

BUILD FOR OTHERS

USE SURPLUS FUNDS IN PUTTING UP HOUSES ON VACANT LOTS

Loyal residents of Glendale certainly can show their feeling in this respect in no more practical way than in providing places to stay for the many people who desire to make Glendale their home. Men and women, fine appearing people, fairly haunt the Evening News office scanning the "For Rent" ads in the hope of finding a place to live in Glendale. Many vacant lots could be made profit yielding by building on them comfortable homes, limited as to appointments and cost if deemed advisable, but affording good house-keeping facilities. Several hundred such places are needed at once, before the winter rush begins and certainly one's surplus funds could be put to no better use than in providing homes for our would-be residents.

VAN OSDOLL FAMILY

Mr. and Mrs. W. M. Van Osdoll of 341 West Elk avenue have returned from a pleasant auto trip to Exeter where they had a nice visit with their son, Bert Van Osdoll, and his new wife. They saw many heavy crops of fruit which were being gathered and the auto trucks used in hauling them were so numerous as to somewhat interfere with tourist traffic. They went over the ridge route and new highway. Peaches were going to market and the Thompson grape crop would soon be ready to harvest. Their daughter and son-in-law, Mr. and Mrs. Burke, who have been in Exeter are now on their way home. Miss Emily Van Osdoll has been in Catalina for a week and expects to remain a week longer.

MRS. McREYNOLDS RETURNS

Mrs. Irene McReynolds and little son Robert have just returned from a month's outing at Giant Forest in the Sequoia National Park with Mrs. McReynolds' older son, Leslie. He is now at Camp Curry in the Yosemite where he has secured employment for the remainder of his summer vacation. Mrs. McReynolds is looking for temporary quarters in Glendale as her home at 336 North Kenwood is leased for the coming month, and the apartment she is building at 320 Myrtle is not yet completed.

MANY PERMITS

CLOSE TO \$30,000 WORTH OF NEW BUILDINGS AUTHORIZED YESTERDAY

Tuesday, August 10th, was another banner day for building permits, the total being \$27,350, bringing August's record up to \$100,000 and a little over for the first nine working days. All the permits issued yesterday, 11 in number, were for residences, additions or garages. Among them were a 6-room residence at 336 Ivy for J. S. Cleveland, to cost \$3500; one of the same size at 205 West Maple for Mrs. Catherine Burnham, cost \$5700; another of 5 rooms, with a garage, at 1509 S. Brand for W. W. White, costing \$3000; one for Howard L. Brown at 406 North Maryland, 6 rooms, to cost \$5000; one for Howard's mother at 410 North Maryland, 6 rooms, to cost \$5500; and another for A. W. Tower, 5 rooms, at 214 East Park avenue, to cost \$3300. The other five permits were for garages or additions to residences.

HERE FROM LOGAN, O.

HADLEY BROWN'S BROTHER, WITH WIFE, MAKING SECOND VISIT—WILL LOCATE

A. O. Brown and wife, formerly of Logan, Ohio, are the guests of his brother, Hadley Brown, of 115 West Lomita avenue. They were out here last winter, accompanied by their son, and decided then to come again, probably to locate. Mr. Brown says he does not mind the heat of the last few days, which is not as enervating, to his notion, as a much lower temperature in the East, owing to the great humidity there. The cool nights here make up for any discomforts of the day, anyhow, he says. Mr. Brown has two situations in view and hopes to land one that will enable him to locate in Glendale, as he and his wife greatly admire our little city. The son will join them here later.

OPTIMISTS' CLUB

MEMBERS IN GLENDALE AND ELSEWHERE ENJOY WEEK-END AT MOUNT LOWE

Mr. and Mrs. A. M. Beamon and son Charles of 203 North Maryland avenue, Mr. and Mrs. Theodore Peirce of 317 Vine street, and about forty other members of the Optimists' Club left Los Angeles in two private cars for Mount Lowe. After taking possession of their rooms there which had been engaged in advance they enjoyed an afternoon of outdoor contests in quoits, ball games and golf plays, for which the winners received prizes. Following a banquet served at the hotel the party went to the observatory to look through the telescope and hear an astronomical lecture by Prof. Larkin, but for the first time in August in the twenty years in which Prof. Larkin has been in charge of the observatory, the heavens were obscured by clouds and so that part of the program was a disappointment. The balance of the evening was given to dancing. Sunday was observed as a day of rest and the party returned to Los Angeles at 5 o'clock that evening.

