

WIKIDATA LAB XXVI

STRUCTURED CITATIONS MODULE IN WIKIPEDIA

This training aims to share resources and capabilities for the integration of Wikidata with other Wikimedia projects, in particular Wikipedia.

In this event, part of the Wikidata Lab series, there will be a presentation and a sequence of practical activities on the use of structured bibliographic references in Wikimedia projects, presenting the modules and templates developed for this purpose and the challenges involved in the process.

The event is aimed at training the community of editors of Wikimedia projects. The training coordination will be carried out by the wikimedian Mike Peel, in English.

The event will be online. Please, if you are interested in participating in the event, register on the registration page. There is no registration fee. Unlimited places.
