WAGON TRAILS

ALMA MATER

As twilight time is creeping,
And my thoughts from cares are free,
I think of home and days that used to be.
I see the dear old school,
The ivy covered walls,
The campus in the springtime,
Hear the echoes in the halls.

Oh Mooresville High,
We love your name
To your colors we'll be true.
We'll always try to keep the fame of dear old
gold and blue.
The students on the playground,
The pathways that we knew,
The archways which we enter to grow in wisdom,
too.

Oh Mooresville High,
We love your name
To your colors we'll be true.
We'll always strive to keep alive our trust and
love for you.

DEDICATION

We, the Senior Class of 1954,
dedicate this annual to our parents in
sincere appreciation for all they have
done in making our high school career
successful.
