

Environmental Emergencies: EUCPM support to JEU

15
times EU Civil Protection
Mechanism (**EUCPM**) provided
environmental expertise to UN
Environment/OCHA Joint Unit
(**JEU**) since 2014.

Type of disaster

- Dam stability
- Preparedness
- Chemical contamination
- (Chemical) fire
- Drought
- Earthquake
- Floods
- Tropical cyclone
- Training
- Natural disaster
- Technological disaster

- EUCPM **prepares and responds** to environmental disasters, including incidents that arise as secondary effects of a natural disaster.
- DG ECHO, operating through the EUCPM, is among **JEU's most important partners**.
- DG ECHO's **collaboration** with the JEU has been **constantly increasing** during the past years, raising at a level of **50% of all JEU missions** since 2016.
- DG ECHO supports the organisation and roll-out of **4 Environment and Emergencies Trainings (EET)** from 2017 to 2020.
