59. (1) If these sums are so deposited, the decree shall be made absolute, and the sums deposited shall be paid to the tenant.

(2) If these sums are not so deposited, the decree shall become void, and the tenant shall remain in occupation of his holding at the rent previously paid by him.

Fresh proceedings not to be taken for seven years.

60. When a tenant has agreed, under section fifty-seven or section fifty-eight, to pay an enhanced rent for his holding, or a decree to eject him from that holding has become void under section fifty-nine, no notice shall be served on him under section fifty-six in respect of that holding during the seven years next following the date on which he has so agreed, or the decree has become void, as the case may be.

Devolution and transfer of ordinary tenancy.

Provided that the landlord may, upon any such request and tender being made to him, apply to a Revenue-officer to fix the rent of the holding for the purposes of this section; and if he proves to the satisfaction of the officer that the rate of rent payable in respect of the holding is less than the rate usually paid by ordinary tenants of holdings situate in the same or adjoining tahsils for land of similar quality with like advantages, the officer shall fix the rent at the latter rate, and the rent so fixed shall, for the purposes of this section, be deemed to be, and to have been at the date of the request and tender, the rent payable by the tenant.

(2) If a landlord, to whom a request and tender is made by a tenant under sub-section (1), refuses or neglects for a period of one month to confer the rights of an occupancy-tenant on the tenant, the tenant may deposit the sum aforesaid in the court of a Revenue-officer, and apply to that officer to confer upon him the rights of an occupancy-tenant in respect of the holding.

ACT No. X OF 1883.

PASSED BY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

(Received the assent of the Governor General on the 18th July, 1883.)

An Act to confirm and give effect to an award made by His Excellency the Viceroy and Governor General regarding certain matters in dispute between Sardár Bikráma Singh and the Kapúrthhala State.

Preamble

WHEREAS Sardár Bikráma Singh, in recognition of his services, received from the British Government a grant of land in Oudh forming part of the Akúna Estate; and that land was, with his consent, settled in the name of the Rájá of Kapúrthhala;

and whereas the Rájá of Kapúrthhala took possession of that land, and Sardár Bikráma Singh was unable to recover possession thereof by process of law;

and whereas His Highness Rájá Kurruck Singh of Kapúrthhala and Sardár Bikráma Singh agreed that all claims preferred by Sardár Bikráma Singh to and on account of the said land should be referred to Sir Henry Davies, the then Chief Commissioner of Oudh, for decision as arbitrator, and those claims were referred to Sir Henry Davies accordingly;

and whereas Sir Henry Davies, on the sixth day of January, 1871, delivered the following award, hereinafter called the first award (namely):—

“My award is that Rájá Kurruck Singh of Kapúrthhala, his heirs, executors or assigns, shall pay, within six months of the present date, in trust to the Chief Commissioner and to the Financial Commissioner of Oudh for the time being, and to the Commissioner of the Faizábád Division for the time being, jointly,

jointly, on behalf of Sardár Bikráma Singh and the heirs male of his body (if any), the sum of five lákhs of rupees, to be invested, as early as practicable, by the aforementioned trustees in the purchase of land within the Province of Oudh. Such land, when purchased, shall be immediately delivered into the possession of Sardár Bikráma Singh, and shall be held by him and by the heirs male of his body, if any, in proprietary right. But in the event of Sardár Bikráma Singh dying without heirs male of his body, the proprietary right in all such land shall revert unconditionally to the Rájá for the time being of Kapúrthhala.

“If the Rájá of Kapúrthhala, his heirs, executors or assigns, fail to pay to the trustees the sum of five lákhs of rupees within six months from the present date, possession of the fifty-five hadbast circles detailed in the list hereto appended shall be given to Sardár Bikráma Singh; and all these hadbast circles shall be held by him as mortgagee until the whole sum of five lákhs of rupees shall have been paid to the trustees.

“Furthermore, the Rájá of Kapúrthhala, his heirs, executors or assigns, shall pay to Sardár Bikráma Singh, within one month from the present date, the sum of fifty thousand rupees in full liquidation of all claims to the mesné profits of past years. On the expiry of one month, such sum, if still unpaid, will bear interest at the rate of 12 per cent. per annum.”

Addendum to award.

“To obviate doubts, I declare that, firstly, the words ‘heirs male’ mean only the sons of a woman belonging to the ahl-í-birádirí of Sardár Bikráma Singh; secondly, Sardár Bikráma Singh shall, prior to the birth of an heir male of his body, have no power to mortgage or sell his interest in the estate purchased for him by the trustees without offering it in the first instance to the Rájá of Kapúrthhala for the time being.

