Ther

SUN. JAN. 1. 1911

Wea

Cloudy, mild, rain in evening.
 Spent the A.M. at Charlie Batchelder's
 over plants. Walked down & back. Spent much
 of the P.M. with Dr. Robinson at Clement Calk.
 Mrs. Matthews called in P.M. & gave us a beautiful
 illuminator (by his hand) calendar, Mrs. & Mrs. Williams
 and they called. Called on Mrs. Newberg in
 (not), on the McMillans (said he & Mrs. Cook & Andrew).
 Called at the Williams this way and in-
 vited them to dinner on the 5th. Accepted
 Write this evening to Lucy and May.

2 Ther

MONDAY 2

Wea

Cloudy, warm -

Walked to and fr. Howard Square
 this A.M. Finished my Ranunculus article
 today & took it to Dr. Robinson this P.M.
 He went over it. Called on Dr. Robinson
 after dinner for the article to revise
 a little more. It is rather fuzzy.
 Called at 80 Sparks St for a while.
 Fro. & I went to the bank. Caluk
 I sent this A.M. by Ames. Espr. prep'd a
 box of presses to Mrs. Chase ^{for names} ~~Washington~~

Ther

TUES. JAN. 3, 1911

Wea

Windy, mild -

This the Tosh by Parrison paper to
Dr. McWhorter. Write to Helen, Mrs
Matthews, Cecil & Mrs. Barnes. Read a
little in view of Hermiton.

Analyzed some Cypripis for Dr. Kennedy.
In P.M. went over to Hermiton (Sullivan drove me
to Mt. Auburn) and walked to Charlie Good's. Dined
and spent the evening there. Saw Charlie, Effie
Marion, Rogers and a pal friend of Marion. Marion
is in her place. She is a very fine girl
she is at school, Miss Hall's school, at Pittsfield.
Wrote I got kind motor & electric by 9:20 P.M.

Ther

WEDNESDAY 4

Wea

Clear, rather cold -

Was busy this afternoon at Mary's
and getting the silver trunk up from the
Horn. I must ^{sent} ⁵ ^{it} ^{to} ^{Miss} ^{Diane} ^{Rose}.
in the day. This P.M. I went to Dr. Briggs
then to Whelan's at Horn. By about a new
Shakespeare list. Called at 1 Mercantile
and saw Mrs. McWilliam & John.

Wrote letters this evening and examined
carefully my Dexter Paris statues, 22
in number, labelling them on the back.

Ther

THURS. JAN. 5, 1911

Wea

— Clear and cold —

At home to-day, writing letters, paying bills, etc. I haven't felt quite right to-day. My one errand, was going to Dr. Payne in Copley Sq., the oculist. A long to be through with him. I had another dinner party to-night. Great success. Guests beginning at my right Mrs. Wms. G. N. McKellan, Dr. Robinson, Mrs. McKellan opp. me, E. F. Williams, Mrs. Robinson. 4 records - later Mrs. R. played & Mr. came down. The music was *exquisite* —

Ther

FRIDAY 6

Wea

Clear cold a little wind in evening. Not feeling quite right I staid in this. Mr. & P. by. Spent considerable time putting Panicum into the mounting box - to Williams at 6 P.M. Rev. Robinson, Maxton & I were present. The usual bright cheery time. Expended to 3 for St. Botwin & Bot. Club Meeting. 40 present. I made some remarks and presented my gavel. Applause! Good time. Home by electric at 12 o'clock.

Ther

SAT. JAN. 7, 1911

Wea

Clear and cloudy, chilly.

Slept till this a.m.

At 1.45 P.M. met Knevelin at
 D.C. Heath's on Boylston St., Boston.
 We worked some 3 hrs. on the
 Local Flora. Harrison came later.
 Finished Eleocharis & Stenophyllum &
Fimbristylis - Fearful crush in the
 subway, getting home. Home by
 6 P.M. Spent much of the evening
 looking over a nice little coll'n of plants
 that came from Field Batchelder this year
 Ther SUNDAY 8 Wea

Rather cloudy, mild, rain in evening.
 Went to A.M. I walked over to Charles
 Batchelder's and spent an hour over
 his plants - then by car to Sparks St &
 called on Mrs. Mrs. McMillan with whom
 I had a pleasant talk.

Then P.M. evening, put Mrs. Batchelder's Ranunculus
 into the mounting box - this P.M. Dr. Thos. R. Stinson
 Mrs. Rantoul & Edith, Will Brewster & I were,
 & Jennie Chapman called. Dr. Thos. Colgate
 took tea with us - hot juice night yet,

Ther

MON. JAN. 9, 1911

Wea

Cloudy, cold, evening bright.

This Am. I went to Harv. Sq., stopped
 at Wheeler & Shakespeare lot, at Bank
 & Coop. ^{from 7 o'clock at P. of with W. Fay on.} This P.M. I read some in
 Misc of Hermiton, went up to 27
 Williams to examine his ilicaceous.
 This evening I called on the Robinsons
 out. Then to the Tickers & sat with
 Tom in half hour. He is much better.
 Then I sat an hour with Charlie Read.
 He is very much broken at Geo's death.

Ther

TUESDAY 10

Wea

Clear crisp, glorious day -
 At home this Am. & most of P.M.
 finished Misc of Hermiton. Fine
 Spent a good deal of time over
 J. W. Batthelder's plants. I wrote him
 this Am. walked to Williams and left
 a seedling Wottonia inflata for him.
 Called at Mrs. Robinson's & saw the mobars.
 Drive to Shakespeare Club at her house.
 Took her Blair home after. Prof. Fay on
 de Kolbe & Prof. G. H. Palmer on the Sonnets. Fine

Trip to Lancaster
Ther WED. JAN. 11, 1911 Wea

Cloudy - mild - rain in evening.

10.09 Back Bay to Clinton. John met me & we drove to the museum 1/2 hr. there - Saw Spoonbill Sandpipers, ad. & chicks & eggs!!! more paintings by Audubon & etc. Splendid time there at the house where I saw Nora & her friend Miss Porter. Nora & John are spending the winter in Lancaster. Nora has had pleasure of lunch, numberless books on birds & conversation filled the time. Home by 3.23 from Lancaster to W. Camb at 4.44. Shakespeare work this day

Ther THURSDAY 12 Wea

Cloudy - mild -

This morning I went to Ham. Sq. on errands, printer's etc. Called at 1 Mercantile and had a talk with Mr. & Mrs. Macmillan on way home. Got out Shakespeare notices & went over the Pantheon ^{& Festivals} returned from Washington - I had named them fairly well. The Festivals was almost all right. Wrote Mrs. Chase & Dr. Haberer. I finished to-day Stearns' news adventures & John Nicholson.

May has sent me 143 Paris cards.
Ther FRI. JAN. 13, 1911 Wea

Cloudy & clear, rain in the evening. Had
this morning I went to have my Re-
turn'd proof to Wheeler. P.O. & Co-op - Bought
pair of shoes (\$4.00). Did some work on
my Panicum from Washington wrote to
W. L. & Mrs. Finley. They sent post card
photos to us, taken by themselves.

This evening W. & I drew up a brief sketch of
Dr. Coolidge for Mrs. L. C. Underhill.

I spent some time this P.M. on Panicum
and this evening wrote 10 pp to Mrs. Dexter, &
Ther a letter SATURDAY 14 & card for Wea
to-day

Cloudy and rainy day, mild.

I have worked all day till 4 P.M. and
most of the evening on the Panicum
from Washington and have got every
street in shape, a valuable lot.

I went to a small gathering this P.M. at
Mrs. Palm's and met Prof. J. B. Carter, Dir.
Am. Sch. Class. Studies at Rome and also
Mrs. Webber brother of Gov. Sen. of the Philippines
I had very interesting talks with them.
Read a little in Stevenson this evening.
Called on Mrs. (sent & wife for evening - 3 o'clock out.

Ther

SUN. JAN. 15, 1911

Wea

Cloudy. evening clear, cold

At home this A.M. spent of
P.M. finished some of Herminstein
& worked on few Batchelder plants.
This P.M. called at 80 Sparks St. and
on turn to Mrs. Spalding where I learnt
much about Ellet and the others.
Took tea with Dr. & Mrs. Coolidge.

In the evening called on the
Macheillans. The three sat and
talked with beer & cheese till 11 P.M.

Ther

MONDAY 16

Wea

Clear, cold, $4\frac{1}{2}$ above in A.M.

At home this A.M. on botanical
matters. This P.M. I took 15
sheets of plants to the Club Hb. &
a box of Parnassius b. mounted to the
Gray Hb. this P.M. nice talk with
Jergal & Bergard. Long talk with
Dr. W. W. Johnson on some plants for general
repair of Herb. Walked home with Dr. R. &
had a good look at the mosaics in his
park. With Club. G. M. Allen dined here

Ther

TUES. JAN. 17, 1911

Wea

Clear cold windy -

Worked to-day on some of Q. & Bate's
old plants for him. Put 104 sheets of
E. Brainerd's *Viola* into the mounting box.
I am sorry that so many flowers & fruits
are gone. They will have to be carefully mounted.

This P.M. I called at 114 Marlboro St. on
Mrs. D. P. Peabody who returned fr. Eng. Jan. 12.
She told me the long sad story. She had every
possible aid from friends. Dr. Peabody died Oct
20; 5 days fr. Liverpool - they had a long passage

Ther

WEDNESDAY 18

Wea

Clear, calm, cold -

This A.M. I examined with interest
the packet of *Panicum* etc returned by mail
by A.M. from Washington. Labelled to-day
the Peterbors plants of last summer.
Called on Dr. Osterhout this noon and gave him
some wood sections showing scars -
My Shakespeare list of members came to-
day. I see & Wierjed some *Tillaea* sin-
plex in return for Viola officinalis -
We dine this evening at Will Brewster's

Ther

THURS. JAN. 19, 1911

Wea

Sunny & Cloudy, cold.

Went at 4.15 to Dr. Payne and
 Dr. Gripps - my left eye is much
 improved. Dr. Gripps worked
 for 2 hrs. on my teeth. Left at
 home by 1.45 P.M.

Put violas into the mountains
 box. Many of Beaumont's fl. & fr. are
 loose. I don't know why.

This evening went with Dr. & Mrs. Robinson
 to the Symphony Concert. Splendid time

Ther

FRIDAY 20

Wea

Clear, mild, glorious day -

Went at 4.15 to home -

After lunch walked to 4th. Harvard
 Square. Took Rhodora & H. line. Panicle
 to be found. Mailed Shakespeare's
 lists of members - Called at 1 Union
 Circle & sat some time with the brethren
 He played the organ - We discussed
 various subjects. My mother came
 as I was coming away. Tomer came
 to dinner. Evening at home

Ther

SAT. JAN. 21, 1911

Wea

Cloudy, more or less rain, warm.
 This A.M. finished putting Grand
 Vicks into the mounting box
 then to D.C. Heath's then to
 where Kewitt, Harrison & I worked
 hard from 2 to 5 on local flora
 work. Car crowded on way home
 as usual -

Harry & Quincy Reed joined with
 us. We had a real good time.
 Talking, looking at the finds, photos, & music.

Ther

SUNDAY 22

Wea

Cloudy, chilly all day -

This morning I read some proof
 of local flora - At 11.15 I went
 over to Dorchester and spent the
 day till 9 P.M. at the Churchills.
 Emma told us much of her European
 trip & stories. The pictures she has
 are most interesting. The specimens
 plants, heard music. Mr. C. walked
 down to the car with me. I reached
 home a little after ten -

Ther

MON. JAN. 23, 1911

Wen

A little snow last night & flakes
in the air today with some breeze.

Had A.M. - I went up to E. J. Williams
& did some local flora work.

Mr. Williams gave me a nice bunch
of *Loxia* from Wittengen for his
T.M. Pl. & *Loxia*, put plants in
the mounting box. I have all the
Peterborough ready to mount &
write letters, one to J. B. Rose.

Ther

TUESDAY 24

Wen

Clear, cool glooms.

At home this A.M. worked on
plants & Paris cards -

T.M. Pl. to Gray Herb. with box of
plants, mainly Brauner's 181 sheets of *Viola*.

Miss Anderson had my box of *Panicum* ready.

The Gray House is in site across the street.

The empty space looks strange. The house
was off its foundations in Dec. So it was built
in 1810 & moved in 1910! Home - West to my
box. Shaker pear tree ever (Humboldt's).

Charleston sanctuary of 1876 & Helppinor!

Ther WED. JAN. 25, 1911, Wea

Clear, bracing, mild.

Shakespeare rec'd this A.M.
Called at 80 Sparks St. and talked
with G. & M. over the Stewart pictures
Home to lunch - Mrs. Penhallor
lunched with us and spent part of
the P.M. I walked into her to
Hurlbut St.

Work on Panama -

Dr. & Mrs. Proctor took tea with us

I called on Col. & Mrs. F. V. Abbott & daughters
this evening. Saw Col. & Mrs. + one daughter. Went
THURSDAY 26 Wea

Cloudy mild, a little sun in evening.

Worked this A.M. & P.M. on Panama
Walked to the 10 & 1/2 Wagon Sq., left
both at binders (blue morocco selves on back).
Dinner at E. J. & Mrs. Williams with G. N. &

Mrs. McMillan, Mrs. Mrs. Dred & Mrs. & Mrs. Thompson

I sat between Mrs. Thompson & Williams -
After dinner at which we drank lactin
Cherite Mrs. Dred gave us a most interesting
talk on the war, phases of China. Delightful
The McMillan took me home in a taxi cab

Ther

FRI. JAN. 27, 1911

Wea

Rain all day -

this after part of P.M.

I worked on Panicum.

In P.M. to Mrs. E. Vaughan's reception
 many friends were there - then drove to
 Roland Charters and we went to the
 annual dinner of the Travellers
 Club at the Exchange Club.

I set next Dr. William Smith the
 tiger hunter and later heard a good illustrated
 talk by the mixer but, on a trip across British
 Columbia - met many friends - Home 11.30.

Ther

SATURDAY 28

Wea

Clear, mild, windy

At home most of the day.

on Panicum. Before lunch made
 a short call on the McKillops

Saw all but Ellen -

Higgins or Cabot came to
 dinner. George called

this evening - letter from
 Mrs. Blarckha, enclosing one to
 Ellen McKillop - I shall send
 a few Panicum to Washington.

Ther

SUN. JAN. 29, 1911

Wea

Wind, Cloudy, sunny - a few snow flakes.

Worked hard to my Panicum. I have put the whole genus into shape, have some up a package of 31 sheets to send to Mrs. Chase tomorrow and have made out a desiderata list of which I am sending her a copy with a letter.

Miss H. I called on Mr. McMillan. Saw all & read a letter to Ellen from Mrs. Blaschke received a letter to me yesterday. Mrs. Blaschke is engaged!!!

Called on Mary. Read that evening Century & South + Mr. Eastwood called before dinner.

Ther

MONDAY 30

Wea

clear, cool, windy -

This A.M. I walked to Harr. Coy. & sent my pkg. of plants to Mrs. Chase. Electives home. Read Miss's Mountains of California sent me by Dr. Eastwood some time ago. It is a good book, good descriptions of trees. Spent much of this evening over Mary's Paris Cards. Shall write about them tomorrow.

(some both ways) (Sullivan). Sent Sullivan
in Miss Black book bag also.
Ther TUES. JAN. 31, 1911 Wea

Clear, cold, windy. 10°

This morning I put a few of Mr.
Clumchill's 1709 plts into the box, and
then took some Peleteria plants with Mr.
H. to Miss Underwood to mount & I got the
violets of Brauer etc. Saw the free
and walked home with Dr. Robinson.
This P.M. got the violets into shape.
A fine lot, 181 nos!!

I wrote a 12 page letter this evening to
Mr. Black, on his engagement, etc.

Ther WEDNESDAY, FEB. 1 Wea

Clear - cold -

After breakfast I called at 800 Sparks St
on Grace Williams who came yesterday.
During the day I have read
John Muir's 'Mts of Cal.' & I have
put all J.R. Clumchill's 1709 plts.
in to the mounting box.
Grace Williams dined with us and I
took her to Oscar Jay Adams' reading of 'A
Muttery Tent' at Miss Houghton's. It was
very pleasant. I introduced her to Mr. Adams, etc.

Ther

THURS. FEB. 2, 1911

Wea

Sunny -

To Dr. Payne's this Morn. I am much
better he says, and I trust see long
to be released. Did some errands
in Wash. Sq. on my return

At home this P.M. tagged out plants
and doing a little reading -
This evening I went to Kate & Cornelius
Horsford's reception. Home, 9 P.M. I was
there fr. 9.30 to 11. Champagne &c. Saw Dr. Thos
Faxon, Mrs. Drew, Will Mrs. Davis, Prof. Thos. Willson

3 Ther

FRIDAY 3

Wea

A little snow

This A.M. I went to the G. M. with
a box of plants for Mrs. Cinders on.
Saw Eggleston, talked over blog plans with Dr. B.
This P.M. worked & read. Then I called
at 80 Sparks St. on Grace Williams. Then
to E. F. Williams. Got in with Mrs. W., E. F.
W., Robert & Rand & his neighbor H. Rand.
Went to 3707 St. where we had a very
good meeting. Wm. spoke on some new flowers.
Dr. Brainerd on Rambles in the South. Home 12!

Called Mrs. Plur et / humal. Saw Mrs. & Mrs. Mc. & Mrs. D. & Mrs. O. & Mrs. W.

Ther SAT. FEB. 4, 1911 Wea

Rained hard in A.M. Clearing in P.M.

Slept late this A.M.

Dr. Brainerd & Charlie Batchelder came this A.M. at 12 M. and we spent, including lunch, till 3⁰ going over Violets. All Charlie's violets that I have named for him, some 17 sps, were correctly named. Dr. B. went then to Milton to visit Dr. Kennedy - Have put my Violets into shape & this evening I called on Edith & Mrs. Pantoul. Edith goes w/ them on the 8th with the children.

Ther

SUNDAY 5

Wea

Clear & cold -

Wrote this A.M. to Mr. Bissell for *Panicum* ^{separatum} ⁵⁷ ¹⁸⁷¹ ¹⁸⁷²
to Mr. Hayer for *P. pseudo pubescens*, to Prof. Graves
for *P. Commersonianum* & *boissianum*, to Mr. H. Bailey
to come here & spend the night on March 10.
Edith & Mrs. Pantoul dined here. In P.M.
Mr. McNeillan & Carrie Brewster called - Later
I called on Dr. D. & Mrs. Jackson 380 Marlboro
St. Both out - then called at Newman way
Chambers - Saw Mrs. Duckelle & J. Teep's
Mrs. G. Keough has had cold. Long letter to today.

* more Wetmer same for Scirpus longii

Ther

MON. FEB. 6, 1911

Wea

Cloudy, sun in late P.M. & evening
At home this A.M. & M. & P.M.
Corrected proof of Louis H. Luit (Cyperus)
and my Panicum article. I also
started Austin & Sophie Corbridge's book
'Routledge rides close'. Fine story -
In late P.M. called at Dr. Robinson's
where we went over my Panicum paper
admired the beautiful furcoides sp. venial.
Rec'd Autony for tomorrow. Slight cold again.
Walked at home this evening - *

Ther

TUESDAY 7

Wea

Big sun & storm, stopping in late
P.M. Heavy clouds all day.
At home A.M. & P.M.
Rec'd Autony once more. Showed
Mrs. McMillan who called this
A.M. my Panicum & Hole in part
this evening drove to sp. her several
lofts (Shakespeare Ave.). We had a
Council meeting at 7.30. Good
reading, & attendance. The Club
seems in very good condition

Ther

WED. FEB. 8, 1911

Wen

Clouds and a little snow this

P.M. - evening - mild.

At home till 5 P.M.

Read 'Routledge rides alone'. I
enjoy it immensely - worked on
Shakespeare records -

At 5 P.M. made pleasant calls on
Kali + Cornelia Horsford + Miss Paton
this evening, called on Mr. Thur-Eves
(out). Then on Emily + Fanny

Chapman - very pleasant time.

Ther

THURSDAY 9

Wen

Cloudy, mild -

wrote letters this AM.

Got out & sent off the Shakes-
peare notices by 5 P.M. mail

I have read much to-day in
'Routledge rides alone' It is
quite remarkable in every way.

Griff made a long call this P.M.

We dined with Mr. Thur. McWilliam
and had a real cozy time, organ
open fire, talk, etc etc -

Ther

FRI. FEB. 10, 1911

Wea

Cloudy, - way clear; bright moon
 Finished this morning 'Wentley rises
 alone'. Very fine story. The descrip-
 tion of the Battle of Liangyang, etc. such,
 are very fine - Wrote Lucy -

This P.M. I went to 40 Fairfield St., to
 the house of Mrs. Russell Sturgis whose
 daughter Caroline is engaged to Theodore
 Gerdner. Reception many Boston people.

Rob & Mrs. Jackson dined here. Their
 loss is great in Emil's death. He & I walked
 up to the woods to inquire about them. Mother
 improves steadily if slowly -

SATURDAY II

Wea

Clear, glorious, mild day
 This morning I went to the
 Gray Herb! and saw the full equipped
 Hildebrand. The cases are all in &
 there is abundant space besides -

Helped Fernald some and walked back with
 Dr. Robinson. This P.M. I surfed & stamped on
 box of plants from the Hb. that Miss Anderson
 had finished. There are lots of good plants
 This evening I called on E. F. & Mrs
 Williams and had a very nice time -

Ther

SUN. FEB. 12, 1911

Wea

Cloudy -

This morning & afternoon worked on Knowlton's plants getting them into the box. Before dinner walked over to Osterhans. Out. Left Mrs. 'Miss of Carl'.

Higgins Cabot & Fred with us
Thomas called before dinner.

Higgins enjoyed the piano much.
George & Mary called in P.M. Mrs. Rantall
took tea here & spent the evening.

Ther

MONDAY 13

Wea

Cloudy, write a list of funds

I spent much time to-day over Knowlton's plants getting more into the mounting box. They require much work. I have read also a good deal in 'Army Letter from an Officer's wife' Austin Croft & page Xmas, 1909 which I began last Sat. It is excellent. Finished this the a long letter to May. Miss Phe called on the McWilliams. Saw Mr. & Mrs. Baker, Ellen & Andrew.

Ther

TUES. FEB. 14, 1911

Wea

Cloudy, breezy, colder
 to 40 W. S. in evening & this & the
 haircut. Read Army letter to Dr.
 Called at 4 P.M. of Mrs. Drew - met her
 daughter and son - Missions home
 This evening to Pierce Bldg where Dr. Wood
 Willson lectured on the Peary Polar trip
 He talked well, gave an immense amount of in-
 formation and his views were very fine - Prof.
 Mrs. Willson sat by me. I learned a great
 deal and had a good talk with the lecturer.

Ther

WEDNESDAY 15

Wea

Clear - tracing -

This A.M. I took a box of plants to the
 Gray Lab to Miss Anderson. There I
 assisted the force in transferring plants
 in the Kidder Wing. Walked back with
 Dr. R. at home this P.M. resting,
 reading & putting plants in winter box
 This evening drove to the dining room
 Chapter. All twelve were present
 and we had a very successful time.
 Drove back at 10.30 with W. B. Brewster.

Ther

THURS. FEB. 16, 1911

Wea

Clear, cold early AM. Day
glowing with sun, mercury hanging
on and just above freezing.
An ideal day -

Spent several hours on the Edge
Co Carcass from the Peabody Acad. Sci
Called on the McMillans before lunch
Saw both. Tom McMillan played the piano!!
The Rantoul took tea with us and spent
the evening. My Pancinum has returned
from Washington - most interesting

Ther

FRIDAY 17

Wea

Very heavy rain. A day
Worked all day on the Peabody
Carcass and by dinner time I had
finished them and made 105
cards. 5 sheets are doubtful
This evening Knowlton Harrison
came and we finished Cypr-
raceae to Carey. I am
pretty tired. Read some in
'Army Letters' before going
to bed.

Ther

SAT. FEB. 18, 1911

Wea

Glorious day, cloudy, Air close P.M.

I took back to Mr. H. H. Hill the P.M. the P.M. Road. See Caracas & the box is ready to be returned. Went over a few Caracas with Yernald. This P.M. Mr. McMillan & I went to an ill. Lecture on the Panama Canal at Ivesmont Temple by G. E. Farnsworth. Most interesting especially the lifting of the tracks & shifting them by a huge engine.

I have written to the Isthmian Canal Commission Washington for Mr. Rousseau's speech, a folder giving elevation & a large map for Sinclair Kennedy informed me about it.

Ther

SUNDAY 19

Wea

Clear, glorious Rather chilly

This morning I went over the Panama returned to Washington and finished it all & distributed the sheets.

This P.M. I called on Ned Rand and had a long talk. Then I called on mother's Harry S. Rand & had a very pleasant call. Met Dr. Mrs. Robinson on the way home. Found her Rantoul here. After tea I read Army Letter's most of the evening.

Ther.

MON. FEB. 20, 1911

Wea

Snow storm all day -

This Am. I went to Har. Sq. on errands. Then by car to 88 Sparks St. when I called for an hour. Home to have dinner.

In my room in early P.M. working. At 5 P.M. I drove (Sullivan) to the Eliots'. It was their 3rd Feb. birthday reception and was most agreeable. Sony's cold kept her back. Miss Hake (^{niece} ~~daughter~~ of Prof. Child) sang beautifully. Many there. Had most attractive ⁱⁿ ~~the~~ ^{the} Club this evening - Barber's paper good - Ther. TUESDAY 21 Wea

Salad, wild, balsam, delicious.

Wrote letters to Mrs. H.

At noon I went to the primaries and vote for E. Cole - assessor. Then to the big reception at the Morrisons on Farrar St. after the wedding of Ruth + Mrs. Sharpless. It was a large & pretty affair. met lots of people - Long talk with Mrs. Eliot. Home by 2:15 - Rested and read 'Army Letters'; Shakespeare meeting this evening. met Mr. H. Snowden Ward

Ther

WED. FEB. 22, 1911

Wea

Clear, sunny day. Not cold
 Miss Mrs. McKellan & I went to the Skating
 Rink to see his fancy skaters. It was very
 interesting. I lunched at the Mc-
 Millens and then Mr. McKellan & I went to Mr.
 Sweden Ward's lecture in 'Evening Temple on
 'Merrills of Photography'. He took flash light pictures of
 the aurora, did all the work on the stage and at
 the end of the lecture, threw the picture on the screen.
 Then McKellan went home, I spent 2 hrs. at Public Library
 got some skins and heard Mr. Ward's lecture on
 'Shakespeare's memory England and its songs'. Most
 interesting, but audience very small. Home by 11 P.M.!!

Ther

THURSDAY 23

Wea

Clear, cool, fine day.
 To De Payne this A.M. Then
 worked on Shakespeare records
 notices. This P.M. was writing
 & reading at home when T.R.
 Clumhill called me to his office
 on business. I got there at
 4.30 and got back by 6.45.
 Rested this evening. I am reading
 out a number of papers on
 'David Pearce Penhallow' -

Ther

FRI. FEB. 24, 1911

Wea

Clear, a few light clouds, mild. A snow flurry for a short time at noon. Took a box of plants to Mrs. Anderson this Am and brought back 2 boxes. Saw Robinson, Fernald, etc.

^{class} Mrs. Rantoul, Mrs. McMillan & Mrs. Williams dined here. We had a very pleasant time. I dined with Charlie Townsend & family (Frances was at a party) and with the Travellers Club at the University Club. Mr. Chandler, U. S. Vice Consul at Buenos Ayres told a wonderful story of prosperity. Mrs. Russell (Springfield) told of her work in ^{Ther} ~~the~~ called ^{Weg} ~~Weg~~ ^{Weg} SATURDAY 25

Clear - cool -

Walked to College Library and took out Euripides 'Iphigénie en Aulide'. Called on Carter - Car home. Spent much time reading the play & studying it. I am selling tickets for the performance Monday evening by Dorothea Spinnay, endorsed by our Shakespeare Club - I don't have time enough for the many other's

Dr. Pieman showed here & Fleming - pictures of Cassel & Vienna -

Ther

SUN. FEB. 26, 1911

Wea

Clear, a few clouds, very mild. Sund melting, fast - today I have spent some time over *Phigeneia* in *Tauris*. I have also been putting in the mounting box the last package from E. H. Knowlton. Everything is getting mounted but where shall they go!! Called at 80 Sparks St. before tea. Mr. V. took tea with Jennie & Emily Chapman very pleasant when Mr. Rentall ^{the} ^{was} ^{here} ^{at} ^{the} ^{house} ^{at} ⁸⁰ ^{Sparks} ^{St.} ^{before} ^{tea.} ^{Monday} ²⁷ ^{Wea}

Clear, windy, mild, cooler in evening. This Am. finished putting Knowlton's plants into mounting box. Mary called at 11 Am. and I told her about *Phigeneia* in *Tauris*. Walked to 7 Cecelia St. to leave ticket & called at Nellie Wymann (out). Called at the Miller (out). Some Botany this P.M. but I went to the Elsie reception. Good. This evening I went to Brown & Nichols & heard Dorothy Spinner recite *Phigeneia* in *Tauris* - about 80 present. The Shakespeare Club invited her. I helped with tickets. It was very fine. I will hear Spinner after - She knows 12, 11, 10, 9 -

Ther TUES. FEB. 28, 1911 Wea

Clear, windy, rather cool -

Called on Charlie at 80 Sparks St. & then
Walked to Har. Sq. stopping at Dr. Santalis
(Out). To College Library, left "Eucipides" +
Took 3 French books (4 vols) on Paris bridges
Worked on plants this P.M.

Light cloud soon clearing -

Day cool, very clear & cold.

Miss. Mrs. Local Fl. work

This P.M. met Harrison & Knowlton at Gr. Wk. where we were about 250 Copy cards.

Tommy dined with us and we went with me (Sullivan drove us) to the Dramatics.

Play the Admirable Crichton Arthur Howard as Crichton was splendid -

Ther

SUNDAY 5

Wea

Clear, glorious, rather cold -

Worked at home in A.M.

Mrs. Rantoul called before dinner.

We dined at 8 & 8 Parker St.

Mary, George, Charlie, 7 others,

he & I - very pleasant time.

Later I came home and then

called on the McKillars. Saw all

Dr. & Mrs. Corliss both tea with

us. Dr. C. is wonderfully well

He talked from 6:30 to 9 P.M. !!!

Ther

MON. MAR. 6, 1911

Wea

Glorious clear blue evening
Light snow in a few.

Met Dr. Kennedy at 9:30 at Gray
Herb. Left at 11. He returned
home and so did I with a box
of mounted plants - nearly through
Charlie called Ch. P. and made
a nice long call. We enjoyed some
kind of family spree. Mr. Kenton
called & said to dinner. I went to
Meth. Club at 8 P.M. ^{9.40 Allen on Grand - (old 5)}
and books - etc. ^{Francis and Leonard papers}
in inevitable -
Ther TUESDAY 7 Wea

Glorious, cool.

At home this AM nearly P.M.
working on plants & writing
this P.M. - he & I went to the
new Lecture Hall and heard
Judge Ben Lindsey speak on the
new justice in Denver, Col. The students
and others packed the hall and the
lecture was inspiring. After the close (5:30)
he talked to some of us who staid till 6:15.
Shakespeare Club at Miss Horner's, last half!

Ther

WED. MAR. 8, 1911

Wea

Clear of clouds

At home this A.M. reading
 French on Paris and meeting
 Charlie & Josephine Borobas
 came to lunch. Charlie sat
 with me a part of the P.M.
 in my study. I met the
 family at 8 o'clock & at 5 P.M.
 and Charlie, Geo. May & I went
 to the Embassy for dinner. I saw
 Joan in the car on the way
 to the end of the Bridge by the
 fountain in Riverside Park.

Ther

THURSDAY 9

Wea

Clear of clouds, cool.

Thurs. P.M. to the S. with Mr. McWilliam in
 his auto! Hair cut, lunch, then to Dr.
 Briggs. From there I walked on the esplan-
 ade by river to Mass Ave. Sun beautiful - 96° in
 a very beautiful spot. Took car at 6:30 &
 met Dr. Kennedy here - he went straight to G. H. C.
 Comm. meeting (3 P.M.), very interesting. All present
 but Tolson & Thayer - he still in office this meeting we
 had gaily made from Corners and Monday as well as
 this evening I went to E. F. Williams - some 40 there.
 Talk to Miss Mutter on teaching in Japan -
 She was at Tokio 3 yrs. most impressive

† Sent W. Herrick, Salt, beans, sugar & butter.

Ther , FRI. MAR. 10, 1911 Wed

Rainy, clearing for a short
time at sunset - mild.

I have enjoyed an entire
day at home, working quietly
on my plants, writing long
letters to Lucy & May Dexter
and reading the political
news in the Herald and
Tribune. L. H. Bailey wrote me
yesterday. I got the letter this morn.

He wants me to dine with him tomorrow
at 12.30 at the Touraine -

Ther

SATURDAY 11

Wea

Clear, cool, glorious

Inv - L. H. Bailey at the Touraine at 12.15.

Lunched with him there & talked till 1.45. Taxi
to Chesham Hall. Bailey lectured before about 350
on 'Outlook Countryward'. Fine - Mr. & Mrs. R. G. Ware &
Mr. & Rich there. Mrs. Ware took Bailey home to rest. I
spent a while with Rich, & then went to 3 Joy St.
About 100 there. Bailey was introduced by Mrs. Ware,
at 4.30.
Subject 'The Social & Economic Problems of Farm Life'.
Very, very fine - enthusiastic. Met the Wares, Hal
Herrick & myself, Mrs. Ware, Mary Morrison. Bailey & I
walked to the Touraine, then by taxi to So. Station.
Train left at 7.35. I left him at Trinity Court.

Ther

SUN. MAR. 12, 1911

Wea

Cloudy rain, turning in P.M. & evening.
 Stayed at home to-day. Wrote
 to Mrs. Ware, F. H. Bailey & E. L. Rand
 verified some of Knowlton's
 plants. One was boy in to come
 from him Anderson - The plants cover
 the whole manual range of Hps. and
 it is good practice -

Charles came to dinner and we
 had a good talk in the P.M. He
 goes back to Chicago to-morrow A.M.

Ther

MONDAY 13

Wea

Clear, warm, glorious -

Went to Harv. Sq. on errand.
 Sent L. H. Bailey by Amer. Exp. prep'd 'Baits
 of the Cambrian Region'. took to College library
 'La Seine et les gisements d'histoire de Paris' -
 met Dr. Robinson & went with him to Gr. Hk.
 Showed Fernes a few plants. Home to lunch.
 To Dr. D. this P.M. then to see Melvillans
 Saw all of Miss Parker. Bright time.
 Mr. Rantaul dined here, and in the evening
 Harry & Lancy Rand called. This P.M.

Ther

TUES. MAR. 14, 1911

Wea

Clear, mild, glorious -
 Ther Dr. & I rode at 10.15 A.M.
 Later I went to J.R. Churchill's and got
 some business with him. We lunched
 together and then I called on Ned & Aud
 on Bod. Club matters. Returned home
 by middle of P.M.

clear cold chilly -

Poorly to day -

Dr. & Mrs. Cook's celebrated their 68th
wedding day. Flowers & friends -

At home to day except a walk to
G. W. in the same Carey matter
made rest of my Grass cards.

We ~~dined~~ ^{dined} with Dr. & Mrs. C. Miss B. &
Ivola. Bright time.

Drove (Sullivan) to Shakespeare (think of my
Mrs. & Mrs. Brown & for the kind of my 'Shallow')

Ther

WED. APRIL 19, 1911

.Wea

Clear A.M. cloudy P.M. light rain
mild. A warmer approach to spring.
Much better today.

Shakespeare records & notices took up
a good deal of time -

This A.M. walked to Kingsley Park.
The 8th ad. Room of Sunday was on the Pond
also 4 3rd Ducks. Very fine.

Went to reception at Dr. Osterhout's
this P.M. to meet Prof. Svante Arrhenius.

Very pleasant time. Even, at home
Blossom's mistress of Shrewsbury yesterday.
THURSDAY 20 Wea

Chilly rain storm, clearing in P.M.
This A.M. wrote to Helen, May, etc. Read.

This P.M. took a walk through Lowell
Park etc. Called on Miss Paton
and puzzled over some Paris cards
with her - most interesting.

This evening Miss Naida Parker
dined with us -

Later I worked on Carex. I
am fortifying & stamping the genus
I don't do this when I verified them.

Ther

FRI. APRIL 21, 1911

Wea

Clear, with cumulus clouds. Very cool.
 This AM I walked to Kingsley Park.
 A single in. Heron, Gull and a
 pair of Blk Ducks were all that
 the Pond contained. On the way I saw
 the Red Crow, Grackles, West. or. Larks,
 Robins, Song Sparrows, Flickers, Redwings.
 Worked much to-day on Carex and
 read 'Brain & Personality'.

Special Bot Club meet'g at Dr. Robbins'.
 21 present. Talks on many subjects.

Ther

SATURDAY 22

Wea

Cloudy, cold, chilly, snow
 flakes at noon - Rain in evening
 at home to-day. Worked on Xanthium
 etc. to-day. Great surprise this evening.
 Williams came and he & I in my study
 were looking over some plants to be bought.
 About 8.45 he & Mrs. D'Arcy were announced.
 We went down. The parlor was full.
 22 people! All his surprise to me -
 What a time we had. Talk, music,
 supper. Great surprise to me. V. finem

— 13th Birthday — 63 years —

Ther

SUN. APRIL 23, 1911

Wea

Cloudy cold 37° at breakfast. Snow
in the air - Ground white at Canton.

It has been a beautiful birthday.
Kind greetings & gifts for the family -
Wed. Mrs. Rand surprised me by being
in the parlor when I went down to dinner.
Mrs. Rand brought flowers - Dr. Robinson &
Grove called this P.M. Dr. R. brought
Easter lilies! I called at Ed. Sparks &
but I called on the Williamses this evening
and the Spelman - (for presents vide journal)

Ther

MONDAY 24

Wea

Mild, clear, glorious day -

Walked to Heron Sq. this A.M. Bought Vol 3
'Schurz's Reminiscences' - Can to Fresh Pond - Big
flocks of Rusty Blackbirds in King'sley Park. very
noisy - I sat among them a good while -
Very tame - One sat 20 ft. fr. me in the Sun.
Walked home - Finished 'Brain & Personality'.
Went over a good many Caricatures. Evening
Called on Miss Parker, played org. -
Mr. H. L. Blackwell tells me he was in a howling
snow storm, wind 70 m. p. h. weather being as
on April 19 last -

Ther

TUES. APRIL 25, 1911

Wea

Clear, mild, to chilly waicing
 Read & finished Stevens's 'Island
 Nights' Entertainments' I am very
 fond of him. Called this A.M. at 80
 Sparks St. on his wedding - this P.M. I
 heard Prof. R. de C. Ward at the Mineral-
 logical Room on Coffee Culture in Brazil.
 $\frac{3}{4}$ of the world's coffee is raised in one area
 at St. Paulos. Perfect conditions of climate & soil.
 Miss Parker said here and I took her to the
 new Lecture Hall where Dr. S. V. Arpeneus
 on 'The Perpetual Relations of the Exact Sciences.'

Ther

WEDNESDAY 26

Wea

Clear, very warm - at Concord. Therm
 26° in early A.M. (fine observation).

Wonderful change in the weather
 worked 3 hrs. this A.M. at G. M. W. on
 cards. Rested at home this P.M.
 Read a little "In the South Seas"
 Saw 'The Dime' this evening at Charlie
 Townsend's. All but went there. I took
 some candy to Frances and saw her, Mrs.
 Townsend & Charles. We had a good time
 I got a photo of *Saxifraga oppositifolia*.

Ther THURS. APRIL 27, 1911 Wea

Clear, very warm, 80°.

Wrote letters this AM to Miss J. B. Greenough (re Hoopoe) to Rome, Mrs. Owen, Mrs. & Philip's etc. Mrs. P. M. spent 3 hrs. hard at work at Gray Herb. on Cards of Carex for Social Flora. Got pretty tired. Reid letters & cards at last from Ancon from the McMillans. All well. Am reading Stevens' in the South Sea Began it yesterday —

Ther FRIDAY 28 Wea

Clear very warm 79°

At home this AM. & P.M.
Wrote letters and read 'In the South Seas' - Mrs. Patin called this AM. with Paris views. Then AM. to Nat. Sq. & College Library - Recommended 'Romantic Corsica', this evening R. Thaxter took me to Travellers Club. I heard on the South Sea Islands with views and phonographic records of native songs! Wonderful talk - full of the memories of Stevens - Came home with Mrs. Drew —

Ther

SAT. APRIL 29, 1911

Wea

Clear warm, cooler in P.M. & evening.

This A.M. - I went again to the G.W.H. and made cards of Carey & helped Lorna organize Carey.
 This P.M. I read & read 'In the South Seas'. It is wonderfully fine in connection with last evening's Miss Madge Meddell, Mr. & Mrs. Dred & Stephen Thacher dined with us. We had a real bright time. Mr. Dred talked Chinese. Miss W. was enchanted with the piano.

Ther

SUNDAY 30

Wea

Clear, warm, cooler in P.M., same in evening

I have been at home all day except for a call at 1 Musser Circle on Miss Parker. I have been reading most of the day 'In the South Seas' and have finished it. Strongly fascinating & weird.

We dined with Dr. & Mrs. Coolidge to-day. Tomer called this P.M.

Mr. & Mrs. Eder called this P.M. & were very bright. I showed some book sheets.

Ther

MON. MAY 1, 1911

Wea

Clear & cloudy - mild, muggy.

This A.M. & P.M. I went over some
 Curries, stamping, etc. In the A.M.
 I went to the Camera Club
 Exhibit at the Camb. Boat Club
 Interesting, but not as much as usual.
 This evening ^{Plan!} had a wedding and her friend
 Miss Edge came and we had music -
 This evening, built Club. Abbott & Hayes were
 there and he set forth his views on Canadian
 Colonization. Much agreement by Brewster, F. H.
 Albert & I was ^{presently} ^{in support} ^{of} ^{the} ^{plan} -
 TUESDAY 2 Wea

Clear, windy, cold

This A.M. I spent at the G.W.H.
 making Curries, cards and helps.
 F. H. would organize a lot more Curries.
 This P.M. I rested, read, & listened
 to 'The Doctor's & was sic'.
 Walked round to see Kohn's nest in a
 shelter. He has a fine pair of Golden
 & Long Ambered Pheasants. The ♂♂
 are magnificent birds -
 Last Shakerpeare by the Scudder at the Palace.

Ther

WED. MAY 3, 1911

Wea

Clear, cold, heavy wind - 36°
 Spent 3 hrs. this A.M. at the
 Gray Hb. as usual, making Carey
 cards, &c. Home to lunch -
 At home this P.M. sorting cards,
 making Shakespeare records & reading.
 In P.M. dined with Miss Parker at 1 hr. Circle
 At about 10.15 P.M. acc. to telegram, the
 McMillans arrived, all four, bright & jolly
 from their Panama trip (Apr. 7 - May 3). We had a
 bright time till after 11. There'll be lots to hear.

Ther

THURSDAY 4

Wea

Clear, cold tracing -
 This A.M. I worked to Hartley
 Haircut &c. - Walked home -
 Father tried to say - Read some.
 This P.M. Mrs. Walter Dean of Ded-
 was called & I had a long
 talk with her over the study of plants.
 She would me to teach a class! Ho!
 Called on the McMillans. Saw all. Ellen gave
 me a Porcupine Fish ^{from King's Cove} & Mr. Baker, on May Bull
 from Panama. ^{in P.M. called this evening} on my husband, etc.
 saw all - ^{on my}

Ther.

FRI. MAY 5, 1911

Wea.

Clear mild.

At home this A.M. & part of P.M. resting etc.

Auto'd with Mr. McKellan

this P.M. Some 25 miles

through Lexington etc. Nature

beautiful - vegetation jumping.

Dined with E. J. & Mr. W. R. Reed.

Robt. & Churchill at 6 P.M.

Auto'd to Club. Good meeting. Exhi-

bition of plants. Home at mid night!

Ther

SATURDAY 6

Wea

Clear. mild.

At 7 or 8 A.M. this A.M. over

Carey Cards - stopped

at 80 Sparks St on return

J. R. Churchill called this

P.M. & I went to dinner & we

went together in the evening

to the Carl Dramatic, The

Professor's Fore Story. Excellent.

He had a good time after.

met many. Home by 11.30

Ther

SUN. MAY 7, 1911

Wea

Clear, warm, still.

At home A.M. & P.M.

Wrote Helen and May -

Read the book's 'Guide to the Republic of Panama'.

Dined with Dr. & Mrs. Corliss -

In this evening Mr. & Mrs. called on Mother for Hyman their cousin Miss Wood (blind from birth) & her friend Miss Smith.

Ther

MONDAY 8

Wea

Clear, warm, beautiful day

At intervals have read the Panama book & walked to Barr. by my car, then ^{car} to Boston

to J. R. Churchills at 1 P.M. met Alfred Purdie & had a long talk with him. Lunched with J. R. C. who hopes to go south, Wed.

Called on Ned Rand, good talk, on his. Rantoul

Saw him & Phil. Dalton & Garrison, junior part-

Co. in Perry, Coffin & Barr. On the way home

called at 80 Sparks St. Rested

1 this eve., fell very poorly this A.M.

Ther

TUES. MAY 9, 1911

Wea

Cloudy cool & warm. Rain or sleet
in late P.M.

Very poorly to-day -

This A.M. - walked to Gr. H. &
copied Carey Cards - Distributed
them this P.M. Auto'd with Mrs. &
Mrs. McWilliam to Boston, Brighton
Fresh Pond etc. some 25 miles.

At their home I examined the Panama
plants, quite a number - all used to me.
m. & I called this evening on Mrs. &
Mrs. - Rard - Business with her.

6 Ther

WEDNESDAY 10

Wea

Clear, mild, glorious day.

Poorly this A.M., better in P.M. & evening.
A.M. at Gr. H. Finished & finished
Carey - I have some hours more at
Cards - Finished Canal Zone book this P.M.

Called on Mrs. - Aunt - Have had some
shelves put up - Done this A.M. Have
put books on to-day. Relief.

Geo called this evening - Later Mrs
& Mrs. McWilliam called - They want
us for Shelburne on June 29 or 30.

Ther

THURS. MAY 11, 1911

Wea

Clear hot 85°

At Gray Hl. this A.M. after a
trip to vault of Sam. Trust.

Took Mrs. Kelly's Panama plates
Dr. R. & I looked up a few -
This P.M. to vault again.

Then spent some time in
arranging books on shelves -
Mr. Reutzel & Roth called this
evening. Jupiter & the newly full
moon are very close this evening

Ther

FRIDAY 12

Wea

Clear & cloudy, hot

At home this A.M. Shelton,
books & papers, some progress.

This P.M. Mr. & I went to Col. Hays' son's
military funeral. Coffin wrapped in the
Amer. flag was borne by 8 negroes on their
shoulders. 'Hot lead' in crowd. caps & air
sacs in the distance - Impressive
Heard Prof. Laumann in new lecture
Hall on Buddha. Instructive.

Mr. & I dine this evening with E. F. & Mrs. Williams.
no others.

Ther

SAT. MAY 13, 1911

Wea

Clear HOT, cooler in evening
to W. Ab. this A.M. Have nearly
finished cards for W. Ab. Carey
for local Flora. Distributed the
cards this P.M. Dr. Kennedy called this
A.M. left cards. Sorry I missed him.
He says he wasn't very well.

This P.M. called at the millinery. Mrs. Lusk
showed me her new camera & atlas Mrs.
Lusk. Showed me her Panama shells & stones
and gave me some from Pacific Ocean, Porto
Miguel, Celebes, Gatem. Worked on shelving books
etc. this evening.

Ther

SUNDAY 14.

Wea

Clear, very, cool ~

This A.M. I worked on my books &
wrote W. M. Ford who has set up for
himself in Lond. Wrote Ned Rand -

This P.M. auto'd with her & Mrs. Lusk up
Murch St. Belmont. We spent $\frac{1}{2}$ day hunting
for Prairie Warblers in vain. Saw ^{or 10} Chelonic?
Song Sparrows, Chiffins, Flickers, Crows, Robins -
Viola pedalis, var *laeviridula* & *fimbriatula* up.

Returned to 1 Mercantile for a while.
Called on Dr. Ostrabov this evening with Bowles' ^{section of Grogan water}

Ther

MON. MAY 15, 1911

Wea

Clear cool, warm in sun.
 To W. W. H. Finished Carey cards,
 verified & returned to John Roberts - Salem
 2 sheets of Carey -

Dr. & Mrs. Coolidge lunched with us -
 Walked to Mrs. Comp. Look to Comm.
 Meeting at 4 P.M. Pleasant
 time met Farlow, Dexter, East, Oster-
 vant, Robinson, Trenchard, & of Comm. Rand &
 Wash. Dr. Kennedy did not feel like coming.
 Mett Blake this evening. Arthur Goodhouse came!
 Found Mrs. Hays ~~and~~ Miller neighbors here
 at 10 Ther P.M. Wea

TUESDAY 16

Clear, cool, fine -
 Have felt very poorly all day
 Oppression of the worst kind
 At home this Am. P.M. except
 for a short call at 8.0 Sparks St.
 Moti a few letters, read a bit, and
 went over a no of pamphlets.
 We dined with Mrs. McMillan
 & had a very pleasant evening
 when I partly got over the heavy
 weight. Chas. Rantoul came at 10 P.M.

Dr. H. gave me a pair of pruners shears he had made
in Italy and had a lot of other things
Ther WED. MAY 17, 1911 Wea

Clear, balmy, mild, bracing.

