Westland Finds Von Elm Master of Clubs and Is Seven Down on Round

With the completion of the first eighteen holes of the second round of the amateur championship at the Colwood Golf and Country Club, G. Von Elm was seven up on Westland, who defeated Dr. Willing the day before. Von Elm was last year's champion and the way he played this morning it looks as though he will be in the final round with Jack Neville, who is also playing good golf. Neville was two up over Bon Stein, of Seattle. The round is of 36 holes, the remaining 18 being played this afternoon. Von Elm was two up at the ninth hole in his match with Westland, who is a young player, aged seventeen years. Westland lost his nerve after the ninth and got into trouble right along, not winning one hole to the eighteenth hole. He was stymied at the tenth hole, but made a pretty shot and halved the hole, winning applause from the large gallery of spectators. His approaching then fell off. Elm played perfect for the remainder of the course, securing a useful lead. Westland's playing in the first nine holes was good. Jack Neville, of California, was evenly contested by Stein. Neville is being looked up by golfers as a final test with Elm, who is also showing good form. Fleeger and Ballenger, of Seattle, were all square at the eighteenth hole. Ballenger then defaulted and gave Fleeger a position in the second round. A large number of spectators followed Wilhelm around and at the eighteenth hole he was three up on Vaughan. Yellowless was two up over R. Smith. Watson secured the biggest advantage of the day with nine up against Kay. Griswold was two up against L. W. Stell, while Spiers was showing good form, being one up with McColey. Other results were: First Flight Nelson won by default. E. Bragg won by default. Second Flight Dr. Slocum beat Ford 2 up and 1 to go. Fourth Flight A. C. Stewart beat Shanks 5 up and 3 to go.

AT OAK BAY. The results at Oak Bay to-day were as follows: First Flight Handicap. J. E. Wilson from T. O. Mackay, 3 up, 2 to play. F. R. Van Tust from A. Laurie, 5 up, 3 to play. E. H. Horsey from H. A. Ross, 1 up. Dr. Lennox from C. A. Godson, 3 up, 2 to play. Second Flight Handicap. Colonel H. Codville from J. A. Russell, 4 up, 3 to play. Third Flight Handicap. A. Youngman from D. Carmichael, 1 up. P. Allen from H. B. Rigg, 2 up. Fourth Flight. H. Collins from H. M. Fullerton, 1 up. J. L. Burns from C. H. Haynes, 3 up, 1 to play. H. A. Jones from F. P. Spearin, 2 up, 1 to play. Fifth Flight Handicap. J. L. Mara from F. C. Murphy, default. P. D. Gordon from J. T. Heffenan, 2 up, 1 to play. Sixth Flight Handicap. R. A. O'Brien won by default. NEW TAXES, BROKERS CLAIM, MAY DRIVE BUSINESS TO STATES

The new Dominion taxes may throw business and money out of Canada into United States, brokers declare. The clauses in question are the cheque stamp tax and the tax on sale of securities. The result likely is that big business men doing considerable trade across the border will do their banking there tax free, opening accounts in border cities and using the mails for forwarding cheques to and from them. It is estimated that a \$1,000 cheque here will need a four dollar tax stamp, it can be seen that it would pay to bank across the boundary line as far as the five cent tax per share on transfer of securities goes, brokers fear that this too will drive money out of the country, as traders who had been painstakingly taught that opportunities in Canada were as good as in Wall Street, will go back to the United States market, mainly retaining their balances and doing their trading in New York.

Trace the combined effect of the two taxes on the sale of \$100,000 of bonds. Trades of this size are usually completed on a five cent basis, the commission thus being \$50. The clients will pay \$40 in the stamp on his cheque, and the buying broker the same amount, plus, say \$10 to the bank for the overdraft of \$100,000 during the interim between purchase and receipt of sale price. This wipes out a \$50 commission right off. This makes a total of \$100 or \$100 excluding the overdraft. The taxes on the selling broker's cheque to his client will also be \$40 and the tax on the block of bonds \$50. Thus on a single \$100,000 transaction, the Government will get in cheque and transfer taxes the sum of \$170.

Suppose on the other hand both clients and both brokers have accounts in the States. The money then will stay in the States, and \$170 will be saved by those concerned, and lost to Canada.

Take such stable Canadian stocks as Canadian Pacific or Mackay. Both are listed in New York and Canadian traders with New York balances can buy them there through Wall Street brokers without paying any tribute to the Canadian Government.

Brokers and big business men are likely to evade the act by simply issuing cheques for balances, and other words, "I owe you \$10,752 and B owes A \$5,922, the former will simply issue the latter his cheque for \$170 on which the tax will be about 32c, whereas under present procedure the total tax would be over \$8.30.

Banks declare they can escape cheque taxes by paying their clearings in "legals"—that is, by large denomination bills instead of by cheques.

Two Former Wives of Bolo Pasha Seek Fortune He Left

Paris, June 7.—Just as in the days when Bolo Pasha was on trial for treason, his two wives pleaded his innocence this week when both appeared in a French court to protest against the State's confiscation of the 22,000,000 francs sequestered as Bolo's estate. During the trial the government declared that Bolo's treachery had netted him 10,000,000 francs, and as a law promulgated just after the armistice declared that only the actual receipts of treasonable operations should go to the coffers of the State, his wives decided to battle together for the legal possession of the remaining 12,000,000 francs. The first wife claims 3,000,000, alleging that she lent them to Bolo. The second wife, who was married in Argentina, although the marriage was held illegal in France during the trial, insists that she is the legal heir to any balance of the estate.

PREMIER SHARED IN BUDGET DEBATE

Taxation to Be Fair to All, King Said

Meighen Outlined Attitude As Conservative Leader

Ottawa, June 7.—Premier King, speaking during the budget debate in the Commons yesterday afternoon, said that in the amendments to the Government's proposals and the speeches which had been made during the debate, there was unlimited evidence of the fact that the budget brought down by Hon. W. S. Fielding was a good and wise one. The Drayton (Conservative) amendment had nothing in common with the Crerar (Progressive) sub-amendment which had just been ruled out of order.

Middle Course. The speeches showed that the Government had made an effort to relieve the burden of taxation on the poorer people and let it be borne rather by those who could better afford it. It was impossible for any budget to satisfy everyone or to satisfy every man in the party. Mr. Fielding had given his proposals every care in order to make them as fair as possible to every section of the country and to every person in Canada. The conflicting character of the two amendments showed how near he had come to succeeding in his effort to avoid extremes and to strike the middle course.

For Freer Trade. Dealing with the Crerar sub-amendment, which had been declared out of order, Mr. King said it objected to the budget on the ground that it was a protectionist budget. There was not a single protectionist feature about it, Mr. King declared. Every change which had been made was in the direction of freer trade.

