opening a standing invitation to tender for the resale for export
of sugar held by the intervention agencies of Belgium, the Czech
Republic, Ireland, Spain, Italy, Hungary, Slovakia and Sweden

COMMISSION REGULATION (EC) No 1060/2007

of 14 September 2007

opening a standing invitation to tender for the resale for export
of sugar held by the intervention agencies of Belgium, the Czech
Republic, Ireland, Spain, Italy, Hungary, Slovakia and Sweden

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 318/2006 of 20 February 2006 on the common organisation of the markets in the sugar sector⁽¹⁾, and in particular Articles 40(1)(g) and 40(2)(d) thereof,

Whereas:

- (1) Article 39(1) of Commission Regulation (EC) No 952/2006 of 29 June 2006 laying down detailed rules for the application of Council Regulation (EC) No 318/2006 as regards the management of the Community market in sugar and the quota system⁽²⁾ provides that the intervention agencies may sell sugar only after a decision to that effect has been adopted by the Commission.
- (2) Such a decision was taken by Commission Regulation (EC) No 38/2007 of 17 January 2007 opening a standing invitation to tender for the resale for export of sugar held by the intervention agencies of Belgium, the Czech Republic, Spain, Ireland, Italy, Hungary, Poland, Slovakia and Sweden⁽³⁾. Under that Regulation, tenders may be submitted for the last time between 13 and 26 September 2007.
- (3) It is foreseeable that intervention stocks of sugar will continue to exist in most of the Member States concerned after expiry of that last possibility to submit tenders. In order to respond to the continued market needs, it is, therefore, appropriate to open a further standing invitation to tender to make these stocks available for export.
- (4) Export refunds may be fixed in accordance with Articles 32 and 33 of Regulation (EC) No 318/2006. Community exports to certain close destinations and to third countries granting Community products a preferential import treatment are currently in a particularly favourable competitive position. Therefore, refunds for exports to those destinations should be abolished. Given the link between the granting of refunds and the resale for export of sugar held by the intervention agencies, a resale under this Regulation should neither be foreseen for export to those destinations.

Status: Point in time view as at 21/02/2008.

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EC) No 1060/2007. (See end of Document for details)

- (5) In order to prevent any abuse associated with the re-import or re-introduction into the Community of sugar sector products that have qualified for export refunds, no export refund should be fixed for the countries of the western Balkans.
- (6) Pursuant to Article 42(2)(c) of Regulation (EC) No 952/2006, it is appropriate to fix a minimum quantity per tenderer or per lot.
- (7) To take account of the situation on the Community market, provision should be made for the Commission to fix a maximum export refund for each partial invitation to tender.
- (8) The intervention agencies of Belgium, the Czech Republic, Ireland, Spain, Italy, Hungary, Slovakia and Sweden should communicate the tenders to the Commission. The tenderers should remain anonymous.
- (9) Pursuant to Article 42(1)(d) of Regulation (EC) No 952/2006, the price to be paid by the successful tenderer should be determined by the invitation to tender.
- (10) To take account of the different qualities of intervention sugar, this price should refer to sugar of the standard quality and provision should be made to adjust this price.
- (11) Pursuant to Article 42(2)(e) of Regulation (EC) No 952/2006, it is appropriate to determine the period of validity of the export licences.
- (12) In order to ensure proper management of sugar in storage, provision should be made for a communication from the Member States to the Commission on the quantities actually sold and exported.
- (13) The second paragraph of Article 59 of Regulation (EC) No 952/2006 provides that Commission Regulation (EC) No 1262/2001⁽⁴⁾ continues to apply to sugar accepted into intervention before 10 February 2006. However, for the resale of intervention sugar, this distinction is unnecessary and its implementation would create administrative difficulties for the Member States. It is therefore appropriate to exclude the application of Regulation (EC) No 1262/2001 to the resale of intervention sugar pursuant to this Regulation.
- (14) The quantities available for a Member State that can be awarded when the Commission fixes the maximum export refund should take into account the quantities awarded pursuant to Commission Regulation (EC) No 1059/2007 of 14 September 2007 opening a standing invitation to tender for the resale on the Community market of sugar held by the intervention agencies of Belgium, the Czech Republic, Ireland, Spain, Italy, Hungary, Slovakia and Sweden⁽⁵⁾.
- (15) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

Where awards for a Member State to all tenderers offering the same export refund for one lot would result in that reduced available quantity for that lot being exceeded, that reduced available quantity shall be awarded as follows:
