"Non Mercurial Pills."

Business address—K. D. Sircar & Son
 Mission Road, Lucknow.

I RECEIVED its recipe from a Muhammedan faquir in the Nepal Jungle towards the end of the Indian Mutiny. It is free from all sorts of Mercury. It has hitherto been distributed gratis, but its increasing demand, consequent on the spread of its reputation for wonderful curative powers, and in consideration of delicacy, &c. prevent further gratuitous distribution. During the past 26 years, thousands of most inveterate and hopeless cases have been thoroughly cured within a very short time by its use. Infants and children suffering from hereditary disease, as well as women during gestation are not excepted: the latter cured by external application only. It is equally efficacious in all the forms of the disease. In fact, no other non-mercurial medicine with such infallible curative powers has yet been discovered for this disease. To corroborate the above statements letters from some of the ablest Assistant Surgeons and other competent parties are printed with directions for use, and are to be found with the medicine. These are also forwarded Post Free on application.
