## NARBERTH RETAINS MAIN LINE LEAGUE CHAMPIONSHIP TITLE

Defeat Dun & Co., 12-2—Dun & Co. Forced to Use Three Pitchers  
Fleck Stars With Bat and Simpson Fields Brilliantly at  
Short—Gibson at His Best

With the largest crowd of the season present, Manager Walzer's champion boroughites, trimmed the Dun & Co. nine, managed by Fred. Cloughley, in rather an easy fashion. Manager Cloughley did not have a pitcher who could hold the champions, while Bobby Gibson pitched sterling ball, aided by brilliant fielding by his team-mates.

The cup offered by Mr. Duer was captured by Bill Durbin, who scored Narberth's third run, which would have been enough to win.

The visitors scored the first run of the game in the first inning when Collins was safe on Durbin's error. H. Barnitz sacrificed him to second. After big Ben Gilbert fanned, Swartz doubled to right field scoring Collins. Jack Fahey fanned.

After Howes and Wallace had been retired in the first inning, Gene Davis singled to center field and when Gilbert let the ball go between his legs, Gene raced to third. Flick Stites knocked out a Texas leaguer, scoring Davis.

After Dun had been retired in order in their half of the second, Narberth added two more runs to their total, when Fleck led off with a scorching double to center field. Koons tried hard to sacrifice him to third, but bunted his third strike foul. Fleck advanced to third on Markley's wild pitch. Bill Durbin singled scoring Fleck, and on Simpson's doubled to center field, Durbin scored. Gibson ended the inning by grounding to shortstop.

Everything went lovely until Narberth's half of the fourth inning. Although Collins tripled in the third the ball passed both Fleck and Howes. H. Barnitz grounded out, being thrown out by Simpson who made a wonderful stop. Much to the dislike of Ben Gilbert, he fanned, leaving Collins stranded on third.

Narberth came back in their half of the fourth inning and scored three more runs, when Whitney went in to pitch. Fleck and Koons both singled and Durbin doubled. Whitney then uncorked a wild pitch and passed Simpson. Captain Deegan took up the mound duties and the first thing he did was to make a wild pitch. Gibson grounded out, and Deegan hit George Howes a nasty shot on the elbow, Howes stealing second. Wallace flew out to third and Deegan hit Davis. Stites ended the inning by flying out to Barnitz. During this time, three Narberth boys crossed the plate.

The Dun boys added one more to their total in the fifth when R. Barnitz led off with a single to right field. Gibson, in trying to catch him napping, threw wild past Dick Wallace, advancing Barnitz to second. He then stole third, and Deegan scored Barnitz with a fly to Stites.

In the lucky seventh inning Narberth scored two more runs, without the aid of a hit. Deegan passed five men straight after two were out, and added another wild pitch which, with catcher Fahey's overthrow to third, allowed Wallace and Davis to score.

Gibson was invincible during the sixth, seventh and eighth innings, but in the eighth inning the Narberth bats were exceedingly busy scoring four more runs.

Dick Wallace started the onslaught, Gene Davis fanned, Flick Stites doubled to right field, advancing Wallace to third. Fleck singled to left

field, scoring Wallace. Koons was thrown out at first, Stites scoring. Durbin was safe at first on a fielder's choice, Deegan throwing to catcher Fahey trying to keep Fleck from scoring, but catcher Fahey dropped the ball, Fleck being safe. Durbin then stole second.

By this time the Dun boys were tired out chasing after hits, but they tried hard in their half of the ninth inning, but a quick double play executed by Simpson, Davis and Wallace ended the base ball season of the Main Line League.

Manager Walzer's star artist, Gibson, pitched one of the best games of his career, fanning nine of the Dun men. Manager Cloughley was forced to use three pitchers in an effort to stop the champion borough men, but neither one of the three could do this.

Markley was Manager Cloughley's first choice, but he lasted only after one man was retired in the third inning. Whitney, the big left hander was then sent to the mound, but he retired the last two men in the third inning, but in the fourth inning the first three men to face him namely: Vernon Fleck, Nig. Koons and Bill Durbin all made solid hits, Durbin's hit being a double. After this he passed Bill Simpson. At this time Manager Cloughley gave the high sign to Whitney and Captain Deegan took up the pitching duties, but this made no effect on the Narberth bats, and still they hit, and in the bargain Deegan was very wild, mixing wild pitches along with bases on balls, especially in the sixth inning when he passed five men in succession.

So we closed with the championship banner again coming to Manager Walzer's team. This is the third team to win the championship under his supervision, and the fourth one in the history of the Main Line League.

