### NORTH ADAMS

Situated in Northwestern Massachusetts, near the boundary lines of Vermont and New York States, is the commercial and manufacturing metropolis of a large territory, lying in the three States. A good city for business and residence.

Ideal city government, most excellent schools, clean well-paved streets, large and up-to-date stores, good theatres, many wholesale houses, first-class trolley service with many fast suburban lines bringing into close touch the surrounding territory, abundant railroad facilities with two routes to Boston, three to New York city and two to the west. A diversified line of industries on an extensive scale seldom found in a city of this size. New industries coming, old industries enlarging. More detailed information about our city will be cheerfully furnished by the Merchants Association.

Class "A" Return  
Trap

# Albany Steam Traps

Class "D" High  
Pressure  
Non-Return Trap

Four styles are made by this company, for all duties. Class "A" is a return trap for returning the condensation in heating systems to a boiler without the use of a pump or any other mechanical device, and if used to return the water to a boiler under pressure from a steam system, it will do all that can be done by the so-called Steam Loop at far less expense. Classes "B" and "D" are non-return Traps designed for very high pressures and have been used with great success in many steam plants. Class "C" is a non-return Trap for pressures under 100 pounds.

These Traps are the result of over FORTY YEARS' practical experience directly in this line.

All joints are scraped and fitted metal to metal, no elastic packing of any kind being used in their construction. We will gladly send them to any responsible person on thirty days trial.

We also manufacture High Grade Steam Valves, and carry in stock both simple and duplex steam pumps. Send for special circulars.

## PUBLISHERS NOTICE

**W**E are impressed with the aggressive spirit of this whole community for we know that such concentrated effort in any city for the advancement and betterment of all lines of business can eventually only mean a great degree of success.

Our desire is to co-operate with you in every progressive movement for we want you to feel that we are a part of your working force, bound by the same ties and having the same interests at heart.

We would appreciate any suggestion that would increase the value of this publication, and hope that this, the first North Adams Directory published under our management, will meet with your approval.

We would, however, call your attention to the following: this is our first year and we have been obliged to work to the disadvantage of having no list of any kind to help us and the entire work is new from cover-to-cover, hence this issue should be regarded as a foundation for future issues.

When this very important fact is considered we hope we have impressed our patrons with our ability to produce the desired quality of work and what may be expected under favorable circumstances

We believe we can with pardonable pride point to the improvement of its appearance in general over any other issue of a North Adams Directory. A great many of the business houses are represented in the advertising pages but not as many as there should be. An advertisement in the Directory is sure to be criticised and commented upon, not only by the advertisers themselves but by those who are not patrons. The Directory is not glanced at and thrown aside as in almost every other advertising medium, but is a continual book of reference in every business house and family where it goes.

That information about North Adams is diffused all over the country through the medium of this directory is something the importance of which should not be overlooked by the business men and property owners.

We wish to thank our friends and patrons for their faith in us and to assure them that we will always try to give first-class service.

Respectfully,

H. A. MANNING CO.

## Ward Boundaries, Parks, Reservations

### CITY WARD LINES

**Ward 1.**—Includes the villages of Blackinton and Greylock east to the point where the old Williamstown road crosses the Hoosac River near the Fitchburg railroad crossing in Braytonville. The line then runs north to Clarksburg town boundary. From the railroad crossing the line follows the Hoosac River eastward past the fairgrounds to Brown street, passing southward along that street and along the east boundary to the cemetery, thence due south to the Adams line.

**Ward 2.**—The western boundary of Ward 2 begins at Clarksburg and runs south to the junction of the old Williamstown highway and the Hoosac River, with the river from that point to Brooklyn street for the southern boundary. Thence the line runs northerly along to Liberty, on Liberty to Phillips

French Eye Specialist  
North Adams, Mass.

street and northerly along Phillips street across the hospital grounds due north to the Clarksburg line.

**Ward 3.**—The easterly boundary of Ward 3 starts at the Clarksburg line and follows Franklin street to Eagle, down Eagle to the Hoosac River, thence westerly along the river to Brooklyn street, up Brooklyn to Liberty, to Phillips thence due north to the Clarksburg line.

**Ward 4.**—The easterly boundary of Ward 4 is the line between Florida and North Adams south to a point opposite the five roads, thence due west to the East Mountain school, then north-westerly to East Main street, down East Main through Willow Dell to the Hoosac River, thence along the river to Eagle street, up Eagle and Franklin streets to the Clarksburg line

**Ward 5.**—Bounded on the east by the Florida town line, on the south by Adams as far west as the south branch of the Hoosac river, thence northerly along the river to a point opposite J. H. Flagg's property on State St. The boundary line then runs due east to Ashland street and northwesterly along Ashland street to Washington avenue, to Church, down Church to the junction of Main, thence in a general eastern direction along East Main to the East Mountain school and thence due east to Florida line.

**Ward 6.**—Starting at the Holden street bridge the lines of Ward 6 runs along the north branch of the Hoosac river to and through Willow Dell to East Main, thence to the junction of East Main and Church, and down Church to Washington avenue; thence along Washington avenue to Ashland street; thence northerly along Ashland street to Quincy, westerly through Quincy to its termination, thence northerly across Summer street to and through Holden street to the bridge.

**Ward 7.**—Starting at the Brown street bridge the boundary of Ward 7 runs along the north branch of the Hoosac river to Holden street; thence through Holden across Main to the western terminus of Quincy street; thence through Quincy to Ashland, southeasterly through Ashland to the point opposite J. H. Flagg's property on State street; thence southerly along the south branch of the Hoosac river to the Adams line; thence westerly to a point equi-distant from the Adams turnpike to the Notch Road; thence due north through the Tinney and Witherell properties to the easterly boundary of the cemetery; thence along Brown street to the bridge, the point of beginning.
