

Boston

Feb. 20, 1865.

My Dear Sir:

That is lower than
I have expected for in any
place as large & important
as Concord. But if you
will pay my expenses from
Boston, I will come to Concord
for \$50 before the 15 - due
notice being given of the
night. I will despatch the
night; but we will not disagree
upon that point. For weeks I
suppose will be ample notice.

Faithfully Yours

Albert D. Richardson
