VOLUME IV. NUMBER 16

NARBERTH, PA., THURSDAY, JANUARY 24, 1918

PRICE TWO CENTS

CITIZENS ENDORSE THE NEW NARBERTH PLAN

How You May Enroll

A number of the residents of our borough who attended the town meeting at which the Narberth Plan was explained, were so impressed with the plan that they have written letters commending it and urging all citizens to join in making it a success.

If you did not attend the town meeting, but are anxious to co-operate in "putting across" the new Narberth Plan, you may enroll by sending your name and address to the secretary of the committee, E. A. Muschamp, P. O. Box 576, Narberth. Understand, you place yourself under no financial obligation by enrolling. Those who gave their names to the secretary at the town meeting and those who have since communicated with the secretary, have simply assured the committee that when the plan is put into operation, they want to co-operate in the project and that then they will be willing to pay the nominal membership fee of fifty cents a month during the two or three months that the plan is given a trial.

If you want to cut down the cost of your living and buy standard foodstuffs of the very best quality, enroll in support of the Narberth Plan—send your name and address to the secretary.

Letters of Endorsement

Mr. W. R. D. Hall,
Narberth, Pa.

Dear Mr. Hall:

After having heard the Narberth Plan explained in detail by Mr. Rose and yourself at the town meeting, I am convinced that the plan is a good one and if entered into by a sufficient number of Narberth families to give it a fair working trial, there is no doubt in my mind as to the success of the enterprise. I am grateful for the privilege of being one of the number who will try out this admirable scheme for reducing the cost of foodstuffs to the consumer.

Very truly yours,

Edward S. Haws.

Editor of Our Town

Dear Sir:

Permit me to say a few words in praise of the Narberth Plan as explained at the town meeting and as reported in the paper. I believe the plan is fundamentally sound and should be given a thorough trial. We have all been complaining more or less about the high cost of living and now that we have an opportunity to meet and solve this problem, it seems to me that it is a civic duty of every resident of our borough to co-operate in making the Narberth Plan a success.

Yours very truly,

W. Arthur Cole.

Editor of Our Town

Dear Sir:

There were quite a number of our citizens at the town meeting at which the Narberth Plan was explained by Mr. Hall and Mr. Ross, but I am sure that there are many other residents who, now that they know just what the plan is, and how it will work, are anxious to join in and co-operate and give this new plan a fair trial. It looks to me as though this plan would do what nothing has been able to do thus far, and because it offers that promise, I am willing to back it to the extent of paying fifty cents a month for a few months and giving it my heartiest co-operation.

Yours very truly,

R. P.

My Tuesdays are meatless
My Wednesdays are wheatless
I'm getting more eatless each day.

They're sent to the Y. M. C. A.
The bar-rooms are treatless

Each day I get poorer and wiser.

"A MAN AND HIS MONEY"

The Little Church on the Hill is offering attractive programs of special interest to men every Sunday evening.

The topic for discussion this week as announced by the pastor is "A Man and His Money."

By request Mr. Herman J. Bub, tenor, will sing Gonoud's "Adore and be Still," with cello obligato, played by Mr. George Abele. Other numbers are to be given by Mrs. John Matthews, Mr. Abele and Mr. Bub.

The congregation will join in singing favorite hymns led by choir, organ and cello. The community is welcome.

THE DELTA SIGMA SORORITY

The Delta Sigma Sorority during this winter have been doing most excellent war relief work, as well as contributing to the various needs as they presented themselves.

On Christmas, instead of following their regular custom of exchanging gifts, they used the money to buy yarn which they are knitting up for the soldiers. They also eliminated their annual Christmas dance for patriotic reasons. This is very commendable in these young ladies, and deserves worthy mention.

OBITUARY

This past week, two of our most respected citizens passed away, Mrs. Arthur Haight and Mr. Asa Brooks. Mrs. Haight had been a very patient sufferer for many years, but kept active almost until the end.

Mr. Brooks, beloved by all who knew him, was quite well, up until a short time before he died.

Their friends extend their heartfelt sympathy to the families of the deceased.

All alien enemies failing to register are liable to imprisonment for the duration of the war.

