AWARD PRIZE TO GLENDALE GIRL FOR POPULARITY

Genevieve Mulligan Chosen Favorite of Sophomore Class at College

Among the Glendale students who are making exceptional records at the University of Southern California, Miss Genevieve Mulligan stands out with an extraordinary list of achievements. Her many accomplishments received appropriate recognition last week when she was voted the most popular girl in the sophomore class, and was presented with a beautiful silver loving cup at the sophomore dance held at the Friday morning clubhouse in Los Angeles.

As a member of the class of '22 at the Glendale Union High school Miss Mulligan was prominent in class and student activities, having been president of the orchestra for two years besides taking part in the senior play and other dramatic productions. She is an artist on the violin and has appeared before Glendale audiences on many occasions in solo and trio numbers. Continuing with her musical and dramatic work at the university, she has won distinction for herself during her first two years there, and her ability as an actress and reader has been recognized with membership in Zeta Phi Eta, an honorary dramatic society.

Member of Amazons
 Miss Mulligan has been very active in all campus affairs, having been recently elected to the Amazons, a women's organization that has as its purpose the enforcement of traditions on the campus, and was chosen one of the members of the executive committee for next year. This is the governing body in the student self-government system of the University of Southern California which passes on most of the questions pertaining to student activities and control.

In the sophomore class, Genevieve has been one of the leaders and has held the office of vice president throughout the semester now coming to a close. It was at a meeting of the class that she was nominated with six other prominent sophomore girls for the most popular girl member of the class of '24, and when the names were balloted upon she won that distinction.

Keeps Up Studies
 Miss Mulligan has not allowed her interest in activities to interfere with her studies, however, and has made a remarkable scholastic record as well. She is majoring in public speaking with the intention of further developing her dramatic ability. The Alpha Gamma Delta sorority claims her as a member.

Earl T. Brown's Wedding to Take Place at Close of School Term

Members of the faculty of the Glendale High school are congratulating Earl T. C. because of his active interest in activities on the campus.

The itinerary of the honeymoon trip is being kept a secret, but Mr. Brown said that he expected to spend the latter part of the summer near Arrowhead lake, where he will construct a cabin on property that he has purchased in the vicinity of the famous resort.

Members of both classes were dismissed for the day at 2 o'clock and started immediately for the park by motor car. Special transportation was provided for those who did not have machines.

The program for the afternoon included a wide range of athletic events, besides the regular attractions at the park. An orchestra composed of juniors was taken along to provide jazz music for the benefit of those who spent the afternoon in the plunge.

C. F. Stepler Raps Reports That Comedians' Show Is 'Off Color'

The following self-explanatory communication has been sent to The Glendale Evening News by C. F. Stepler, 404 Ivy street, Glendale, with the request that it be published:

To Whom It May Concern:—This is to certify that I, C. F. Stepler, and family, am at any time ready to swear that the show conducted by Mr. Murphy, in Casa Verdugo, Los Angeles county, known as Murphy's Comedians, is not immoral, nor has there been any immoral singing in the place since it came to Glendale. I have seen every production put on up to date, and am ready to swear that the story going around is propaganda caused to be circulated by persons in a fit of jealousy caused by hoghishness for gain in the business in the city of Glendale.

I will also swear that I, while going to one of these places of business to see a show, was charged the regular fee, but, when I got inside, there was nothing more than standing room. I decided to go out and demanded my money, and was told that if I would wait until after the show was over, I could get my money back. Not having patience and time to wait one hour and a half or two hours to get the refund of such a small amount, I told the party that if they would give me the money that had to keep it, and so they did.

I will also swear that I, as a citizen of Los Angeles county since 1887, have seen more immorality in the motion picture shows on one vaudeville night here in Glendale than there could be in Murphy's show if it runs a year with the same class of show that they have been putting on since they have been in Glendale.

As a show lover I have been to almost all the shows and playhouses in Los Angeles, and can truthfully say that Murphy's show is as clean and as moral as any I have seen in my life.

I also challenge anyone to prove that the shows on vaudeville night at the Glendale motion picture theatres are more moral than the shows shown by Murphy's tent show.

(Signed) C. F. STEPLER, 404 Ivy St., Glendale.

Black and Yellow Colors Chosen for Next Year's Plates

SACRAMENTO, June 13.—Automobile plates for 1925 will carry black numerals on a yellow background, it was announced today by Will R. Marsh, chief of the division of motor vehicles.

Pneumatic-tired trucks and other commercial vehicles, however, will be given plates in which red and white will be the colors. Experts declare that the combination of yellow and black for passenger cars will afford a higher degree of visibility than any other possible combination of colors, far surpassing green and white plates now in use.

Wide ranges of choice are always offered shoppers at the Irish Linen store, and during this big sales event many temptations will be offered shoppers at extremely low prices.

Bargains Offered The sale has been planned in order that various lines may be reduced before the time for inventory.

A large crowd of shoppers, eager to take advantage of the thoroughly honest and most liberal price reductions, was on hand early yesterday morning for the opening day of the sale.

Some of the offerings are to be found in silk goods, gingham, yard goods, domestic dry goods, linen, hoisery, blankets, toweling.

CLASSES DECIDE BASEBALL TITLE

A-7-11 Team Is Champion of Wilson Ave. School After Two Games

The excitement that has prevailed during the seventh grade noon ball schedule at Wilson avenue school reached its height this week when the A-7-II class team carried off the second game in the championship series thereby winning for themselves the school championship in the seventh grade and considerable personal glory.

The A-7-II's beat the A-7-I team, champions of the first series with a score of 7-6 and then outplayed the almost invincible A-7-V team with a final score of 13-11. Charles Caballero, captain of the young champions, pitched both games but states that the victory is due entirely to the splendid support on the part of his men.

The champion team lines up as follows: C—Harold Caballero, p—Charles Caballero, 1b—Walter Hilton, ss—Gwyn Roher, 2b—Teddy Edwards, ss—Edgar Blue, 3b—David Chasse, lf—Elbert Beach, cf—George Miller, rf—Milan Plasterer.

Mrs. Carrie S. MacLennan is class teacher for the victorious A-7-II's.

The faculty at a recent meeting elected the following officers for next year: president, O. McDowell; vice president, Maude Soper; secretary, Miss Veazey; treasurer, Eugene Wolfe.

TEACHERS ENJOY FACULTY PICNIC

Program of Novel Stunts Held at Griffith Park by High School Staff

Casting aside the dignity required of them as educators, the faculty of the Glendale High school journeyed to Griffith park yesterday afternoon to frolic together in the semi-annual faculty picnic, nearly the entire number, which totals over one hundred, taking the outing.

Miss Mary Hairgrove, who was in charge of arrangements for the affair, had planned a novel program to be carried out at the park. A delicious fried chicken supper prepared by the domestic science department under the supervision of Miss Mary Browning was taken to the park and maliciously destroyed at 6 o'clock.

One of the features of the affair was the presentation of gifts from the faculty to four of their number who have announced their intention of departing on matrimonial adventures soon after the close of the school year. Those so honored were Earl T. Brown, Walter Gorman, Howard Butterfield and Miss Vincent.

The faculty at a recent meeting elected the following officers for next year: president, O. McDowell; vice president, Maude Soper; secretary, Miss Veazey; treasurer, Eugene Wolfe.

It's Coolidge and Dawes Talks On 'Americanism' Pathway To Success Some New Features

By Gil A. Cowan

We have with us today "Hell and Maria" Dawes, general, budgeteer, financial adviser to Europe and now nominee for vice president on the Republican ticket.

There will be no end of talk about this Chicagoan stepping in and taking second honors after Frank O. Lowden, former governor of Illinois, absolutely refused to accept the nomination.

General Charles G. Dawes will make himself felt, if and when he meets with the cabinet. He will not sit silently by as an observer. Rather, he will sit by and be sufficiently silent until it is time to say "hell."

And, when the general says that world, his mood tells more than Dr. Nicholas Murray Butler's dissertations, you bet. Yes, the one little word of four letters carries an expression that only those who know the general personally know how to interpret its meaning.