### POST OFFICE NOTES.

More than ever before the patrons of the post office seem to realize how convenient it is for them to have even a call box in the post office, and how it aids the employes in handling the crowds from the trains. Almost the entire new section of seventy-five boxes have been rented.

### UNCLAIMED LETTERS AT NARBERTH POST OFFICE.

I. T. Miller, Jr., Mrs. H. M. Remington, Mr. E. H. Miller, Miss May Harkins, Miss Daisey Updike, Jems Couniro, Mr. Thomas Brown, Dr. W. R. Watson, Mrs. Conrad Miller, Mrs. Laura Smith.

Edward S. Haws, Postmaster.

### THE NARBERTH ATHLETIC CLUB.

At a meeting of the N. A. C. on last Monday evening, we reorganized. The following members were admitted: Active members—Owen Humphreys, Perry Redifer, Leslie Smith, Charles McCarter, George Rose, David Odell, Louis Jenkins, Quincy Yowell, Fred Harsch, Colwyn Humphreys. Honorary members—Carroll Downes, John Jefferies, Alfred Leland, Norman Graf.

The officers elected were: President, F. M. Winne; vice president, Owen Humphreys; secretary and treasurer, A. Perry Redifer.

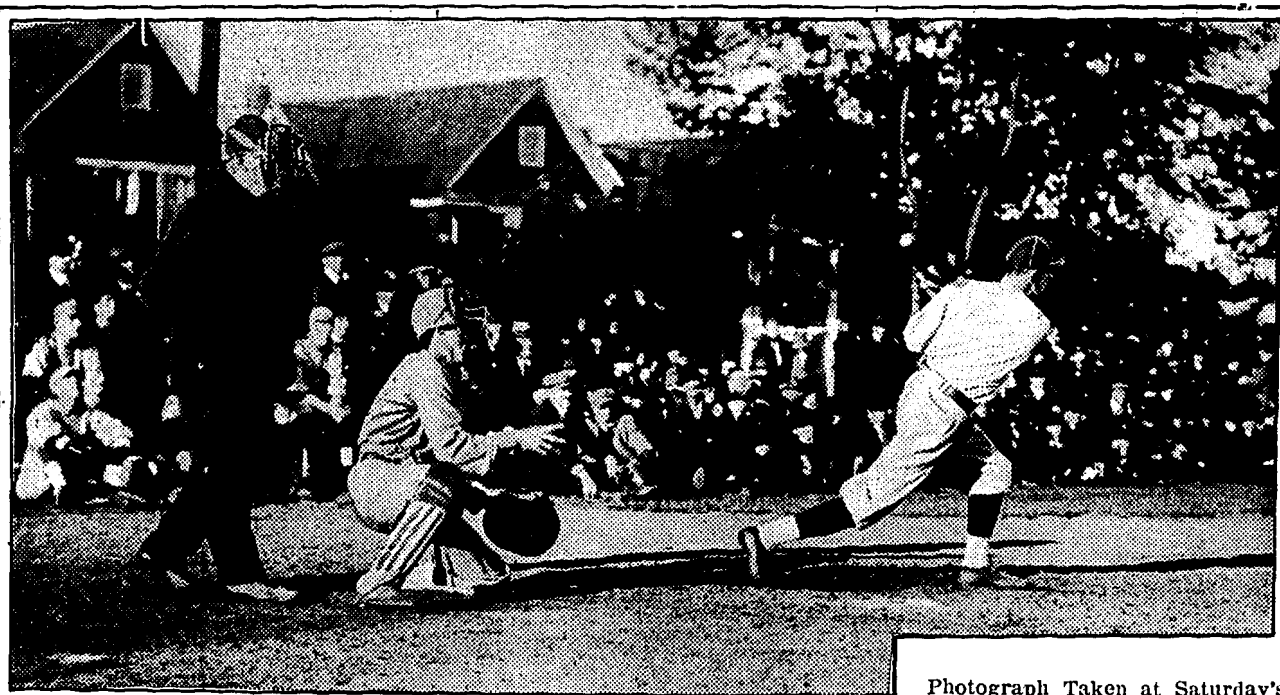

As a junior organization the N. B. C. will be in the club. Each part will have its own officers and meetings, but will share the expenses.

Both clubs will play basket ball under their own names.

We will not play foot ball this year because of the small number of members. As soon as the basket ball schedules are compiled we will publish them.

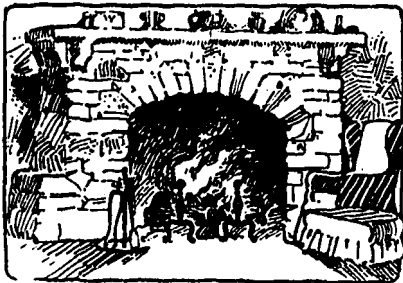

Hoping for your interest in our teams, we remain,

The N. A. C.

