Best Wishes and Good Suggestions for 1912.

First let us with you all prosperity during 1912. And while thanking you for your support during 1911, may we express the hope that by maintaining the same high quality and lowest prices throughout our stocks of freshest groceries we may gain still greater patronage during 1912. Our second thought is this: "Prosperity is a daughter of Thrift"—in other words, the house-keeper who saves money when and where ever possible will live to see the result of her wisdom in the form of greater prosperity and comfort. You can start the New Year right by saving money on your