At the Rotary club yesterday noon Attorney Eugene J. Wix excused himself for having to speak. Then he launched into a dissertation on the American Legion which you all should have heard. It wasn't so much about the Legion as it was "Americanism." And he drove home to his hearers the necessity of the public voting when he said that less than 25 per cent of the eligible electors take the time to register and then go to the polls and vote.

"In case of a close contest it means we have the rule of 10 to 15 per cent of the people," said Mr. Wix.

Think of it! Only one out of every eight have their sentiments voiced.

Time something was done, eh? A terrible catastrophe overtook the U. S. S. Mississippi yesterday. Many of its men were killed and others maimed and wounded in two explosions.

But, worse than that, news of the disaster was withheld. It is averred, and only the most meagre reports have been available.

This writer has on past occasions protested the policy of the naval officers in such matters.

Organization—what a wonderful thing. So we were thinking as we glanced through the columns of The Glendale Evening News.

The automobile dealers on their annual high jinks, the Rotary club luncheon, the Ad club organizing, the Optimists, Exchange, Kiwanis, Rotary, Merchants, Realty board, Glendale Advancement association, Chamber of Commerce and so on, for it would take a column to mention each and every one of the civic, social and fraternal organizations of this city.

By an interchange of ideas business men are enabled to cope with their daily problems. They get the other fellow's viewpoint. And it is well.

Organization accomplishes that which individual effort cannot attain, yet all organization must be conducted on such a high plane that it shall think and act as a collective group, not as an individual or clique.

Youthful crime is puzzling the nation, according to a dispatch from Robert T. Small, special correspondent of The Glendale Evening News in New York.

And yet it should not be a puzzle insofar as cause is concerned. The clubwomen could tell the psychologists that.

It is simply a matter of environment, which, in the words of the street urchin, "We ain't got."

Yet the boy of the street has a better environment, perhaps, than the youth of today who is coddled in infancy, allowed to do as he or she pleases in adolescence and runs bang smack up against the hardest, sharpest and fuzziest civilization the world has ever known.

Talking with a youngster yesterday afternoon we found a spark of genius in a boy just twenty who aspires to be a newspaper man. But the spark lacks a lot of becoming a flame.

And no doubt the flame would flicker out unless he takes kindly to it.

First of all, the person who succeeds must acquire knowledge. That may be had in school, or in books, or in life's little lessons.

Second, success demands the utmost in health, and the physical fitness of a person is the determining factor in the continuation of one's course.

Third, the man who does things must have indomitable courage which is bred in knowledge and health.

Fourth, diligence and aptitude, combined with the utmost willingness to keep on learning are essential. Everlasting stick-to-itiveness cannot be discounted in reaching the goal.

Boy and girl graduates of Glendale Union High school will do well to read and reread those four points and keep them ever in mind. And remember, too, that thought cannot be dissipated without moral and physical integration which spells failure.

Two new features in The Glendale Evening News: Uncle Wiggly illustrated comics and "The Baxter Beasleys." You will enjoy them both.

Gene Carr, who does the Beasleys, originated "The Newyweds." It is said. He is also creator of "Lady Bountiful." So look and laugh.

Nearly 400,000 excursionists have been carried by a New Jersey railway so far this year.

WEDDING UNITES POPULAR COUPLE

Dora Wainwright Is Bride Of Wilbur Perkins at Home Ceremony

Miss Dora Wainwright, daughter of Wesley T. Wainwright, of 372 West Doran street, and Wilbur Perkins, son of Mr. and Mrs. G. R. Perkins of 312 East Harvard street, were united in marriage Tuesday night, June 10, 1924, at the bride's home before a company of thirty relatives and friends. Rev. H. I. Rasmus, Jr., assistant pastor of the First Methodist church, was the officiant.

The Wainwright home had been transformed into a bower of spring loveliness. Cecil Brunner roses, and ferns were used in profusion and two large vases of roses placed at the side of a bank of greenery and white flowers formed the setting for the bridal party.