## THE FIRESIDE

Betty Baxter's Gossip.

Mr. and Mrs. George Dorsey, of Woodside avenue, have moved to Overbrook.

Mrs. Frank M. Calvert and daughter are visiting Mrs. Calvert's home in Staten Island.

Go to the Y. M. C. A. Saturday afternoon for your kisses (candy, of course). All the Delta Sigma girls will be there.

Mr. and Mrs. Alfred M. Watts have returned from a short vacation to Canandensis and Cresco, in the Pocono Mountains.

Mr. and Mrs. William Livingston have returned to their home on Essex avenue after spending a few days in Niagara Falls.

Mr. and Mrs. Howard Hager will move into their new home on Narberth avenue shortly. Mrs. Hager was Miss Mary Haines, of Essex avenue.

Such a quiet "sadder but wiser" crowd that wended its way towards the station Saturday afternoon. An onlooker did not have to ask, "who won?"

Mr. Henry W. Yost, of 227 Essex avenue, Narberth, announces the engagement of his daughter Reba Jackson to Mr. Finley H. Shiland, of Swarthmore. Miss Yost has recently been in training at the Crozer Hospital at Upland, Pa.

Milk retailing at 5 cents a pint and 9 cents a quart against a former price of respectively 4 and 8 cents was distributed for the first time Monday, when the new price was charged to consumers along the Main Line by many of the dealers.

Those from Narberth who attended President Wilson's reception to Pennsylvania Democrats at Shadow Lawn, N. J., on Saturday were Mr. A. E. Wohlert, Mr. George W. McKee, Mr. James E. Cole, Mr. Joseph F. Laird, and Edward S. Haws.

An automobile belonging to William B. Brazier, of Wynnewood, and a motorcycle ridden by Clarence Watson, Wynnewood, collided at Bowman and Narberth avenues, Merion, Wednesday. Watson was thrown from his seat and fell some distance away, but escaped with bruises.

Mrs. Carrol Downes and Mrs. W. M. Cameron were elected as delegates to represent the Community Club at the annual meeting of the State Federation of Women's Clubs to be held in Philadelphia, October 24, 25 and 26. Mrs. W. Arthur Cole and Mrs. James Ford Donnelly as alternates.

Mrs. C. R. Blackall has given to Narbrook Park the three Japanese cherry trees set out by her two years ago. The Park Development Committee has accepted them in behalf of the Civic Association, with many thanks to the donor, who has always shown the greatest interest in the welfare of Narberth.

The Low Merion township police are unsuccessful after several weeks' effort, in their search for the owner of a seven-passenger touring car found at Cynwyd. Several police departments in distant cities have put in bids for the machine, but have been unable to prove the car was the one they are looking for.

It is proposed to use underground springs to flood the campus of the Wayne High School this winter for an ice skating rink. The water from the two springs flows through a culvert under the school grounds. The cost of the project would be about \$1500 and the Men's Club has unofficially asked the board to give about \$1000 of this.

If you were a stockholder in any business concern, the chances are, you would keep in touch with that business. You are a stockholder in the public schools of Narberth. Why not keep in touch with that investment and visit the schools? Your interest will encourage the faculty and work for a closer co-operation between parents and teachers, which is generally recognized as a direct step toward greater educational efficiency.

### A LETTER FROM MANAGER WALZER

With everything against the Narberth team, we never gave up for one minute, but put our shoulders to the wheel and brought to Narberth once again, that grand old "rag."

It was indeed a great pleasure to manage such a fine lot of athletes, who put their minds upon the one thought—to win and to win in the right way. The success of the Narberth Base Ball Club was due to harmony among every one connected with it. There also belongs to the players who sat on the bench, a great deal of credit for they were ever ready to jump in when needed. In behalf of the players and officials of the club, we wish to thank every good and loyal rooter who gave his earnest support to the ball club, and every one who did anything for the benefit of the Narberth Ball Club.

Too much credit cannot be given to the Dun & Co. team for they played a clean game of base ball. We wish them a prosperous and successful year for 1917.

Respectfully,  
Fred Walzer,  
Manager Narberth Base Ball Club.

## NARBROOK PARK

Substantial progress has recently been made towards the completion of the work in Narbrook Park, and it is possible now to see what a thing of beauty is will be in a very short time. The five residences already erected give an excellent idea of what a desirable section of the town this will be. They are of an extremely attractive type of architecture, as might be expected from any work supervised or designed by Mr. J. Knickerbocker Boyd, and as all buildings to be erected in the Park are to be under his supervision, a uniformly high degree of excellence is assured.

