Mr Sanborn

I have made the
most I could out of my whales
eyes and put them into the jar
that was in my room up stairs.

Will you fill it up with alcohol
and pack it with the rest. I shall
not send you it till Saturday.

I am afraid Monday will be
late

Yours
B. Jay Jeffries

DIGEST OF THE
LIBRARY REGULATIONS.

No book shall be taken from the Library without the record of the Librarian.

No person shall be allowed to retain more than five volumes at any one time, unless by special vote of the Council.

Books may be kept out one calendar month; no longer without renewal, and renewal may not be granted more than twice.

A fine of five cents per day incurred for every volume not returned within the time specified by the rules.

The Librarian may demand the return of a book after the expiration of ten days from the date of borrowing.

Certain books, so designated, cannot be taken from the Library without special permission.

All books must be returned at least two weeks previous to the Annual Meeting.

Each member is responsible for all injury or loss of books charged to his name.