Just preceding the ceremony, Mr. and Mrs. Louis V. Major and son Karl played "Still as the Night." W. J. Meyers sang "At Dawning" accompanied on the piano by Mrs. Major and the Major trio played "I Love You Truly." They also played the Lohengrin Wedding march for the entrance of the bridal party.

Miss Wainwright was attended as maid of honor by Miss Julia Hull. She wore a pink taffeta frock trimmed in gold lace. She carried an arm bouquet of pink sweetpeas and fern.

Miss Wainwright presented a pleasing picture as she entered with her father, Wesley T. Wainwright, who gave her in marriage. She wore a bridal gown of white crepe de chine trimmed in white satin. She carried a shower bouquet of lilies of the valley, white bride's roses and fern.

Mr. Perkins was attended by Gould H. Warren as best man. Immediately after the ceremony a reception was held at the Wainwright home with Mrs. G. H. Brown, a sister of the bride, as hostess. At this time the wedding cake was served with the other refreshments.

Aims of Legion Form Optimist Lunch Topic

The aims and ideals of the American Legion were brought before the members of the Optimist club of Glendale by Eugene J. Wix, commander of District No. 32, at today's noon luncheon of the club, held in the Harriet Mae tea room on East Harvard street.

The meeting was presided over by President Dr. H. R. Boyer, who told of a "Red" demonstration in Vienna two years ago, while he was a tourist in Germany.

A telegram was read from Peter Hanson, delegate of the local chapter to the convention of Optimist International, now in session at Milwaukee, Wis., stating that over 400 delegates were present and that "the only thing lacking is sunshine."

The "Big Brother" committee of the local club will meet with the Girl Scouts' council at the Chamber of Commerce rooms tonight, on invitation of Mrs. W. C. Wichert, secretary.

CLUB WILL HOLD CLASS IN OPERA

Music Department to Bring Lecturers to Talk on Composers' Work

Music Department to Bring Lecturers to Talk on Composers' Work (Continued from page 3) while work undertaken by this department. Members of the program committee for the coming year include Mrs. Young, Mrs. Warren Roberts, retiring curator, and Mrs. Freeman McG. Kelley.

To Discuss Operas They have further decided that one meeting a month will be in charge of a capable instructor, who will take up the discussion of some opera. At the second meeting in the month there will be a program featured by selections from the opera previously studied. The department is to meet on the second and fourth Friday afternoons of the month and a new opera will be taken up each month.

Honor Mrs. Roberts

At the luncheon yesterday the department bade farewell to Mrs. Warren Roberts, who has so efficiently served as curator during the past two years.

Under her leadership the department purchased the grand piano for the clubhouse auditorium and has also given active support to every undertaking of the club and has furnished some wonderful programs to which the club at large has been cordially invited.

Clever Place Cards

Bouquets of yellow and orange flowers furnished brilliant notes in the table decorations. At each place was a cunning little place card, bearing a queer-looking bug, a combination of either yellow or orange crepe paper and a small cricket snapper on long wire legs. These place cards were the clever work of Mrs. Estelle Brain.

During the luncheon hour Mrs. Lang was named to represent the department on the club calling committee for next year. Mrs. Alexander Mitchell was given a few minutes to tell of the work of the Glendale Symphony orchestra, and the women present gave expressions of hearty approval and support of the organization.

Cantor on Program The program given later had been arranged by Mrs. Helen MacMullin, who introduced a group of well known and beloved Glendale artists. Henry Cantor, who has won fame in grand opera work, came from his business in Los Angeles to sing for the clubwomen, and he received a most hearty reception. Accompanied by Alice R. Ripley, he sang an aria from "Pagliacci," "Your Eyes Have Told Me," "For You Alone" and an Italian ballad "Day Banishes the Night."

The dramatic element in the program was introduced by Pearl L. Moore, clever child impersonator, who created most convincing juvenile characters in her recitation of "Mary Jones," "Gee I'd Like to Die," "The Snake" and "The Bear Story."

Festival to Recall Days of Old Spain

SANTA BARBARA, June 13.—Santa Barbara is going to vie with Pasadena in an annual event that will bring thousands of visitors to the Mission city the first two weeks in August. "Old Spanish Days" is the tentative name for a festival now in its inception, but a very lusty infant.

