## Activities in the Wikimedia projects

1. What have you contributed to or organized in the Wikimedia projects, in particular in 2018/19? Which tasks and roles do you take on? To which projects do you contribute and how? What technical contributions have you made? How do you advance the projects you work on? How do you collaborate with others to achieve your goals? Please provide links to your activities. Bullet points are sufficient.

2. What activities have you organised for the Wikimedia projects in real life, with a focus on 2018/19?

For example, have you worked together with other community members, organised workshops, meet-ups or events? How did that work out? Are you active in a local group or local space? Please provide links to your activities. Bullet points are sufficient.