“This addendum shall be read as part of my award”;

and whereas doubts arose as to the meaning of that award, and, with the consent of the parties concerned, the matters in dispute were submitted to His Excellency the Viceroy and Governor General of India for decision;

and whereas in accordance with this submission, His Excellency the Viceroy and Governor General considered those matters, and on the third day of March, 1881, made the following award, hereinafter called the second award (namely) :—

“My award is that the estates already purchased and to
be

be purchased shall (the aid of the legislature being invoked if necessary) be so settled that they shall be the property of Bikráma Singh, subject to the following conditions and restrictions:—

“*First.*—No alienations of, or right (other than a right of tenancy subject to rent, or a right incidental to such a tenancy) created over, the estates or any part thereof by Bikráma Singh shall be valid for any period beyond his life.

“*Secondly.*—If Bikráma Singh at his death leaves a male heir of his body surviving him, the succession to the estates shall take place according to the proper law of inheritance; but the estates shall not be chargeable with, or liable to be applied in satisfaction of, any debts incurred by Bikráma Singh, nor shall any person succeeding under this clause be liable, by reason of such succession, for any such debt.

“*Thirdly.*—If Bikráma Singh at his death leaves no male heir of his body surviving him, the estates shall pass to the then Rájá of Kapúrthhala.

“*Fourthly.*—If any lease or other contract fixing rent is granted to, or made with, a tenant by Bikráma Singh for a term, and Bikráma Singh dies before the expiration of such term, or if any such lease or contract is so granted or made in perpetuity, the rent of such tenant shall, notwithstanding anything contained in such lease or contract, be subject on the death of Bikráma Singh to enhancement from time to time on the same grounds, subject to the same conditions and according to the same procedure as if such tenant were a tenant with a right of occupancy; but if the rent is enhanced under this clause, the tenant may at any time thereafter rescind such contract”;

and whereas it is expedient to confirm the second award and give effect to the same;

and whereas, in obedience to the first award, the sum of five lákhs of rupees was paid by the said Rájá Kurruck Singh to the then Chief Commissioner and Financial Commissioner of Oudh and the then Commissioner of the Faizábád Division, and has been by them or by their successors in office invested in the lands specified in the schedule hereto annexed;

and whereas it is expedient to settle the said lands in accordance with the terms of the second award;

and whereas the first award, in so far as it has not already been executed, will be superseded by the second award and this Act, and it is therefore expedient

dient to rescind the first award ; It is hereby enacted as follows :—

1. This Act may be called Bikráma Singh's Estates Act, 1883, and shall come into force at once.

2. The first award is hereby rescinded ; the trusts created thereunder shall be deemed to have been fully executed and determined ; and the trustees thereunder shall be deemed to have been discharged.

The second award is hereby confirmed.

3. The lands specified in the schedule hereto annexed shall vest in Sardár Bikráma Singh, and shall be deemed to be settled as required by the second award.

(Received the assent of the Governor General on the 25th July, 1883.)

In the Indian Ports Act, 1875, first schedule, for the first entry in the third column in respect of the port of Bombay, the following shall be substituted:—

When the said Grantee opens or breaks up the roadway or pavement of any street, road or bridge, he shall with all convenient speed complete the work for which the same shall be broken up, and fill in the ground and make good the roadway or pavement so opened or broken up as aforesaid, and carry away the rubbish occasioned thereby and deposit the same for the use of the said Committee at such place as the Executive Engineer of the said municipality shall direct, and shall at all times, whilst any such roadway or pavement shall be so opened or broken up,
cause

cause the same to be guarded, and shall cause a light sufficient for the warning of passengers to be set up and maintained against or near such roadway or pavement where the same shall be open or broken up every night during which the same shall continue open or broken up.

10. If the said Grantee opens or breaks up any street, road or bridge without giving such notice as hereinbefore mentioned, or in a manner different from that which shall have been approved of or determined as aforesaid, except in the cases in which the said Grantee is hereby authorized to perform such work without any superintendence or notice, or if the said Grantee shall make any unnecessary delay in completing any such work or in filling the ground or reinstating and making good, so far as is consistent with the existence of the said tramway, the roadway or pavement so opened or broken up, or in carrying away the rubbish occasioned thereby, or if he neglect to cause the place where such roadway or pavement has been broken up to be guarded and lighted, he shall forfeit to the said Committee a sum not exceeding fifty (50) rupees for every such offence, and he shall forfeit an additional sum not exceeding fifty (50) rupees for each day during which any such delay or neglect as aforesaid shall continue after he shall have received notice thereof.