10.14 Am from Back Bay, to Needville & 5.19 Pm back
Glorious day with Dr Kennedy. Saw Mrs. Edith Briggs & Miss Rogers
Examined Cerise in the afternoon lunch the Dr & I had a
drive through the Hemenway estate most beautiful. Nature
is at its height. Fresh young green, ferns & many other
plants up. Through Westwood, formerly part of Boston and
Canton. Past the edge of Puritatory, which lies entirely
in Westwood, through Dedham. Visited the Fairbanks
House, but it was closed. Walked around it. Sign on
the house read "House of Jonathan Fairbanks. House
erected 1686. Here we sought generations, to preserve
and perpetuate this historic spot the descendants throughout
America were made a corporation and acquired the
property in 1903. The Fairbanks Family in America."
Saw the Quiny Linn. Charles River. in view up & down.
Back to Needville Sta. Home by 6.15. Evening at home -
Oranges, Red-eyed & laughing Linnet, etc., etc. singing
Ther THURSDAY 18 Wea

Clear, warm, very dry -

To the backlands this A.M. We three drove to
the Box. Gled in car. Mrs. Baker, enjoyed tulips.
wisteria etc. Mrs. Baker took some photos. I etc
left them, did a bit of work in Hb. & helped ferned
first leaf and land pts. In P.M. walked to Sq.
then car to Lakeview we called on Edith,
& Mrs. Leakes. There found Prof. Marks' workers in
The garden of his new house in Lowell park
most interesting garden left by Mr. Dol met St. L.
I was trained against the wall & a. walked
home with John Baker. Cushing called this
evening. Pleasant call - Vide ferns for Sparrowhawk!

Ther

FRI. MAY 19, 1911

Wea

Cloudy, chilly - Thunder storm about 5.30 P.M.

This A.M. worked on pamphlet and called at 80 Sparks St. This P.M. went to Emerson Hall to hear Baron d'Estournelles de Constant give an address on "American and European Cooperation for World Peace". It was a splendid talk and I was very much impressed. Read 'type' later.

Mrs. McMillan called this evening. Saw ^{1 Sparrow Hawk on Smith Pl. at 5.30 P.M.} Ther SATURDAY 20 Wea

Clear, cool pleasant.

Got home this A.M. worked on pamphlets. M. went to Homeopathic Hosp. for a small operation by Dr. Wesselhoft. Back by 1 P.M. All was well.

This P.M. saw 2 Falco spar on Smith place - heard in & saw Mrs. Smith. Saw the hole in the dying pine - Walked to Wash. Court with Mrs. Maria Robinson then to the McMillans. Saw Mrs. M. & Mrs. C. to'd with Mrs. M. to garage & walked back. At home this evening on pamphlets & type.

Ther

SUN. MAY 21, 1911

Wea

Clear, intensely hot, 88° F.

A very hot day indeed. Mr. getting on nicely, but uncomfortable.

Worked this A.M. on pamphlets & read type.

Miss Plen. auto'd with Mr. & Mrs. Buchanan.

John & dog over the splendid boulevard to Revere Beach & Point of Pines. Never saw so many autos. Counted in one min. 20 passing. Thousands of people at the beach, and many in the water. Stopped at 1 hour ride on return.

at home this evening, reading & writing.

Ther

MONDAY 22

Wea

Clear, very hot. Outside with dining room window at noon 93½° F. at Dr.

Cottage, north window 96°. Off. record 92°.

We have got through the day very well.

⁵⁹⁰ Mr. & Mrs. Buchanan this A.M. at home. Mr. & Mrs. & I walked to Harv. Sq. - 9 then went to Boston & its errands. Called on Cushman at Best Soc.Home. To funeral of Mrs. S. E. Mackenzie. Then to Mr. W. to see box of Carices for Prof. Evans for Local H. work. Home. Geo. called this evening. Wrote letters. } ^{89° in evg} } _{room 21.30} } P.M.

Ther

TUES. MAY 23, 1911

Wen

Cloudy very cold!

Wore my overcoat to-day!

I have worked all day at the Gray Herbs. on the Swan Carices for Yale Univ. Examined and made cards for 119 sheets.

This evening before breakfast I ord. of some Euphorbia Cyparissias in fruit and sent it with letter to Prof. C. P. Smith, 70 H. A. Menck, 1371 Main St., Buffalo N.Y. He is of the Utah Agri. Coll., Logan, Utah. Read a little in Omoo —

Ther

WEDNESDAY 24

Wen

Cloudy, cold ^{W. S. east most} Heavy shower & lightning

I went to the both A. H. & P. H. and about finished the Swan Carices. It has been hard work. 190 cards. Called at 80 Sparks in the P.H. on way home. I rested this evening, read Omoo and writing — a very little rain accompanied the thunder storm —

washed home with
Herald of this week

Ther

THURS. MAY 25, 1911

Wea

Rain this A.M.! Cloudy all day. hills
 This morn'g, I went to the
 Square in crowds - On the way
 home stopped at the Melillans
 & discussed Mr. Mel's photos with
 his new camera. Excellent
 Mr. Mel was there. Fine camera.
 This P.M. to Mr. Mel. Finished the
 Census & got the box ready to return.
 This evening used, read Omoo
 & wrote letters. Rather tired.

Ther

FRIDAY 26

Wea

Cloudy, damp & chilly.
 Have felt poorly to-day.
 Staid at home all day ex-
 cept for a visit to Hill Grange
 Museum to examine pamphlet
 cases. I have ordered a number.
 I have worked on pamphlets
 and have read Omoo.
 Randolph Kelly died at Camden,
 Me., on May 24 very suddenly.
 Funeral at his father's, on May 28. Very sad.

Ther

SAT. MAY 27, 1911

Wea

Clear, of course & dry.

Much better to-day, but have
staid in the bank. I spent
a large part of the time over my
pamphlets. 25 cases came up from
the Co-op. I have read some,
finishing Comov. N. F. Wyatt's 'Evil
is by Law' in the Living Age is a
remarkable article, in opposition to
Taft's plan of Universal Arbitration.

The sickness & death about us is sad.
Mrs. [unclear] the stitches taken out of her face to-day

Ther

SUNDAY 28

Wea

Clear but pleasant.

Have felt nice to-day.

Charlie Batchelder was here this
A.M. & I worked over the situation
& Va plants with him. Dr. F. M.
Corlidge died here. Elmer called
this P.M. & we had a long talk over
the agency of Brewster estate. I have
written Elmer - her husband died
yesterday. Later I walked up to
Eolith's & came back with Mr. Evening
Spent over B's plants & writing -

Mr. John Munsell called this evening, with pink
Lupine from the Cape -
Ther. MON. MAY 29, 1911 Wea

Clear hot, breeze -

This A.M. I took my Bird Lore
& Rev. Lool. Bull to Tonner to bind.
Hair cut, Co-op. bank -

This P.M. W. & I drove (Sullivan) to
Mr. Wickert's funeral. Then I
went to Waverley and ordered 10 boxes
at Bot. Supply Co. I must have my
plants at least in these boxes -

Evening spent in writing letters & reading
ordered 4 blk. card albums of Macy, New York.
Ther. TUESDAY 30 Wea.

Clear into some cloud, cool, calm, of course
Some rain last night -

This morning read some. Called on
Dr. Robinson. Saw him, Mrs. R. Thuis Jackson
Called at 8th & Parker St.

Mr. & Mrs. McWilliam & Mrs. Endroott (Cameled here
worked some in pamphlets). Called at
the Dickmans and saw Mrs. T. & Tom. Their
house is sold! they go to Belmont soon; and will
build there. Tom is not well, nervous, &
Called on the Beaches this evening. Out. Read 'Lucky Dick'

Ther

WED. MAY 31, 1911

Wea

Cloudy, warm & chilly, a bit of rain.

Mrs. Coolidge was sick last night & to-day. She is quiet this evening. Another nurse has come. Miss Ann I went to Dr. Hb. and helped put into press Fernand yesterday's collection. Mary & George lunched here. Later I read some of 'Moby Dick' and I called to say goodbye to Carrie & Leggie. They said soon I dine with the McMillans a Mrs. Evident. Pleasant evening there. Mr. Stead with her mother. I trust she has a good night.

Ther

THURSDAY JUNE 1

Wea

Clear with occasional clouds, cool. Considerable rain last night. Miss Ann. I walked to the Sq. with the Strong & the McMillan. Saw one Sparrow Hawk soaring above the Cheney Street trees & over the Pine. v. sp. Evident at Sq. Call to Edith's. Albert seems better. Complaints this. The Charlie B. called with Wash & Va. pts which I worked over. Tom's wind with us. Wrote Callan later. Mrs. Coolidge is rapidly recovering.

Ther

FRI. JUNE 2, 1911

Wea

Clear & cloudy, cool, delicate
 this afternoon walked to Hoffman, & got some carnations
 for Mrs. Wm. then car to Waverly. Visited Ed. Supply Co
 Home. Finished Babelboom Wash. & Va. plants
 This afternoon I went to Miss Kelley's Violin
 Recital by her pupils Ethel Washi, 182 Brattle St.
 (and read books, played). Two other books were there
 I dined with Williams, Robinson & Rand at 6 as usual.
 Took the carnations to Mrs. Wm. who has been sick & is
 still up stairs, but much better. Taxi to Boston.
 Best Club meeting, last one - Came out in taxi with Mrs. Wm. & ^{Y. crowd,}
 Fox Wood through ice and -

Ther

SATURDAY 3

Wea

Clear, with some clouds, cool.
 This afternoon I went to Copley Hall to see the school
 exhibit of pictures. Ellen's & Andrew's were there. Good!
 Then we spent some 2 hrs. at the Art Museum.
 I saw Dr. Krissner's famous double slates of Myacrinus
this wife. It is wonderful. Mr. was delighted with all
 We lunched there & got home in middle afternoon.
 I reated read 'Moby Dick' and worked
 over Cassel's Curries of which I
 brought home a pkg last night.
 Mary called this afternoon.

Ther

SUN. JUNE 4, 1911

Wea

Clear and cool, glooms day.
 I worked this A.M. and part
 of the P.M. on Cushman's Caricatures
 finishing them. Interesting.
 Higgins on Labor died with us
 Later M. & I walked over & called on
 Mr. Thos. & Edith Kelley. We saw Mr. Kelley
 Randolph's death is a sad blow. We then
 called at the Matthews & saw all but Mr. M.
 Walked home. Read Bushy Dick this evening
 See end for Wood Thrush -

Ther

MONDAY 5

Wea

Cloudy, rather cool, a bit of rain in P.M.
 To Dr. Krumm's this A.M. We had a delightful
 drive through the Blue Hill Reserve, went to
 top of Hancock Hill. Fine view to Hingham Island
 and Punkapoog Pond. Collected a few plants:
Quercus imbricaria Blue Hill near Milton.
Rubus sp. Blue Hill Blue Hill Res. "
Carex *oxifera* on rock, hillside by Spring Smealay
 " *californica*: L. } marshy shore Punkapoog Pond
 " *sterilis* Willd. } glaucous place
 Randolph.
Corydalis glauca Blue Hill Res. Milton
 Spent P.M. in the study - D. & I. home at 6:19
 Metall Club this evening. - Last one -
 10 present. Regular even' engagements over!

Ther

TUES. JUNE 6, 1911

Wea

Blessed rain, rain steadily all day!
 Last rainy day throughout was April 5.
 Waked on Cushman's Caries this
 A.M., picked out some for Bot. Club.
 Put yesterday's plants in press -
 This P.M. to Gr. Hb. looked over a few Car-
 ces with Fernald. Mr. Weatherly is at the
 Hb. for 4 mos. He & his mother are in
 Arlington. Fernald read to me, with
 maps, his paper on the origin of Newfound-
 land plants. This evening at home, working & reading.

Ther

WEDNESDAY 7

Wea

Clear, cool.

is on Birge's at 10 A.M. then to the
 Soc. Soc. Nat. Hist. here I called on
 Cushman on local fl. matters. Saw G.M.
 Allen & his mother, R. T. Jackson & Mrs. Floyd.
 One may have called at 1 hour little & had
 Mrs. Williams. Spent the P.M. & most of
 the evening over Cushman's plants & finished
 in. I called this evening on Mrs. W.
 Williams and found both in. Mrs. W. in
 , with well again. Jupiter & moon were together

7 Carex pallescens L. upper half of Res.

Ther

THURS. JUNE 8, 1911

Wea

Clear, a little wind cool -

This A.M. took Connor & Cassina to
The binders - Ervold's & then home.
Saw no Hawk on the Smith place
This P.M. I worked on my
pamphlets and then called on the
McWilliams - Saw Mr. Thos. McW. Andrew
& John. Pleasant time - Then to
80 Sparks St. where I staid an
hour. In my arm chair this
reading Wesley Dick. Fine book.

Ther

FRIDAY 9

Wea

Clear warm -

Mr. McWilliams & I went by electric
& stably this M. and wandered
over the upper half of the Reservoir. Saw &
heard a Jaeger in at least 10 min. We
were under the trees & the bird was some
40 ft up. We saw him toss his head up and
open his mandibles as he sang and at each
refrain in the song (4, sometimes 3) he would
a little his depressed tail. The refrains were
generally preceded by a series of clucks.
Home to lunch, then he held in the A.M.
This P.M. he & I went to his summer
night's dream at Bushy Park School.
He was a remarkably performance.
Ellen Dyer & I saw in it
I had and wrote this evening.

Ther

There was a large audience and the reading was excellent. Prof. Winter worked home with us. Saw Shelburne photo of M. & me to L. 24.

Ther

FRI. JULY 28, 1911

Wea

Tremendous north-east storm all day. Pouring rain. Andrews light & most welcome -
 Walked in the rain to M. W. this afternoon
 Saw Dr. Robinson in the weatherby - Read today
 finished Sedgwick's 'Whales', kind instructive
 he & I went (Sullivan) to Dr. Crozier's funeral
 at his residence this P.M. (2 o'clock), partly military.
 Then by electric to Mt Auburn Chapel to Mrs.
 Piper's funeral (11 o'clock). About 95 present
 The Weatherby joined with us, Mrs. W. not
 being able to come in the last minute.

Ther Pleasing SATURDAY 29 in the evening. Wea

Sunny & light clouds, cool & pleasant.
 This P.M. I went to M.B.'s museum
 and spent quite a time with Gilbert
 over books & the garden & etc. went.
 At home read of A.M. & P.M. many
 reading 'Whales' magazines & Journal of
 New England Ent. in last Plethora
 by T.J. joined with Joe & Mrs. Russell. Very pleasant

- Panicum clandestinum* L. Growing naturally
 in Brewster garden by the field-spring.
 - Hesperis matronalis* L. seed in Brewster garden
- Coll. by me & put in press —

Ther.

SUN. JULY 30, 1911

Wea

Sun & clouds, muggy, 80°, a few drops
of rain in a.m.

I have felt poor, to say, very.
At home most of the time in
my armchair, reading the pa-
per, magazines

^{in afternoon}
This morning, I walked up Brattle
St., met Ed. Ward down from the opera
for a day or so, walked home with him. We
met Edger Wells and we three sat in
my room, talked and had a very nice talk.
Edger walked back with me and will come
to see us next week.

Ther

MONDAY 31

Wea

Sunny, quite hot & muggy.
Felt quite well to-day.
Walked to Mrs. Comp. Loom. This time
calling at the dress on the way. Mr. Henthorn
was out. Looked up the skeletons of the
Whales & Dolphins with Beddard's 'Whales'.

talked by phone with R. & her in their
on Steamer. even to Scott's - We go to Kletting Pt. Sat.

Ther

FRI. AUG. 11, 1911

Wea

Cloudy, mild -

So poorly to-day, ~~but~~ we are
 obliged to give up our trip to
 R. Thaplin. I am so very sorry.
 I had the doctor. Better than
 Ple. and have nicely in my room
 a arranging pamphlets. Was all the
 time that I worked this Ple. I was
 on the letter B. I have much more
 I am very much disappointed -
 that we have lost this visit.

Ther

SATURDAY 12

Wea

Clear, glorious day, cool.

Good day to-day after I got
 started. Sorry we could not get off.
 I have spent practically all
 day on my pamphlets. A. B. &
 part of C are done and in cases.
 Cell C is done - nice letter fr. F. S.
 Mathews. He has done the William
 picture. Called at the Rantouls this Ple.
 Sam's son - Rantoul son -
 had Rand called this evening -

Ther

SUN. AUG. 13, 1911

Wea

Clear, mild.

Good day after a while

Spent most all day over my pamphlets, getting through II.

I called on Dr. Robinson both A.M. & P.M. in regard to proof. 1200, read our Carey paper for local flora.