THE INCOME TAX RETURNS

How They Are to be Made Before March 1—Men Named to Help in This County

The United States Government is endeavoring to assist the income tax payers by sending men, instructed in the work, to the various counties of the State to attend to these duties.

Every unmarried resident whose net income for 1917 equals or exceeds \$1000, and every married resident or head of a family whose net income equals or exceeds \$2000, will be obliged to file his or her return on or before March 1.

In addition to the above \$2000, there is an exemption of \$200 for each dependent child; but, regardless of the number of children, if the income equals or exceeds \$2000, the return must be filed even though because of the children there may be no tax due.

The net income of unmarried residents which exceeds \$1000 but does not exceed \$3000, is subject to a 2 per cent. tax. If the net income exceeds \$3000, but does not exceed \$5000, the amount coming within these limits is subject to a 4 per cent. tax.

The net income of married residents which exceeds \$2000 but does not exceed \$4000, is subject to 2 per cent. tax. If the net income exceeds \$4000 but does not exceed \$5000, the amount coming within these limits is subject to a 4 per cent. tax.

Any amount over \$5000 will be subject to an additional or super tax, at graduated rates.

Any amount over \$5000 will be subject to an additional tax, or super tax, at graduated rates.

The tax must be paid on or before June 15. It is advisable to keep (for future reference) the make-up of your return or scratch papers showing just how you arrived at the figures reported.

The department is handicapped because the new blanks have not yet been sent out for distribution, but they are expected in the near future.

Four men have been assigned to Montgomery county to take charge of this work. William G. Singer, of Ambler, from the revenue agents' office in Philadelphia, together with William J. McGrath, of Conshohocken; D. J. McDonough, of Ardmore, and Frank J. Scheisser, of Willow Grove, from the collector's office in Philadelphia.

These men are at present located in the court house at Norristown, where one or more of them will be until March 1.

It is expected that they will be located for periods of several days at a time, in some of the larger boroughs, to expedite this work over the whole county.

They are here to assist the potential taxpayers, and will be glad to receive all callers, answer all questions, and assist in making up and filing the returns, all of which must be strictly confidential with them, so far as the private affairs of the taxpayer are concerned.

EDITORIAL

Now is the winter of our discontent.

How is it that we we are cooled we are not cold, and when we are not cooled we are cold?

An Armenian gentleman, rejoicing in the name of Garabed, has discovered the long-sought source of unlimited energy in nature, and has actually interested the U. S. Senate and the President. Let us not scoff at him, in advance of the public demonstration. Just because the Keeley motor did not note, is no reason why the Garabed should not be a real generator of power. He promises that we can quickly end the war by the application of this discovery. So mote it be!

The campaign for increased membership in the Y. M. C. A. is now on in full force. We hope there will be a general response to the appeal of the canvassers. The late Mr. Hoppr had the success of the Y. M. C. A. at heart. His many friends in Narberth could do nothing that would better show their appreciation of his great influence for good, than to support in every way possible, the institution whose existence and continuance were so greatly due to his untiring efforts.

The new secretary and physical director are both gentlemen who are doing their utmost to make the Y. M. C. A. attractive to boys and girls. Those who have children, owe it to them to bring them under the good influences abounding there, and the older men and women should, by their attendance, support it in every possible way.

WATCHING THE SUFFRAGE BILL

Narberth suffragists are deeply interested in the Susan B. Anthony Suffrage Bill, proposing the woman suffrage amendment to the Federal Constitution which has already passed the House of Representatives and which will shortly come up for a vote in the Senate. But local interest is not limited to the suffragists, for it is shared by a great many of the other residents, particularly the men. Our borough is known as a strong suffrage community, having given the proposed State Suffrage Bill a substantial majority when it was submitted to the voters a couple of years ago.

A REPLY TO "NOTIONS"

To the Editor of Our Town:

Last week I read with interest the inquiry of "Notions" as to the activities of the Civic Association, the editors of Our Town, and the fine work of the publicity manager of our local post office. It was good natured and witty. Surely the author can trace his ancestry to the Emerald Isle, where wit is so abundant and snakes are so scarce.

