MAF ISSUES ORDER FOR EXTERMINATION
OF PINE BARK BEETLES ON NOV 25

(Extract of KOHO-DAYORI - Agricultural Public Information News) No. 45

Forestry Agency, MAF, is to carry out the extermination and prevention project in some districts of Okayama, Miyazaki, Nagasaki and Kagoshima Prefectures by order of Minister of Agriculture & Forestry under the provisions of Art³ of "the Law for Exterminating and Preventing Pine Bark Beetles and Other Similar Borers, and Other Destructive Forest Pests and Diseases", accordingly general surveys on infested trees were carried out in each district mentioned above during the period 1 - 10 November. In accordance with the result of the above survey, the order for the extermination project under the provision of Art 3 Para 3 of the said Law will be announced on 25 November, and on receiving the order, each prefecture concerned will establish extermination program by the end of December and carry out the project during the period 2 - 30 January next year. Also, in case a person who received the order does not carry out the project, the Gov't shall take his place, 30,000,000 yen has been appropriated for this National Project out of the 1950 fiscal year budget.

Incidentally Article 3 of "the Law for exterminating and preventing pine bark beetles and other similar borers, and other destructive forest pests and diseases" is as follows.

Article 3. The Minister of Agriculture and Forestry may, if he deems that pine bark beetles or other similar borers are liable to spread extraordinarily and to damage severely forest resources, issue such orders as follows by designating area and time limit within such limits as necessary for exterminating the same thoroughly at an earliest moment possible or preventing the further spread of the same:

(1) Order to make the owner or custodian of any tree infested with pine bark beetles or other similar borers fell and peel such tree and burn pine bark beetles, or other similar borers, branches, twigs and barks which the same have infested;

(2) Order to make the owner or custodian of a cut-over area peel off the stubs which are infested or liable to be infested with pine bark beetles or other similar borers and burn the pine bark beetles, or other similar borers, branches, twigs and barks which the same has infested;

(3) Order to restrict or prohibit the movement of felled trees infested with pine bark beetles or other similar borers;

(4) Order to make the owner or custodian of felled trees infested or likely to be infested with pine bark beetles or other similar borers take measures of peeling or burning of branches, twigs and barks thereof.