Mr. Kuchert has sent the Willow ovalis & scabra. It is excellent, as usual with his work.

W. Lind at 31 & 31 led with us

Mr. Kuchert again, Orthoschisma called - P.M.

9 Ther

MONDAY 14

Wea

Clear, warm, fine day -

Breezy all day - Hard work

Met Kuchert at N. Sta. at 10.55 the
 (one 10.25) but he was immediately taken
 up by two friends with auto. going to
 Scarborough. So I practically saw nothing of him
 I returned home. Took proof to Dr. Robinson
 Spent P.M. on pamphlets. Finished 7.
 This evening we called on G. M. & Mrs. Allen
 at 74 Orattle St. Saw Mrs. Allen and had a
 very nice talk with her.

Ther

TUES. AUG. 15, 1911

Wea

Sunny & later in P.M. & evening rain
with some thunder & lightning. Quite
steady evening, rain -

I have felt fairly well after I
got started - We came down this P.M.
with bed headache -

Worked most all day on pamphlets.
Finished G and nearly H. Slow!
Horn Forge, Road, Bailey was.

I shall rejoice when my pamphlets
are in shape -

Ther

WEDNESDAY 16

Wea

Clear, with some cloud. cool

Worked on pamphlets this
A.M., late P.M. & part of evening.
Am writing in M. Progressing.

This P.M. went to Tremont Temple
to see English Convention moving
pictures in natural color by
Eugene Furusworth - A wonderful
exhibit. Processions of all kinds
Royalty - Windsor Castle - &c.

W. Brewster called this evening

Ther

THURS. AUG 17, 1911

Wea

Clear, warm, pleasant -

Met Towner at N. Sta. 10.25 Am train
and we kept together till 1.15 P.M.
when his train started for Scarborough.
We visited the Art Mus. & touched at Parker's.
Towner enjoyed his 6 who in the bank in Chicago
now he will have 6 who go down at S. Beach.

for Ruth (60 on Aug. 20) - Home by 3 P.M.
Wrote several letters, bought Allen, 7 P.C. & L.R.
Miss Balch dined with us this evening.

Ther

FRIDAY 18

Wea

Clear & hazy, cloudy P.M. with
quite heavy thunder-storm. Cool.Worked on pamphlets in A.M. &
part of P.M. In Letter P.

In P.M. called to see how Mrs. G. M. Allen
was. Saw G. M. Allen & had nice talk.
His wife is much better - Then called
on E. F. & Mrs. Williams. Mrs. W. has been pretty
sick but I saw her. She was lying on the sofa
This evening, C. H. Knowlton called & we
did letters D, E & F of Carey for 2^d paper.

Ther

SAT. AUG. 19, 1911

Wea

Clear, calm, and very cool.
 Worked on my pamphlets till
 4 P.M., nearly finishing S-
 Gilbert called this morning and I
 gave him pointers on the Art Mus.
 which he is going to visit.
 This P.M. I walked about an hour,
 Mrs. Hanshaw took tea with us
 and we had a very pleasant
 evening, indeed. Talking over many
 subjects: He is full of information.

Ther

SUNDAY 20

Wea

Clear, cool, glorious -
 I put in much of the day
 on the pamphlets, finishing
 the sorting through Z. !! There
 are cross-reference sheets. The pamphlets
 and these sheets are their own catalogue.
 This P.M. I walked over & back to Rand's
 and staid 1/2 hr. Saw Mrs. R.,
 had thurs. am tired & need rest.
 Mrs. Harry Rand's garden is very beau-
 tiful now. One mass of bloom.

Ther

MON. AUG. 21, 1911

Wea

Clear, cool -

After a little pamphlet work
 I, Mr. 19 went to Boston. We
 did a few errands & then I called on
 J.R. Churchill and we dined together
 with R.A. Ware & Anna Churchill at
 Crosby's, School St. I joined the team
 and we went to Farnsworth's Conven-
 tion viewing pictures in natural color.
 Then we visited the Granting Fund Ground & home
 this evening called on Mrs. Spalding. I don't bet
 a ^{little} fish - ^{grown} wing dates.
 Ther TUESDAY 22 Wea

Clear, reasonably cool -

Went to Harv Sq. then to the
 printer - Mr. Hall the starter met me &
 took me through the subway under the
 Sq. There an engineer took charge
 of me and showed me everything as
 far as the yard by the Parkway. Fine.
 Weatherly. Lunched with me and later
 I went over to the W.A. ^{San Miss. Day back 5-day fr. Europe.} ^{W.A. Works program there}
 Charlie Townsend took tea with us. We
 had a delightful evening - He gave me
 his "Captain Cartwright and his Labrador Journal!"

Ther

WED. AUG. 23, 1911

Wea

Clear, hot, 86°. Good breeze.

Have been poorly again to-day
Staid at home all day -named some plants for Mary,
and some ferns for Mrs J. E. Hayes
to whom I wrote. She wrote me
that John & Evelyn were on an Alaska
trip, Jack & his wife in Europe.Wrote Mrs. Greenough or scissus Parnassia
palustris - worked some on pamphlets - am
ready for more boxes. Mr. Weatherly lunched
with us again.

Ther

THURSDAY 24

Wea

Clear & cloudy, cool

Better to-day - Worked on pamphlets
this A.M. This P.M. took to the
Shakespeare envelopes to Miss Anderson.
Saw Weatherly, etc. Only man there who
read some in Canterbury.Julius Wakefield took tea here & we had
a delightful evening. Mrs & Miss Paton
called & were as bright as ever.They sail next week for London.
All had much to say about foreign lands.

Ther

FRI. AUG. 25, 1911

Wea

Rainy day, very cool -
 Fairly well to-day -
 Staid in the house and I spent
 a good deal of time reading
 Cartwright. It is extremely
 interesting in every way -
 This P.M. I took a little walk
 This evening, Knowlton came and
 we worked nearly 3 hours on
 Cereus notes for Rhodora. Our
 Comm. seems reduced to two.

Ther

SATURDAY 26

Wea

Cloudy, cool, evening, overcast.
 Pretty uncomfortable all day -
 To Harry by this A.M. by car. Hair cut, &c
 Then walked to Bot Garden. Talked with
 Mr. Cameron on night blooming Cereus
 Blooms in summer with good light & warmth
 from June to September, at intervals as new shoots
 come up like Wisteria &c Then to Kew
 to congratulate Edith on wedding day, & Robert on
 christening. Met Mr. Thun -
 at home this P.M. reading & pamphlet
 work - This evening Mr. & I went to
 Arlington & called on Mr. Wreghitt & his mother
 Home by 10 P.M.

Ther

SUN. AUG. 27, 1911

Wea

Rainy chilly day -

Not comfortable this Morn. but
quite fairly so this P.M. & evening.
Spent most of to-day, being at
home all the time, putting paw
phlets into 24 boxes, reading Cart-
wright, the paper & 3 Bellman's.
I read much on the English po-
litical questions -

Mrs S. Thacher dined with us and we
had a very pleasant time, 12:30 - 3 P.M.

Ther

MONDAY 28

Wea

Rainy & very muggy - Cloudy,
but not raining in P.M. & evening
Have felt pretty poorly today
This A.M. wrote, and read
Cartwright, most entertaining.
This P.M. worked on pamphlets.
Called at the Williams's and saw
both - Pleasant talk.

G.M. & Mrs. Allen called this
evening and we had a real
good talk - I played the piano

Ther

TUES. AUG. 29, 1911

Wea

Very heavy rain before day breaks
 Very rainy A.M., some thunder.

Cloudy P.M. & evening -
 Fairly well to-day -

Got home this A.M. mainly
 reading Cartwright. Finished.
 I have enjoyed it very much.
 This A.M. I went in town to
 see Dr. W. Wanted long but didn't
 see him. Spent this evening studying
 in Cartwright's localities with maps -

Ther

WEDNESDAY 30

Wea

Cloudy, cool, sunny in part of P.M.
 This A.M. I went to Marblehead, Mass.
 by 10.25 A.M. train, returning by 5.35
 P.M. train. We visited & lunched
 with Mrs. Sheffield & Mrs. Edw. W. Wagon.
 We went over the Lee Wharf,
 walked through old streets & saw
 old houses, rode twice round the
 Ferry in the Bay, and sat on the high
 piazza enjoying the view. Fine time
 - See Journal -

Ther

THURS. AUG. 31, 1911

Wea

Rain steady all day - chilly -
 At home this AM.
 writing etc. This PM. I
 called on Dr. W. in town.
 No effects from my fall at the
 Art Museum in Aug. 5 last.
 Have written a number
 of letters this PM. Severin
 It is hard to keep up.

I am reading with great pleas-
 ure again Long of the Lake

Ther

FRIDAY, SEPT. 1

Wea

Clear, glorious, mild day -
 Walked to the Sy on errands this
 AM. Met Mrs B. L. Roberts on the way
 back, just from Jeffery.

This PM. walked up to Hoffmann's &
 ordered flowers for Miss Paton who was
 operated on for appendicitis yesterday.
 Mrs. Paton looked with us & spent
 the evening. Worked some of pamphlets
 to-day. Read some -
 tomorrow to Roland Baxter -

Ther

TUESDAY 5

Wea

Clear, cool, glorious day.

Went up twice to 80 Sparks St
to get some things to send to
Abnalancaet, V.H.

Wrote to Roland Thaxter, Ned Rand,
Mary, Mrs. McWilliam, etc. did some
Shakespeare work & pamphlet work.

This evening we called on Miss
Cartee at Mrs. Cummings' & then
on the Drews. Mr. Drew's son was in.
He showed us a set of fine Panama photos.

Ther

WED. SEPT. '6, 1911

Wea

Partly in A. he gradually clearing -
 S. he. becomes clear & mild.

I have worked hard all day on
 my pamphlets - With the exception
 of a few scattered on the shelves
 they are all arranged & in
 116 pamphlet boxes. These are the
 ones going from A to Z. I have 27 boxes
 full of serials, duplicates &c. I shall have
 some shelves in the bed room.

Mr S. H. Keister dropped in this evening - J. R. C. ^{card from} _{phantom} ^{at 5}

Ther

THURSDAY 7

Wea

Cloudy - cool ~

This A.M. I walked over to the Gray
 Herb. & saw Dr. B. L. R. Weatherly, Prof.
 Groves of Oberlin, O. whom I knew
 there long ago. Dr. R. agreed with me that my
 letter, Lichia is L. intermedia, one gumpersoni
 Wood & used this P. & arranged with
 T. Robinson whose son called, for a shelf
 in our sleeping room

Will Brewster called this evening & we had
 a long talk on flight of Gulls &c. ~

Ther

FRI. SEPT. 8, 1911

Wea

Rainy, disagreeable out doors
 I have had a little cold all
 over to-day & have kept the bundle.
 I have put into the mounting
 box the set of Violets from Wash-
 ington and some of my own plants.
 I have written Charlie & Mary Dexter
 and I have read some in 'The
 Broad Highway'. Strange & Interesting.
 G. M. & Mrs. Cellan & Mr. Paton took tea
 with us. We had a real jolly evening.

Ther

SATURDAY 9

Wea

~~Another~~ rainy damp day,
 The weather and the lingering
 cold I still have, kept me in to-day
 I wrote a long letter to Helen
 and sent her some photos. 'Sun at Bold
 Head Cliffs', 'Clouds over the Kumbok', and
 Elsburne views 682, 670. I have
 read much in 'The Broad Highway'
 and am very much interested indeed.
 Letters from Ruthven & Mary - Mrs
 Townsend invites us to Spink for the 16th

Ther

SUN. SEPT. 10, 1911

Wea

Clear, sunny, mild day -
 I wrote several letters and read
 considerable in 'The Broad Highway'.
 This morning I made a very
 pleasant call on Dr. Thos. Johnson
 This afternoon I called on Fernald
 & found them all at home - I hadn't
 seen Fernald since left in June for
 Newfoundland. He gave me a long account
 with map of the trip. They collected over
 10500 sheets. I staid to tea & came home
 at 8 o'clock

Ther

MONDAY 11

Wea

Clear & Pk but raining in middle of day:
 This AM. I spent some 2 hrs. at 1 Mercle Cull
 with Carl, a policeman & an Inspector of Police. The
 house had been broken into sometime last evening.
 Drawers ransacked but evidently nothing taken.
 Spent rest of AM. with W. Brewster in wood.
 This PM. wrote long letter to Mrs. Mrs. Kestellan
 then made a call on Mrs. Kestellan, and on
 The Kestell's. Saw Mrs. R. Senior & Edith. Mrs. R. Sr.
 walks back with me. Mrs. R. jr is sick.
 W. Brewster spent the evening here. Finished ^{Broad} Highway.

Ther TUES. SEPT. 12, 1911 Wea

Cloudy & clear - Pleasant day.

Felt poorly this Am -

Wrote long letter to Charlie Batchelder

This P.M. Dr. Robins called & I gave him my pamphlet boxes - We left them to his house -

Later I walked over to the W. & gave him Anderson plants to mount. Saw Gerould's plants - Inspected the building & walked back with Dr. Robinson. Wrote this evening -

Ther WEDNESDAY 13 Wea

Clear, very cool -

This Am. walked to Miss Cutler's, the Vessel Bone & Mrs. Cummings to see about a room for a month. Later walked to Mr. Ham. Sq. on errands -

This P.M. arranged pictures with me to be hung to-morrow

Later walked to Dr. Robinson with some boxes and then to Edith's. Saw all & gave good-bye to Mr. Rantoul senior. Writing most of the evening -

Ther

THURS. SEPT. 14. 1911

Wea

Very cold last night 36° at 6.30 A.M.
Cold all through the day.

I have a cold which I must get over
before Saturday when we go to Ipswich.

This morning I spent a good deal of time
hanging & changing pictures with Collin's
man - This A.M. I walked to West Sq.,
got my hair trimmed, did some errands
& returned - Cold feels pretty bad -

Higgins on Cabot took tea with us & gave us

a delightful acct. of his trip in Eng., Wales, Holland & France.
Lillian returned from Sweden 6.50 & was here
Ther FRIDAY 15 Wea this evening

Steady rain, chilly day -
at home all day. My cold was
bad this A.M., but has gradually im-
proved - much better this evening.
Have been clearing up many things
to-day, writing letters and
reading the magazines -
If I am all right to-morrow we
shall go down to Ipswich even
if it rains as seems to be the
prospect. Sunday may be fine -

Ther

SAT. SEPT. 16, 1911

Wea

Clear mild in the end all
we heard Ipswich -

At home this after-
noon busy about various matters
This P.M. Mr. & I went
to Ipswich - See Journal

TUESDAY 19

Wea

Cloudy, cool pleasant.

This A.M. walked to Hardsy. Called on Hollis Mebelin & showed my fungus from the sand dunes. It is Clitocybe trullisata ^{Ellis} Opp. Holden Chapel in the Common in a Home Chestnut in spring, leaf & flower!! It evidently lost its leaves in the spring to 70th. Saw Mrs. Cameron and the four of the old. Fine henforded plants. This P.M. letter writing. Shelf was put up in bed room. Evening in writing.

Ther

WED. SEPT. 20, 1911

Wea

Clear warm, very pleasant
 At home to-day putting pamphlet boxes in position - All are in place! All summer I have been working towards this - I put away some autograph letters, wrote letters etc. Am putting shelves in order. Rec'd today fr. Miss Conant a copy Sect. Wye Club Bull 20 on *Cle-tocyn trullisata* by Hollis Nelson. Viola is quite sick. W-keeps going down

Ther

THURSDAY 21

Wea

Clear and very cool.

Miss A.M. walked to Haver Sq. on errands. Then car to Dr. Robinson's where I did some business. Walter Robinson took me over the 4 stories, showing me every thing. Fine workmen, fine machinery, fine work. To Boston, visited Old State House and then to E.R. Reed's. Lunched with him at Marston's. Oyster stew & Uxbridge's milk. Had lunch at South Sea Bubbles. Read paper at home in P.M. Mr. Paton called this evening.

His sister comes daily

Ther

FRI. SEPT. 22, 1911

Wea

Clear, very mild, fine day
 At home to-day. Worked at
 the on pamphlet covers etc.
 Read some yesterday & today in
 'South Sea Bubbles' -
 Ruetoven arrived from Scarbro
 Beach about 3.30 P.M. I talked
 with him the rest of the day.
 He has a little head cold
 He gave all the Chicago news
 We expect to go to Concord tomorrow

Ther

SATURDAY 23

Wea

trip to
 Journal
 with Ruetoven
 Man

His sister improves daily

Ther

SUN. SEPT. 24, 1911

Wea

Clear, mild, fine day.