It is hard to realize that the ugly swamp of two years ago has undergone such a transformation. Then it was an excellent breeding place for malaria and mosquitoes. The water of the little brook, overflowing after heavy rains, collected in stagnant pools, a menace to the whole neighborhood. This condition is now entirely changed. Ample provision is made for carrying off all surface water, weeds and dead trees have been clear off, ground levelled and grass sown. Asphalt walks have been laid out, and the roads are rapidly nearing completion.

While many favorable comments have been made, as the work has progressed, there has also been some criticism because it has not progressed faster. In answer to these criticisms, the Park Development Committee state that there has been no delay that they could have avoided. Their records show that many totally unexpected difficulties arose to hamper and hinder the work. These have had to be overcome, and it has taken much time and patience, but the committee has always had faith in the successful completion of its plans, in spite of many discouragements, and will be amply rewarded if their work meets with the general approval of the people of Narberth.

### HOME BAKE.

The Delta Sigma will hold their Home Bake Saturday afternoon, October 21st, from 2 until 4, in the Y. M. C. A. Help them along by buying your Sunday cakes there.

EMERGENCY PHONE CALLS  
Fire 350.  
Police 1250.

We are pleased to note that quite a number of our merchants, contractors, teachers, etc., have already taken advantage of the opportunity of registering their names, addresses and telephone numbers in the classified index that will hereafter be a feature of Our Town. The cost of these cards is so trifling, and the advantage of being included in a list of those who wish to do business with their fellow-townsmen is so great, that it would be a mistake not to be represented. To those desiring to buy goods or have work done, this list is equally advantageous. They can obtain the names of all those engaged in a particular business at a glance, and, if desired, can secure estimates on work from several sources in a few minutes by telephone.

It must not be overlooked, however, that this list is merely an index. To draw particular attention to their wares or services, those listed in the index should advertise more at length in the regular advertising columns of Our Town. The rates are low, and every family in Narberth will see and be influenced by what is advertised in our paper. No other advertising you do could possibly be as effectual as this; it goes straight to the mark every time.

To the Editor of Our Town:

A few weeks ago Windsor avenue, from Essex to Wynnewood, was opened to traffic after having been repaired and re-surfaced. The street presented a smooth surface, and had the appearance of a first-class job. But notwithstanding the short period of use, it is already showing the effect of traffic and at places the surface is so badly torn up as to be in need of repair, and unless it is attended to promptly the street will soon be in as bad condition as before. The question naturally arises as to whether a road of this character is not an unwise expenditure of public money and why the Highway Committee did not provide some character of binder, even though a greater expenditure would have been necessary. A road which requires constant repairs is an expensive road in the long run. Perhaps the Highway Committee can enlighten us.

Taxpayer.

To the Editor of Our Town:

In all the brilliant annals of American philanthropy there probably has never been a conception of greater magnitude than the plans now underway for next Sunday. The President of the United States has called for the observance of October 21-22, as Armenian relief days throughout all our fair land. The American Committee for Armenian relief consists of prominent Jewish, Catholic and Protestant leaders all co-operating in an elaborate propaganda for the relief of this stricken people. Everyone of the more than 175,000 ministers of religion in this country has been directly asked by personal communication to participate in this effort. The aim is to lay the case of the Armenians upon the sympathetic heart of America.

Despite all that has been printed about the Armenian atrocities the worst must forever remain unwritten. The Moslems have been guilty of revolting horrors that no tongue can describe. Of the two million Armenians in Turkey one year ago, at least one million have been killed or forced out of their homes and exiled into desert lands to perish with hunger, disease and terror. The appeal for help is for those who remain. Until this cruel war ends thousands must be fed if they are to live, and they look to America for help. Former Ambassador Morgenthau says that \$5,000,000 is needed at once to furnish food, clothing and shelter. One dollar will keep one person alive one month or longer. America is comfortable and rich. In contrast with the peace and quiet which are ours let us think of the ruined homes, starving bodies, stunned minds and broken hearts in Armenia where hunger, cruelty and hate keep constant vigil. The American Committee for Armenian Relief is organized to meet this appalling need. Members of the committee pay all expenses, thus making it possible to cable every dollar for relief and a recent cablegram from Constantinople to the State Department at Washington gives assurance of the consent of the Turkish government for the distribution of money, food and other supplies among the Armenians. The treasurer of the committee is Charles R. Crane, 70 Fifth avenue, New York, to whom all contributions should be forwarded. I am writing this simply to call the attention of this community to the President's Proclamation and to make an appeal in behalf of a stricken people. If any would prefer handing their contribution to Mr. Wm. J. Kirkpatrick on or before next Sunday he will be glad to forward it along with the offering which the Narberth Presbyterian Church will make to this cause next Sunday.

