BRITISH LEGATION,

TOKIO.

Dear Sir,

Miss Ozaki tells
me that you wish to
hear from me personally
before consenting to
her acceptance of an
engagement that I have
offered her, so I hasten
to inform you that
Miss Ozaki's duties here
would be those of
Secretary & companion

to me, and that I
should do all in my
power to make her
life a happy one.

I hope very much that
you will allow her
to come to me, at
any rate for some
months. I have heard
her highly spoken of
and should be so

glad to have her with
me.

Believe me dear Sir

yours truly
Mary Fraser.