This After. after talking in my study & writing. Ruthven & I walked over to the Bot. Garden. This P.M. we went in to the Art Museum. R. was much impressed by the Chinese Silver, monet paintings, Egyptian art and Human Bones exhibit of Chinese textiles. This evening John Baker called & got a good acct. of his summer.

Ther

MONDAY 25

Wea

Very hot, heavy thunder storm in late P.M. Cloudy in the evening. Therm., 83° at 1.30 P.M.

Ruthven & M. went to Boston today - I was pretty tired and staid at home - I read & wrote and worked on my genus Amaranthus -

This evening we sat & talked. It was very warm - I go to Providence tomorrow if pleasant.

Ther

TUES. SEPT. 26, 1911

Wea

Heavy rain this A.M. cloudy day
 clearing in late P.M. + evening.
 Our long arranged visit (Rout #9) to
 Touisset was abandoned - I phoned
 Rand + telegraphed Bailey - Very Sorry.
 At home to-day - Worked on Accountants
 + Carex - Wrote letters -

Martha arrived. She + Ruth learned how
 Tomer came later + all three dined
 here and spent the evening -

Viola is very sick + cannot recover.

Ther

WEDNESDAY 27

Wea

Cloudy, cool. Rain in evening -
 Met Ruth + Martha at 11.30 A.M.
 at the Art Museum Boston - Good time
 than I came home. This P.M.
 I went down + had some time
 with Elery - Viola is very very sick
 It is very sad indeed - We just
 came that Mrs. Winsor died yesterday.
 - Martha, Ruth + Tomer dined here
 this evening and the time passed
 very pleasantly - Letter from Mary + Helen

Coll. *Bidens frutescens* L. on Sparks St. igloo
x ~~W. H. H. H.~~ THURS. SEPT. 28, 1911 Wea

Clear, very cool -

This A.M. I called on Mr. Hayes
& asked to assist tomorrow. He
called Calia & asked me when we were.
I walked up to Hoffmann and ordered
flowers for us & for Mary for tomorrow.
Walked home. Turner accompanied with
me & we arranged his courses. We walked to
The College for more information -

Ruth, Martha & I dined with the Batchelders.
I left early & we got to the North Star for
Lucy. Missed her through error told me!
7th Tier ~~was here~~ FRIDAY 29 Wea

Rainy day -

Martha & Ruth came up this A.M.
Martha spent the day. M. & I went
to Mrs. Minto's funeral at 12.
I acted as usher. Turner came
to lunch with us all - Tolly time
this P.M. I went down & sat on here
with Ellery. Viola is very sick &
there is no hope. She takes little food.
Lucy, Martha, Ruth & Turner were all
here to dinner & the evening. ^{(When I went over}
^{and saw her}
^{before arrive.}

Five miles of Brown's Comet this evening, with the naked
eye & only 1 glass - near the handle of the Sp. & Dipper
Ther SAT. SEPT. 30, 1911 Wea

Clear, cool, glorious day.

Did a little botanical work then
walked to Harv. Sq., to bank, Coop. P.O.
Yc. Called at 76 Speck St. May, Martha,
Ruth & Tomer were at lunch. Lunched
there - with two Japanese wives - Ruth &
I - then staid till 4.30. then good-bye
for the C. R. train to Chicago.

This evening went to 1 Mercer Circle
and welcomed back the McWilliams as
they arrived. They are all well. Ruth's
Ther with her husband to the party. Wea
SUNDAY OCT. 1

Cloudy, cool, rainy evening -

I spent much of the morning
reading the papers which are full
of the large problems of the day. Wrote
Helen & Ralph Shute who is married -
Tomer dined with us -

This P.M. I went down to Ellery's & sat
some time with him. Viola still very sick.
Called at 1 Mercer Circle - called - found McWilliams
McWilliams on my return -

Read this evening. Ruth & Tomer were at home

Ther

MON. OCT. 2, 1911

Wea

Cloudy, cool, clearing.

At home this A.M. and early P.M.
Did some reading, and worked
on Carey sheets; -

Called at 76 Sparks & saw Lucy
& May, had at work getting settled.

Called at 80 Sparks and saw
May & George just returned from
Abolancet. They both dined with us
1st meeting of Nutt-Clala - 13 present.

Very pleasant time. Interesting

Ther

TUESDAY 3

Wea

Clear, quite, cool -

Called at 76 Sparks St. this A.M.

Lucy will join the magazine club -

Took the Panama & Jamaica plants and went
over them with Mrs. McMillan. Later
saw Howard & Nellie Mansfield at Dr. Corlidge's.

Rested in P.M. met Lucy & May at Lombardy
Inn & then we went to Keith's. Performance

half over. May got something in her eye!!

We had to leave & go home. Called at Dr.
Darlin's. He quickly extracted the warts.

Ther

WED. OCT. 4 1911

Wea

Raining day, sultry -

This morning, & part of P.M. I worked on Carey sheets, stamping & identifying. Spent 1 1/2 hrs. at noon with the McMillan group over the Panama list & giving Mr. McKee some Outlooks on Panama - Letter from Mr. Blaschka & spms of *Phyladelphus coronatus* with teratological fls.

This evening went to Hotel Somerset and called on George Tuttle & Howard & Hollie Mansfield. Saw them all. George's wife is in the hospital here with operation for appendicitis.

Ther

THURSDAY 5

Wea

Clear, windy, bracing -

This A.M. I walked to Harvard Sq. (Hair cut) - then car to Gray Herb. Left a few plants for him Anderson - Saw all botanists. Back to lunch. Then called on Dr. Diemar and then to Gray Herb. again - Wrote a note on *Carex churraea* for Local List. Met at Gray Herb this A.M. Miss Elsie Hooker she is far from strong, but full of zeal in her bot. work. This P.M. called at 76 Sparks St. Evening at home, writing readings, etc.

Ther

FRI. Oct. 6, 1911

Wea

Clear & the Cloudy Train, in the
Evening -

I had a poor night, feverish. &
Kept my room during the day,
lying down, reading, doing up Concord
photos for Ruth & Mill Brewster, &
Felt my better by 5.30 and went
to E. F. Williams' dinner at 6 P.M. Very bright
time as usual. Took over to Mrs. Williams
Taxi to 3 Toy St. 1st Meet'g of Bot. Club.
Extremely good time - Home by 11.45 P.M.
I had my lunch with wife & Mrs. Chesnut. Davis

Ther

SATURDAY 7

Wea

Cloudy, clearing in P.M. - Cool,
Wrote & read this A.M. after a
good rest - Over my trouble of yesterday
had Coolidge's wife Sarah, boy Austin &
Miss Clark a friend from Cleveland, O.,
lunched with us to-day and spent
part of the P.M. 1911c at 6.30-7.30 P.M. in the n.w.
It is visible to the naked eye except the tail
this evening but I called on Mr. Thors
Drew. Very pleasant. Learned much about
the Chinese rebellion -
Viola is still very sick - Sad.

Ther

SUN. OCT. 8, 1911

Wea

Cloudy and clear, quite cool.
 At home this & the work on my
 plants and reading -

This P.M. took a 2 hr. auto ride with
 Mr. & Mrs. McMillan. We went through
 Belmont, Lexington, Weyland, Waterville,
 Wellerley, Wellerley Hills, Chestnut Hill
 Reservoir & home in just 2 hrs.
 Mrs. Dexter spent the evening with
 us. She was full of stories. This P.M.
 Mr. went to Viola. She is as sick as can be.

Ther

MONDAY 9

Wea

Clear, calm, warm, a perfect day.
 It has been wonderfully beautiful today.
 Worked some this & the P.M. on my
 Violets. Called this A.M. on Mrs. Dexter
 & at 80 Sparks St. Card from Helen
 from Paris - She is well & very happy.
 This P.M. called on the McMillans and
 saw fine photos of the Panama Canal on
 French Days. Played the organ - Mr. & Mrs. back
 in. This evening called on Ellery and sat
 about 1 3/4 hrs. with him } Mrs. Saturne and
 } Mrs. in line -

Ther

TUES. OCT. 10, 1911

Wea

Clear, mild, cool, wonderful day
 Read some illus. A. M. (Kear & the Mystery)
 Sarah Corbridge came this noon and
 staid to lunch. I took her to Boston, & we
 got Miss Clark at Mrs. Hazard's studio
 on St. Botolph St. I went to the Art Mus.
 Spent 1/2 hr. There I showed them special
 things in the various departments. We had a
 very nice time - then to the Studio, got
 Cusick and I left them all at the Copley
 Sq. Hotel. Home to tea. Called this evening
 on Mrs. & Mrs. Eves (art). & on the Woodmans. Saw
 Wallis Elizabeth, Anna & David L. Webster.
 Saw the Bruce Court at 6.45 P.M. good tail,
 Ther WEDNESDAY 11 Wea

Cloudy, cool, slight breaks at intervals.
 I worked all the A.M. & P.M.
 mostly on v., violets and they are in
 good order. Wrote to Dr. Brainerd.
 At 5.15 called on Mr. Boyes. Saw
 him & Penelope who is growing fast.
 Rec'd yesterday fr. W. T. Putnam. Lake Cush-
 man Warkington, a letter & 9 stereoscopic views.
 Wrote him. Mr. S. T. Baker called this
 evening. Letter from Miss Corbridge
 wrote her & John Thayer -

Ther

THURS. OCT. 12, 1911

Wea

Clear warm A.M. cloudy P.M.
 Worked at home this A.M. and called
 on the McMillans. Found Ned Rand
 here on my return. He staid to lunch.

This P.M. I auto'd to Boston
 with Mr. & Mrs. McK. & Audrey and saw
 the procession. Returned through Brookline
 & Chestnut Hill Reservoir. Called at 76
 Sparks St. saw Lucy - Called there again this evening
 finished 'News and the Mystery' - Organized my
 Sapientaria (107 sheets). Viola very sick !!

Ther

FRIDAY 13

Wea

Clear cool - glorious day
 This A.M. did errands in W. Mass St & called on & bid
 good bye to Sarah Hustin Coolidge and Mrs. Clark
 at the Copley Sq. Hotel. met Mr. there & we returned home
 in P.M. worked some and then Mr. & I went to
 Ellery's. Viola has bad attacks & is ever weaker.
 We all pray that the end may come
 Mrs. McMillan & John called this P.M. I saw them
 Mr. & I called at Lucy's this P.M. Saw both.
 The leaves are rapidly turning and also
 falling - The street maples are brilliant.
 Good view of Boston Common at 6 P.M.

Ther

SAT. OCT. 14, 1911

Wen

Clear, balmy - mild -

Viola passed away at about 10.45
last evening - It is a blessed release.

Thurs I went soon to Elley's this
A.M. & P.M. I sat there some
time this P.M. while he was out.

The funeral will be 2 P.M. Oct. 18

at Forest Hills. I went to Boston
this A.M. on some errands -

At home this evening rather tired.

I sent off several telegrams -

Ther

SUNDAY 15

Wen

Cloudy A.M. Rain in P.M. & evening.
Rested & read the paper & Outlook
the A.M. Called on Mr. Spalding.

This P.M. went to Elley's. Staid
some 2 hrs. He was quiet. We talked
over the funeral arrangements for Wed.

Then called on Mr. Thiers Paton, 94 Soattle
Mr. Paton is much better & they go to New
York, Wed. and sail the next week!

Spent a few minutes with Mr. & Mrs. Mc-
millan. Evening at home -

Ther

MON. OCT. 16, 1911

Wea

Clear - cool.

This Morn. I called on Miss Raton
and Mrs. & Mrs. McWilliam - Saw all
Lantier, Meeker, Ingers & McConnel's by Lowell
and Mr. W. Pickering's paper refuting it -
This P.M. I went down to Ellery's
and stayed there till after 4. Mr. Lane
and I walked home together, called
at the McWilliams for a short time, seen
all the family - Rested at home & read
Hittell Club this evening. Best on Alex-
ander's ~~Return to~~ ^{Evolution} ~~Evolution~~ ^{Evolution}, 20

Ther

TUESDAY 17

Wea

A misty, chilly day -

At home till 12.30 reading & resting
Went to Forest Hill Cemetery at 12.30
getting tea at 1.49 - met Ellery & Mrs. Fred Dun-
gin. Made final arrangement for the funeral
got to Huntington Hall in time to get my
Reidner tickets - met Mrs. Emerson & took
her to the 1st lecture (5-6) on Egypt. Fine
Home by 6.45 - Rested this evening -
Pretty tired. The funeral is to-morrow
at 2 P.M. I fear bad weather.

Ther

WED. OCT. 18, 1911

Wea

Chilly rain all day, very bad.

Funeral of Viola Coolidge
at Forest Hills Cemetery -

5 Mr. & I were out there by 1 P.M.

Funeral in the Chapel at 2 P.M.

followed by services at the grave -

Mr. Evans officiated, Warren Locke

played on the organ. Arrived with Mr.

Fred Durgin I was very busy & am tired.

We got home in late P.M. & rested.

Mrs. George, Mrs. Lizzie Scimion & Ned

(Pam) ^{There were three beside relatives}
on the other side -

THURSDAY 19

Wea

Cloudy, misty day - Some rain

At home this A.M. & P.M. till

4.15. Read & did some work on

Violets in re Gainer's letters.

This P.M. heard Prof. Willy Kükenthal

Exchange Prof. J. Breslau in Zoöl Lab.

on Whales. 1½ hr. of wonderfully

interesting talk. Shall never forget it.

Note letters this evening and

rested & read a bit.

Ther

FRI. OCT. 20, 1911

Wea

Cloudy, cool, but no rain -
 Called this A.M. on May Dexter -
 wrote a letter to Dr. Brainerd.
 May & I went to Dr. Brainerd's
 2^d Lecture this P.M. at Huntington
 Hall - Egypt 'Chronology, Races &
 Physical Geography'. The 1st Lecture
 was on 'Sources of Material and Methods
 of Research' - they are very interesting
 Dr. & Mrs. Coolidge dined with us at 1 P.M.
 Read & rested this evening. -

Ther

SATURDAY 21

Wea

Rain, rain steady all day -
 For a while this A.M. and late P.M. & evening
 I worked on the Pantheon that came back from
 Washington to-day. Went to Mrs. Chase, to Dr.
 Brainerd and to C. A. Weatherly.
 In P.M. I spent from 12 to 1 at Mr. Hazard's Studio
 St. Botolph St. seen Austin Coolidge's paintings
 & photos of his H's work at the Temple Temple
 The painting is wonderfully fine. Exceptional.
 Then to Harry & Quincy Reed at Jamaica Plain.
 Lunch and a lovely time. Home by 5:20

Ther

SUN. Oct. 22, 1911

Wea

It is her birthday. We saw her Carlisle
Trunk Rev. (2 vols). I went to the
Sp. Hb. & worked on Lycopodium obscurum
and var. dend. M. H. F. confirmed my work.
Wiesend was there working on Cumelanchia.
At home this evening at various work.

Ther

TUESDAY 31

Wea

Cloudy, a little rain in P.M. evening.

This P.M. called on Dr. Robinson in re
Mrs. Owen's agreement to write a sketch
of F. W. Batchelder. Corrected proof of
1st Carey List.

Worked today on Carey & read Egypt.
May & I went to Dr. Reissner's 5th lecture.
Pyramids - It was fascinating -
Mr. & I dined (7:15 P.M.) with Mr. &
Mrs. McWilliam and had a very
pleasant time - Home about 10:15.

W. T. Putnam of Lake Cushman Wash. sent
me to-day 1000 leaves of *Picea macrocarpa* (Lam.)
Ther WED. NOV. 1, 1891 Wea

Rainy, rainy day, disagreeable
Worked on Carey this Am. Called
at 76 Sparks St. Dr. Coolidge is 94 yrs
old to-day. Spent some time this morning
with the family. Loads of flowers from 14
people, a box from representative several people,
14 boxes of flowers. All are well.
Read Egypt this P.M. and attended
alone Dr. Reikner's 6th Lecture. Wonderfully
interesting - New Empire & Late Period.
James Mrs. Greenough called this evening.

Ther

THURSDAY 2

Wea

Clear, then cloudy then clear, a
small snow storm in P.M., cold. ice
formed this evening - Evening crystal clear.
This Am. walked to Har by & back. Wrote
to Theo. Holmes, F. H. Knollin, J. N. Roe, Dr. Wellington
of Swansea. This P.M. worked still on
Carey. Shall be through after a few hours ^{more}
This evening wrote to Mrs. F. W. Bethel in
return for her letter to me, a beautiful letter
Called on Will Brewster this evng. He will use my
estimate of Purdie as a biographer entire quoting
from me at the Phila. meeting - nice talk.

