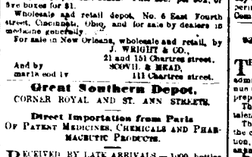
DR. ROBACK'S
Blood Purifier and Blood Pills



DISEASE VANQUISHED
By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of his native land, which acts directly upon the cause of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, expels disease from the system wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, spleen, and all other diseases of the stomach, liver, kidneys, bowels, and nerves, or the muscular fibre, are unerringly cured by the use of these Pills. It is to the HUMAN BODY, or soe is it dependent for health, what the sun is to nature. It enkindles with a warm ra CHEERFUL vitality, while, at the same time, it regulates the secretions, removes obstructions from the bowels, and thoroughly purifies the bodily vapor and regenerates every animal function Such is the opinion held of it by the people of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years standing, of a lady of 72 years, which God grant may be a proof of Holy Writ, the evidence which follows, and must forever banish all superstition respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills

COLUMBUS, Ohio, Sept. 27th, 1856.

Dr. C. W. ROBACK—Dear Sir: I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to no avail or effect. At last, I was induced to try your system, so that she could rest day or night. Only two pads was to severe at times that she had hard work to breathe. At last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill for, as there was no hope. It now was my earnest prayer that God in his wisdom would direct me to some means that would restore her to health again. When it appeared, like as did St Pro[illegible] ence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs, and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine for us, and purchased a box of them sent by Mr. Thacker, our superintendent, the bearer of this. She had taken one box before and one box of Pills, and, to our great joy, before she had taken all, she was able to get up, and is now able to attend to her domestic affairs at home, for which I feel thankful to God. She is now 72 years old, and has the bloom of health on her cheek. All the effects of your medicine. May God grant you long life and success. Yours truly, JEREMIAH ROWAN.