Yours in behalf of the suffering Armenians,

John Van Ness.

**Once More Our Boys Have Brought The Championship to Borough**

Manager Walzer's team has again won the championship of the Main Line League. The team traveled a hard road during the past season, but in spite of all the "ups and downs" which they experienced, they won the race.

Our boys have given up their Saturday afternoons for practically half a year. They have provided their fellow townsmen with a world of pleasure in these afternoons. The average Boroughite does not realize what good this base ball championship team has brought to our borough. It makes a name for the town and is really a good advertisement. Don't you think it would be a good thing to show our appreciation in some manner to the boys for the time and effort spent in entertaining the citizens of the good borough of Narberth? This is the fourth championship which the Narberth team has won, since the inauguration of the Main Line League.

If so, get in touch with President Raymond Jones, of the Narberth team and exchange ideas, as to what could be done for them to show our appreciation for their good services.

**HOW TO BE AN EDITOR.**

Most any one can be an editor. All the editor has to do is to sit at a desk six days out of the week, four weeks of the month and twelve months of the year and "edit" such stuff as this:

"Mrs. Jones of Cactus Creek let a can opener slip last week and cut herself in the pantry."

"A mischievous lad of Piketown threw a stone and struck Mr. Pike in the alley last Tuesday."

"John Doe climbed on the roof of his house last week looking for a leak and fell, striking himself on the back porch."

"While Harold Smith was escorting Miss Violet Wise from the church social last Saturday night a savage dog attacked them and bit Mr. Smith several times on the public square."

The Evangel Circle of King's Daughters will hold a fair in the Community Room of the Y. M. C. A. Building, Thursday, October 26th, afternoon and evening. There will be on sale aprons, fancy and useful articles, also candy and home baking.

**ANNUAL PICNIC OF THE BAPTIST CHURCH AT PENNHURST**

Saturday, October 7th, was a happy day for the children of the Baptist Church of the Evangel and for the grown-ups, too.

For many years this annual picnic has been something the Sunday school always looks forward to and thoroughly enjoys.

This time the day was exceptionally favorable and "Pennhurst," lovely in autumn garb, was at its best.

The children left the church in the morning, some of the older folks going later, but when dinner was served on the lawn at 1 o'clock, a large number was present. As usual, "Uncle Dick," chef supreme, was ready with his big fire and served everybody with his wonderful "roasting ears and potatoes." Remarkable, too, was the way the sandwiches and deviled eggs and pumpkin pies and milk and coffee disappeared. Little wonder that no speed records were broken in the games which followed. One cannot run very fast so full of good things. But the contests were thoroughly enjoyed by both participants and on-lookers. There were events for the children and the adults. Many of the games were new and novel; yes, and prizes were awarded, too—very handsome ones in several instances.

At 4 o'clock ice cream and cake were served. Even then, those present were not too full for utterance, because they gave three lusty cheers for host and hostess before starting for home.

A delightful day, surely, and one, we believe, that Mr. and Mrs. Hopper enjoyed as thoroughly as did the rest of us.

As Seen From the Press Box. Dun—Done.

Fleck starred with the bat. A clean sheet.

Fleck Stites' first hit helped a lot.

Why did catcher Fahey lose his pep so soon, in fact the whole team?

Deegan was very wild.

Watch for the Narberth players' averages in the near future.

George Howes felt his hit very much.

The double play executed by Narberth in the ninth inning was a grand finish.

Bill Simpson was there on short.

Dick Wallace scoops them up at first like a veteran.

Nig. Koons caught in great fashion.

The atmosphere was very much against the pitcher.

Bill Durbin wins the cup.

Vernon Fleck's catch in left field saved a couple of runs.

George Howes covers an acre of ground in center field.

Gene Davis taps them like a veteran at second.

Flick Stites still can hit them where they ain't.

Bob. Gibson is an ace.

The whole team shone brilliantly.

Manager Walzer was all smiles on the third base coaching line. He and Walter Humphreys make a great coaching pair.

Thirteen hits in a championship battle. Narberth has a great hitting team, as well as fielding.

Koons bunted his third strike foul.

Ben Gilbert was kidded all afternoon.

Some crowd. Especially the Narberthites.

Good-bye until next year.

**AN INNOVATION**

Instead of the usual church prayer meeting of this week the Narberth Presbyterian Church will hold five cottage prayer meetings, all at 8 o'clock on Wednesday evening of this week. The community has been divided into five districts and the object of the meetings is to plan for a church visitation by the church members in their respective districts. The meetings arranged for are as follows:—

- District No. 1, 131 Merion avenue; leader, Samuel W. Foster.
- District No. 2, 404 South Narberth avenue; leader, H. C. Gara.
- District No. 3, 216 Dudley avenue; leader, A. C. Warner.
- District No. 4, 221 Price avenue; leader, Robert L. Beatty.
- District No. 5, 102 Hampden avenue; leader, William J. Peebles.