Clearly Stated. During last session, the members of the Liberal Party had stated their tariff position very clearly. The amendment to the budget moved at that time annulled these principles and Mr. King declared every one of them had been carried out. The declarations might not have been carried out in full, but the steps taken were in accordance with the action of last session.

During the election campaign, Mr. King had stated that the Liberals were not a free trade party, nor a protectionist party, but stood for a tariff revision on a basis of tariff for revenue and had further declared that if returned to power, would see that the revision was downward. The Liberals had also stated that no legitimate tariff would need to have any fear of the revision. Every one of the pledges had been fulfilled.

Meighen's Attitude. Mr. Meighen, who spoke before Premier King, said his opinion on the tariff was abundantly clear. He believed in continued fidelity to protection, applied in a moderate degree, and within limits which he had set forth at a previous session. He declared it would be quite unsafe for Canada to take down her bars against United States competition. Canadian manufacturers could not construct their plants with the assurance of having a large market, while the United States had within her own borders a population of 110,000,000. Canadian manufacturers could never count on the permanence of the United States market, even if that country were to throw down its barriers. Therein lay the basis of protection. It was bound up with a system of nations in this world.

Treaties. Mr. Meighen favored a system of reciprocal treaties with countries in which Canada could safely expect to get a real market for her surplus. The United States produced a surplus of practically everything that Canada produced, exceptions being very limited, and if Canada sold to the United States the effect would be merely to increase the United States surplus for export to the world. He would not favor any extensive reciprocal arrangements with the United States. The decision as to when those arrangements should come to an end was always rest with the United States, and the mere threat of an abrogation of the treaty would always place Canada in an undesirable position.

Mr. Fielding's Position. Mr. Meighen said the Finance Minister was a party to the pledges made at the 1919 Liberal convention. Hon. W. S. Fielding, Finance Minister, immediately arose and said he had never voted for the tariff resolutions of the 1919 convention and had never supported them. This was the first time it had been announced that he was a party to them, and he was hastening to correct the statement.

A Step. Hon. W. R. Motherwell, Minister of Agriculture, defended the budget on the ground that it was a substantial step away from protection.

RAILWAY BOARD FREIGHT RATE INQUIRY URGED

Ottawa, June 7.—A. E. Clarke, representing the Canadian Lumbermen's association, composed of manufacturers of lumber and wholesale dealers in all provinces except Prince Edward Island, told the Commerce Committee on Railway Transportation Costs and Freight yesterday that accepting the statement of the railways as to the effect of a return of the Crow's Nest Pass Agreement, the lumbermen were unalterably opposed to such return. The lumbermen also were opposed to the agreement that the Railway Commission should be created that the latter should be required and that the suspension of the agreement be continued pending the conducting of a thorough inquiry by the Railway Commission into the entire rate structure with a view to reducing and the removal of alleged discriminations.

FRENCH BECOMES EARL OF YPRES

London, June 7.—The dignity of an Earl of the United Kingdom, with the hereditary title of the Earl of Ypres, has been conferred by the King upon Field Marshal Viscount French.

When it was announced that Field Marshal French had been raised to an earldom, it was assumed that he would continue to use his surname on an occasion. It was assumed that he would continue to use his surname in the title and be known as Earl French instead of Viscount French, and that he is described in current reference books. His title, however, was never gazetted, and the announcement yesterday was the first indication that he had chosen the title Earl of Ypres and henceforth would be known as "Ypres," dropping the name French.

BERLIN MINISTRY LOSES SUPPORT OF STINNES PAPER

Berlin, June 7 (Associated Press).—Hugo Stinnes' Deutsche Allgemeine Zeitung has ceased to be the Government's official organ, it was announced yesterday, the arrangement hitherto existing having been mutually abandoned. The break between the Government and the industrial and shipping magnate, which has been imminent for some time, is now definite. The Government considered that Stinnes' account of his industrial relationships was not always an enthusiastic supporter of its policies towards big business. Stinnes, on the other hand, felt that the official connection for a long time had restricted his expressions of views and had been an editorial incubator.

ROYAL VICTORIA

Among the most charming scenes to be seen in "Smilin' Through," the splendid First National attraction which is playing to capacity audiences at the Royal Victoria Theatre this week, are those in which Norma Talmadge, the star, and members of her company revive some of the beautiful old time English dances on the screen.

Norma, exquisitely costumed, dances an 1860 polka, an English waltz and the old lancers with an appealing grace. The scenes of this moving and colorful photoplay, adapted from Allen Langford Martin's famous stage production, are laid in Ireland and England, and Norma gives a wonderful performance of the dual role of Mopsy and Kathleen.

The whole production is a masterpiece, made under the direction of Sidney Franklin, and is more fascinating and stirring than its highly successful predecessor on the stage.

The roll of vamp victims indicates that the age of indiscretion is anything above sixty.

AMUSEMENTS TO-DAY

Royal Victoria — "Smilin' Through."
Columbia — "Moran of the Lady Letty."
Capitol — "Dream Street."
Dominion — "School Days."
Princess — "The Winning of Barbara Worth."

DOMINION

Every mother who has boys, every man who remembers his boyhood, will recall some delightful memories after seeing Wesley Barry in the Warner Brothers' presentation of Gus Edwards' "School Days," which began a six day engagement at the Dominion Theatre.

The picture reveals all the pranks, the disappointments, aunts, the glory of an untamable, irresponsible boy, Speck Brown, played by the freckle-faced star. And Speck fairly revels in his portrayal. He is first seen among rural surroundings, and later he gets a taste of private tutoring that is accorded children of wealthy parents in big cities.

Speck is a little orphan. He has a stern guardian, and all his pleasures at the old swimmin' hole with his dog, Hippo, are stolen. He also has an eccentric old friend who has

invented a clothes pin and call it "you-can't-lose-it-clothes-pin." With the perfection of this invention, backed by financial aid, the old fellow threatens to become wealthy. But before the invention materializes, Speck meets his wealthy uncle, who persuades him to go East for an education.

Among the elite of the younger set, Speck finds that it is impossible to become chummy. Still, he plans to put over the clothes-pin idea, and when he finds that he has been duped by a pair of clever swindlers, the longing for his dog, the swimmin' hole, and his little country sweetheart grips him, so he goes back to nature's playground goes Speck. And instead of traveling in style, he beats his way on a freight train.

This is but a mere outline of the many interesting phases of "Kid" life in "School Days," but it suffices to give you a fairly good idea of the contents of the picture. The supporting cast is a large one and it includes Francis X. Conlan, in the role of the eccentric inventor, Arline Blackburn, as the little sweetheart of Speck Brown, Margaret Seddon, Jerome Patrick, John Galeworthy, George Lessey, Arnold Lacy, Nellie P. Spaulding, J. H. Gilmore and Eveline Sherman.

"School Days" was produced by Harry Rapf, the well-known motion picture producer, and it was directed by William Nigh. The story was written by Mr. Nigh and Walter De Leon.

COLUMBIA

Dorothy Dalton had to cut a couple of inches off her hair which had already been bobbed to some extent, so that she could more easily make up for the role of "Moran" in George Melford's production for Paramount of Frank Norris' famous sea story, "Moran of the Lady Letty," showing at the Columbia Theatre to-day for the last time. She dresses as a sailor—the mate on her father's ship—in many scenes and full of rough and tumble fighting and thrills. Rudolph Valentino plays the leading supporting role and Walter Long, the screen villain, is an Eurasian mongrel and murderous captain of a smuggling ship. The support generally is excellent.

ROBINSON CRUSOE

Harry Myers, Gertrude Olmstead, Emmett King, Percy Pembroke, Aaron Edwards, Josef Swickard, Gertrude Claire, Jack Woods, T. C. Jacks, John Wallace, Chase McHugh, Gloria Davenport, and Noble Johnson! These are the principal players that head the cast for the Universal chapter play, "The Adventures of Robinson Crusoe," at the Dominion Theatre, all this week. Harry Myers is famous as "The Connecticut Yankee," Miss Olmstead won an Elk's beauty contest in Chicago. Emmett King is noted particularly for clerical roles. Percy Pembroke has been featured in Western dramas. Josef Swickard was the French father in "The Four Horsemen."

PRINCESS

"The Winning of Barbara Worth" will meet with its first performance to-night at the hands of the stock company.

This is the first time the play has ever been presented here. As the book has been so widely read much interest has been aroused by the stage version. Harold Bell Wright made the stage version and has retained all the character and incidents that made the book so popular.

In casting the play the director has found some excellent types in the company for the different characters, so that a fine performance is assured.

Seats are now on sale for the five performances and may be reserved by phone. Matinee on Saturday as usual.

BERRY GROWERS

ADVANCE UNION

Metchosin Organization Is Developing

(Times Correspondence.)
Metchosin, June 7. — Saturday, June 24, is the date fixed for the visit of the Gyro Club of Victoria to Metchosin, when in the evening the club will debate the question "That Present Day Education is Inimical to General Farm Life" with the Metchosin Farmers' Institute, afterwards giving a programme and finishing up the evening with a dance.

A very enjoyable evening is promised and it is hoped that there will be a good attendance.

The general quarterly meeting of the Esquimalt Rural Branch of the Victorian Order of Nurses, will be held at Colwood Hall, on Monday, June 12, at 8:30, city time. A full attendance is requested.

The inaugural meeting of what was eventually decided to be known as the Metchosin District Co-operative Fruit Growers' Association, was held at Metchosin Hall on Tuesday, June 6. Mr. Whitney-Crittchfield acted as chairman and R. J. Van der Byl as secretary until the officers were elected. Mr. Bonavia, secretary of the Department of Agriculture, was present at the meeting to advise regarding correct procedure of organization. The aims and objects were, by request, fully defined by the chairman and a general discussion took place before any definite resolutions were passed.

Lady Emily Walker was present representing East Sooke, which district according to the Lady Emily report are prepared to co-operate in the movement.

Mr. Blake moved and Mr. Peachey seconded that all intending members be asked to sign their name to subscribe to one share of the value of \$5, to be paid within 14 days and no more to be called upon until the first annual meeting. The motion was carried. Twenty-two subscribers affixed their signatures and the meeting proceeded to elect their officers.

The result of the ballot for board of directors was as follows:
President—Fred Peachey.
Vice-President—F. C. Blake.
Secretary—T. T. Pullan.
Directors—G. Schofield, W. O. Sweetman, Mr. James and F. Comley.

W. H. Robertson, provincial horticulturist, was called upon for a short address, in which he stated that he had followed-up with interest the growth and development of the district and hoped in the future to attend more meetings held here.

Mr. Robertson advised the members to stand by their association and make a success of it. "It pays," said the speaker "to back up a co-operative association."

Mr. Bonavia promised to send copies of fruit growers' association by-laws to the secretary, Mr. Pullan, for distribution among the members.

The by-laws governing such organization were adopted by the members with the exception of one which was amended and handed to Mr. Bonavia to be filed.

E. W. White, district horticulturist, spoke a few words of encouragement to the members regarding their new venture. Mr. White had in his possession photographs taken on the Peachey Bros' strawberry patch and Mr. James's patch at Metchosin, which showed how these patches compared generally with patches at Gordon Head and Keating.

A general discussion took place among the members regarding business to be transacted and the secretary read a recommendation from the board of directors to the effect that they have a contract proposed by Mr. Dallimore regarding the sale of berries to Victoria, that he will

guarantee a delivery to that point at a charge of 10 cents per crate or 15 cents per bush.

The meeting then adjourned and refreshments were served.

Sayward Notes.

(Times Correspondence.)
Sayward, June 3.—Mr. and Mrs. A. J. Hern left for Vancouver on Wednesday's boat. On account of failing health Mr. Hern has been compelled to remove to Vancouver, in order to receive proper attention. Mr. and Mrs. Hern but hope that at some future date they will be able to return to Sayward.

Mr. and Mrs. J. E. Armishaw left for Vancouver to attend the wedding of their eldest daughter.

Mr. Donald McDonald and H. Wright went out on the last boat for a visit to Vancouver.

Mr. A. Hunt, of the Provincial Land Settlement Board, has been in the valley during this week. Mr. Hunt expressed himself as being surprised at the amount and quality of land available for agriculture in this district. He also states that the amount of improvement and development which have taken place at Sayward are much greater than he ever expected to find and he predicts great possibilities for the district.

The Progressive Association held its regular meeting on May 28, which was well attended, and much business was transacted. Letters were read from the Hon. E. D. Barrow, Minister of Agriculture, and the Hon. J. E. Armishaw, Minister of Public Works regarding the extension of the Island Highway from Campbell River into Sayward. The secretary reported that further information had been sent. Mr. J. E. Armishaw was delegated to represent the association at the coming Good Roads League convention at Victoria. The secretary approved of a petition being prepared, pressing for railway extension on Vancouver Island. The secretary was instructed to write the Hon. Minister of Public Works regarding bridge work here, and also the Hon. E. D. Barrow regarding Government assistance in road clearing. A resolution was ordered to be sent to Rev. T. Menzies, M.P.P., thanking him for his offer of a prize for the agricultural show which is being held here in September. The meeting was held at the home of President C. Collett; refreshments were served at the close of the meeting.

The weather during the past week has been very hot. All crops are looking well. The hot weather has brought up the Salmon River considerably but there is no fear of a flood at Sayward.

The Livestock Department of Ottawa has sent in a very fine dual purpose shorthorn bull to the Sayward Livestock Association.

A request has been made to the Superintendent of Dominion Telegraphs that H. A. Armishaw be given the position of telegraph agent at Sayward. H. A. Armishaw served some four years in the late war, in the 102nd Battalion, and through wounds received suffered a seventy-five per cent. disability. The present telegraph agent, Hans Otto Sacht, is petitioning the Government against this change being made.

"TREASURE HUNT" ENJOYED BY MANY
(Times Correspondence.)
Langford—The Langford branch of the W. A. held a very enjoyable "Treasure Hunt," which was greatly enjoyed by everyone participating during the afternoon.

Mrs. Schoviel, of Kenora, Ontario, who is at present visiting Miss Hockley, president of the W. A., opened the proceedings with a few remarks, in which she expressed her enjoyment of the wonderful scenery around the district saying she was particularly impressed with the number of beautiful children of whom the district must be very proud.

The children's section of the hunt was arranged by Miss Bilco Waddington, while the adult part was ably attended to by Mrs. H. A. Hinks. The parcels were attractively wrapped in colors to match the broom, which is making the country beautiful just now with its glory of gold and green. Ice cream was served by Mrs. E. Peatt and afternoon tea was in the capable hands of Madam

HIS DISABILITY
A negro veteran sauntered into the Pittsburg chapter headquarters of the American Red Cross.

"What can we do for you?" inquired one of the workers.

"I'm in trouble and need some help."

"Were you in the army? You know we can not do anything for you unless you are disabled. Do you have a disability?"

"I should say I have. I've got a wife and child."

But as liability and disability could not be reconciled in this case the veteran departed somewhat disappointed.

LIBRARY GIVEN TO SOLDIER PATIENTS
Member of Gonzales Chapter, I.O.E., Donates 550 Books
A library of five hundred and fifty books represented the generous donation of a member of the Gonzales Chapter, I.O.E., made at the meeting of the Chapter yesterday. The gift is designated for the new roof garden at the Provincial Royal Jubilee Hospital, but on the suggestion of Mrs. Chas. W. Rhodes, who was present, the books will be sent at once to the hospital for the immediate use of the soldier patients. Following an excellent address by Mrs. Mortimer Appley, convener of the Soldiers' Graves Committee, the meeting voted a further donation of \$22.50 to this splendid work. Fifteen dollars were also donated for a layette. Mrs. J. Hebdon Gillespie read a concise and interesting report of the National Chapter annual meeting. Final plans were made for the cabaret at the Criterion on Friday and Saturday evenings of this week, when Heaton's orchestra will furnish the music and Mrs. Jenner will have charge of the catering. The proceeds will be devoted to the furnishing of the hospital roof garden. Mrs. Curtis Sampson and Mrs. Hugo Beaven have kindly offered their gardens for a fête and bridge party to take place on June 28.

IN WOMAN'S DOMAIN

PROMINENT WOMAN WORKER DIED TO-DAY

Mrs. Henry Norman Was Active in Church and Women's Societies
Mrs. Henry Norman, for many years an active worker in church circles and women's organizations, died this morning at her home, 1416 Alautain Street, at the age of 54 years. She was born in Woodville, Ontario, where her father, Robert Adams, was reeve for several years. Thirty years ago Mrs. Norman came to Victoria and has resided here ever since. For seven or eight years she was a teacher in the Presbyterian Sunday School, and also held the office of secretary, subsequently becoming president of the Ladies' Aid Society of the church. Mrs. Norman was also the first president of the Victoria Women's Liberal Association, and president of the Central W. C. T. U. Falling health necessitated her retirement from active public life during the past few years, but she retained her interest in public affairs to the last. She is survived by her husband and one son, Walter Cecil, of this city. The remains are reposing at the Thomson Funeral Home, from where the funeral will be held on Friday at 2.30.

FINE PROGRAMME BY DRAMATIC STUDENTS

Women's Canadian Club Entertained With Pleasing Numbers
Past and present students of the B.C. School of Dramatic Art presented a delightful programme under the direction of Major Bullock-Webster, before a large audience of the Women's Canadian Club at the Empress Hotel yesterday afternoon. The lengthy programme was presented by a number of well-known members of the Victoria Dramatic Society, and several younger students of great promise. The catholic range of the numbers brought to light careful training and unusual histrionic ability, both drama and comedy being cleverly interpreted. At the close Mrs. Hyland, the president, conveyed the thanks of the Women's Canadian Club to Major Bullock-Webster and his clever company of entertainers.

FRIENDLY HELP HOLDS MONTHLY SESSION

The monthly meeting of the Friendly Help Association was held at the rooms in the Market Building on Tuesday, sixteen members being present. It was reported by the secretary that May was one of the heaviest months in the history of the association on account of the closing down of the relief, 156 families, representing 654 persons, were given assistance during the month. Mrs. Pilgrim was appointed recording secretary during Miss Spencer's absence. The association was very pleased to welcome Mrs. Hardie, an old member, back again. Two cook stoves are urgently needed—one is required for a returned soldier's family now in a house without any heating whatever. The association would be grateful for contributions of all kinds as the funds and stores have been so depleted during the last few weeks. The One Unwanted

By RUBY M. AYRES
 INSTALMENT No. 10

Mrs. Alberry, who had been up-stairs, agitatedly removing her morning frock and braiding her hair again, came in at that moment, crimson with agitation and breathless in her many apologies.

"If I'd only known you was coming sir! I'm sure I can't say how put about I am, and no fire in the best parlor, and only hash for dinner!"

"It's my fault about the best parlor," I struck in, as I saw a little frown on my father's face. "I wanted me to live in there in style and have all my meals alone, but I refused! I refused point blank. Wouldn't you have done?" I asked, turning to Lionel Champion.

He looked round the kitchen, with its low ceiling and warm comfort and smiled.

"I must admit that I don't blame you a bit," he said. "Personally I hate eating any meal in solitary state."

"There you are!" I said triumphantly to my father. "Of course, I know that mother would be very angry if she knew, but..." I hesitated. "There isn't really any need to tell her," I added with a burst of unusual courage.

His grave face broke into a smile. "You look the picture of a man," he said. "I must say," he admitted, "meals in the parlor or not, I must congratulate you, Mrs. Alberry. I should never have believed so quick an improvement possible."

Mrs. Alberry smiled with pleasure. "And Miss Sally looked even better than she does now a day or so ago," she said volubly, in spite of my frantic signals to her to hold her tongue. "But the ice broke when they were skating the other afternoon, and a nice scare we all had when Mr. Anderson brought Miss Sally home; but for Mr. Anderson, sir, there would have been sad news for you, I'm thinking."

