

THE ONLY GENUINE UNION LAUNDRY SOAP

With this Soap clothes are washed white and clean with little rubbing and NO BOILING. It also possesses extraordinary healing qualities, thereby preventing the hands from Shapping, thus making it a very desirable article for Toilet Use.

It being perfection as a Laundry Soap and Grease Eradicator, this Soap will wash EQUALLY as well in hard as soft water. It is manufactured from drificp oils containing no adulteration, and having an agreeable odor, and requiring a less quantity of Soap and less work to do the washing of a small family than ordinary rosin Soap.

FINEST UNION Pat'd Sept 1st, 1888. LAUNDRY SOAP

DIRECTIONS FOR USE.

Cut in small pieces one pound of FINEST UNION and dissolve in two gallons of hot water for a family of twelve persons; place the clothes in a tub, covered with warm water, pour in the dissolved Soap, let the clothes soak over night, rub the soiled spots, and then rinse in warm and cold water, and this will save you many hours of hard labor on Wash Days.

To Erase Paint, Tar and Grease Spots from all kinds of Cloth and Silk.—Take a sponge and saturate the place to be cleaned with hot water, apply the Soap until the spot is removed, and then rinse in cold water.

FINE LINEN AND LACES — The finest fabrics can be washed with this Soap without injury. Let them lie for ten hours in suds made from this Soap, afterwards rinse them in lukewarm water, wring them out gently and pin them on a stretchor on carpet where they will not shrink when drying.

Used by everybody for all kinds of washing, and a trial of one bar will convince buyer of its superior lity and excellence.