Today Mrs. Beamon is celebrating her birthday by entertaining for the day and at dinner her parents, Mr. and Mrs. DuBois of Long Beach, and her niece, Miss Gertrude DuBois.

VISITING LAGUNA

Miss Cora Powell of 410 East Elk avenue has returned from a three weeks' stay at Laguna Beach in company with her cousin, Mrs. Jenkins of Pasadena. While there they visited the mission at Capistrano where they spent a most interesting day and on the return trip stopped for a day and night at The Palisades, across the bay from Balboa. There they found a very beautiful beach, something they had missed at Laguna where unusually high tides have piled seaweed on the sand.

SMALL GUESTS RETURN

Miss Ida Myers went to Tulare the last of last week taking with her the Hillman children, who have been visiting their grandfather, Dr. A. M. Duncan. She will remain for a few weeks' visit with the Hillmans and in her absence Mr. and Mrs. John Cate, daughter and son-in-law of Dr. Duncan, are keeping house for him. Miss Carol Duncan is in Seattle after having visited Crater Lake, Portland and other northern points with a party of teachers. She is expected home the last of August.

J. J. FARMER HERE

J. J. Farmer, who built the house at 525 South Central avenue and lived there for some months, selling it and moving to Imperial Valley six years ago, is in Glendale this week on a business trip. He is now located at Calipatria and is in the trucking business. His son Ralph graduated from Glendale High this year and will attend a Colorado school of mines next year.

MOTOR COLLISION

R. B. Clark, a mail carrier living at 408 West Broadway, was riding his motorcycle south on Central avenue about 8:15 yesterday morning going about 20 to 25 miles an hour, according to his report filed at police headquarters when a Ford driven by H. Freeman of 407 West Doran came west on Lomita avenue and turned north on Central avenue, colliding with the motorcycle and overturning it. Mr. Clark's right leg and arm were considerably bruised and his motorcycle damaged quite seriously.

BROCKTON, MASS.

GLENDALE ATTRACTS THREE FAMILIES OF FAR EASTERN CITY

Brockton, Mass., is moving west. Three of its former families are now residents of Glendale and enjoying life as never before. These are M. H. Finn, wife and 5 children who are living in property they bought at 218 East Garfield avenue; J. B. Winters and wife who drove through from coast to coast and bought J. E. Howes' place at 208 North Jackson street, and Louis Arnold and wife who are at 610 North Kenwood, but have not as yet bought property in Glendale. Mr. Arnold was connected for years with one of the great shoe manufacturing for which Brockton is famous.

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 11.—President Wilson will shortly extend material aid to Poland in conformity with his promise to "use all available means" to protect that country's independence, according to official headquarters today. The pledge of America's support of Poland's independence was contained in a statement of this Government's attitude on the Russo-Polish situation in a note to Baron Avezzana, Italian ambassador. The note's chief features were:
A statement that the United States' policy will be directed to the employment of all available means to protect Poland's political independence and territorial integrity.

Refusal to sanction Premier Lloyd George's plan for a peace conference in London.

Warning that Russian interests must be "generously protected."

A scathing denunciation of the Bolshevik administration.

Approval of Allied efforts to bring about a peaceful settlement of the war.

An expression of the hope that the Russian people will soon "find a way to set up a government representing their free will and purpose."

BERLIN, Aug. 11.—The Russians are within 25 miles of Warsaw, according to a dispatch from Warsaw received today. The Northern wing of the Polish army has been virtually dissolved because its ammunition is exhausted, the dispatch said.

CAMERERS ENTERTAIN

Miss Minnie Tyner and Mrs. Nellie Reynolds who have spent one year in Prescott, Ariz., but who were formerly of Kinmundy, Ill., arrived in Glendale, Monday. They are dear friends of Dr. and Mrs. J. D. Camerer of 311 West Garfield avenue, and are located at 118 East Garfield. They were entertained at dinner by the Camerers Monday after which the entire party motored to Burbank and San Fernando, enjoying the beautiful scenery, with which the guests were charmed. Their friends are hoping they will decide to remain in Glendale.