"And who is Mr. Anderson, may I ask?" said my father.

I felt myself coloring.

"I don't know who he is," I said, with elaborate carelessness, "except that Mr. Alberry knows him, and the day I arrived here a wheel came off the trap, and he came, and helped us and..." I broke off, realizing that I sounded far too enthusiastic, and added bluntly, "He got another farm quite close to this."

Mr. Champion broke in: "Is his name Mark Anderson, by any chance?"

I turned to him eagerly.

"Yes, it is," he said, and rather good-looking, and he lives with his aunt and a cousin, and..." Again I stopped, conscious of my father's gaze.

"I know him well," Mr. Champion said quietly.

I beamed. "Oh, do you?" I said.

"Yes," he said. "There was something about the monosyllable, and I asked no more questions."

Mr. Alberry brought the hash—which was delicious, as was all his cooking, and, having fussed round for a little, apologizing several times for the plainness of the meal, retired, leaving us in peace.

Mr. Champion looked at me.

"Does she always talk as much as that?" he asked.

"Generally," I said. "But she's ever so kind, and I love being here."

"Better than London?" he asked, and I said, "Oh yes; much better."

They both laughed, and father said: "Well, you certainly have marvellously improved since you left home. I shall tell your mother. She will be delighted."

I did not think it would interest mother at all, but we had quite a merry little dinner.

I rather liked Lionel Champion and really hoped that Neil would marry him. I thought he would make quite a nice brother-in-law, and also I secretly thought that he was too nice for my sister.

Neil was so thoroughly conceited and affected, and there seemed nothing like that about Mr. Champion.

After dinner father went round to

THE SANDMAN STORY FOR TO-NIGHT

WHAT LITTLE BREEZE TOLD THE FLOWERS

The pretty faces of the sweet garden flowers were covered with tears for they had not seen their friend Mr. Sunman for days.

"Where can he be?" sighed a pretty flower near the rose bush. "I feel so cold and forlorn. I am sure I shall never be warm again. Do you think he has gone away forever, dear Rose?"

Pretty Rose shook her head as the tears rolled down her soft cheeks and splashed on the face of a modest pansy below her. "But if he does not

well, and I shall be coming down sometimes in the near future, I dare say, so if you will allow me to lend you a mount—"

"It's very kind," I answered. "But—well, you see, I promised Mr. Anderson. At least, he promised, I mean—I stopped in confusion."

How could I possibly explain that apparently Mark Anderson had done with me forever?

"What do you mean?" my companion asked smiling. "First you say that you promised, then that he promised."

"So I did—so he did," I answered confusedly. "Only, you see now—well, we're not friends any more," and though I tried to speak as if it did not matter one tiny bit, I know that my voice was unsteady and my eyes were blurred with tears.

Mr. Champion said: "Humph! Well, he's not the sort of man for you to make a friend of—an intimate friend, that is, I mean," he said.

"Why! What do you mean?" I demanded. "What do you mean?" Mr. Anderson is a gentleman," Mr. Champion flushed. "First you say that you promised, then that he promised."

"So I did—so he did," I answered confusedly. "Only, you see now—well, we're not friends any more," and though I tried to speak as if it did not matter one tiny bit, I know that my voice was unsteady and my eyes were blurred with tears.

There was a moment's silence. Mr. Champion threw the match away with an angry little gesture, and when he turned round again to look at me his face was red and embarrassed.

"Who said I was going to marry Nell?" he asked, stiffly.

"It was my turn to look confused," I answered helplessly.

"I don't know. At least, it was only what I heard. Mother wrote; she said..." Oh, I do hope I haven't said the wrong thing!" I asked, aghast, fully aware that, with my usual tactlessness, I had.

He laughed grimly.

"I'm not blaming you. But you've not quite got the right facts," he smiled—"definitely, that is, I should say, perhaps."

I said: "Oh! And then, after an embarrassed silence, I added, with genuine feeling, 'I think I'm sorry, I should like to have you for a brother-in-law.'"

"I am honored," he said, dryly.

There was another silence, which I broke again.

"I hope you won't let mother know what I said; she'd be so angry. She'd never forgive me." The color rose in my cheeks beneath his quizzical eyes.

"I suppose they've told you that I'm the bad girl of the family," I added.

"No, I cannot remember ever having heard of you until to-day," he answered candidly. "And yet—surely I must have done."

"I'd heard of you, anyway," I answered, with my usual frankness.

"What had you heard?" he asked.

I waved a vague hand.

"Oh, just that you were rich and very eligible, and—things like that," I answered.

He frowned.

"Not that I might be in the least—nice, I suppose?" he submitted. "Little things like that are of no consequence, I suppose."

I shook my head.

"I'm sorry, but I don't think it was mentioned. It seemed difficult to explain to him that money and eligibility were the only things that seriously counted at home."

He was silent, staring up at the ceiling, and I watched him with interest.

He was certainly good-looking, I was bound to admit. I liked his face, and as I knew him better, and he evidently felt my gaze, for he brought his eyes down to my level to ask: "And this man Anderson? What do you think of him?"

The question was so unexpected that I flushed painfully.

"Oh, he's all right!" I said. "He's been rather kind to me; he took me skating once or twice, and he said that later on he would teach me to ride horseback."

"You have not learned before?" he asked.

"No. I have never learned any of the things that my sisters have. I can't dance—at least, not properly—or play cards, or do anything like that."

"That's rather a pity," he said quietly. "You'd look well on horseback."

I felt pleased.

"I should love to learn if I had the chance."

"I told you I had some property down the way," Mr. Champion continued. "Well, I have some horses as

come soon I shall shiver myself to pieces, I am so wet and chilly."

"I am sure he has not forgotten us," said the Pansy, shaking her tears from her velvet gown. "Often he goes away for days, but he always returns."

"Do not be discouraged, my friends. I am sure Mr. Sunman will return and make us all warm and happy again."

But Old Grumbling Dark Cloud hung over the garden with threatening looks and the pretty flowers frightened by his blackness cried until their tears were so thick they could not hold up their heads.

Then softly through the garden ran Little Breeze, singing as he ran:

Life up your heads and shake off your fears;
 Be merry and dance, smile through your tears.
 When Grumbly Old Cloud looks down and frowns
 Just scare him away with your gal-colored gowns.

He is scared when you smile and are happy and gay;
 He knows then that old Sunman is not far away;
 That his gloomy old scowl will be hidden from sight
 By dear Mr. Sunman's smile, warm and bright.

Now lift up your heads and shake off your fears;
 You can't see Mr. Sun with your eyes full of tears.

