Letter to Mr. A.E. Hopwood
Re Toyo Babcock K.K., a
Restricted Concern

Mr. A. E. Hopwood
Representative of Babcock and Wilcox, Ltd.
c/o Teito Hotel
Tokyo, Japan

Dear Mr. Hopwood:

Reference is made to your letters of 17 August and 20 October 1948 and letter from General Headquarters, Supreme Commander for the Allied Powers, 1 October 1948.

When reference letter from General Headquarters, Supreme Commander for the Allied Powers, 1 October 1948, was forwarded it was expected that after the stocks of Toyo Babcock K.K. were restored to your company disposition of the 10,000 remaining shares would be quickly effected and Toyo Babcock K.K. would then operate as a non-restricted concern. However, subsequent to that date, Babcock and Wilcox, Ltd. requested General Headquarters, Supreme Commander for the Allied Powers to withhold sale of the 10,000 shares of Toyo Babcock K.K., formerly held by Mitsui Bussan and currently held by the Holding Company Liquidation Commission. General Headquarters, Supreme Commander for the Allied Powers has acceded to this request and as a result Toyo Babcock K.K. must now remain a restricted concern until such stocks have been sold.

Inclosed for your information are the following directives to the Japanese Government:

1. File AG 300.8 (8 Dec 45)ESS/AC, SCAPIN 408, 8 December 1948, subject, "Regulations Affecting Restricted Concerns"

2. File AG 004 (8 Dec 45)ESS/AC, SCAPIN 408/2, 6 November 1948, subject, "Regulations Affecting Restricted Concerns." SCAPIN 408/2, in effect, eliminates the requirements covered by paragraph 2 of SCAPIN 408 for restricted concerns to make applications regarding actions outside the normal course of business.

Letter to Mr. A. E. Hopwood
Re Removal of Toyo Babcock K.K
From List of Restricted Concerns

Dear Mr. Hopwood,

Reference is made to your letter of 17 August 1948, subject, "Toyo Babcock K.K.," requesting written confirmation that, upon restoration to Babcock and Wilcox, Ltd. of their controlling interest, the firm of Toyo Babcock K.K. will not be designated as a restricted concern and special accounting company.

Restoration to Babcock and Wilcox, Ltd. of their interest in Toyo Babcock K.K. will prompt immediate action to remove the latter from the restricted concerns list. On the other hand, Toyo Babcock K.K. will not be removed from designation as a 'special accounting' company until the requirements of the Enterprise Reconstruction and Reorganization Law have been fully complied with by that company. However, the Civil Property Custodian has been verbally informed that Toyo Kikan K.K. has fully complied with the requirements of the Enterprise Reconstruction and Reorganization Law and will probably be removed from designation as a 'special accounting' company in the near future.

Mr. C. B. Allsopp, Vice President
International Standard Electric Corporation
Room 409, Hotel Tokyo
Tokyo, Japan

Letter to Mr. C. B. Allsopp Re Reorganization Proposals for Nippon Electric Company and Sumitomo Electric Industries, Ltd.

Dear Sir:

Reference is made to your letter, 3 July 1948, in which you presented your Company's position in regard to the reorganization proposals for Nippon Electric Company and Sumitomo Electric Industries, Ltd.

Both of these Japanese companies filed reorganization plans which do not propose structural reorganization in the sense of any split-up of the companies' respective primary producing facilities. These plans were examined by the Japanese Holding Company Liquidation Commission and appropriate Occupation officials in accordance with the standards applicable to all Japanese companies which have been designated under the Deconcentration Law.

Sumitomo Electric Industries, Ltd. has been formally advised that it will not be required to be structurally reorganized. Facts concerning the Nippon Electric Company are still being studied and no decision has as yet been made concerning the extent of structural reorganization to be required under the Deconcentration Law.

Upon examination of the proposal submitted by you to the Supreme Commander for the Allied Powers under date of 22 May 1948, it is believed that the portion of such proposal which calls for restitution in kind for equity interests and compensation for losses incurred during the war as a part of a reorganization plan under the Deconcentration Law is inappropriate at this time. However, reorganization of the Nippon Electric Company, Ltd., or the Sumitomo Electric Industries, Ltd., would not have adverse effect upon any claims for compensation which the International Standard Electric Corporation may wish eventually to file against the Japanese Government.

Existing policy entitles the United Nations investor of 7 December 1941 to restoration of shares and there is no doubt that appropriate procedure will be developed by which such investor will be legally allowed to purchase additional shares to which he should have been entitled had he continued as an active stockholder with full rights and privileges since 7 December 1941.

There are inclosed, for your information, abstracts of reorganization plans submitted by the two Japanese companies with which reference inquiry was concerned and the action taken on those matters to date.
