e increased. Upwards of 7000 troops were bready in the camp.
A collision had occurred in St. George's hannel between a coasting steamer, the ingand, and the bark william Campbell, but vesseis sunk, and twenty or thirty lives ere lost. ere tost.
The schooner George, bound from Livernot for the Niger Expedition, had also fountred in the channel, and seven of the crew

The ensemble of the budget for 1859 had seen adopted in the Legislative body by 25 gainst 3. Trade in Paris exhibited a slight improve

Trade in Paris exhibited a slight improvement.

The Chambre de Mises en Accusation at Dyon had decided on sending before the Correctional Police of the Court of Chalons intry-free persons implicated in the recent disturbances at that place.

ITALY—A note had been presented to the Nexpolitan government demanding indemnity for the imprisonment of the two English engineers. The indemnity, it was said, amounts to 100,000 francs, and the King appeared included to regulate. Another dispatch says the indemnity demanded is 400,000 francs.

The armament of the Nexpolitan arsenals continued going on.

The armament of the Nespolitan arsenals continued going on. DENMARK.—The French, English and Russian Envoys at Frankfort had requested the Diet to take the Danish proposals into acrous consideration, so as to bring the differences between Denmark and the Diet to an aminoble termination.

The Commission on Duchies had made its report to the Diet.

RUSSIA.—Ice was floating down the river Nena.

arx weeks preceding the departure or the maximall.

All the beavy payments falling due on the 4th were met without embarrasement.

The Calcutta correspondent of the Daily Ness says it has become evident that the object of the Oude campaign has falled; that Bir Colin Campbell's conquest was but that of an empty city, and that the final battleground will be the Territory of Robilcund. It also asserts that nothing further will be attempted yet, owing to the bad weather.

ans: they were all friendly. Business is very dull in Santa Fe. hattent News FROM TAMPICO.
Monta, May 24.—The U.S. steamer Fultor, rrived here, bringing Tampico dates of the Sth inst. The civi) war has ended, and here are no longer any obstructions on the assage of the river.

Gen. Mejia reinforced the government troops with 5000 men, and immediately at-tacked and defeated the besiggers, captured all the forts, took 50 prisoners, and killed 150 of the enemy.

all the forts, took 50 prisoners, and killed 150 of the sense."

CONGRESSION AL.

WARRINGTON, May 24.—In the Senats Mr. Clay reported a bill for the improvement of the Dismal Swamp Canal.

Douglas introduced a bill to facilitate telegraph communication between the Atlantic and Passing States.

In the senate of the United States and urging there out regers perpetrated upon the flag and citizens of the United States, and urging the President to use force, if necessary, to prevent such outrages. Scaate.—The committee reported in favor of Breight and Pitoh for the Indiana Senatorial seats.

The Senate is discussing the fifteen million toan bill, and have reduced the rate thereof to five per cent.

Hour.—In the House they are discussing the Washington Municipal Election bill. A wary sharp debate occurred between the American and Democratic leaders.

The Senate it discussing the fifteen million report to the Det.

The Senate it discussing the fifteen million as bill, and have reduced the rate thersof to mitter to trees quite and the interposition of the mittery to reserve quite the fifteen million of the mittery to reserve quite.

Sir Coin Campbell remained at Lucknow, but would, probably, more abortly on Sunday, and then into Kohicund.

The English grand army had been redistributed, with a view to future operations in the field, which a view to future operations in the first had been reinforced by Barelly Khan, and proposed to attack the English. The British had experienced a reverse in the William of Alimbay and proposed to attack the English. The British had experienced a reverse in the William of Alimbay and proposed to attack the English. much, and sorrowed much, I have also leves much—more, perhaps, than I have either sinned or sorrowed. It is the last drop that overflows the golden boel, the last tension that breaks the silver c-rd. By last hope is gone—my last love and my life go together, and so good-night to HENRY MERBERT. May IT, 1566. and so good night to Heart Hearnest May 17, 1858.

Domestic troubles impelled Mr. Hearnest to commit self-destruction. Three months before his death he had married a young and beautiful lady. Seven weeks afterwards, his wife left his house to return no more, having, it is said, been induced to abandon her husband by slanderous reports affecting his character, and his motiveage espousing her. Mr. Hennens was passionally attached to his wife, and her desertion unsettled his mind, and drove him to suicide. tained.

We have of a cases where it has been need with the greatest cos, add whos takes in commentan with Names. City intelligence. The Neminaving Convention.—The delegates elect met last night at Odd Fellows' Hall to nominate the American ticket for the approaching municipal election.

A. G. Semmes was appointed Chairman, and M. B. Dubuisson Secretary. A committee of three - Messrs. Poindexter Hernandez and Ducoing-was appointed a A committee to turee—means, romeaver, Hernandes and Ducoing—was appointed a committee to examine credentials.

The committee reported favorably, and the roll-call showed that all the delegates

were present.

A communication was read from the Amer A communication was read from the American clubs of the Tenth and Elevonth Wards, at Fourth District, to the Executive Committee, declaring that they would not affiliate with the Convention in the nominations; when a motion was made, and adopted unanismously, to proceed to the business of the Convention without regard to the communication. Some discussion occurred as to whether the mode of voting should be by ballot or vices exec. A considerable majority was in a favor of ballot.

Mr. Waterman's name having been with a farwin by Mr. J. Hernandez, on motion of Mr. Dubuisson, Gerard Stith was nominated for Mayor by acclamation of the most enthusiantic kind. Some discussion cocurred as to whether the mode of voting should be by bailot or vice secs. A considerable majority was in favor of hallot.

Mr. Waterman's name having been withdrawn by Mr. J. Hernandez, on motion of Mr. Dubnisson, Geprad Sith was nominated for Mayor by acciamation of the most enthusiastic kind.

Mignel Hernandez and C. O. Flechier were then put in nomination for Street Commissioner. We have seen coverage as a hard of the control of the most enthusiastic kind.

A motion was made to nominate Flechier by acciamation, but the motion failed.

Mrs. Convention the motion failed.

Mrs. Convention the motion failed.