Away ran Little Breeze as softly as he came. But the pretty garden flowers heard him and lifting their heads boldly to the gloomy scowl of Grumbly Cloud they began to shake out their many-colored frocks and before they knew it Mr. Sunman was deliberately the garden kissing away their tears.

"There! There!" he said, as he kissed each face-staining tear. "I never forced you, my dears. I always return. But a few tears never hurt any one; in fact, your faces were never so bright and sweet to look upon as they are this minute."

All the flowers smiled and when they looked for Old Grumbly Cloud he was nowhere. Where the flowers could hear Little Breeze singing the last of his song:

Now lift up your heads and shake off your fears,
 You can't see Mr. Sun with your eyes full of tears.

CHINESE HOTHOUSE PRODUCE POOR STUFF, WHITE GROWERS SAY

White hothouse growers represented by G. W. Riddell, president, Robert Peters, secretary, and E. W. Woodward and introduced by F. A. Pauline, M. P. P. for Saanich, appealed to the Hon. E. D. Barrow, Minister of Agriculture, yesterday for protection against the Chinese hothouse men.

They said that 60 per cent. of the greenhouse accommodation here is now owned by Chinese, and that they produce 12,000 cases of produce, against 20,000 produced by the whites. They declared, however, that the Chinese stuff is of lower grade quality and infected with plant diseases. They asked whether existing inspection regulations should not keep this low grade stuff off the market.

Mr. Barrow said that officials of the Department would be at once instructed to ascertain to just what extent present regulations cover the situation, and what action could be taken.

Dear Sirs:-

Having been consistent users of daily newspaper space in our advertising for many years, it affords us pleasure to say that we have found the results very gratifying.

In our opinion two of the main points of effectiveness in daily newspaper advertising lie in its directness and the means it affords of launching a selling campaign with the least possible delay.

The advertising of musical products in the main must be addressed to a public with the widest diversity of taste. In reaching this public with maximum selling force we have at all times found satisfaction in the employment of the daily press.

Canada is fortunate indeed in being served by daily newspapers which are clean, wholesome and progressive.

Yours very truly,

A. E. Landon CANADIAN MANAGER.

ORIENTAL LINES ARE SEEKING TO END COMPETITION

Rivalry in Freight Business May Lead to New Agreements

Prolonged depression in Japanese shipping circles and also among foreign lines operating into Japanese ports has in the past few months brought about stiff competition in freights, but more recently there has developed a marked tendency for cooperation between the vessels of different lines to ease this unfavorable state of affairs, according to information reaching here by the liner Yokohama Maru.

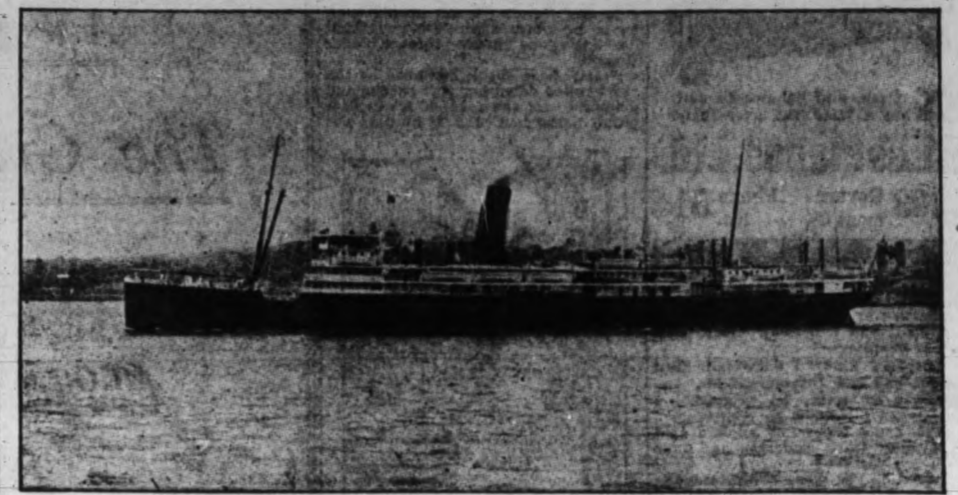

Competition has been of the worst kind on the trans-Pacific run but now the Nippon Yusen Kaisha and the Osaka Shosen Kaisha are negotiating in an attempt to reach an agreement and put an end to their present attempts to get cargo from one another. As a result of this move it is reported that the Admiral Line and the Canadian Pacific Steamships, Ltd., are showing a willingness to enter into an agreement and bring about the formation of another conference. According to reports which are being carried in the Japanese papers of the present negotiations an agreement is expected to be reached soon.

A reckless competition is also being waged on the Calcutta run between the conference steamers and those of the Osaka Shosen Kaisha and as a result tremendous losses have been suffered by both parties. As a result of this it is now being reported that the Nippon Yusen Kaisha will bring about an agreement regarding all rates on this run.

An agreement has already been reached on the Formosa service and henceforth the Nippon Yusen Kaisha, the Osaka Shosen Kaisha, the Mitsui Bussan Kaisha and the Yamashita Kisen Kaisha will co-operate on this run.

From general indications on all services it seems as if present competitive methods will come to an end.

Will Arrive Here Early on Saturday Morning

CANADIAN-AUSTRALASIAN LINER MAKURA The Makura sailed from Honolulu at 5 p. m., June 3, according to word received by L. D. Chetham, local passenger agent, Canadian Pacific Railway. The liner has 200 passengers and a refrigerator cargo of butter and frozen mutton.

HEAD OF CANADIAN NATIONAL EXPRESS IN CITY TO-DAY

John Pullen, Accompanied by W. C. Muir, on SS. Prince Rupert

Making a tour of inspection of the company's agencies, John Pullen, president of the Canadian National Express Company, and W. C. Muir, general manager, reached Victoria this morning by the G. T. P. steamship Prince Rupert from the Mainland, and after visiting the local office left by the same vessel sailing at noon for Seattle.

They were accompanied by Capt. C. H. Nicholson, manager of Canadian National Railway floating equipment on the Pacific coast. Capt. Nicholson also went on to Seattle by the S. S. Prince Rupert.

J. M. Horn, general freight agent, Canadian National Railways, also was in the city to-day from Vancouver and conferred with Harry C. Stuart, district freight agent.

Capt. Nicholson reports travel conditions excellent. The company's boats plying in the semi-weekly service to the North are carrying good loads. The passenger agents of the company in the East report a big movement of tourists towards the coast. The S. S. Prince Rupert got away from the G. T. P. docks at midday from Seattle. She will sail from Seattle at midnight for Vancouver, and will leave to-morrow night for Prince Rupert and Stewart. The Prince Rupert is making the Stewart run this season, while the Prince George goes through to Anxox.

