SUBJECT: Report on apprehension of suspects for selling smuggled sugar.

Reported below are the details of the apprehension of persons found carrying into this city for sale the sugar smuggled from Okinawa. Investigations on the smuggler involved is underway.

1. DATE OF APPREHENSION: 23 December, 1949.

2. NAME, AGE, OCCUPATION AND ADDRESS OF PERSONS INVOLVED:

(1) A certain ITO, aged around 55, address unidentified.

(2) KAWAGUCHI, Goro, 36, wholesale dealer of tea, No. 140, Wadaki-cho, City of Atami, Shizuoka Pref.

(3) MORI, Michinosuke, 50, tea dealer, No. 3, Kobiki-cho 8-chome, Chuo-ku, Tokyo.

3. DETAILS:

(1) On December 16 KAWAGUCHI was asked by ITO to find a ready marked for his sugar on a commission of about ¥100 for each "kan". ITO said he came from Okinawa to buy timbers and chinawares in Japan Proper, that he had brought from Okinawa 1500 kans of sugar, which, failing to unload to Shizuoka Pref. as guard there was so tight, he had brought round to Tokyo.

On the following day, in the evening, KAWAGUCHI unloaded ITO's sugar (Formosan sugar 1500 kans in total weight) from a fishing boat of some 15 tons, and put it in his own storehouse. On December 20 he sent this sugar in tea boxes and on a reserved freight car from Ajiro Station, (representing it as tea powder,) to MORI, asking him to sell it in Tokyo for around ¥1500 each kan.

(2) MORI attempted to sell the sugar thus committed to him to brokers in Tokyo, but finding that it would not sell at the said price as it was just after sugar had been rationed to consumers and its blackmarket price had naturally fallen, he communicated to KAWAGUCHI by way of negotiation that he could not sell it unless at a price not higher than ¥1000 for one kan. However, this communication caused the discovery by police of the violation.

(3) On December 24, around 9:00 a.m., ITO sent a man to KAWAGUCHI's to receive payment for the said sugar, but KAWAGUCHI told the man that he would not hand money to anybody but ITO himself. This seems to have made ITO aware of the detection of his offense; for since then his whereabouts has become unknown.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

However, judging from the fact that when ITO first visited KAWAGUCHI's home he said he was going to give part of payment to be received for the sugar to is 2 daughters for one year's schooling expenses, as they were students of Tokyo Medical College, it is suspected that he may have some connection with OHAMA, Michiko, 4th year student of the said college, who is from Ishigakijima Island. Investigation is underway about this girl.