**OPPOSE HOSPITAL SITE.**

A site, tentatively picked out for the location of a Main Line permanent hospital for contagious disease will probably be given up since it was learned that Dr. Samuel G. Dixon, State Commissioner of Health, has condemned the plan. Boards of Health from Main Line towns and townships have been trying to find a site since the infantile paralysis epidemic forced the establishment of a temporary pest house at Rosemont.

Real estate men, wealthy property owners and country clubs have protested against every suggestion made for the location of a hospital. Recently a vacant house in the Mill Creek Valley was offered and was about to be accepted. This was done at secret meetings and when news of it leaked out there was a row. Finally Dr. Dixon not only condemned the house offered as unfit, but said that the valley and the site chosen would not do at all.

There is expected to be a long discussion before another site is picked out.

Dr. Dixon says the building is a "firetrap, without adequate water supply for the purpose" of a contagious disease hospital; without any apparent available means of handling the sewage problem; that the building is not strongly constructed; that its plumbing is unsanitary; that its rooms are not well arranged for the purposes of a hospital, and that it is located on a hillside, with little or no plateau.

**BRISTLING BITS 'BOUT OUR BUSTLING BOROUGH**

If its Narberth news items you want, Mr. Editor, how's this for a starter (slipped to the printer without Mr. Jacobs knowing anything about it):

Harry A. Jacobs, editor of Our Town, picked a quart of strawberries from his garden last Sunday.

Wynnewood road is still finished. We refer to the new concrete roadway. It is expected that it will be opened to traffic late this week.

Our society reporter says she saw the dahlia king and our own cub walking arm in arm up Essex avenue Sunday afternoon.

Among the members of the Narberth Tennis Association seen on the courts Saturday afternoon was W. J. Kirkpatrick.

Official Scorer Earl Smith and "the scribe," in their efforts to tell all about base ball game Saturday, may overlook several important details, so we hasten to inform a waiting public that Official Ticket Seller and Taker Ray Jones was ably assisted by Assistant Ticket Sellers and Takers Ed Dold and Bob Town.

An important election will take place in the borough and other places Tuesday, November 7. A Mr. Wilson and a Mr. Hughes are the two best known candidates.

Jim Donnelly, of Woodside avenue, wishes us to announce that it is a base calumny that he played tennis Saturday afternoon. When seen by our own correspondent, Mr. Donnelly made the following statement: "I was at the ball game."

And so were Arthur Cole and Bill Horner.

That's the funny thing about base ball—you never can tell just who you are going to meet.

And the grounds around the south side of the station since the Civic Association's waste paper can went into action. Why they look cleaner and neater than they have in years. Gentlemen, we thank you.

Bert Eyre's total catch for the season was somewhere around 2000 fish, which shows what little chance the fish really had.

And now we come to the end of the parade—a baker's wagon, a grocery wagon, an ice wagon and a troupe of small boys, one of whom apologizes for taking even this much of your time and attention and begs to remain, Little Amos.

**THE MOST EXPENSIVE FISH ON RECORD**

The Main Line Fishing Club has broken another record. That sounds like repetition, as this fine old aggregation of deep sea navigators seems to have a penchant for the smashing of records of all kinds, good and bad, and a record or two more or less means nothing to it. Ever since Bill Cummer and Charlie Verna, champion drop line fishermen, revived the confidence of timid bathers by clearing the Atlantic of sharks, one doesn't wonder at any apparent miracle that might be performed by those holding membership cards in the organization of which the borough is so proud.

What would you say of a fish valued at \$400 per pound, even in these days of high living costs? There is such a fish, however, and to the local masters of the briny deep belongs the credit for discovering it. On with the story. Well, then, here it is:

On Tuesday, October 10th, at Fortescue, N. J., a delegation from the Pride of Narberth caught a fine specimen of what is known in piscatorial phraseology as "infinitesimal minnowette." The fish was a new one to many of the old sea dogs and some of them at first pronounced it an insect. However, the marvel was caught through the agency of rod, line and blood worm and bore many points in common to that of a regular fish. To definitely settle the matter, the club's authority on such questions—none other than the P. R. R. scientist, Bill Colic—decided after a microscopical examination that it was actually a fish. When placed on the scales it came mighty near being lost to posterity, as a common house fly alighted on it and had carried it up to a chandelier before the frantic efforts of the witnesses were rewarded by its recapture.