COMES FROM CHICAGO

Mrs. W. W. Stofft of 457 Stocker street reports the arrival of Frank Burnett of Chicago to look for a per-

manent home. As soon as it is located his family will join him. He is at present the guest of Mr. and Mrs. R. C. Gaede, his wife being the aunt of Mrs. Gaede and of Mr. Stofft. Mr. Burnett's daughter was here last year and liked the country so much that she persuaded her father and mother to try a residence here.

GOES EAST

J. A. Trotter of 340 Myrtle street started on a business trip to Detroit last week, going by the way of the Santa Fe, and stopping in Chicago. A card sent from Needles reports hot weather there and at Ash Forks. A rain storm was encountered, with washouts west of Kingman. At Albuquerque it was quite cool. He expected to return as soon as possible. His home city is Vassar, about half way between Detroit and Saginaw.

GIRL TRAVELERS

SULLIVAN FAMILY SURPRISED BY ARRIVAL OF OLEAN, N. Y., FRIENDS

Mr. and Mrs. Robert Sullivan and family of 711 South Central avenue were pleasantly surprised Sunday afternoon when three of their friends from Olean, N. Y., arrived in Glendale after making a cross-country tour. The party, comprised of Misses Ruth and Faith Morris and Hazel Clapp, left New York City some weeks ago, traveling south to Jacksonville, Florida, and have been hitting the ups and downs ever since. From Florida they journeyed to Houston, Texas, thence to San Antonio, Austin and El Paso, crossing the border near El Paso and visiting Juarez, Mexico. They report the trip a very exciting and interesting one, notwithstanding many difficulties the average motorist experiences. At Marfa, Texas, they made the acquaintance of a rancher's daughter who gave them a cordial welcome and also a taste of real ranch life by allowing them to participate in a good old round-up of several hundred head of cattle.

From El Paso they traveled north through New Mexico to the Grand Canyon. At Socorro, N. M., they hit the National Old Trails highway, meeting numerous coast to coast travelers. Prior to that time they had traveled for a hundred miles or more at a stretch through desert land without seeing a living soul. Heavy rains were experienced in Arizona, making roads almost impassable, but nothing seemed to stop these "determined to get there" motorists. In one place as they were driving through a river, water flooded the engine and their car stopped in mid-stream, on which occasion they were obliged to lend the car a helping hand. The party hit Needles, Calif., Friday night and arrived at their destination Sunday afternoon. The motorists expect to return to New York soon, via the northern route, stopping at Vancouver, B. C., Yellowstone Park and other points of interest.

FAREWELL DANCE

MR. AND MRS. GREEN ENTERTAIN FOR MISS GREEN LEAVING FOR HONOLULU

Mr. and Mrs. Max Green of 140 South Jackson street entertained with a dancing party Saturday evening in honor of Miss Lulu Green, sister of the host, who will soon leave for Honolulu. The house was charmingly decorated with large baskets of pink and purple asters and ferns, and a bowl of fruit punch dispensed from a table on the lawn afforded refreshment during the evening. The guest list included: Misses Lulu Green, Katherine Arnold, Mr. and Mrs. Marion Lee, Messrs. Robert Horne, Harold Brooks, Clifford Greenman, Harry Moore, John Lamberty, Murray Durham and Hardwick Vandegrift. The guest of honor will teach the coming year in Honolulu.

MRS. MUHLEMAN RETURNS

Mrs. F. L. Muhleman of Maple street is at home after a stay of several weeks at Cabazon, where Mr. Muhleman has a ranch and where Miss Minnie Muhleman is now living. She left her little daughter Ruth with her aunt, believing that the change of climate would be beneficial and her hopes have been justified as she is gaining vigor steadily. Though her parents hear from her daily, they are looking forward eagerly to Ruth's return when school reopens. Their father, Jacob Muhleman, is spending the summer with them.

NEW YORK FRIENDS

Mr. and Mrs. Eugene C. Smith of 457 Pioneer Drive had the pleasure of entertaining for several days their old friends, Mr. and Mrs. Kearns of Olean, New York. They arrived from the east last week and are now located permanently in Los Angeles. Mrs. Kearns had been here before, but it is her husband's first visit of Southern California and he is very enthusiastic over the country.

Mr. and Mrs. Charles Sanders of 1320 North Brand boulevard, and their little daughter Ethel left Monday morning for Big Bear where they expect to spend several weeks.