11. The said Grantee shall maintain and keep in repair such portion of the streets, roads and bridges in the city of Rangoon as shall be occupied by his tracks or lines, including therein, not only the space between his tracks or lines, but a space eighteen inches on either side thereof, and in consideration of the maintenance of such streets, roads and bridges as aforesaid, and of the yearly rent hereinafter mentioned to be paid by the Grantee, the plant, rolling-stock and other vehicles, yards, workshops, engine-sheds and depôts of the said Grantee shall be exempt from municipal taxation for a period of five years, except lighting and water-rates for such yards, workshops, engine-sheds and depôts.

12. The said Grantee shall be liable for any loss, damage or injuries that any person or persons may sustain by reason of any defect or want of repairs in any of the plant, rolling-stock or other properties of the said Grantee, or by reason of any carelessness, neglect or misconduct of his agents or servants in the management, construction or use of the said tramways or any portion thereof, or in the exercise of the power given by clauses 6, 7, 8 and 11; the same shall be made good by the said Grantee, and in the event of any suit being instituted against the said Committee in respect of any of the matters hereinbefore mentioned, the said Grantee shall, within fourteen days from the receipt of a notice thereof from the said Committee, settle the same; but if the said Grantee choose to defend such suit he shall be at liberty to do so upon his undertaking to indemnify the said Committee
against

against all losses, damages and expenses in respect thereof: provided always that, if the said Grantee fail to settle such suit or to indemnify the said Committee as is hereinbefore provided, it shall be lawful for the said Committee to settle the same without any consent or concurrence on the part of the said Grantee, and the sums which they shall have to pay in making such settlement, together with interest thereon at the rate of 8 per cent. per annum from the date of payment, and with all expenses which they may be put to, shall be recoverable as a debt from the said Grantee.

13. Nothing in this agreement shall be construed to prevent the said Committee from taking up any of the public streets or roads traversed by the said tramway for the purposes for which the said Committee may lawfully take up the same, and the said Grantee shall have no right to claim cost from the said Committee for obstructing the tramway or causing delay in the traffic so long as the delay shall not be unreasonable for the work to be performed.

14. If the said Committee shall hereafter alter the level of any street, road or bridge along or across which any tramway by this agreement authorized is laid or authorized to be laid, the Grantee shall alter or (as the case may be) lay his rails to suit the altered level of such street, road or bridge: provided always that any such alteration as aforesaid shall be so made as to interfere as little as possible with the safe and convenient working of the said tramways, and in any case so as not to stop or prevent the free use or working thereof.

15. If at any time after the opening of any tramway for traffic the said Grantee shall discontinue the working of such tramway or any part thereof for the space of six calendar months (such discontinuance not being occasioned by circumstances beyond the control of the said Grantee), it shall be lawful for the said Committee, without any previous notice to the said Grantee, to remove the tramway or part of the tramway so discontinued, and the said Grantee shall pay to the said Committee the cost of such removal and of the making good of the street, road or bridge, and the certificate of the said Committee or of their Engineer as to such cost shall be conclusive.

16. The provisions of this agreement shall remain and be in force for a term not less than twenty-one (21) years from the date thereof. The said Committee shall have the right of purchasing the said tramways, with the plant, stores, rolling-stock, sheds, depôts and yards, and everything connected therewith, after the expiration of the said twenty-one (21) years upon declaring its intention so to do within six months after the expiration of the said twenty-one (21) years; the amount to be paid in the event of such purchase shall be the actual *bond-fide* value

at

at the termination of this agreement, exclusive of any compensation for goodwill, premium on compulsory sale or other consideration whatever of the tramways and of the work and materials connected therewith, and of the lands and buildings and all the other property of the Grantee, such value to be decided by mutual agreement or by arbitration as hereinafter provided.

17. The provisions hereinbefore contained shall, so far as applicable, apply to all tramways to be constructed by the said Grantee by any route or routes to be hereafter sanctioned by the said Committee, and to the works connected with or incidental to such tramways, it being agreed that in the event of the Municipality failing to declare its intention as above provided to purchase the property of the said Grantee the terms of this contract shall continue in force during the period of six months from the date of the determination of these presents and for a further period of six months, and if the said Committee shall not within that time exercise the option of purchase hereby given, the said Committee and the said Grantee shall enter into a fresh agreement.