For what the Civic Association does, I would refer "Notions" to the files of Our Town. Scarcely an issue of the three volumes recently completed lacks some evidence of the activities of the members of the Civic Association. To give a complete list of what it has accomplished would take too much space. Let "Notions" call up Mr. H. C. Gara, and he will get an earful about the "Clean-up" days, and the number of tons of rubbish carted out of Narberth. Mr. W. A. Cole could talk to him for an hour or two on the number of columns of publicity given throughout the U. S. on the occasion of the two-day pageant given here, and on how to run a local paper devoted to civic matters. Perhaps Mr. Loos could take a day off, show "Notions" Narbrook Park, and explain how Mr. George M. Henry had an idea that twelve acres of swamp, mosquito-breeding and malarious, and an eyesore to passing travelers on the Pennsylvania Railroad, might be beautified, and incidentally add many thousand of dollars to the taxable property of the community. As chairman of the Park Development Committee, he could give exact figures of how many thousands of dollars it took to accomplish this, how many hours were spent in meetings, and how it did not cost the taxpayers a cent, except those who were public-spirited enough to buy the lots and improve them.

Mr. A. E. Wohlert could then fill in a little time, explaining the competitions for the best gardens within the borough limits, and who won the cups, and how civic pride was stimulated in this way.

The fact is, the active members of the Civic Association are too busy doing things, to spend much time in holding meetings. These same active members are likewise busy in other local organizations, all requiring work done. "Notions" is evidently a gentleman who would like to be doing something to help along a good thing. Let him send \$1 annually to Mr. George M. Colesworthy, the secretary of the association, as annual dues; another dollar per annum to Miss Simpson, cashier, P. O. Box 118, subscription price for "Our Town." Then he can get busy, thinking up ways to improve the town, and making them public.

The editors of Our Town hold their meetings by telephone, and are too modest to sign their communications. Our worthy Postmaster gives plenty of postal information, and occasionally sends a check to help along expenses.

Observer.

THE WOMEN'S AUXILIARY

The annual meeting of the Women's Auxiliary of the Narberth Y. M. C. A. will be held in the building on Thursday, January 31, at 2.30 P. M. At this meeting interesting statements of the year's work will be submitted by the president and treasurer. There will also be an election of officers for 1918. Every member should attend.

The women of our home town are cordially invited to spend an evening with us in the lobby of the Y. M. C. A. There is a hostess in charge every evening (excepting Sunday and Monday) and those of us who have already served in that capacity have come to the conclusion that Y. M. C. A., Red Cross, and a cheerful log fire, form a very happy combination which we pass on to others, so bring your knitting bag and join us.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

Now there's another mystery in Narberth. Bill Harris' invitation to those who are aged, ill or desperately in need of fuel to call on him is causing a lot of speculation as to what he intends to do. A number of people have asked me if he has a hidden coal mine. I know he has a gold mine somewhere, but don't know about the coal. One guess is that he intends to turn the Arcade Theatre into a general camp to take care of all those families without coal and to amuse them. John Caldwell will turn flipflaps on the stage.

Another is that he will have all applicants for relief bring baskets which he will fill with some of those little houses of his and which ought to make fairly good fuel.

A third guess is that he will invite those in need of warmth to sit in his heated automobile with him all day and all night out there in front of the Arcade and keep him company while he is spotting new arrivals at the station.

It's rough on some of those people who had the decency to spread ashes on their sidewalks during the recent icy spell to be accused of criminal waste, but s'help me! 75 per cent. of those "ashes" were good coal. I could have gathered half a ton of the \$10 a lead stuff from the walks of one avenue alone.

Somebody'll have to talk to Bill Cobie about this. The other morning when the 6:59 pulled in at 8.10, it was noticed that the coaches were filled with deadheads—all P. R. R. employes. The conductor gave orders that Narberth's paying passengers take the baggage car, which they had to do or walk.

"Now, if this Monday closing order would only extend through the summer months," sighed that fishing bug, Charley Verna.

One of our neighbors was wandering aimlessly around in a department store when the floorwalker approached him.

"Looking for something?" he asked.

"Yes, my wife," replied the man.

"Describe her."

"Well, she's sort of a limousine with heavy tread and usually runs on low."

Have you observed the number of people that are hoarding ice on their sidewalks?

