Session Title	
Speaker(s)	
Is your session outline ready or you still have something to change?	
How would you like to see your session documented? Is there something we can help you with this?	
What is the follow-up of your session from the previous conferences?	
How did you incorporate with the output of the last conference? What did you change in your session?	
What are the next steps you will take after your session?	
Anything else?
