The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

For know that death is man's appointed doom ;
 Know that the day of great accounts will come ;

 Each word, each deed be in the balance laid,
 And all the good, and all the ill must justly be repaid.

The best cure for the Gout, is, to apply a leek poultice to the part affected. Numerous instances of its efficacy, in this painful disorder, have recently occurred. Its culture should be cherished as a medicine of inestimable value.

Made at PARTRIDGE ISLAND, and repeated at FORT HOWE, when Vessels are coming into the Harbour.

- One ball close, for one square-rigged Vessel,
- One ball half hoisted, for two ditto,
- Two balls close, for three ditto,
- Two balls separated, for four ditto,
- A pendant of any colour, for five ditto,
- A do. under a ball, for six ditto,
- A do. over a ball half hoisted, for seven do.
- A do. under two balls close, for eight do.
- A do. between two balls separated, for nine do.
- A flag of any colour, for ten or more do.

[The above are hoisted at the east or west yard-arm, according to the quarter the vessel first appears in, with the addition of a ball at the centre of the yard, until the vessels can be seen, when one or more of the following descriptive colours will be hoisted at the mast head.]

- An union for a Flag Ship, with or without a Squadron,
- Do. with a red pendant over it, for a Two-decker,
- Do. with a blue pendant over it, for a Frigate,
- Do. with a white do. over it, for a small armed Vessel,
- A red flag pierced white, for the Digby Packet.
- A blue flag pierced white, for the St. Andrew's Packet.
- A blue pendant, for a Merchant ship,
- A red pendant, for a Merchant brig,
- A white pendant, for a topsail schooner or sloop,
- A blue and white snake pendant, for an American vessel,

When a Vessel requires a Pilot, her descriptive Pendant will be shewn at a yard arm, instead of the ball.

After a Vessel has been described, and passes the Harbour, her descriptive Pendant will be lowered, half staff, for an hour, and the ball taken down.

A ball at the mast head—vessel is on shore or in distress.—
 Should immediate aid be necessary, guns to be fired.

Such Merchants as will supply their Private Colours to the Signal Post, at Fort Howe, may have them hoisted (instead of the usual distinguishing Pendant) when the Vessels appear in the Offing.