The success of the Tournament of Roses at Pasadena has caused civic leaders to look around for something that will be equally as unique here. Hamilton McPadden, director of the Community Arts association, is sponsoring the idea, originating with the plans for an elaborate ceremonial opening the Lobero Theatre, a home of the spoken drama, which will present "The Beggar on Horseback" as its initial offering.

Daylight Saving for Los Angeles Proposed

LOS ANGELES, June 13.—Daylight saving was approved by the public welfare committee of the City Council and will become effective next Sunday if the unanimous vote of the council approves.

NANCY ST. CLAIR BECOMES BRIDE

Glendale Girl Is Married at Brilliant Ceremony in Tropico Church

Glendale Girl Is Married at Brilliant Ceremony in Tropico Church (Continued from page 3) was transformed into a bower of spring loveliness for the wedding. Palms, ferns and other greenery and a profusion of white bridal wreath and spring flowers were used in decorating the chancel. Special Music Before the ceremony Mrs. Leda Root, sister of the bride, sang "O, Promise Me," and Charles W. Colton, brother-in-law of the bride, sang "I Love You Truly."

For the professional of the bridal party Miss Goldsborough played the Lohengrin wedding march and for the recessional, the Mendelssohn wedding march. Miss St. Clair's maid of honor was her niece, Miss Lucille St. Clair of Bakersfield. She wore a pale green silk crepe frock with over drapes of cream silk lace. She carried an arm bouquet of pink sweetpeas, roses and ferns. Mildred Colton of Glendale, another niece of the bride, was the ring bearer. She wore an orchid organdie frock trimmed with lace and hand embroidery, and carried the golden circlets on a white satin pillow.

Bride's Wedding Gown

Jane Weiskopf, also a niece of Miss St. Clair's, was the little flower girl. She wore a pink organdie frock trimmed in lace and carried a small white basket filled with rose petals which she scattered in the bride's path. Miss St. Clair wore a bridal gown of exquisite beauty. It was fashioned of white mirror crepe satin, made with accordion pleated apron front and trimmed with tiny pearl buttons. She wore a wedding veil fastened in place with orange blossoms. The bridal bouquet was a shower of white bride's roses and lilies of the valley. She was given in marriage by her father, Dr. Harry St. Clair.

Leave For Honeymoon

Later, Mr. and Mrs. Almqvist left by automobile for a trip to San Francisco and vicinity. For traveling, Mrs. Almqvist wore a chic sport suit in tan and artichoke green with green hat to match. Both Mr. and Mrs. Almqvist have countless friends in Los Angeles and Glendale who are wishing them great happiness.

BACK FROM LONG EASTERN JOURNEY H. G. Davis Rejoins Selling Force of Reo Branch in This City H. G. Davis has just returned to this city from a thirty-day trip to Chicago, and wishes his many friends to know that he is again with the Glendale factory branch of the Reo Motor Car company of California at 126 South Orange street, where he has been employed as salesman since the opening of the branch in January.

DEALERS RETURN AFTER HI JINKS Automobile Men Frolic on Annual Excursion to Mountain Resort (Continued from page 3) trout, and all agreed that it had been a wonderful, monumental party. While they had been in a hurry on the way up, on the return trip they loitered, stopping at many of the attractive orange inns along the road. Lands Big Trout One of the largest trout was brought back by M. B. Towman, secretary of the association. It weighed just two and a quarter pounds. Many of the dealers brought back catches that included fish just under the two-pound mark.

Friendly Spirit Lyman P. Clark, president of the Glendale Automobile Dealers' association, expresses himself thus on the trip: "One of the best things in our association is the spirit of personal friendship existing among the dealers, which makes possible and is fostered by these annual HI Jinks. There is scarcely a business where co-operation is more essential than in the automobile business. We must put up a solid front to be of any real service to the public, which means success for us. We now have eighteen dealers in the association, and by next year I look to see the Glendale Automobile Dealers' association recognized as one of the most potent and effective organizations in Southern California, working together with a smoothness made possible by the spirit of friendliness manifested in such gatherings as this from which we have just returned."
