Good pictures

Files are placed in and removed from this category by placing the template `{{Koninklijke Bibliotheek}}` on or removing it from the files' description pages. Do **not add files** to this category manually.

Maintenance: Search for misplaced files using PetScan (will not work on categories shared by many templates).

Image uptake stats

This tag does not indicate the copyright status of the attached work. A normal copyright tag is still required.

See Commons:Licensing.

{{i}} Documentation view • edit • history • purge

This documentation is transcluded from Template:Koninklijke Bibliotheek/doc.

Displays a Koninklijke Bibliotheek partnership template. This template categorizes by default in Category:Collections from Koninklijke Bibliotheek *and* Category:Media contributed by Koninklijke Bibliotheek. To indicate the artwork is part of the *collection* from the Koninklijke Bibliotheek, but *not* part of a media donation use the template as {{Koninklijke Bibliotheek|collection}}.

Usage

```
{{Koninklijke Bibliotheek}}
```

The template takes no parameters.

Additional information

The template is intended to be used in the following namespaces: the File namespace

The template is intended to be used by the following user groups: all users

Summary [edit | edit source]

Description	**Nederlands:** Jan van Wieringen had een DKW sport duo uit 1939. Hij kocht hem op 3 februari 1940 bij rijwielhandel Voortman in Langeraar voor 270,00 gulden. Zijn belastingkaart was ge geadresseerd aan Rijksstraatweg 328, het adres van slagerij Knijnenburg waar hij toen werkte. Lang plezier heeft hij niet van zijn motor gehad, want toen de motorrijtuigen gevorderd werd bij zijn ouders thuis in Hoogmade onder het hooi op de stalzolder. Na de bevrijding haalde hij de motor van zolder, maar toen hij op 8 mei 1945 op weg was van Hoogmade naar zijn huis i Strijdkrachten in beslag genomen. Extra pijnlijk was dat hij zijn motor daarna nog vaak zag rijden. Jan van Wieringen deed veel pogingen de motor terug te krijgen, maar zonder succes. H veel' en bleef het verlies van zijn motor als een groot onrecht ervaren.

Tools voor structured data

Introducing ... the ISA game

Play to add information, descriptions or details to images on Wikimedia Commons

ISA is a fun game aimed at enhancing the metadata of images that have been contributed to Wikimedia Commons via the various Wiki Loves competitions. It is a pilot project for **Structured Data on Commons**.

To celebrate 5 years of **Wiki Loves Africa**, ISA was built to describe in detail all visual aspects of images that have been contributed to the Wiki Loves Africa contests. It has been specifically modelled to be useful to *all* of the Wiki Loves X competitions, and beyond. The tool is aimed to increase the usefulness of **Wiki Loves X** images to illustrate concepts across the Wikimedia projects.

ISA is both an acronym for *Information Structured Acceleration*, and a chiShona language word for to 'put ' or 'place'.

Scan the qr code to check out ISA on toolforge:
http://bit.ly/PlayISA

Wiki Loves X Organisers ... scan to create your own WLX campaign:
