

ENGLISH WAR FEELING

MRS. TAYLOR OF BELMONT ST. RECEIVES MESSAGE FROM FRIEND IN ENGLAND.

ENGLISH PEOPLE HAVE NO FEAR

EVERY WRONG INFLICTED UPON BELGIAN INCREASES ENGLAND'S RECRUITING LIST

A letter just received by Mrs. A. Taylor of 134 Belmont St., Glendale from a lady friend in Sheffield, England depicting the sentiment and real condition in England brought about by the war will prove of interest to our readers at this time:

October 15, 1914

My Dear Mrs. Taylor:
I am very proud in these strange days to be English. I often feared that pleasure and care had sapped the National courage and strength, and that even a great cause might not arouse England from her sports and trade. But she has roused herself. The "dear mother of mighty sons" she has lost nothing of her ancient spirit. Why even if her time had come to fall, like Nineveh and Tyre, it would be a fall worthy of her glorious name, in defense of her allies, true to her given word on a scrap of paper. It is awful but it is splendid to read and hear of the splendid courage of our soldiers, and in spite of German threats we have no fears, trusting to our mighty fleet for protection. We have entire confidence in the end, but Oh! Belgium! Well, our hearts just ache for her and even the poorest of us are proud and ever ready to do something for that glorious little nation with its crown of thorns.

Yes, a great many false statements get into the papers, partly because no news is allowed from the army. But we are not fed up, like the poor Germans with false "victories" and our rulers have told us the truth from the first. Indeed, things are going much better than we expected. We were told it would be a long stern pull and it is but we are all pulling together. England hates war and never expected it but she knows it is a righteous war, if ever there was one and she is of one mind, rich and poor and neither grumbles or regrets, not even the women. Indeed they are too busy getting ready, houses and clothes for the poor dear Belgians of whom there are hundreds and hundreds in Sheffield alone seeking shelter and succor, while others are knitting socks and making clothing and blankets for the recruits and still others are collecting money, money, for everything and from so many of us. Just as we want to do most we find our income cut down by half or more, but I am very thankful to have that in these days. However, everyone is giving up luxuries and it is gratifying to see the kindly, friendly feeling that all have.

I hope, if victory could ruin the English nature as the German was ruined by its victory forty years ago that defeat might be ours. Our men do not throw bombs upon unarmed cities and God forbid that we should treat Germany as she has treated Belgium and France. The tales of cruelty that we hoped, for the honor of humanity, were untrue were but a glimpse of the horrors.

London is, they say, almost darkened, so as not to be a guide to Zeppelins. Here in Sheffield the lights are all lowered, lowered even in the tramways. Their press imagines we are afraid of the airships but we are not, only angry. Every wrong to Belgium has sent the daily recruiting up by thousands and a Zeppelin raid would increase our anger to fever heat. It is strange how war takes away fear and dread of death from us.

All history shows that Babylon, symbol of luxury and brutal power, is ever doomed to fall. The world was going too fast, life rushing like water in a river toward the mills of God, may it emerge calmer and saner.

Materialism has come to fruition in Germany and it is a poisonous fruit. One prays and longs for peace for the sake of friends and foes but I suppose it would be wrong as it would be foolish to make peace before war is made impossible for centuries to come by teaching that militarism does not pay. You may feel proud that you are located in a land of peace and plenty and also be proud of the old mother country who is giving her lives and her wealth, with no thought of profit for what she thinks is right. May God help us!

Sincerely your friend,
Clara Turnbull

JOHNSON AND WISHARD ENTHUSE AUDIENCE

The Sunbeam theater was jammed to the doors on Tuesday afternoon to hear Governor Johnson. Several candidates spoke before Governor Johnson began his address, among them Harry A. Wishard, for the Assembly. Mr. Wishard in a voice filled with great earnestness and emphasis pledged his independence from the dictation of political bosses, and the remarkable ovation given him for that sentiment was the event of the afternoon. No candidate in this campaign has ever been called to the floor a second time to acknowledge the plaudits of the hearers as Mr. Wishard was, on this occasion.

DANCING PARTY, MISS GERTRUDE BRAUN, HOSTESS

One of the prettiest Halloween parties given was that of Miss Gertrude Braun at the home of her parents, Mr. and Mrs. Henry Braun at 900 Glendale avenue.

Games and dancing formed the evening's amusement for the forty guests.

Crysanthemums of every hue arranged in Japanese baskets and vases were used to enliven the rooms turned over for the affair.

At a late hour a full menu suggesting Halloween was served.

Miss Braun's dancing party was followed by a slumber (there is some question about the slumber) party, the guests over night being Mr. and Mrs. W. W. Kirkby of Glendale, Miss Glad Smith, Miss Cupid Hoeffer, Miss Adele Power, Miss Sue Van Noy of Los Angeles; Messrs. Henry Hainert, Harry Goodwin of Glendale, Kenneth Wiseman, Paul Adams, Bobby Burns and Bert Stevens, also of Los Angeles.

Mr. Harry Goodwin acted host Sunday morning at his home, serving a buffet luncheon and late in the afternoon the guests named again assembled at the home of Miss Braun where they partook of an elaborate course dinner.

JUDGE CONREY'S SUPPORTERS

The election tomorrow will decide the men chosen to administer and interpret the laws. California Courts of Appeal, consisting of three districts, is the second highest court of the state, the second district covering thirteen counties of Southern California. The justice of this court holds office for a term of twelve years, therefore a judge of long experience and scholarly ability should sit upon the bench as presiding justice.

Judge Conrey, the presiding judge, has served fourteen consecutive years on the bench in Southern California. His ability and honor are unquestioned, he is vouched for and supported by practically every prominent lawyer in the district, regardless of party affiliations. The people cannot afford to lose Judge Conrey's services.

Gavin W. Craig, his widely-advertised opponent, has several years of his first term yet to serve on the Superior bench of Los Angeles County. The spirit of civil service and not political preferment should prevail in keeping our most efficient judges on the bench. Vote for Judge Conrey and thus keep both himself and his opponent on the bench.

The undersigned attorneys of Glendale and Tropic earnestly ask you to RE-ELECT Nathaniel P. Conrey.

AMENDMENTS 19 AND 21 ARE DANGEROUS

Vote "no" on amendments 19 and 21, which are not city and county consolidation amendments, but authorize cities and adjacent taxable areas to secede and withdraw support from counties.

When in doubt, vote "no." Amendments 19 and 21 are not only doubtful, but dangerous. They make it possible for certain big cities to dominate the legislature.

County division, facilitated by amendments 19 and 21, means duplication of offices, more spoils for politicians, multiplication of tax-eaters and fights for county seats.

Under amendments 19 and 21 cities or unincorporated territory annexed, may be committed to consolidation, but the annexing city can delay forming a charter for two years, leaving uncertainty as to the form of the new government.

Annexation amendments 19 and 21 change the fundamental law of the state, so that the city annexed may be made subject to bonded indebtedness, upon a simple majority vote, instead of by two-thirds now required. This is extremely dangerous to the taxpayer, and the existing safeguards should be maintained.

Under pretext of economy, amendments 19 and 21 were framed by certain politicians in the big cities in order to shoulder some of their debts on the country districts. Vote "no" on both.

Both annexation amendments 19 and 21 permit the coercion of county districts, for unincorporated territory has no separate vote on whether or not it shall be included in a consolidated city and county. This means additional taxation without representation.

Vote against amendments 19 and 21 and retain reasonable representation for the agricultural, mining, fruit growing and stock raising areas in the state.

Amendments 19 and 21 were framed without consideration for any but the three largest cities of the State. They are unfair, unjust and un-American, and should be repudiated by all who wish the laws of the state to be based on justice and equity and not to serve special and private interests.

Amendments 19 and 21 involve issues rejected by the legislature and repudiated by the voters at the election of 1912 by 106,000 majority. Do not let them slip by this time.

LITERARY SECTION

The Literary Section of the Tuesday Afternoon Club will meet Tuesday afternoon at 2:30 at the home of the curator, Mrs. E. H. Willisford, 231 Orange street. The program will consist of answer to roll call with name of favorite author. Current events, Mrs. F. W. Johnson; reading "The Battle of Blenheim," Mrs. Blake Franklin. "The Present-day Crisis" (the war), by Mr. H. Lee Clotworthy. All club members are invited.

ANSWER TO HARRY MILLER'S "GREAT REFORM" ARGUMENT

The person who wrote Mr. Miller's article in last week's papers upon the "Great Reform" which he intends to practice, providing he secures the office of Justice of the Peace of Burbank Township, evidently is not acquainted with the laws of the state. The fact of the matter is the Justice of the Peace MUST have an established court room, and that mileage MUST count from that place. The Justice of the Peace court is now at Tropic and mileage starts from that place. If it is changed to Glendale, Mileage MUST start from Glendale. The court is now at the geographical center of the township, so why favor any section by changing it?

BURBANK MAN DIES

Mr. A. S. Robison of Burbank died Sunday morning at 4:45 from kidney trouble. Mr. Robison was 54 years of age and had resided in Burbank for the past 20 years, coming to California from the state of Minnesota. The deceased leaves a wife and one son, E. E. Robison. The funeral will be held from the Pulliam Undertaking Parlors Wednesday at 2 p. m. Interment at Forest Lawn Cemetery. Mr. Robison was a well-known rancher of Burbank, having made many friends during his residence in California.

Mrs. Edward Ryekirk and small daughter, Eileen, of Long Beach returned home yesterday after spending a week with her brother and family, Mr. Willard Rose of the Frenz Apartments.

KEEP MELROSE ON THE JOB

There's nothing like keeping a good man on the job, and in the case of Justice of the Peace of this township it is acknowledged that Mr. Melrose has made good—and that after nine years of strenuous trial. During the years of the fee system, which were eight in number, Mr. Melrose served faithfully with practically no compensation. It would not seem fair now that a fair salary has proportioned to that office to put this faithful and efficient man out of office for prejudice sake alone. Mr. Melrose is a true and honest servant of the people and is a man who gives a square deal to all. It is acknowledged that Mr. Melrose fills the position of Justice of the Peace in a thoroughly capable manner, so why experiment?

WORKING TO A DISADVANTAGE

The Glendale Evening News is working at a disadvantage today. Early this morning our linotype operator, M. L. Watson, telephoned that he was putting the finishing touches on a chronic cold and could not be with us. A few minutes later Mrs. L. E. Gray, wife of our mechanical foreman, telephoned that Mr. Gray had been working with a new furnace the previous day. An explosion took place and he would not come down until later. It is now 1 o'clock p. m. and he has not come down yet. Evidently the explosion was a terrific one. However, the Evening News sympathizes with those who have had colds and with those who encounter explosions. In the meantime overlook the deficiency of reading matter in today's issue.

BIG PARADE TONIGHT

This is the night of the big parade, when all loyal friends of temperance will show their colors. Parade forms at 6:30 at Glendale avenue and Broadway. Big rally at high school, addressed by Dr. Matt Hughes, following parade.

Mr. E. D. Yard, contractor, is building a beautiful seven-room bungalow at Riverdale and Columbus avenues for Mrs. Minnie Patterson, recently from Philadelphia.

SUNDAY SERMONS

LOCAL PASTORS PREACH STIRRING SERMONS ON PROHIBITION

EXTRACTS FROM THEIR SERMONS

NOW IS THE GREAT OPPORTUNITY TO LINE UP ON THE RIGHT SIDE OF GREAT QUESTION

CONGREGATIONAL CHURCH

At the morning service, the pastor, Rev. E. H. Willisford, gave another strong sermon on temperance. The pastor read for texts: Joshua 24:15, "Choose ye this day whom ye will serve * * * as for me and my house we will serve the Lord." I Kings 18: 21, "And Elijah came unto all the people and said, 'How long halt ye between two opinions? If the Lord be God, follow him.'"

A part of the sermon follows: Our own James Russell Lowell in that matchless poem, "The Present Crisis," says:

Once to every man and nation comes
The moment to decide,
In the strife of truth with falsehood,
For the good or evil side;
Some great cause, God's new Messiah,
Offering each the bloom or blight,
Parts the goats upon the left hand,
And the sheep upon the right,
And the choice goes by forever, twixt
That darkness and that light.

A great crisis has arisen among the people of this great state. The moment has come when the electorate of our beautiful commonwealth must decide between the awful darkness of intemperance and the glorious light of sobriety.

In this momentous strife, Truth is arrayed against Falsehood. Shall it be bloom or blight? The people of our great state are called upon to decide a question that has to do with the weal or woe of 230,000 of people.

To decide a question which affects not only the economic interests of a state but a question which tremendously affects the physical, intellectual, moral and spiritual well being not only of the people that now are, but of a great multitude yet to be.

This question of "California Dry" is not merely a question which affects the man and woman who drinks but it is a question which vitally concerns every child, man and woman in the state. For intemperance is no respecter of persons. It lays its devastating, destroying, debasing and debauching hand on all alike.

Innocent fathers and mothers suffer untold agonies for drunken sons and wayward daughters, innocent wives undergo indescribable sufferings on account of drinking husbands, innocent and helpless children are made to suffer the biting pangs of want and hunger on account of drunken fathers.

Intemperance robs man of all that is true, pure and noble. It takes from man all self-control and power of will to do that which is right. It steals from man not only his money but his manhood. It takes from man all his God-given powers to do that which is elevating, ennobling and uplifting. It transforms man into a brute. Yes, it makes man do what a brute will not do.

The moment has come for the people of this commonwealth to decide by their ballots whether or no this iniquitous traffic shall longer continue or shall be swept forever from this fair state of ours.

Let a few indisputable figures tell of the fearful havoc which is being wrought in this country by the use of alcoholic beverages.

Col. L. M. Maus, chief surgeon of the United States Army, in the American Patriot for March, 1914, says: "The United States contains the following number of adults and children suffering from insanity, feeble-mindedness, idiocy, epilepsy, tuberculosis, venereal diseases, deafness, dumbness, blindness, physical deformity, pauperism or criminality for which ALCOHOLIC BEVERAGES ARE LARGELY RESPONSIBLE:

| | |
|------------------------------|-----------|
| Insanity | 200,000 |
| Feeble-mindedness and Idiocy | 150,000 |
| Epilepsy | 75,000 |
| Deaf and Dumb | 100,000 |
| Blind | 50,000 |
| Physical Deformity | 300,000 |
| Tuberculosis | 500,000 |
| Veneral Diseases | 7,500,000 |
| Paupers | 1,000,000 |
| Criminals | 500,000 |
| Total | 9,475,000 |

This means that one-tenth of our entire population is under the blasting, withering hand of intemperance. Shall this longer continue? Shall we not vote California dry? By God's help we will.

AT THE CHURCHES

(Continued from Page 1)

The moment has come for the people to decide whether or no there shall continue in our state a business that produces—
80 per cent of our insane;
75 per cent of all our criminals;
75 per cent of all our paupers;
80 per cent of all our prostitutes;
a business that costs the people of the state of California \$29,000,000 in 1912 in public taxation to care for the damaged products of the saloon. According to our best judicial and penal authorities this means 80 per

cent of our entire state tax is required to care for liquors destroying, destructive power.

This means that the liquor traffic lays a tax of over \$10 on every man, woman and child in our state.

"Hast thou chosen, O my people, on whose party thou shalt stand, Ere the Doom from its worn sandals Shakes the dust against our land? Though the cause of Evil prosper, yet the truth alone is strong, And, albeit she wanders outcast now, I see around her throng Troops of beautiful, tall angels, to enshroud her from all wrong."

VOTER—have you chosen in this crisis where you will stand—have you chosen how you will vote on election day?

Before you are these great moral issues, the right settlement of which will mean peace, happiness, prosperity, purity to all, the passing of the night of sin and iniquity, the dawning of the morn of righteousness and good-will to all.

Sometimes the battle seems long, victory much delayed. The soul in its anxiety and anguish cries out Oh, Lord, how long—how long?

Careless seems the great Avenger, history's pages but record One death grapple in the darkness 'twixt old systems and the Word; Truth forever on the scaffold, Wrong forever on the throne— Yet that scaffold sways the future,

and behind the dim unknown Standeth God within the shadow, keeping watch above his own.

Take renewed courage, my brother, my sister, and fight on and on, victory must be ours. It already is.

Old systems with their evil, fraud and corruption are passing away. Truth, sobriety and righteousness are coming into their own.

God, standing in the shadows, no, no, He stands on the rim of the radiant morn, giving light, life, blessing and victory.

BAPTIST CHURCH

We have come to the closing hours of the greatest moral campaign in the history of California. The forces of righteousness must go strong on the last lap. The liquor interests have put it all over us in their final whirlwind campaign. Behold their clever display posters for the man who can be changed at the last hour. Now is the time to speed up. Wait till you see the white of their eyes and then fire.

It is a waste of precious time to keep on the self-evident facts of the issue. We all know that alcohol is a poison. We know it is a tremendous waste. Science teaches that it rots the brain and heart. Alcohol is a manure. The Christian never thinks of putting the dollar above the right. All the stuff about lost revenue is not pertinent, neither is it true.

Who said it would make criminals of decent people? "Folk who now take a glass will have to break the law to get a drink of liquor." Be it so.

If some of the present generation will drink, let them drink and go to jail. But how about the coming generation? Under the law of the Hebrews, a man who dug a pit into which an ox fell had to pay for the beast. Is not a child of more value than an ox? Man better have a millstone tied about your neck and be dropped into the Pacific than to cause one of these little ones to stumble.

So taught the great Master of us all. If you believe that the law has a right to fine a man for driving a neglected horse, why can you not see that the state has a right to fine the man who dares to sell poison to a child?

A certain man in New York said that his earliest recollection was of being placed on a bar in a saloon by his father who stood holding his little hands as he waited for his drink. Shame on the father who would dig such a pit in the memory of his offspring.

Alcohol is a plague. A plague cannot be controlled. It must be stamped out. In the book of Leviticus a garment with a plague in it was burned. A house with a plague in it was demolished. Alcohol is contagious. No man can be certain that he can control alcohol in his own life. No man can be certain that he can control alcohol in his own home. The state cannot control alcohol. Alcohol is a plague. California must stamp alcohol out forever. If the board of health protects society from contaminated milk, why should not society be protected from the poison alcohol? California must eliminate alcohol.

King Alcohol is the power behind the throne of Satan. Back of the present bloody war is King Alcohol. The Kaiser, the Czar and Kitchener are calling upon their respective soldiers to sober up. The implication is they have all been drunk. Would to God they had all sobered up before going into such a fearful conflict. Back of the bottle which crushes the head of the suffering wife of the drunkard was the demon alcohol. And so it is with the nation. There can be no universal peace till we have universal sobriety.

There are two pictures before us. The picture of the open saloon, gilded and brilliantly lighted. From within the strains of sensuous music and the tinkling of the glasses. The second picture is Christ with outstretched arms, saying, "Suffer little children to come unto me." Above the saloon we read: "Abandon hope all ye that enter here." In the blessed countenance of our Lord we read hope, peace, character, success in life and in the life to come. Shall we point our little children to the saloon or to the blessed Christ?

In the language of Cannon Farrer: "Have we no pity for the poor, miserable children? Is there no voice strong enough to plead like angels against the deep damnation of their taking off—of these children who, in the language of Southey, are not so much born into the world as damned into the world, damned, predestined, as it were, to live lives of disease and degradation, because of the drink in the midst of which they are brought up, and of which they have the hereditary taint in their very veins?"

Listen to the saloon catechism: "What is the chief law-breaker of the land? The saloon.

"Where are the schemes hatched which promote civic corruption? In the saloon.

"Where does the midnight assassin go to prepare for his murderous work? To the saloon.

"Where do the police go in search of the skulking thief and murderer? To the saloon.

"What lays its hands upon political parties and dictates who shall be nominated and elected? The saloon.

"What impoverishes many a workman and fills him with the spirit of discontent and anarchy? The saloon.

"What takes the bread from the mouths of starving children and women? The saloon.

"What clothes in rags women raised in refinement and affluence? The saloon.

"What despoils young womanhood and sends it reeling and staggering down the street? The saloon.

"What crowds our prisons to the utmost? The saloon.

"What peoples almshouses and insane asylums with pitiable objects? The saloon.

"What destroys the respectability and influence of men and sends them swaggering to a drunken grave and a drunkard's hell? The saloon.

"What destroys more homes and causes more family troubles than anything else? The saloon.

"What is the greatest hindrance to all reforms and moral and material advancement? The saloon.

"Can both the church and the saloon prosper in the same territory? No.

"Can a man knowing the awful work of the saloon be a consecrated Christian and sign saloon petitions, rent property for saloons or vote for men committed to it? No.

"Can any man prosper who spends his time and money in the saloon? No one but the saloonkeeper. He can; he does, too."

Do I hear someone say that we cannot win. What have you to do with winning? The first thing for you to settle is: Shall I stand for the right against the wrong?

Senator George Frisbie Hoar, addressing the students of Harvard University, said:

"Account yourself happy if it be your lot to espouse some noble and unpopular cause in the beginning, to throw yourself on its broad altar, to see it grow, to help it grow, to see it first arouse curiosity, then attention, then contempt, then hatred, then fear, then respect, always growing (Continued on Page 3)

HARRY M. MILLER FOR JUSTICE OF THE PEACE

A community court, such as the court of the Justice of the Peace of a township, is of direct importance to the residents within its jurisdiction.

At the next election next Tuesday a Justice of the Peace is to be elected for Burbank Township which includes Glendale.

Harry M. Miller who was the leading candidate at the primary election for this office is practically assured of election if those who supported him so loyally in the primaries do not, through over-confidence or carelessness fail to vote at the election next Tuesday.

With all the mental and moral equipment so necessary for the proper administration of the office, the election of Mr. Miller will give Burbank Township a Justice Court free from all influences except the demands of justice.

In Glendale, where he is so well known, the name of Harry Miller is a synonym for "Square Deal." Many trying and delicate situations have confronted him during his six years tenure of his present office, but at no time has he ever swerved from the right action. His capabilities have been recognized by those who have been brought into official contact with him and his support at the primaries, which placed him far in the lead of all the other candidates was given him largely by those who personally know him and recognize his worth.

This endorsement, based on the personal knowledge of his character and attainments, can safely be followed by those voters of the district, who do not know him.

The most important thing to remember IS NOT TO FORGET the importance of this office and the necessity of placing a man in it who is qualified to fill it.

The man is Harry M. Miller. Do not fail to vote.

They never fail who die—
In a great cause. The block may soak their gore;

Their heads may sodden in the sun; their limbs
Be strung to city gates and castle walls;

But still their spirit walks abroad. Through years

Elapse and others share as dark a doom,

They but augment the deep and sweeping thoughts

Which overpower all others and conduct

The world, at last, to freedom.

He said now is the time to strike the man in your block who is doubtful. Exhort, implore the doubters. Plead with them on bened knee, mothers, if that will win.