If you or I had the handling of the railroads and the fuel situation, we'd show them a thing or two—yes we would.

Wonder who that feller is, signing himself "Notions," in last week's issue? He handed me a bouquet with a string tied to it and quickly yanked it back, saying he had changed his mind. His literary style is novel, although I suspect he is working a camouflage. He wouldn't say, "This is a fine day," but rather, "A fine day, this is." Or he might say, "Throw the horses over the fence some hay." See if you can get him on "Our Town's" staff. I need a nut to keep me company. Tell him about our Civic Association—that it does its work quietly with no advertising. How it developed beautiful Narbrook Park out of the swamp. How it's responsible for the 5.40 special—that great newspaper, "Our Town"—all of those fine rubbish cans (that nobody ever uses), etc., etc. Hint to him that if he pays a dollar he will be invited to join the Civic Association. Perhaps that'll keep him from being so darn inquisitive.

"Cub."

ARE YOU DOUBTFUL?

It has been intimated that a number of Narberth men have not joined the Narberth Guard, on account of the belief that they would at some time be called by the Government for service.

I can state with authority that the Narberth Guards is not subject to call, either by State or Federal authorities. Members of the guard are subject to call only by the commanding officer, Lieutenant E. P. Dold.

If you have been holding back on this account, men of Narberth, come out now and sign a membership card. This is strictly a local organization, and should be boosted as such. We need one hundred active, live members. Everybody boost.

in the service of our country whether you know them or not. One of the bright spots in their experience is to get letters from the friends back home. They will be glad to hear from you.

New faces are continually seen in the congregation. There is a welcome and a place for all. Those who do not regularly attend divine service elsewhere are invited to worship with us.

An organization to be known as the "Mobile Corps of Bryn Mawr Workers" will be trained and equipped for war service abroad from a fund of \$30,000 pledged by the alumnae and students of Bryn Mawr College. This is the war work contribution of the college for 1918 and the "corps," which is similar to the "units" of Smith or Vassar, will be exclusively for Bryn Mawr students of the past or present. In making the announcement Friday M. Carey Thomas, the president, emphasized the fact that the students and faculty have undertaken to raise \$10,000 for the establishment of the "corps," which she characterizes as "an enormous amount for so small a college." The alumnae have pledged the remaining \$20,000.

"Don't Answer"

When doubt exists as to the accuracy of such a report by the telephone operator, there are three things to bear in mind.

First, that it is much easier and quicker for her to ring the called telephone than to make such a report back to the person calling.

Second, that people these days are out and about town on a great variety of uncommon war-time undertakings, frequently leaving their homes and offices with no one to answer the telephone.

Third, sometimes a minor and temporary disarrangement of the called telephone prevents the bell from ringing.

Be assured that the operators are trying hard to do their part and that their efforts justifies full confidence and consideration.

NARBERTH HIGH BEATS HATBORO

On Friday evening, the Narberth High basket ball team journeyed to Hatboro and trimmed the fast Hatboro team. The teamwork and passing of the Narberth five featured, while the Hatboro team also played cleverly.

John Dickey starred for Narberth, and Parks, Hatboro's captain, played fast and clean basket ball.

Kenneth Walton, Narberth's fast guard and captain, held Parks to three field goals. The whole Narberth team played so well that too much cannot be said of any one player. The final score was 17 to 15, in Narberth's favor.

The line-up:

Narberth High Hatboro High
Dickie forward. Parks (capt.)
Jenkins forward Morris
Harsch center Carr
Cooke guard Johnson
Walton (capt.) guard Whiteside

Field goals—Dickie, 5; Jenkins, 2; Parks, 3; Carr, 3. Foul goals—Dickie, 3 out of 6; Parks, 3 out of 12. Substitute—Lough for Harsch. Final score—17 to 15, Narberth's favor.

BASKET BALL

On Saturday afternoon at 3.30, the fast Narberth High basket ball team will play the equally clever Perkiomen reserve team. This game promises to be exciting and close.

Don't fail to appear at the proper time, as there will be a big crowd and you may have to stand.

The admission will be fifteen cents.

SHALL NARBERTH JOIN THE Y. M. C. A.?