The value placed on the fish was \$400 per pound. This figure was arrived at by computing its weight, one ounce, with the expense of the expedition that captured it, namely \$25. No other fish were caught, which was due entirely to inclement weather. Hence, if 1 oz. of fish costs \$25, it would only be fair to say that 1 lb. cost \$400.

This paper has been requested not to mention the names of the doughty heroes comprising the expedition, but this is only one more evidence of the modesty of true greatness.

That raise made quite an impression on me, Mr. Jacobs. I feel it yet.

While the writer was in one of our stores the other day, a little girl came in and said that her mother had sent her for a pair of rubber boots and a pickle. She got them, too.

Will Carmina is searching for his voice. His neighbors are not wishing failure on him—now that the cool weather calls for closed windows.

Ed. Dold objected to our statement last week that he had worked a day the previous week. We saw him go in on the 8.14 and return on the 2.15, and of course assumed he had gone to work. However, we are glad to make amends and hereby take pleasure in stating that he didn't.

The more bowed the legs, the shorter the skirt.

To hear Doc. Howard talk you would think he actually saw a ball game once in a while, but he never gets up on the hill before the ninth inning of any game and that means he goes there nine times before he can truthfully say he has seen one game.

Mr. and Mrs. R. L. Beatty, of up-there-behind-the-backstop-somewhere, attended the Sunday School Convention in York last week. They think the National is a fine hotel, because scrapple is served three times a day.

Charlie Humphreys has a new car. His real fun will come when it's time to "get out and get under."

**WAYNE BOWLING QUINTET WINS MATCH AND LEADS LEAGUE**

**Second Week of League Brings Champs to Head of Race**

Our Main Line League Bowling Knights, champions of the league, didn't allow much time to pass before they stepped right to the top of the percentage column. This reservation was attained by them through the results of the league match last Friday evening, when they toppled the pins over their competitors from the Narberth Y. M. C. A. for sufficient totals to win all three games in the match. The quintet from the borough town gave the suburbanite bowlers a close chase, especially in the first game, which they only dropped by six pins. Hart with 512 pins, Wait with 503 and Savill with 498 pins, led the bowlers.

Rosemont Men's Club sprang a surprise into the Ardmore Y. M. C. A. by copping two out of the three, bringing the Ardmoreites down to second place while the Men's Club now stand with .500 percentage. Lew Durnell was wrecking the pins at a good pace, topping a total of 535 for an average of 178, which is the high individual for the two weeks of the league.

The infant members of the league, Paoli Travelers and Narberth Rovers, battled it out on the Narberth alleys and the borough Rovers, under Captain Ward, showed Mathias' traveling quintet some of the fine points of the art of bowling, cleaning up house in all three games. This now gives the Rovers an even break for .500 percentage, while the Travelers are in the cellar with but one game won and five lost.

At that, for the second week, the clubs all seem evenly matched and there will be a good race with much enthusiasm and interest to be manifested in the race for the trophies and championship.

**ADDED FEATURE FOR COMMUNITY CLUB OPENING**

In an effort to make the opening evening of The Community Club particularly attractive, a big entertainment feature has been added to the regular program. At the last moment the chairman of the club induced the manager of The Lyceum Course to send us The Berna Concert Company, composed of a whistler, a soprano soloist, a humorous reader and a pianist. These, together with the lecture by Mr. Chamberlain, as announced in a previous issue of Our Town, should make a most satisfactory program.

The opening meeting will be free to all new residents of Narberth. If in recent months you have had new neighbors make it a point to invite them to the October 27 meeting.

It is the plan of the club managers to begin the entertainment at 8 P. M. sharp. Everybody, therefore, is requested to be in the Community Room before the hour.

Following the entertainment refreshments will be served and there will be a half hour or more in which everyone will have an opportunity to get acquainted with his fellow town-folk. This, the most desirable feature of the club, will be carried on just as it was last year, and those of us who do not know many people in Narberth will find this the ideal way to get acquainted quickly and broadly.

**COMMUNITY CLUB OFFICERS.**

## SCHOOL EDITOR'S WEEKLY NEWS ITEMS

Without halting, without rest,  
Lifting better up to best.

The president of the Alumni Association conferred with the principal this week of alumni matters, relative to planning work for the coming year.

The Executive Committee of the Alumni Association will meet at the home of Miss Prescott, on Monday evening at 8 o'clock.

English department. Likewise the upper three grades will have their meeting separate. Once a month there will be a joint meeting.

Special classes in public speaking are being scheduled for pupils not carrying the maximum requirements. This work will be under the tutorage of Miss Melchior.

Many pupils enrolled this week, including newcomers to Narberth. These strangers among us were cordially welcomed by principal, teachers and pupils. Everybody seems at home in the Narberth schools.