A NEW CITY AND BUSINESS DIRECTORY FOR GLENDALE, TROPICO AND CASA VERDUGO

A new city and business directory for 1915 is one of the things necessary to aid the three cities of Glendale, Tropic and Casa Verdugo to take advantage of all the good things that are coming this way in the big Panama Exposition year.

The present directory is a year and a half old and with our large increase in population and many new changes in both, it is distinctly out of date.

Realizing this fact, the Valley Publicity Bureau has commenced work on a new Directory to be issued Jan. 1, 1915. Mr. F. Wilkinson, Manager of the Bureau is now working on the business section, after which the city enumeration will be taken up. He asks the aid of every booster of the three cities in making the coming issue, the most complete and valuable edition yet published.

INTER-CITY COMMISSION RECOMMENDATIONS

San Gabriel Valley Organization Issues Report on Intricate and Important Amendments and Legislative Measures to be Voted on at November 3 Election and Makes Recommendations

Many who are appalled at the complicated nature of the ballot to be presented to the voters of California in November will be pleased to read the following recommendations presented by a committee of which Seward C. Simons of South Pasadena is secretary.

The San Gabriel Valley Inter-City Commission was formed for the purpose of co-operation between the different communities wherever a number of communities were affected. In view of the fact that a number of the measures coming up at the November election vitally affect the interests of smaller communities, this commission met and made a careful and impartial study of the measures and submit their recommendations.

The commission represents Pasadena, South Pasadena, Alhambra, Monrovia, San Gabriel and Lamanda Park. The report is signed by William Hazlett, Elwood J. Thorne, C. P. Dorland and Seward C. Simons.

NO. 1 ON THE BALLOT. "CALLING CONVENTION FOR REVISION OF CONSTITUTION." There is need for a new constitution, but the provisions of our present state constitution relating to the selection of delegates to a constitutional convention, which provide for the selection by partisan choice, might result in a very unsatisfactory convention and a partisan report and proposed constitution. **VOTE "NO."**

PROPOSITION NO. 12. "CONSTITUTIONAL CONVENTIONS," is a proposed amendment to the constitution providing that delegates to a constitutional convention shall be selected at a non-partisan primary election. This is designed to dispose of the objection to the method of selecting delegates to the constitutional convention which lie to the present method of selection, and therefore this provision should carry, and the vote should be "YES" upon proposition No. 12.

NO. 2. "PROHIBITION." This is a proposed amendment to the constitution prohibiting the manufacture, sale or giving away or the transportation within or into the state of intoxicating liquors, except for medicinal, scientific, mechanical or sacramental purposes. It permits any citizen to make complaint of known violations. The committee makes no recommendation in regard to this proposed amendment, for the reason that the resolution of the Inter-City Commission appointing the committee, expressly instructed it to make no recommendations on this subject. In justice to themselves, however, the members of the committee state that they personally favor the adoption of the amendment.

PROPOSITION NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT," provides that in the event proposition No. 2 for prohibition shall carry, that its provisions shall not take effect regarding the sale of liquor in the state until February 15th, 1915, and as to shipping liquor out of the state not until January 1st, 1916. This gives those who have money invested, or who are engaged in the liquor business, time to withdraw, if proposition No. 2 carries, and enables those who are engaged in grape culture to dispose of this year's crop. **VOTE "YES."**

PROPOSITION NO. 47. "PROHIBITION ELECTIONS." This amendment is unfair and misleading. It provides (amongst other things) that the vote of any city or county, or district, upon the question of state prohibition shall determine whether that city or county or district shall be "wet" or "dry," within its own limits. It repeals existing laws regulating the liquor traffic. It also provides that if any political subdivision shall vote "wet," either on the prohibition amendment, or at any other election, no subsequent election upon the subject shall be held within eight years, while if it votes "dry," it shall be considered "non-licensed" territory, but this provision does not state

that liquors shall not be sold in such "non-licensed" territory. Also it does not prohibit the question again being voted upon, in the latter circumstances, at ANY election, without waiting eight years. The proposed amendment is full of other "jokers" and evidently was not framed in good faith. **VOTE "NO."**

NO. 3. "EIGHT-HOUR LAW." While founded on a correct theory, this law is too broad in its application, and in its present form would seriously hamper some important industries and the labor connected therewith. **VOTE "NO."**

NO. 4. "ABATEMENT OF NUISANCES." This "red light abatement act" is moulded upon statutes of other states which have worked successfully. This act makes owners of the buildings and promoters of vice therein amenable to the law and not alone those caught in police raids. It permits any citizen to bring an action of injunction prohibiting the use of the building for such purposes and enjoining the owner and occupant from engaging in such business. **VOTE "YES."**