MONTEZUMA NOW IN WEST INDIES TRADE

The C. P. S. S. freighter Montezuma arrived at Bermuda during the week-end from Montreal, inaugurating the new Canadian Pacific cargo service between Montreal, Bermuda, Barbados, Trinidad and Demerara. The Canadian Pacific freighter Holbrook, which has been in the trans-Atlantic service, is to be diverted to the West Indies trade. Her first southbound trip is scheduled for June 22 from Montreal to Bermuda, Barbados, Trinidad and Demerara.

When Montreal is linked up with these new ports by the Montezuma and Holbrook, British Guiana will send to Canada coconuts, rice, rubber, cocoa and coffee; Barbados will offer sugar, molasses, rum and cotton. Trinidad's exports show the greatest variety and include cocoa, sugar, molasses, rum, coconuts, fruit, asphalt, petroleum and rubber. The cargoes carried to Cuba and the West Indies by the Canadian Pacific ships have consisted principally of Canadian potatoes, codfish, newspaper, beer, flour and hay. On their return trips full cargoes of sugar, tobacco, cigars and grapefruit, oranges, bananas, coconuts, pimento, cocoa and hides were brought to Canada.

The Protetia will complete with a capacity cargo at Seattle and Tacoma, and will touch here about June 15 on her way out to the Orient.

The Blue Funnel liner Protetia left the Ogdan Point docks at 3 o'clock this morning for Seattle, after loading five thousand barrels of cement shipped by the B.C. Cement Company to Manila.

A private dinner was given on board the Protetia here on Monday night, when Capt. C. G. Carnon, retiring commander, was the guest of honor. Capt. Carnon is returning to England after serving for a year on the trans-Pacific route as master of the Protetia. Complimentary speeches were the order after the bounteous repast, and the ship's officers, with appropriate ceremony, made a presentation to Capt. Carnon of a sterling silver cigar case and also an amber goggle-mounted cigar holder.

Arrived in Time

Capt. J. Spratt, the new commander of the Protetia, was among the guests. Capt. Spratt arrived here on Monday afternoon by the C.P.R. boat from Vancouver en route to Seattle, and noticing the Protetia alongside the Ogdan Point docks as the boat passed into the harbor, he decided to stop off here and board his new command. He was welcomed by Capt. Carnon and the ship's officers, and unanimously voted a dinner guest.

St. Jude's Guild.—St. Jude's Social Guild will hold "silver tea" at the home of Mrs. F. W. Ball, corner of Colquhoun and Gorge Road, on Wednesday, June 14, 2-6 p.m. The weekly meeting of the guild will be held in church on Thursday evening, June 8.

Army and Navy Veterans.—The regular monthly meeting of the Army and Navy Veterans Association will be held to-morrow in the assembly room of the Hamley Building, Government Street, at 8 o'clock. Matters of importance will be under discussion and all members are requested to attend.

Ward Four Liberals.—A meeting of Ward Four Liberal Association was held at the Central Headquarters last night at which many matters of interest to the Association were discussed. Activity in new members was manifested by many applications to be acted on and enrolled. The Association adjourned until the first Tuesday in September, when it is expected that a large attendance will ensue after the vacation period.

Motor Turns Over.—W. Bridgwood, a youth driving a light delivery car of the Reliable Messenger Company, is in the Jubilee Hospital as a result of a motor accident at the corner of North Park Street and Quadra, shortly after midday to-day. To avoid an impending collision Bridgwood turned his car sharply, a front tire blew off under the strain, and the car fell over on its side. The youth is reported to have suffered no serious injuries.

Judgment for Plaintiff.—Before Judge Lammiman in the County Court to-day the action of Bostonow versus Courtney was decided for the plaintiff, damages in the sum of \$475 being finally awarded. The defendant Patrick Courtney admitted the claim, but attacked the amount of damages asked, some \$700. The action was one by Charles O. J. Bostonow against Patrick Courtney arising out of a motor collision on the Island Highway when the car of the plaintiff was driven up against a telephone pole by that of the defendant, H. H. Shandley acted for the plaintiff, and R. C. Lowe for the defendant.

Craigflower P.T.—At an executive meeting of the Craigflower Parent-Teacher Association held at the home of Mrs. Pidcock, last evening, the following committees were drawn for the annual picnic, to be held at a quarter to two, on the last day of June, in the school grounds. Sports committee: Mr. Searle (chairman), Mr. Pope, Miss Wright, Mrs. Carlow, Mrs. Lorimer. Refreshment committee: Mrs. Frank Morris (convener), Mrs. I. Anson, Mrs. Eakel, Mrs. Love, Mrs. Fraser. Those in charge of the ice cream are: Mrs. Widdowson, convener, Mrs. Renfrew and Mrs. Shemmitt, and the lemonade Mrs. Kennedy and Mrs. Pope. All the children are requested to bring their own cups.

Girls' Corner Club.—Miss Ware, a missionary who has just arrived in the city from the Province of Chihli, China, will address the club this week. Miss Ware works in connection with the China Inland Mission, and will give an insight into the lives of the women and girls of that land. This meeting will be of much interest, and it is hoped there will be a large attendance. The lecture will commence at 7 p.m. and will be open to the public. The ladies of St. Andrew's Presbyterian Church have charge of the supper this week, which will be served at 6.15 p.m. in the club rooms, Liberal Hall, Government Street. Tickets for the annual C. C. picnic, which will take place June 25, will be on sale after the meeting. The girls expect to go to Deep Bay, and will travel in trolley-ho. A very enjoyable time is anticipated.

Cow Causes Trouble.—Before Mr. Justice Macdonald in the Supreme Court this morning Alfred Thomas Peatt commenced action for damages for alleged malicious prosecution eliciting Charles Veness, 2069 Alhambra, as defendant. The plaintiff, a farmer at Colwood, was charged by the defendant in the Saanich police court with retaining possession of a cow, knowing her to have been stolen. The plaintiff denied the charge which was dismissed by the court. Damages to the extent of \$100, and costs are the allegedly wrongful prosecution. The defence sets up that the cow was believed to be in the possession of the plaintiff, with his knowledge, and that malice was not intended. J. S. Brandon acts for the plaintiff, and H. D. Twigg for the defendant. The action continues.

Knows Nothing of Gold.—Eimilia Tom, Indian woman, was charged in the city police court this morning with having stolen over \$400 from William Nye, in the course of an interview under the Johnson Street Bridge last Sunday afternoon. Despite her assertions that a continuous spell of "eating hi-yu firewater" had deprived her of all knowledge of the matter, the woman was sent up for trial after evidence as to the finding on her person of a few of the unusual foreign gold coins, included in the hoard was laid before the court. Dominion Indian constable acted as interpreter, while W. E. Ditchburn, Chief Inspector of Indian Agencies, was an interested spectator.