PACOIMA CANYON

GREAT LAKE TO BE PART OF FLOOD CONTROL PROJECT, COSTING \$2,000,000

The changes in flood control plans with regard to Pacoima Canyon, north of San Fernando, as described by Dr. P. O. Lucas of this city, who spends his week-ends there, reveal interesting possibilities. The series of trap dams originally planned have been abandoned, he says, and as a substitute a great dam is to be placed near the mouth of the canyon. It is to be 350 feet high and will evidently not only serve the purposes of flood control but also provide a reservoir for the conservation of flood waters and of the spring waters which feed the stream. The doctor likewise forecasts the development of power plants. It will mean the production of a lake two and a half miles long and of the varying width of the canyon and its branches—a lake that will be larger than Big Bear Lake, and it is not hard to imagine the summer resort that will develop along its margin. The waters will reach to the doctor's holdings, sixty acres which will then become shore acre, so he will not be damaged, but it will work some hardship and disappointment on the cottagers, about fifty in number, whose sites will be inundated. They have built on lots leased from the government, however, and their leases provide for the surrender of the land whenever it is demanded by the government. Their cabins will doubtless be moved to other sites. The doctor is almost the only land owner in the canyon.

The work at present being done by engineers is the blasting away of surface deposits to reach the rock which will be the foundation of the dam. Its cost he roughly estimates at some \$2,000,000. The appropriation for flood control expenditures in that canyon was about \$250,000 and the balance will have to come from the state and federal government.

It will be a big project which will not alone bring joy to the pleasure seekers, but store millions of gallons of irrigation water that would otherwise go to waste.

ELKS GO TO FILLMORE

Glendale Elks are booked to entertain by way of Southern Pacific to Fillmore, Saturday, August 21st. A special train has been chartered for that date when it is expected more than 200 of the antler tribe will enjoy the trip.

BARN DANCE

GLENDALE POST, AMERICAN LEGION, GIVES RUSTIC PARTY IN CAMP'S REPAIR GARAGE

A highly successful function was the barn dance given Saturday evening by the Glendale Post of the American Legion in the repair garage of P. J. Camp at the rear of Sutherland's Auto Salesroom at 230 North Brand. Mr. Camp is a member of the Post and generously donated the "barn," which was given a rustic appearance by cornstalk decorations. Comrade Philipp dressed as a Hickville constable afforded an amusing diversion and made several alleged arrests. Cider and doughnuts were served by way of refreshments and excellent jazz music was supplied by Gay's Orchestra. Between 125 and 150 guests were present and a goodly sum was realized for the Post's treasury.

DINNER PARTY

MR. AND MRS. HITCHCOCK ENTERTAIN ON EVE OF MOVING TO HOME ON BOYNTON ST.

Mr. and Mrs. Earl E. Hitchcock of 192 Gardena avenue entertained with a small dinner party Monday evening at which Los Angeles friends were entertained, also Mrs. A. M. Salyer and Miss Edith Salyer, mother and sister of the hostess. A yellow color scheme dominated the appointments, the table being centered with purple asters over which yellow butterflies were poised. The Gardena house in which they are living has been sold and they will move Saturday to a small house they have built at 1233 South Boynton street.

Mrs. LeRoy Bossmer reports that her husband has reached his old home in Indiana. He left here last Thursday for his annual business trip.

Since then they have been taking in the sights in and around the bay city and are expected home this afternoon.

Mrs. Mayne and Miss Mary Mayne, mother and sister of Mrs. W. C. Mabry of East Acacia avenue who have been her guests, are leaving today for their home in Salt Lake City. They are going by way of Portland where they will visit relatives. Mrs. Mabry's brother, A. H. Mayne and his wife, who have also been her guests, are leaving by auto for Superior, Arizona, near Phoenix.

W. F. Martin of 311 North Jackson street is home for a few days, but will leave shortly for an extended trip East.

Miss Clara E. Boss, who recently sold her place at 321 Myrtle has moved into the cosy 5-room bungalow she had just bought at 215 S. Central avenue.

Members of Troop 2, Boy Scouts, accompanied by Scoutmaster Robinson and his son, leave this afternoon for Sister Elsie Mountain to complete the building of their camp there. They expect to be gone until Saturday.

Mr. and Mrs. A. M. Williams and daughter Dorothy of 208 S. Orange have returned from Catalina after a most enjoyable time. Miss Dorothy will leave Sunday night for Berkeley, this being her senior year at the university.