NO. 5. "INVESTMENT COMPANIES ACT." This act is designed to fill a pressing need for the proper control of corporations. While cumbersome in form, the committee believes that it should be adopted, and if, in its workings it is found that changes should be made, it may be amended by the legislature. **VOTE "YES."**

NO. 6. "WATER COMMISSION ACT." This creates a water commission with powers similar to those of the railroad commission and is designed to better protect the people in the appropriation, use and control of the waters of the state, and is a meritorious act. **VOTE "YES."**

NO. 7. "LOCAL TAXATION EXEMPTION." This is known as the "home rule in taxation" amendment, and would give any county, city or town power to exempt from taxation for local purposes improvements on or over land and any personal property except franchises. This would be an experiment in taxation. The majority of the committee recommends a favorable vote.

NO. 8. "EXEMPTING VESSELS FROM TAXATION." This is designed to encourage shipping on the high seas to and from our California ports and is a meritorious act. **VOTE "YES."**

NO. 9. "REGULATING INVESTMENT COMPANIES." This is a measure proposed by certain corporations and conflicts with, and would make ineffective proposition No. 5, recommended by the committee. **VOTE "NO."**

NO. 10. "ABOLITION OF POLL TAX." This measure proposes that no poll tax shall be collected. If adopted a large class of our people, including unnaturalized foreigners, will pay no taxes although receiving the benefits of our government. **VOTE "NO."**

NO. 11. "UNIVERSITY OF CALIFORNIA BUILDING BOND ACT." This provides for a state bond issue of \$1,800,000 for the construction of buildings and adding to the beauty and efficiency of the state university plant at Berkeley. Our state university needs this money. **VOTE "YES."**

NO. 12. "CONSTITUTIONAL CONVENTIONS." Has been discussed in connection with proposition No. 1. **VOTE "YES."**

NO. 13. "QUALIFICATION OF VOTERS AT BOND ELECTIONS." This initiative proposition provides that no elector shall vote on the question of incurring bonded indebtedness UNLESS A TAXPAYER, and in theory, instead of being advanced legislation, in returning to the rule of property, this is retrogression to a system of government long since

abandoned, and would be class legislation. It would disqualify from voting upon such questions at least 75% of women voters. **VOTE "NO."**

NO. 14. "VOTING BY ABSENT ELECTORS." This provides a method whereby those away from home on election day may vote and send their ballot by mail. It is dangerous in that it is not sufficiently safeguarded by restrictions. It would complicate the election machinery. **VOTE "NO."**

NO. 15. "DEPOSIT OF PUBLIC MONEYS." This measure proposes that bonds of SURETY COMPANIES may be put up as security for deposit of public moneys and changes the present law to that extent. There is no necessity for such act and it is unsafe. **VOTE "NO."**

NO. 16. "CONDEMNATION FOR PUBLIC PURPOSES." This measure, sometimes called "the excess condemnation amendment," enlarges the powers of the state or any county or municipality in condemning property for public purposes for future use. This is meritorious. **VOTE "YES."**

NO. 17. "EXPOSITION CONTRIBUTION BY ALAMEDA COUNTY." This proposed amendment will PERMIT Alameda county to vote bonds, payable by taxes and assessed in that county only, in aid of the San Francisco exposition. The state at large has no direct financial interest in this. **VOTE "YES."**

NO. 18. "NON-SALE OF GAME." This act throws greater protection about the game of the state and will prevent the slaughter of game for sale upon the markets. **VOTE "YES."**

NO. 19. "CONSOLIDATION OF CITY AND COUNTY, AND LIMITED ANNEXATION OF CONTIGUOUS TERRITORY." This amendment carries a fundamental change in the existing law of the state, in providing for the assumption of bonded indebtedness, in cases of annexation, by a simple majority vote at any election instead of a two-thirds vote, as now required. The existing safeguards are proper, and conform to the general practice elsewhere. Moreover, in the formation of a consolidated city and county government, the smaller cities or unincorporated territory proposed to be annexed, do not have a chance to vote directly and separately on whether they shall join the larger city; they have no voice in framing the charter by which they would be governed, and practically no say as to what district shall be added. The measure is full of danger to the "outside" communities. There are ample laws already covering annexation when both communities desire. The alleged economies which have been urged as the excuse for this measure can be and are being obtained under existing law without territorial change. There are a number of things which make this measure in the opinion of many unbiased business men undesirable for Los Angeles, as well as the smaller cities. **VOTE "NO."**

NO. 20. "PRIZE-FIGHTS." Prohibiting prize-fights, but permitting four-round amateur boxing exhibitions, unless prohibited by ordinance. This prohibits brutal prize-fights, but allows clean, fair sport. **VOTE "YES."**