Ther

FRI. NOV. 3, 1911

Wen

Clear, glorious, cold -

Worked much on Carey and am
nearing the end. Started to make out
the Xmas record book as a help for
the season

6 P.M. dinner with Mrs. & Mrs. Williams
Robinson, Rand & Churchill. The usual de-
lightful time & taxi-ride to 3 Jay St.,
where I presided a full evening for the last
time. New officers on Dec. 1, when after the an-
nouncement I retire - I have served 3 yrs.
and have never missed a meeting. Home by 11.45

Ther

SATURDAY 4

Wen

Clear, cool.

Worked all day on
getting ready Xmas lists.

It is quite an undertaking,
I also spent a long
time on the month's bills.

To-morrow, Mrs. S. Thacher & I
go to Milton to see Miss
Waggoner if the weather
holds out. Princeton has
beaten Harvard 8-6 !!!

Ther

SUN. NOV. 5, 1911

Wea

Clear, glorious, cool, calm
 Mr. Stephen T. Barber & I went
 to Milton and visited Miss Alice
 E. Mayerson. We got there by 11.10.
 We three with Miss Tennant - assistant
 to Miss Barber, took a 3 m. walk in
 the Reservation and enjoyed everything.
 After a hearty dinner, Mr T. & I
 visited Mr. Marshall & saw his cows
 milked by electricity! Home by 6.40
 Evening at home. See Journal.

Ther

MONDAY 6

Wea

Cloudy chilly with some wind.
 Raining after 4 P.M.
 This A.M. after writing, etc. I went up
 to Fresh Pond & saw some interesting ducks.
 For first time fine -
 This P.M. May & I went to Dr. Rogers's
 lecture on Egypt. (Religion).
 This evening at the Nuttall Club
 Mr. L. M. Underwood gave a talk with his
 beautiful colored views on his experiences
 last week in Fla. at Big Cypress. ^{He had fine} view of ^{of} ^{the} ^{land}
^{land} ^{view} ^{of} ^{the} ^{land}

Ther

TUES. NOV. 7, 1911

Wea

Clear, windy, mild.

This Sun. - Mrs. McWilliam & I
 walked up to Fresh Pond to
 see the Ducks. - Very fine.
 It was a very beautiful sight
 the Ducks in Canada were very near
 the edge and were backed by a heavy
 line of Gulls - the air was warm.
 In P.M. - rest & read Gannet in Richard H.
 May Dexter & I walked to & from
 Mrs. Gannet this way to Shakespeare Club

Ther

WEDNESDAY 8

Wea

Clear, cool, very windy. The
 calm in the P.M. -

Walked alone to Fresh Pond this P.M.
 too windy to see much. - Very fine.
 Worked on Shakespeare records this P.M.
 Mrs. May & I went to Dr. Reidman's
 last Egyptian lecture this P.M. on last
 very fine & I regret it is over.
 This evening printed the Shakespeare
 notices. Letter to-day from A. K.
 Fisher which I sent to F. S. Collins

Ther

THURS. NOV. 9, 1911

Wea

Clear, cool, pleasant.

This Morn. I made a short call on
 the Wicklens. Next I walked to
 Soc. talking politics. I did errands and called
 on Turner in Holcombe, 4th floor. Saw the new
 arrangement for baths - most excellent.
 Sent Thomas from Beckers to Dr. Robinson.
 47 yrs yesterday. 10 hrs. Comp. Lodging. Dr. Farlow
 named a fungus I got on base of oak in Reservation
 on Nov 8 - Stizium complicatum Saw Seymour
 who showed me many in treating fungi -
 a little work on Curax this P.M. I bought called.
 This P.M. about 5.45 called on Dr. Robinson - This
 evening called at Lucy's on Main Bridge
 Bill first arrived FRIDAY 10th from Eng. ^{Wca}

Disagreeable rainy chilly day -
 worked much W.O.S. on Curax and
 now finished!! They are now named, stamped
 cleaned, fortified. That is a good advance.
 This Morn. I called at Henshaw Chambers
 on Harriet Greenough & Maria Drubaly who re-
 turned yesterday from a 9 mos. trip in E.A.
 They are well and bright & full of it.
 Council meeting of N.E. Bot. Club this evening
 at E. F. Willens'. I present - the usual pleasant
 entertainment followed - Rich. only absent -

Ther

SAT. NOV. 11, 1911

Wea

Clear, very warm, almost summer day.
 This A.M. I walked up to Fresh Day.
 The water was calm and it was a beautiful sight to see the Gulls & Ducks floating on the surface. Nice Fine m.
 Harriet Brooks lunched with us. She told us of her enjoyment. Tooked this P.M.
 & evening on Saley and made a good beginning.
 I have a very large representation -
 Mary Dexter & Miss Bell called this P.M.

I money fined with us - Carlisle vs. Harvard
 this P.M. 18 - 15 !!!

Ther

SUNDAY 12

Wea

Cloudy all day, light wind;
 heavy thunder storm in evening
 Tooked much to-day on Saley
 Grove called in the A.M.
 This P.M. I took 'Rutledge Rio's
 Alone' to Mrs. Williams -
 Fine wind & rain in P.M. Just
 preceding it, the mercury rose
 to 78 in my room. We rarely
 have so fine a wind.
 It must work trouble.

Ther

MON. NOV. 13, 1911

Wea

Clear, calm cold, below 32.
 A marked change - paper full
 of reports of damage in eastern U.S.
 Worked much today on Salix
 I have 602 sheets!!

To the vaults this A.M. for silver
 trunk. Walked back for Harry Sq.
 Called at the Lee Millant. Mrs. Thos
 McKim in - This evening called on Dr. Van
 Allen Higgins at Cabot - very pleasant
 this. Mrs. in Brattle St. had a large pkg. sent up by
 an express wagon that sped on - I pulled it up &
 delivered it to Mrs. Griswold!!

Ther

TUESDAY 14

Wea

Clear, cloudy up during the day
 cold & chilly - Great change.
 A little work this A.M. on Salix.
 About 11 A.M. I went to Boston
 to get wedding presents for L.H. Bailey's
 daughter Mrs. Horace Price Sailor & for
 Mrs. Thos. J. Schuyler Matthews (Silver wedding
 Nov. 17). I called on & dined with J.R.
 Churchill & there had a long talk with
 E.L. Reed. Home by 6 P.M. Evening at home
 talking & writing to ^{Will Bruce, Ruth, Walter}
^{Deane Rose, H. Cabot,}
^{& E.H. Brewster, daughter Mrs. H.P. Sailor.}

Ther

WED. NOV. 15, 1911

Wea

Clear cold -

Tooth troubles me much.
 Worked this A.M. on Salix.
 Dr. & Mrs. Coolidge lunched with
 us - Both keep remarkably well.
 This A.M. I went over to the Gray
 Herbs with Ruppia & some Salix.
 Mr. & Mrs. Wiegand wanted to see the
 former. One common eastern plant is
R. reticulata! True changes -
 Evening at home on Salix

Ther

THURSDAY 16

Wea

Clear & quite cold -

This A.M. I went to Dr. Briggs &
 found him to Dr. Parker who ex-
 tracted the troublesome tooth (Gas)
 This is a great relief - At Dawn. Sq.
 on return had hair cut. etc. Walked home.
 Worked on Salix A.M. & Evening.
 Also called at 80 & 76 Sparks St
 Saw G. Hoff & Jay & May. Miss Bell
 slowly improves. Received from Galt,
 Ontario pr. Euphorbia Cyp. !!

* This A.M. helped the Dr. on a skeleton for Harv. Bull.

Ther

FRI. NOV. 17, 1911

Wea

Clear A.M. clearing in P.M.
Worked on Salix at intervals of
time through the day. This A.M. called
on Mrs. McMillan Saw Mrs. Tucker & Ellen.
Then to Harv. Sp. & home -

This P.M. went with Mrs. & Mrs. McMillan
to the Silver Wedding of Mrs. & Mrs. F. Schuyler
Matthews. All was very bright. Saw
J. R. Churchill, wife & Anna, B. L. Robinson,
F. S. Collins, Dr. Webster, Mrs. Rippen etc. Sanford
Hubbard & son engaged to Genevieve - Walked
home. The Matthews were delighted with our present
a silver hammered bowl - at home this evening.

Ther

SATURDAY IS

Wea

Fierce rain this A.M. Clear, clear P.M.
At home this A.M. on Salix.

Called on Ruthven at 88 Sparks St. He
came unexpectedly from Phila. This P.M. on
Salix nearly through. Called at Mrs. E. F.

William's at 4.45 & may Dexter came later
for the game - Harvard 5 - Dartmouth 3!!

In hand Harv. Princeton 6 - Yale 3!!
Mrs. & Mrs. McMillan came to dinner. We
had a very pleasant evening -

Mrs. Coolidge has been ill to-day - X

Ther

SUN. Nov. 19, 1911

Wea

Clear, bright sunny day
 wrote this A.M., and called
 on Rutheven at 80 Sparks St.,
 Miss Margaret & Mr. S. Thacher
 dined here and spent half the
 P.M. in my study looking at
 plants, pictures, books, etc.
 We had a real good time.
 Elley came in and staid to supper &
 spent the evening -
 Did a little work on Salix.

Ther

MONDAY 20

Wea

Clear mild A.M. Cloudy cold with
 rain in P.M. Evening crystal clear.
 This A.M. I went to 50 State St. with sketch
 of Dr. Corlidge for the Bull. Called on Judge
 Churchill on business, met him at Old Corner
 Book Store, looked over books, punched & looked
 by P.M. Dr. Berbaum called in P.M. on
 Shakespeare Business - Rutheven dined here
 We went to the Hunt. Club - They were
 good notes & acct's of the Phila. meetg.
 Read this P.M. 'The head of Change' J. Street.

Ther

TUES. NOV. 21, 1911

Wea

Clear & cloudy, cold -

This Morn. I called on May Dexter & Miss Bell. Saw May for us both a brock for her birthday (40 yrs). Called at 80 Sparks St. Rutledge art.

This P.M. did some work for the evening. Later he & I went to the Anderson Seminary. Brog heard Rev Arthur H. Smith of Texas, on China. most interesting, but he talked too fast & indistinctly.

May & I went to Shakespeare Club this evening at Mrs. Wheeler's - (Merry Wines) -

Ther

WEDNESDAY 22

Wea

Clear windy, cold, 34° at day.

This Morn. I went to the Navy Yard. Saw the Utah leave the dock, biggest battle ship. Cruiser Des Moines, Constitution, and torpedo boat, Armen in dry dock. Other battle ships further on. Cruiser Chicago near Charleston bridge. Ground eight - Torls $11 \frac{1}{2} \times 4 \frac{1}{4}$ -

This P.M. Rev Smith 2^d China lecture. Center of the Revolution. Fine. Mrs. & Mrs. W. M. Willson, Mrs. E. F. Williams here & heard.

Dined at Lucy's, with Lucy, May, Miss Bell, May & George. Then took Miss Bell to Laura Kelly's concert at her B. B. building - great success.

Ther

THURS. NOV. 23, 1911

Wea

Clear as crystal, cool - evening cloudy.

This AM. I took some Salix to Gray Hb and worked them up, alba, fragilis & var.
Met Mr. Wm. E. Safford aft Washington and took him home to lunch. He is a warm friend of Wash. friends of mine. Told us much of Guam when he was a year -

Mr. & I went to Rev. Smith's 3^d lecture on China - Wonderful. Sat with Mrs. E. F. Williams & Mrs. Henckley. All walked home together. Called this evening, on Prof. & Mrs. Muelke, Mrs. Muelke was imbed with art. Saw Prof. Muelke -

Ther

FRIDAY 24

Wea

Very rainy day -

This morning I read Mrs. Owen's sketch of F. W. Batchelder & sent it to Dr. Reuben Wooten B. L. R. & Mrs. Owen - Got out Shakespeare notices -

My depts, Mrs. Bell Higginson Cabot & Mr. Safford ^{sent Sullivan for Safford!} came to 11:30 lunch. very pleasant time. Drove to the China lecture Drove home (Lumpkin) -

1st Medine at Harry Spelman's. 9 present. very pleasant time -

Ther

SAT. NOV. 25, 1911

Wea

Clear, cold, some wind.

Ponds frozen over.

Called at Dr Sparks for this A.M. on
 Charlie who arrived yesterday.
 He has a very bad cough. Then to Har
 Sq. met M. looked over a few books at the
 Coop. At home then felt a cold
 coming on - no time for a cold
 This evening Mr. & I called on the
 Townsends. 76 Marlboro St Pleasant call
 See Mrs. T. Gertrude & Mary Ann. ^{Charlie}
_{was gone to}
_{W. Church}

Ther Monday ~~SUNDAY~~ 27

Wea

Clear, cool, fine day.

My cold has been very uncomfortable
 with pain in my chest - I had the
 doc on this A.M. I took a 1/2 hr. walk
 in the sun. This P.M. distributed
 some pamphlets - Mr. & I drove (Sullivan)
 to & for Geo Smith's China Lecture
 He talked wonderfully on missionary work.
 Mr. & Mrs. McWilliam were there.
 Charlie took ~~tea~~ ^{dinner} with us and we
 had a pleasant evening in spite of my cold!

Sunday 26

Ther

MON. Nov. 27, 1911

Wea

Clear, cool, pleasant.

Cold bad, feet poorly all day & stayed at home - most of the time I read 'To-day on the Hill' by Dunning. I referred constantly to Brewster's book & views. The combination is good. May & Miss Bell called in the P.M. Miss Bell goes tomorrow - Lucy also called. I have had pains in my chest pretty much all day.

Ther

TUESDAY 28

Wea

Cloudy, mild; rainy in P.M. & evening.

Mercury near 60°.

Cold much better to-day. Up late this morning. Was on Local Fl. Cards for my Salix 60+ cards.

This P.M. some (Sullivan) lectured. Red. Smith's last Chinese lecture - It was very fine indeed, thrilling -

Went & dined with Lucy & May. Charlotte was there. We had a real nice social time. May goes to New York tomorrow.

Ther

WED. NOV. 29, 1911

Wea

Cloudy, very chilly & raw. Clear evening
I am getting over my cold,
but I have staid in the house
it has been so chilly -

Spent much of the whole day
on my Linnaea 42 sheets
(Gray's man.) & have revised the
entire genus, changing many names,
Mr. McWilliam called this P.M. & we
talked China. I lent him 'China &
The Atlas' 2 vols. Thanksgiving to-morrow.

Ther

THURSDAY 30

Wea

- Thanksgiving Day -

Clear, cold, fine day -

I have felt nearly all day. Cold
seems to have returned. Drove over
to the doctor's this A.M. (Sullivan).

We dined at 2 P.M. with Dr. & Mrs.
Cordage & Elley & at 7 P.M. with May, Geo.,
Lucy, Charlie, & Irvon at 86 Sparks St.

where we spent the evening. Good time
to-day I left the house except for dinner
& read Dr. Dummer's 'Egypt' & did J.R. Chamberlain's Linnaea

Ther

FRI. DEC. 1, 1911

Wea

Clear, cold - calm.

I was at home to-day till evening my cold began to improve in the P.M. and in the evening I felt nicely.

Mr. McMillan called this A.M. & staid some time, taking lunch here, Mr. being away. Dined at 6 P.M. at the Williams's (Mr. & Mrs. W. Mrs. Hinckley, Rev. Fernald & ?). I took a dozen Anthony Roses to Mrs. W. after my 3rd pleasure. We tried to go to the Club - Mr. L. Fernald was elected President, & I am on the Council. It has been a very happy three years. I made a few remarks on retiring and took my seat in front. Fernald took the chair. Wiegand talked on the history of the Maple-Saps Flow. Home before 12 o'clock. Dr. R. Auburn is in bed with grip.

Ther

SATURDAY 2

Wea

Clear, cold.

Cold troublesome again all day. Staid at home. Wrote to Wm. for Ford on his engagement to Madeline Smith of Stanford Conn. He wrote me a nice letter. Spent much time over W.F. Putnam's (of Washington) photos he sent me to see - with a long letter, they are fascinating. Will Brewster called this P.M. Mary, Lucy, George, Charlie & Turner dined here. Japanese devis performed on the table.

Wed Rand called about noon
Ther SUN. DEC. 3, 1911 Wea

Clear, cool -

This Am. I called at Dr Robinson's. Saw Mrs Robinson who told me that Dr. R. was imbed & had a touch of pleurisy! He would be imbed certainly & we will - took a short walk - Studied Putnam's photos. Mr. & I dined with Carrie & Will 'Grouser', Alice Allyn and Imberich of Trinidad a friend of Mr. A. B. Carr, my friend. He is Govt Entomologist in Trinidad. He is most interesting. After dinner Mr. Will & I walked to Mrs. Coop's. 2551. & met Mr. S. H. Cashen. After an interview there, we called on Roland Thayer & his wife. They have Mrs. Long's house. He went to 305 from 2551 & I walked home.

MONDAY 4

Evening at home Christmas Eve

Clear, cold windy
dry! disagreeable -

This Am. I called at Dr. Robinson's. He is somewhat better. At the Coop, Mr. & I met & did a good deal of Christmas biz. This P.M. at home, worked on Xmas books, & corrected Local Fl. prof Carey II - K. Mettall Club this evening - Mrs & the boys at 11 P.M. were very close indeed. It was a very beautiful light - ☺

Ther

TUES. DEC. 5, 1911

Wea

Clear, cold, rusty.

This A.M. went up & saw Charlie -
 Mary is not very well. Called at
 the Robinsons. Saw Dr. R. (in bed) for 5
 minutes. He is in for some days &
 will have a nurse. I am so sorry.
 Walked to Sp. Har. by. to the Corp.
 Met Mr. McNeillan who walked with me.
 This P.M. Charlie came down and
 staid some time, looking over photo. etc.
 He goes tomorrow. Shakespeare this evening.

Ther

WEDNESDAY 6

Wea

Clear, balmy, ideal, but rusty.

This A.M. I took J.R.C.'s Jay Linnam
 to the Gray Hub. & settled them -
 then to Har. by an errand.
 Mr. Weatherby who is at the G.O. Hk.
 lunched with me
 This P.M. worked on X was presents.
 Later called on Mrs. Robinson. Dr. R.
 was more comfortable today. Poor day
 & intense headache yesterday - chased.
 Lucy tea'd with us. Connected gallery of her 11

Ther

THURS. DEC. 7, 1911

Wea

Clear, balmy wonderful day
 except for the dust -
 To Dr. Griggs at 9 A.M. Then to
 Justice J. R. Churchill's. Left his Lincoln &
 He was not in. Then to Rand, & we
 talked for over an hour. Then to
 Harvard Sq. & saw Mr. Graves about Lucy's
 clearance prof. Then to Mrs. Robinson. Dr. R.
 is in for pleurisy, I am afraid. It is hard.
 I worked this P.M. in Xmas. Mrs. Churchill
 called. Both the Kantoral died here & spent
 the evening.

Ther

FRIDAY 8

Wea

Clear & cloudy, cool. Much fog in evening
 At home today working on Xmas
 & Standard Oil Certificates!!
 This P.M. called at Dr. R. Robinson's
 He was a bit more comfortable.
 Then called at 80 Sparks St. to
 read over a legal paper -
 On Dec 6 I wrote Mr. H. F. about some un-
 pleasant features in his toward me
 I think he does not intend it. I have
 not heard from him since.

Ther

SAT. DEC. 9, 1911

Wea

Cloudy with some rain, mild.

Busy as usual this morning.

Cushman, Knowlton & I met at the
Boat. Soc. met. Hist. at about 1.30 and
worked nearly 2 hrs. on Local Fl. (Carey)

I hurried home, dined & drove with Mary
to the Druggists. I met there J. R. Churchill
whom I had invited in place of M.

Play 'The Second in Command' was ex-
tremely well done. St John Perret as Capt. Bayliss

was wonderful. The Williams^{es} & Pantals are on the
Sat. 11th. Ther Home SUNDAY 10th 12.15!! Wea

Clear with a little cloud, foggy in
late P.M. & evening. Warm day,
Some X was work this abn.

Lulu called on Mrs. Robinson. She is
feeling much encouraged at Dr. R. Good.
Called at 80 Spack St.

Miss P. M. May Dexter called & we
took a walk. She told me about her

New York visit. Egyptian mummy at Metropolitan
art Mus., Rockefeller Inst. Wed. Research
Lulu & I called on the Williams & Pantall
Ellen took tea and spent the evening.

Ther

MON. DEC. 11, 1911

Wea

Clear, still, absolutely hot.
 An overcoat even a light one
 not to be thought of. 68° !!
 I have spent the day on Xmas.
 This A.M. I stopped at Harv. Co.
 & got my hair cut. Called on Dr.
 Robinson who is much encouraged over
 the Dis' improvement, pulse & temp.
 normal. He really seems to be improving.
 Gro. called this P.M. I sent off
 by rail some *Panicum* to Mrs. Chase

Ther

TUESDAY 12

Wea

Another warm day, sunny
 69° . 2 P.M. !!
 This A.M. called on T. S. Matthews and took an
 silver wedding present to Reid & Coates to have
 lettering on the bottom. Got $1\frac{1}{2}$ lbs. 3lb Hamburg
 Grapes at Summers & took them to Dr. Robinson.
 He improves & Mrs. R. said I could see him tomorrow
 Home to lunch. P.M. spent on Xmas.
 Did some work on *Linum* to-day finished
 and checked the genus. Finished a note
 for Rhodora on *Linum catharticum* L. M.

Ther

WED. DEC. 13, 1911

Wea

Clear & cloudy, cooler, evening brilliant.
 Oct 1 P.M. it was extremely dark with
 heavy black clouds. Gas was lighted in
 Canech. It finally cleared away -

This A.M. I walked to the Sq. on errands
 and then went to the Gr. Hk. Saw
 Wiegand. Oct 12 called at the Robinsons
 and sat 15 min. with the Dr. who is
 picking up rapidly. Nobody else has seen him
 Called on May & Geo. & lunched with Lucy & May,
 P.M. & evening on Xmas & Letters, Getting through!

Ther

THURSDAY 14

Wea

Cloudy, cool.

This A.M. I went to Boston & made a very
 pleasant call on Shelby W. Denton, Springfield St
 Then I called on Mr. Leif. Pope who had written me
 & saw some doves, pheasants and mallard. They
 are wonderful. Dove in Kennel, mallard on wing,
 dove with grass in mouth with fall colored Sunach
 Lunched with J. R. C. at Marston's. Good time.
 Then to Huntington Hall where I heard F. Schuyler
 Mather on bird music. Long talk with him
 met Mrs. Walter Deane of Dedham.
 Evening spent on Xmas cards.

Ther

FRI. DEC. 15, 1911

Wea

Raining, drizzling, foggy, snow last night, some remaining during day.

A very disagreeable, sloppy day -
This A.M. Mr. & I went to Harv. Sq.
on errands. I got back to lunch.

This P.M. I worked on Populus.
I have 70 sheets.

Lulu called on Dr. Robinson and sat
with him for about 20 min. He is
rapidly improving. Called at Dr Sparks,
and Mrs. Rand dined here. Delightful evening.

Ther

SATURDAY 16

Wea

Raining, sloppy, all day.
Worked on Populus this P.M.
& part of P.M. Called this
P.M. at Lucie's. Saw excellent
pictures of Dick Faber -

This P.M. called on the McMillans
and saw all - Bright & pleasant time.
Called at the Robinsons and saw
20 min. with Dr. R. He was dressed
and sitting up! Mrs. R. played to me.
Called at Dr Sparks 5 P.M.
At home this evening on Xmas, reading the

Ther

SUN. DEC. 17, 1911

Wea

Cloudy, a little rain.

This A.M. I went down & called on
Mr. L. Fernald and he read me his Chap. 1
of his book on the haresmen - This is what he
found at New Haven last night. I had a
nice talk with him and he gave me
some chickadee raised in his cellar for
sale. Mrs. Frost is very sick indeed.

Tomeo died here. This A.M. I took the Chicago proc-
ess to 508 Park St & called at 76 Sparks St.
Then I went over to F. Schuyler Matthews with
the marked silver bowl. Sat there some time,
Mathews & I walked back and sat 15 min.
with Dr. Robinson who was dressed and in
his room. He will be down stairs this week.

Dr. Lindge took tea with us. Read & other evening
wrote to Mr. Emmerton in re Spizids.
Ther MONDAY 18 Wea

Clear & cold, cloudy in P.M. & evening.
This A.M. corrected Charade proof with
Lucy. To Harv. Sq. & printers (Claffin) - met
W. in Boston at Cross's. We spent a
good while shopping here & there.
Saw the aeroplane here & there.
Home. Saw Dr. Robinson for some 20
minutes. Called on Lucy re Charades.
Muttall Club this evening. Gossip
on Hawaiian birds. They are highly
specialized and are rapidly disappearing.

Clear, cold, sun bright, glorious. 26°
 Walked to Harv. Sq. This A.M. on X was errands
 met Mr. in Boston. Errands. met my
 Dexter & got filled wood basket for fire -
 met Mr. later & got a dozen Limoges French
 plates for Ralph & wife. Lunch. Then I
 went to Nat. Hist. Rooms. Custodian met in San
 me. Riddle. Long talk with her. I showed her who showed
 me many things. Talked on bivalves. The shell
 that my mother worked in to his lamp shade
 from the Philippines is a bivalve Placenta
placenta L. of the Chinese water. The valves
 come very close together, one convex, one concave.
 Home. Called on Dr. Robinson at 5.45 and sat with
 him till 6.30. Great improvement. Every at home on X was.
 13 Ther ^{splendid cell} WEDNESDAY 20 ^{to my long C. S. Can} Wea

Clear, cold, brilliant. 21°

This A.M. walked to Harv. Sq. met Mr. & did
 errands. Walked back, calling at the Mel Kullback
 Pleasants talk, as ever, with Mr. & Mrs. Kullback.
 This P.M. got out Shakespeare notices.
 Mr. Percy Mackaye will address the Club Jan 2.
 Called at Leveys and sat a while with Dr.
 Robinson who steadily improves. Then to
 Nedine by C. C. Best at Hotel Victoria.
 Call by Barbara present. We had a very
 pleasant time and I was home by 11.30

x Taraxacum officinale - full flower on Dr. Robins in
law. This by the way.
Ther THURS. DEC. 21, 1911 Wea

Cloudy and clear rather cold.

- (bunch) rest for days -
This Am. I went up to 76 & 80
Sparks St. & made calls. Sat
some time with Dr. Robins in some
stairs! He keeps on improving - ^
Read a bit in 'The Ebb Tide'
This P.M. Geo. & I went to V. S. Matthews
2^d floor lecture on Bird music. Good.
Mr. McMillan did write us & spent the evening
Will Brewster called & spent some time
this evening. I ~~was~~ called & left present.
Ther FRIDAY 22 Wea

Cloudy, rather chilly, rain in evening.

This morning I walked to Harw. Sq.
& took page proof of Lucy's Chances to the
printer. I shall have 50 copies.
Walked home. Worked at home.

M. & I went to the funeral of Miss
Brown's mother on Summer St. at 2.30 P.M.
I have felt quite tired today and
rested & read 'Living Age' on my
return. At home this evening
writing, etc.

Ther

SAT. DEC. 23, 1911

Wea

Clear, mild, after continuous rain last night.

This A.M. took presents to the neighbors. Called on Madeline Hyman & Mrs. Fernald. Sat a while with Dr. Robinson. They tell me the Doctor orders him south. They will go to Norfolk after a while for some 2 weeks. Good.

This P.M., Edith & Mr. R. called. Then Mr. & I called on Elley at his office. He is much broken down. I went to Sumner St. & left notes for Miss Brown - Saw the babies - On way home called on May & Lucy - Evening at home - Finished ^{the} ~~the~~ ^{side} -

Ther

SUNDAY 24

Wea

Sun and cloud, mild -

This A.M. I continued my letter to Mr. Carr and called on Fernald. Mrs. Grant still lives. On return met Laura Kelsey and went home with her a while. Short call of Mr. Bruce to tell him how I enjoyed his article of Dreams in the Outlook. This P.M. Elley came in and stayed some time. Then I called at the Bateses for Betty's engagement - Short call on The Teachers - they are very bright. Dr. & Mrs. Cook took tea here & we opened their presents in the evening.

— Christmas —

Ther

MON. DEC. 25, 1911

Wea

Wonderfully clear, brisk yet mild day.

(M. & I spent part of the A.M. with Dr &
Mrs. Coolidge helping with their presents.

I called on Mrs. S. T. Baker -

M. & I have opened most of our presents
but have had little time.

Dr. & Mrs. C. dined at 1 here - Later I called
on Dr. & Mrs. Robinson - He progresses.

Called at 76 & 80 Sparks St.

(Dinner & Chicago box at Lucy's this evening

(as usual we have piles of presents -

Ther

TUESDAY 26

Wea

Cloudy all day, cool, very light rain in eveing.
Very tired to-day. This A.M. went to 76 & 80
Sparks St. in re my new desk - drawers wrong.

Then to Paine's in Boston. They had nothing
that would do in exchange. Then home.

Talked with Edger Robinson over 'phone
and he ^{will} renew it. That settles it.

Wrote 13 Xmas letters this P.M. evening.

It will take long to finish writing
Every body was very kind indeed.

I had many books as usual -

Ther

WED. DEC. 27, 1911

Wea

Damp, with some rain -

Havin' been writing letters
a good deal to-day.

This P.M. I went to T. Robinson's
and am going to have improvements
made in my new desk. Then I
called on Edith Rantoul and on Dr. &
Mrs. Robinson. They are making plans
for Bermuda. They leave here on the 3rd.
This evening writing letters. Have just learned
that E. J. Williams broke his wrist lately!

Ther

THURSDAY 28

Wea

Clear, cold very windy. 24° -

Have written many letters today

This A.M. walked to Harr. Sq. but
on the back, the wind was so cold & strong.

This P.M. called on Dr. & Mrs. Robinson

They are really going to Bermuda.

This evening called on Evile &

Mrs. Williams - E. J. W. is getting on

nicely with his hand & wrist in a

splint. He slipped on his board

walk and put out his hand for support.

Well - Brewster - touched here -

Ther

FRI. DEC. 29, 1911

Wea

Clear, very windy, cold, bracing.

Took 10.14 train (Back Bay) to Rosville
 & had a very delightful time with
 Dr. Kennedy, Mildred & Miss Infall.
 The Dr. has trouble with his eyes
 with a sort of grippe and it has
 been hard for him. Mildred & I took
 the 3.20 train to Boston, she going to
 Brookline & I home by 4.30.

May, Geo. & May came later to see the presents.
 Wrote letters this evening. More still

Ther

SATURDAY 30

Wea

Clear, cold, bracing, bright sun.

To Providence this Am. by 10.07 Back Bay Train.
 At Mrs. Grant's funeral. Fernald & wife & Alice
 Morgan on train. Called on W.W. Bailey. Saw him
 Mrs. S. May. Then to funeral. met Mrs. Steere there -
 Dined with Baileys. Saw Whitt & Mr. Mrs. Semmons
 Mr. & Mrs. S. & Mrs. S. went after dinner to theatre.
 Nice talk with Meg. Then called on Josephine
 Brooks & Cook & SE. Then called on Mrs. & Miss
 Alrich's and Mr. & Mrs. Dorrance's. Out both
 times. To Mrs. Steere's by 5.30. Staid to
 dinner. Saw Mrs. S. & Rebecca. Very nice
 time. Rebecca is cataloguer at the John
 Carter Brown Library. Left them at 7.40
 and took the train at 8.07. Home by 10.10.

Ther

SUN. DEC. 31, 1911

Wea

Snow last night, continues in to the day & turns to a drizzle. Ground dangerously slippery.

It is the last day of the year and the anniversary of our Wedding Day in 1878, 33 years ago. Gifts were exchanged & we received books from Dr & Mrs Coolidge & flowers from Miss Brown: We dined with Dr. & Mrs. Coolidge -

I have worked much to-day on my Annual Report for the Shakespeare Club for Jan. 2 -

This P.M. I called on Dr. Robbins who continues to improve. They are nearly ^{ready} to start for Bermuda on Wed. Dr. R. will pressing apparatus for some work. Wrote to Prof & Mrs. Bailey to-day & Mrs. & Rebecca Steere. May Dexter took tea with us.

Fresh Pond 11.15 R. Pond 12.15 P. Pond

Clear, very windy, white caps

In Cambridge Wash I saw
all the sp. of yesterday, but the
Gulls were absent. The Ducks
were far out and I could not
count their numbers

There were some 50
Herring Gulls near the
center of the Pond and
in the west cove there
were 4 Black Ducks in
2 pairs. I had the
entire Pond under
observation, but could
not discover the
Bufflehead —

Nov. 11

CASH ACCOUNT. JULY.

Fresh Pond 11.30 - 12.30 Paid.

Clear, calm, hot.

In Cambridge brook the same sps of Ducks + 1 Coot as on the previous days except the Bufflehead - they seemed of the same number - they were asleep or feeding -

In the center of the Pond were some 300 Herring Gulls. A few Black Ducks were scattered here & there on the Pond -

Gulls were soaring overhead, while those on the water were either resting or ducking, their heads under water and flapping their wings and sometimes chasing each other. Occasionally their notes were heard - the sun shone brightly on them -

Answered.

Dr G. K. Walton
 gave me the above
 information when I
 called on him
 I took these notes
 from his illustrated
 pictures on cards
 that he showed the
 Club some time ago.
