وما في معناه)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In this book , I collect prophet Mohammed sayings that women are created from askew or unstraight rib and they will never walk or act by one straight way .

_ And his sayings that women must not be ruler or governer .

_ And his sayings that if men obey women , they will be doomed .

_ And his sayings that wives are prisoners under their husbands .

_ And his sayings that women are foolish except who obey her husband . And describing women by foolish was said by a lot of prophet Mohammed companions and greatest Islamic Imams , as Ibn Abbas, Al-Hasal Al-Basri, Sa'id Ibn Gobair, Al-Dahhak Ibn Mozahim,

Mogahid Ibn Gabr, Abu-Malik, Al-Hakam Ibn Otaibaih, Qatadah Ibn Do'amah , and many others . But in this book I will just mention sayings of prophet Mohammed , but I just wanted to inform you that this describtion is said by many comapnions and Imams .

_ The book contains nearly (35) sayings .

__ That what made some people say somethings about these rules :

__ Some talked about the sayings that if some people have a woman as ruler or governer , they will not succed . They asked why is this .

They also said that it's a real fact that some people had women in these situation and already succeeded . But some said that the intended success here means the success in or with the religion not the general success in life .

__ Some talked about the sayings that women will never be straight on one obvious way . Some said that this means that women have a lot of emotions . But others answered on that and said that this does not mean that they will make their emotions drive them all the time without sound mental thinking .

Some also said that some men also have a lot of emotions , at least some considerable amount of emotions , is this mean that they are always follow their emotions without sound mental thinking ?!

So , they asked why he did not make it as a general rule that the person who follow the sound mental thinking should be in the situations like rulers and governers , regardless of being male or female ?

___ Some talked about describing women as prisoners under their husbands .
And he even considered them as foolish except those who obey their
husbands . They asked what is the great virtues of men to gain this higher
positions . Is just been created as a male an enough excuse or justification to
possess this high place .

___ There might be more research in this matter to find the best possible
solution , but the book is only for collection sayings of prophet Mohammed
about this matter .