NO. 21. "CITY AND COUNTY CONSOLIDATION AND ANNEXATION WITH CONSENT OF ANNEXED TERRITORY." This proposed amendment is almost identical with No. 19, and is equally vicious. **VOTE "NO."**

NO. 22. "LAND TITLE LAW." This proposed act, known as the "Torrens law," gives the owner of real estate the option of obtaining certificates of title through the present title company method, or of having his title registered by the county recorder and insured by the state. It is not compulsory. **VOTE "YES."**

NO. 23. "ELECTIONS BY PLURALITY, PREFERENTIAL VOTE, AND PRIMARY." The preferential ballot system has been tried out successfully in other places, and as this measure applies only to local non-partisan elections, and is permissive, not compulsory, it seems to be meritorious. **VOTE "YES."**

NO. 24. "ASSEMBLY PAYROLL EXPENSES." There seems to be no pressing need for the spending of more money by the legislature or changing the present arrangements. **VOTE "NO."**

NO. 25. "ADOPTION AND AMENDMENT OF MUNICIPAL CHARTERS." This simplifies the procedure for the adoption of a freeholders' charter by a municipality. It permits the grant of general powers to any city of more than 3500 population. **VOTE "YES."**

NO. 26. "LEGISLATIVE CONTROL OF IRRIGATION, RECLAMATION AND DRAINAGE DISTRICTS." The legislature now has no right to supervise or control such districts. This would grant the legislature such right and would be an added protection to our citizens in such districts. **VOTE "YES."**

NO. 27. "COUNTY CHARTERS." This amendment facilitates the doing away with the duplication of certain city and county officials without territorial change. **VOTE "YES."**

NO. 28. "REGULATION OF PUBLIC UTILITIES." This changes the present law so that cities having one so voted lose control of their public utilities to the railroad commission and cannot regain this control. This might put the city at the mercy of a bad railroad commission without recourse. **VOTE "NO."**

NO. 29. "INCORPORATION OF MUNICIPALITIES." This proposed amendment is related to No. 27, affecting cities as that affects counties. It is in the interest of economy. **VOTE "YES."**

NO. 30. "IRRIGATION DISTRICTS CONTROLLING INTERNATIONAL WATER SYSTEMS." This amendment concerns Imperial valley and its gigantic irrigation system only. It seems to be a measure for protection and facilitates handling water and water rights in this valley. **VOTE "YES."**

NO. 31. "VALUATION OF CONDEMNED PUBLIC UTILITIES BY RAILROAD COMMISSION." This proposed amendment clarifies the existing law permitting cities to have their public utilities valued by the railroad commission in case of condemnation and when they so desire. **VOTE "YES."**

NO. 32. "ELECTION OF UNITED STATES SENATORS." If carried, makes possible the railroading of a good governor into another office, leaving a weak or bad lieutenant-governor in his place. **VOTE "NO."**

NO. 33. "PUBLIC UTILITIES IN MUNICIPALITIES." This act is designed to permit municipalities operating public utilities to extend their operations into other municipalities operating like utilities, and in competition with such other cities within their own boundaries. **VOTE "NO."**

NO. 34. "TAXATION OF PUBLIC PROPERTY." This provides for the taxation of lands held by municipalities outside of their boundaries. This is just. **VOTE "YES."**

NO. 35. "SACRAMENTO STATE BUILDING BONDS." This state needs adequate buildings in which to conduct its affairs. **VOTE FOR THE BONDS.**

NO. 36. "SAN FRANCISCO STATE BUILDING ACT." Our information is that the state does not need additional buildings in San Francisco. **VOTE AGAINST THE BONDS.**

NO. 37. "STATE FAIR GROUNDS BONDS." This is to provide for the issuance of state bonds, \$750,000, for improvement of state fair grounds at Sacramento. Our information is that the amount of money asked for is excessive and the proposition should be voted down. **VOTE AGAINST THE BONDS.**

NO. 38. "LOS ANGELES STATE BUILDING BONDS." This act provides for the issuance of \$1,250,000 of state bonds for erection and equipment of a state building in Los Angeles. This building is needed. **VOTE FOR THE BONDS.**

NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT." This is discussed in connection with proposition No. 2. **VOTE "YES."**

NO. 40. "EXTRA SESSIONS OF DISTRICT COURTS OF APPEAL." This proposition is objectionable for the reason that anyone of five officials may call such extra sessions and there is no great need at this time therefor. **VOTE "NO."**

NO. 41. "MISCARRIAGE OF JUSTICE." This proposed amendment is designed to PREVENT reversals by the appellate courts in civil actions because of mere technicalities unless injustice has been done. This amendment is meritorious. **VOTE "YES."**