This is the question of the hour. Glad to say it is being answered in the affirmative. The solicitors are visiting every family, and opportunity is given to every member of that family from nine years of age to ninety, to line up with the new membership of the Narberth Y. M. C. A. The friendly greeting, and words of encouragement, as well as the desired enrollment, in very many instances, have been of no little encouragement to the management, who in turn are seeking to make the rooms as attractive, and the privileges offered as desirable as possible.

Narberth is probably the only town of its size in this part of the State with a handsome Y. M. C. A. building, and an alive, up-to-date association, and the possibilities of this institution are great for the physical betterment, the educational advantage, the moral encouragement, and the social enjoyment of the young people of the town, as well as their elders. It is too valuable a feature of our town life to lack support, and it can safely be asserted that every new membership enrolled will far more than pay for itself in the concrete advantage and solid pleasure derived from it by the person enrolling.

The twenty-one directors are among the leading men of Narberth. The women of the auxiliary are working hard to make the association a success, altogether aside from financial considerations. The board of managers are spending a great deal of time every week in planning for greater efficiency and usefulness of the various departments assigned to them. And the secretary is at your service. He is glad to look after your boy and girl and give them personal care and attention.

The entire force is working for a bigger, better, and busier Y. M. C. A.—and now you are invited to join.

The following directors spent each an evening at the rooms during the week ending the 21st: W. D. Smedley, J. G. Walton, W. N. Mills, Daniel Leitch, T. C. Trotter, E. S. Haws, H. C. Obydyke and F. E. Norheim.

During the past two weeks thirty membership tickets have been issued, most of them being new ones. All this in advance of the membership campaign now in progress, which it is expected will double the number of members of the association.

An indoor tennis club has the gym floor for an hour or two every Saturday afternoon. Men interested in this sport are invited to come around.

Mrs. C. R. Long is in receipt of a letter from Chudleigh Long, who is with the marines in San Domingo, in which he makes mention of their Christmas celebration, and the abundance of good food provided. Games and racing formed part of their festivities. Lasteges, their camp, is located some miles inland, and the marines are the only whites on that part of the island.

NARBERTH THEATRE

Next Saturday, January 26th

Matinee at 3 Evening at 8

To the Narberth Association:

We are sending your officers this letter with the request that they will have it read at your next monthly meeting and that your association co-operate with us in the great patriotic movement herein outlined:

The Secretary of the Treasury is offering for sale to the people of the United States an issue of War Savings Certificates in the aggregate sum of two billion dollars (\$2,000,000,000). The idea of selling these W. S. S. or War Savings Stamps is to awaken a realization among the men, women and children of the entire nation, that in their hands lies the key to the successful prosecution of the war. Also and almost as important is the hope that in this way the Government is helping to lay the foundations of thrift and economy throughout the United States and to bring home to the people the fact that intelligent and consistent saving is not a dry problem in economics, but is the most vital, practical step toward personal success.

With this in view, I have been approached by the State and the Assistant State Director, National War Savings Committee of Eastern Pennsylvania, to bring before you this question of War Savings Stamps; and to aid in this movement, I am asking you to appoint some of your officers to undertake to secure as selling agents all of your members who are engaged in retail business or who are in any way active in your local communities.

The Government is most anxious to have War Savings Stamps for sale everywhere and if you will help in this way you will be of great benefit in this splendid cause. You should lay it immediately a supply of stamps, which can be obtained from your nearest post office, bank or trust company, advising me as soon as you have done so or that you propose to do so, and I will then see that there will be forwarded to you posters advertising the stamps—that you have them for sale—and literature explaining the stamps. In reference to the posters, when you receive them, I am asked to urge you to display them most prominently, preferably in your front window, where they may be seen by passers-by to the best effect.

I feel sure that you will be only too glad to co-operate in this wonderful cause and help your country to the utmost of your power. It is not necessary to lay in a large quantity of stamps; there is no limit of any kind on what you buy. As you sell stamps, you can replace them with others and in this way have at all times the same amount of money invested.

Yours very truly,

Edw. A. Noppel,

President United Business Men's Association and Chairman National War Savings Committee, United Business Men's Association Section, 1431 Walnut Street, Philadelphia.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