18. The said Grantee will, if required by the said Committee, before opening up the roadway of any street, road or bridge, deposit with the Bank of Bengal in the name of the said Committee the sum of rupees five thousand (5,000) or, in their option, promissory notes of the Government of India of the nominal value of rupees five thousand (5,000), and the same will remain so deposited until the completion by the said Grantee of the above mentioned lines of tramway herein sanctioned for construction. All interest accruing on the said sum, or the said notes, shall be credited to the said Grantee, and, subject as next hereinafter mentioned, be paid to him as the same accrues due. The said Committee shall be entitled to deduct all fines recoverable by the said Committee and all monies to which they may be entitled under any clause or clauses of these presents out of the sum so deposited, or the interest accruing on the said sum or notes, or out of the proceeds of sale of a portion of the said notes on completion of the tramways herein sanctioned for immediate construction.

19. In consideration of the concession herein granted, the said Grantee undertakes on behalf of himself, his heirs, executors, administrators and assigns that he will pay to the said Committee a yearly rent of rupees three thousand (3,000) per mile of double track or line and rupees two thousand (2,000) per mile of single track or line, payable half-yearly; the date on which such rent on each line of tramway shall begin to accrue shall be the date on which such line of tramways is open for public traffic.

20. It is agreed that the tramway or tramways from the
Strand

Strand Road along Barr Street and Shafraz Road round the Public Buildings and back to the Strand Road should not be included, and that no sidings, turnouts or tracks necessary to connect the traffic lines with the carriage-sheds, engine-sheds, factories, depôts, yards or other property or properties of the said Grantee shall be included in the mileage on which rent is to be paid, the tramway or tramways more particularly described in this paragraph, and such sidings, turnouts and necessary connecting tracks or lines, being free of rent.

21. The sleepers, rails, materials and implements and other erections placed and erected by the said Grantee on the streets, bridges or roads under the powers hereby granted shall be and remain the property of the said Grantee, and the said Grantee shall have the exclusive use of his tramway or tramways for carriages with flanged wheels or other wheels suitable only to run on the prescribed rail.

22. The prescribed rail is that known as the box-rail introduced by Mr. Robinson Souttar, to be made of Bessemer steel of the weight of sixty pounds to the yard, or such other rail of such weight as may be approved by the said Committee.

23. The said Grantee shall have the exclusive right of laying and using tramways within the limit of the Rangoon Municipality on the terms herein stated; but in the event of the said Grantee refusing to lay down any line when the said Committee may consider it necessary, the said Committee shall be at liberty to grant the right of laying and using such line to any other party.

24. Unless the said Grantee shall have commenced the work of laying down the said tramways within twelve months from the date of the execution of these articles of agreement, the said Committee shall be at liberty to cease and determine this contract and to enter into arrangements with any other person or persons for the construction of tramways; it being agreed, however, that these conditions of contract are subject to the sanction of Government, and that, in the event of their being executed prior to such sanction being given, the said 12 months shall date from the day on which notice of such sanction is given to the said Grantee: provided also that any delay in commencing the work beyond 12 months shall not have been due to any cause beyond the control of the said Grantee.

25. If any doubt, difference or dispute shall arise between the said Grantee and the said Committee touching the construction of these presents or anything herein contained, or touching or concerning any other matter or thing relating to these presents, then and in every such case such doubt, difference or dispute shall be referred to the arbitration of two persons, one to be chosen by the said Grantee and the other by the said Committee
within

within one calendar month after either of them shall have made to the other a requisition to that effect, and should the arbitrators fail to agree they shall refer the question or questions at issue to the decision of an umpire to be chosen by the said arbitrators, and the decision of such arbitrators if they agree, or of such umpire if they disagree, shall be final; and in case either party shall neglect or refuse to appoint an arbitrator within the specified time, the arbitrator appointed by the other party shall make a decision alone, and the decision of such arbitrators, umpire or arbitrator, as the case may be, shall be effectual and binding upon both parties.

26. The said Grantee is to be at liberty to form a Company or Limited Liability Company for the purpose of constructing, maintaining and working the tramways authorized by or hereafter to be authorized under the terms of this agreement. The words "the said Grantee" used in this agreement shall include such Company or Limited Liability Company so formed as aforesaid.

27. The words "the said Committee" used in this agreement shall include the present Committee and their successors, and also persons empowered by the said Committee or their successors or by other duly constituted authority to do any act or thing or exercise any powers or authorities which the said Committee are hereinbefore authorised or empowered to do or exercise.