St. Andrew's Ladies' Aid.—On Monday afternoon, the Ladies' Aid Society of St. Andrew's Presbyterian Church met at the home of Mrs. W. L. Macrae, Johnson Street. Mrs. J. B. McKillop presided, and there was a large attendance of members. Arrangements were completed for the forthcoming garden fete and summer fair at the home of Mrs. W. J. Bowser on Saturday, June 24th. Warned Motor Driver.—In the city police court this morning Magistrate Jay dismissed a charge of ignoring the instructions of a traffic control officer which was laid against H. L. Wilson. Possibly you did not see the signal to stop, you should keep your eyes open. We are not strict in Victoria, but such an act in a large city means immediate arrest," admonished the Bench.

Three Months' Sentence.—Arthur Goudie, 18 years of age, who yesterday admitted breaking into a grocery store on May 31 last, this morning, in the city police court, pleaded guilty to two additional attacks upon the same premises, and was sentenced to three months' imprisonment on each charge, to run concurrently. "It is only because of your youth that you get off so lightly. You still have time to make a man of yourself," explained Magistrate Jay.

May Raise Penalty.—There have been too many cases of speeding upon the Island Highway, it is announced this morning, it may be necessary to raise the fine. It is inadvisable to inflict a charge of \$50 for those who travel recklessly on dangerous roadways," remarked Magistrate Jay in the Provincial Police Court this morning, when inflicting a fine of \$25 upon H. G. James for speeding at Palmers Station. The Bench noted the prevalence of a misunderstanding as to Provincial speed limits. "The act does not allow a general speed of thirty miles an hour, in certain locations fifteen miles is enforceable," was remarked.

Aged Women's Home.—At the monthly meeting of the committee of the Aged Women's Home yesterday afternoon, it was stated that there were no vacancies. A committee of two was appointed to look into the possibilities of improving the heating arrangements. The following names of those rendering valuable professional services gratuitously during the past year were inadvertently omitted from the donors thanked in the annual report: Dr. Scott-Moncrieff, Dr. Geo. Hall, Dr. Price and Dr. Lewis Hall. The following donations have been gratefully received: Mrs. Adamson, clothing; W. J. C. Brown, magazines; Corner Flower Shop and Mrs. Wm. Grant.

JURISDICTION QUESTIONED

Has Indian Agent Right to Interfere in Home Life of Indians?

Simeon John, a Sooke Indian, was charged in the Provincial police court this morning with failing to remove himself from the Songhees Reserve after being ordered by Indian Agent A. H. Lomas, of Duncan. He is being defended by Stuart Henderson, on grounds that, as a house guest of Chief Billy Robert Johnson, he is entitled to remain until to-morrow afternoon was granted to enable Mr. Henderson to examine the title vesting of the Reserve lands.

The charge is being brought under section 125 of the Indian Act, which provides that "Any person or Indian who, being lawfully required by an Indian Agent, a chief of the band occupying a reserve or a constable, to remove with his family from the land upon which he has settled or is residing fails to comply with such requirement, shall, upon summary conviction, be liable to a penalty of not less than five dollars and not more than ten dollars for every day during which such failure continues and in default of payment to be imprisoned for a term not exceeding three months."

NO MORE FIATS TO BE DEMANDED

Judgment in Sunday Closing Cases Awaited

No more fiats will be demanded by Acting Mayor Harvey in connection with alleged infringements of the Lord's Day Act as affecting Sunday Closing, in view of the importance of the legal points raised in the first three informations brought in the City Police Court and now under consideration by Magistrate Jay, who has a mass of arguments and references to study before giving his judgment in the cases mentioned.

An informal discussion has been held by the Acting Mayor and the other Police Commissioners, and it is thought that there is only one thing to do, and that is wait until the legal status of the controversy is straightened out.

If it should develop that a conviction is recorded in the first three cases it will remain to be seen just what the majority ruling of the Police Commission will be, regarding further prosecutions, in view of the absence of Mayor Marchant, who has always been the strongest and most determined advocate of a strictly closed Sunday, and who refused to consider the representations made by the Anti-Blue Sunday League of the vote taken on the unofficial plebiscite.

AUTHOR'S BODY TO SHOW LOYALTY

Bishop Macdonald Paraphrases Famous Name-sake's Dictum

The monthly meeting of the Vancouver Island branch of the Canadian Authors' Association took place on Monday evening in the Island Arts and Crafts Room, Union Bank Building. Mr. Sheldon-Williams, chairman of the association, presided, and there was a good attendance.

After the secretary's report had been submitted and adopted, several questions came up for discussion, and a committee was appointed to enquire into the cost of producing a Christmas annual. It was also decided to open the association's meetings with "O Canada" and close them with the singing of the National Anthem, "God Save the King."

In this connection, Bishop Macdonald spoke very beautifully and impressively. "For my part," he said, "I was born a subject of the British Empire, and have never wished to be anything else. Furthermore, my religion enjoins upon me loyalty to King and country. But one can but recognize that there is a feeling growing up among some of the younger generation—a desire for equality and emancipation. It is as though a son should grow up and make a home of his own. It is natural that he should feel emancipated to some extent, but he must still maintain his loyalty to his old home."

An excellent and well-organized program on the usage of "Shall and Will" was then contributed by His Lordship, and was received with much appreciation by the association. A vote of thanks for the light he had shed on some grammatical pitfalls was accorded to the speaker before the close of the meeting.

Garden Miracles

Here is good news for gardeners regarding a new, scientific, highly concentrated fertilizer which produces prompt results, which are sometimes startling.

It is in large tablet form of just the right size, and weighs only one per cent so it keeps in the soil along the rows, or about the plants. Trees and shrubs are greatly benefited by their use. Four dissolved in water make excellent liquid manure for flowers, vegetables or lawns.

Cutting the grass frequently means that every clipping results in additional exhaustion of the soil. Feed lawns and make them thick and permanent.

The name is Stim-U-plant. The tablets are from twice to three times as rich in plant food as most fertilizers. Their use is safe and profitable.

Stim-U-plant is clean and odorless; does not stain. Florists, Market gardeners and nurserymen are using them in increasing quantities and say their fertilizing troubles are at an end.

Order by name, as there is no substitute. Price delivered, 35c, \$1.00 and \$4.25. Order from your seed dealer or United Distributing Co., 325 Pemberton Building, Victoria, B.C.

KINGSTON ST. TENNIS

Play was advanced a further stage yesterday in the scratch tournament now in progress on the Kingston Street Lawn Tennis Club courts. The semi-finals in the men's doubles and the remaining semi-final in the mixed doubles will be played to-day, when all events will be advanced to the finals save the ladies' singles and men's singles. The consolation events are also proceeding.