Mrs. E. W. Dunbar of 136 Franklin Court left Tuesday for San Jose where she will spend a week visiting relatives. It will be a family reunion as other relatives from Lincoln, Neb., and Lindsay, Cal., will be there.

Dr. and Mrs. C. L. Marlenee of South Central avenue joined a party of friends in a trip to Long Beach Sunday where they went on board the battleship Wyoming which they had an opportunity to thoroughly inspect.

Mr. and Mrs. C. D. Miller of N. Central avenue will start this evening by rail to Detroit, Mich., where they plan to buy a new Cadillac to use while there and for the return trip, which will be about September 1st.

Mrs. V. M. Hollister of 416 North Louise and her niece, Margaret Brown, who went to Catalina Saturday, returned Monday night. Mrs. C. A. Redmond of 331 West Harvard and Mrs. W. A. Tanner of 400 North Louise, who have also been at Catalina, are returning today.

Mrs. J. M. Border of 217 North Louise street had the pleasure of a call this morning from old friends whom she knew in Iowa, Mr. and Mrs. A. L. Gambrell, of Chowchilla, Cal. They were on their way to Hemet and expect to take in the Iowa picnic during their stay in Southern California.

Mrs. Wm. Nichols and daughter Harriet of the Monte Vista apartments have gone for a few weeks' visit to Portland, Oregon, stopping on their way to visit Margaret Nichols, who is assistant librarian in Colalinga. They will visit in Shasta Springs and Ashland, then return home by the coast route.

Mrs. E. W. Kinney of 123 West Elk avenue has varied her usual custom and is spending the summer in Glendale instead of going to the beach or the mountains. She and her family have been taking week-end trips to the beaches however and have visited Santa Barbara, Ocean Park, Hermosa and others.

Mr. and Mrs. Oliver Clark varied their customary week-end excursions which are usually automobile trips, by a horseback ride to Coldbrook Camp in the San Gabriel Canyon. Both enjoyed it thoroughly and did not find the after effects as severe as they expected. They are entertaining at dinner Thursday evening, Mr. and Mrs. Brink of Ontario.

Mr. and Mrs. A. A. Barton of North Howard street entertained for the week-end Dr. J. Terrance Williams, a prominent dentist of Denver, his wife and daughter, Leila Maude. The Williamses are touring California and are now in San Diego. The Bartons took them to the beaches, Hollywood and Pasadena, and showed them as much of Los Angeles county as possible.

Well-groomed men are all the go in Glendale.

A Place in the Sun for Your Family Washing

Pure sunlight and fresh air are the greatest of all purifiers and we use much of both in the laundering of your linen. It is an important feature of laundry work, too. Having the washing "done out" by a laundress under conditions which are not always the best is poor economy.

It's safest to send your bundle here where clean, contented and competent folk do your work and where there is plenty of sunlight and fresh air and where everything is spick and span as in your own home. From these wholesome surroundings we return your package finely finished, and fragrant with the odor of cleanliness.

Goodyear Tires for Small Cars Are Popular Because Economical

There is nothing but disappointment in buying cheaply made tires that are announced as wonderful bargains at a few dollars each and then fail after brief terms of service.

Get exceptional mileage at exceedingly low cost in Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, built of Goodyear-selected materials and with Goodyear skill and care.

Due to their precise manufacture in the world's largest tire factory devoted to these sizes, their quality is most economically produced and therefore most economically employed.

If you own a Ford, Chevrolet, Maxwell, Dort or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; ride farther and fare better.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$2350

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$2150

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size \$450 in waterproof bag.....

MAKE it easier to get around and you make *healthier* and *happier* communities. No one any longer questions the worth of the automobile — or begrudges any *legitimate* expense connected with it.

But millions of car owners are rebelling at the idea that running an automobile has got to mean *waste*.

Every now and then you hear a neighbor complain that "he doesn't seem to have much luck with tires."

Send him to us.

The minute a man begins to *question the service* his tires are giving him, he's ready to listen to reason.

Our business is built on the principle that the only way to get better *tire service* is to get *better tires* to start with.

That's why we have taken the representation for U. S. Tires.

U. S. Tires have a reputation for quality. Built up through years of creating better tires. Such as the *straight side* automobile tire, the *pneumatic* truck tire

It is not by chance that U. S. Tires are made by the *oldest* and *largest* rubber concern in the world.

We are proud to represent U. S. Tires in this community.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.