Heard in the halls and on playground:

"Swell lunches these chilly days? I guess. How strange it seems that still a few pupils must carry cold lunches."

"I wonder why we can't have assembly as we had last year, only three times a week." "Why?" "Well, I liked the stories and nice little time we had in our own rooms."—Two fourth graders.

"Some fine addition to the faculty. No misfits it seems."

"The purr of the radiators is a pleasing sound."

"How about the faculty quartet? When will we hear it again?"

"It's great how the fellows obey orders and keep off the dirt piles and lumber!"

"Who would ever have thought the old rooms could have been made so light and pretty? Why didn't some one do it long ago?"

Remarked about a member of the faculty by a new youngster: "My, but he has long legs—I guess he can run." Query: "Who is he?"—By a faculty member.

"I wish my sixty-fifth birthday were here, since the fiftieth brings so many envied things to Miss W——." Query: "Why so envious?"

On Columbus Day, Directors McCarter and Ridge, were with us. Faculty and pupils are always glad to see them here.

Although there were no "special exercises" on the 12th, Mr. Melchior did not let us forget the day. Two brief selections and several musical numbers and a few words by Mr. McCarter were crowded into the twenty minutes. The assembly hall and class rooms had been decorated with flags by Mr. Rogers.

Although our opening exercises are exceedingly brief these days, our attention is called to birthdays or memorial days of poets, statesmen, scientists, etc. These are brief selections that illustrate and arouse interest in our minds.

Mr. Emmett, athletic coach and physical instructor, is organizing all boys into athletic squads. It is the aim to have all pupils active, and to do away with the idolizing of a school team with no actual exercise, but "lung and throat strain" for the hundreds of onlookers. Of course, Narberth High will have its "Varsity team" and we expect great times—but the school will also have class teams and group teams. The Athletic Association was reorganized last week. Details will follow in next issue.

### Notice to Parents.

Parents desiring to admit "beginners" will please do so by noon, Monday, October 30. This will be the last date for admission of beginners before January 2, 1917.

Children that will be six years of age before January 2, may be enrolled now. Those becoming six before September, 1917, may enroll on January 2.

### School News.

The High School students and faculty enjoyed and greatly profited by a second recital by Mr. Richmond. The two recitals were the introductory programs of the Junior and Senior Literary Societies, respectively.

At the second meeting of the Junior Society officers were elected and a lesson given by Miss Twining, the English teacher, in parliamentary rule.

With the growth of the physical culture department it is gratifying to note a marked development in plans for literary work and public speaking. The seventh, eighth and ninth grades will conduct a literary society, under close supervision of the

**OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy" —manuscripts—must reach the editor by 6 P. M. Monday each week.**

## TENNIS MEN

The tennis season is over. What are you going to do now to keep in shape, physically? You have had an active season; think what it will mean to suddenly stop vigorous exercise and patiently wait till spring comes so you can get at tennis again. Feast and famine is not a good theory on any proposition, and particularly when it concerns one's health. Here is one plan—think it over. Our Business Men's Gym Class meets every Friday night and will continue to do so till the next tennis season. Come one Friday night and get a sample, and if you don't have the time of your life you'll be an exception to those who have attended this feature. Just give us one trial—also, when the tennis sport starts you will have the privilege of making your headquarters here—with hot and cold showers always at your service—all this for \$5 per year. Start this week. Don't put it off.

For further information ask any of the following men: Gara, Cole, Henry, Nash, Trotter, Orr, Atherholt, Donnelly, Seymour, Harris, Ludovici, Shields, Cameron, Matthews or Hampton.

## "BOYS' GAME ROOM"

"Three Cheers for the Boys"—the goal has been reached. Estimates are in on the equipment, etc., and work will be started this week. We hope to have everything in first-class shape and open the room before November 1st. Watch for the announcement of the opening night.

The boys will then have a room of which they can be proud and with the self-government in power we

know the boys will keep things in first-class shape.

We will announce the "opening night" or "open house" later. Watch P. S.—There are a few who promised to contribute a certain amount—these promises have been counted in with the total. The boys may call again as a "reminder."

## FOOTBALL MEETING

A meeting to organize our football team will be held Wednesday (October 18) 8 P. M., at the Y. M. C. A. All interested be sure to be on hand.

J. G. Foote, Manager 1915.

## BASKETBALL MEETING

There will be a meeting for the organization of a basket ball team next Monday night, October 23rd, at the Y. M. C. A. If you are interested be sure to be on hand. We are going to have a good season and games will be scheduled with fast teams. Get in at the start.

The above is a new department, and in order that it shall be of the largest use to the community the list should contain the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their name, address, phone number and business or profession, for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
