Community Chest and Red Cross Campaign In Fukushima Prefecture — 1949 —

Community Chest and Red Cross Campaign was carried on for a month since Okt. 1st through the country and the results on Nov. 29th have been shown in an other table.

Our prefecture was the 1st one in the country that touched its marked sum. This honour gained by prefectural people's passion might be a great excitement to promoting the movement.

In carrying out our program this year it was put on a main point that understanding of social work should be penetrated into prefectural people's daily lives. For the purpose it was taken various ways especially for youth a council of students and council of young men were held discussing a problem of volunteering. Through the social work education it was expected young men's devotion to our program.

This year the following materials for publicity were ready:

Red Feather	625.000	feathers
Receipt Paper for Donors	400.000	Sheets
Poster	7.107	"
Sticker (?)	3.300	"
Slide	1.100	slides

Total	20,000,000.00	21,996,374.81	109.98

Note: This prefecture came in first in the national drive of the Community Chest by attaining the highest percentage, 109.8 percent of the target of 20,000.00 yen which totalled 21,962,804.65.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

Distribution of Relief Goods by LARA.
in Fukushima Prefecture.

[A] On March 24th of 1947, a survey of social work institutions (public and private) suitable for the following points in our prefecture was carried out by prefectural officials:

(a) No matter wether nationality, faith and political party of an administor of social work institution (public and private) and its clients.

(b) Kinds of institution:

1. Child welfare institution.
   (children's Home, daily nursery and others)
2. Institution for war-victims and repatriates.
3. Free (mainly) sanatorium.
4. Saisei-Kai Hospital, Red Cross Hospital and public hospital having pediatrics.
5. Other social work institutions considered suitably.

(c) Above mentioned institutions should be managed smoothly on a ground of sure finance, and its administrator and representative should keep social trust.

Consequently the following 18 institutions were recommended by our governor as suitable ones receiving relief goods by LARA.

1. Notre Dame Monastery.
2. Fukushima Aiiku-En (Children's Home)
3. Notre Dame Monastery Dispensary.
4. Saisei-Kai Dispensary.
5. Kuntō-En (Home for Juvenile Training and Education)
6. Mothers' Home of Fukushima Women's Hall.
7. Fukushima Red Cross Hospital.
8. Fukushima Women's Medical Professional School.
9. Tōhoku Shōnen-En (Juvenile Reformatory).
10. Shirakawa Boy's Training Institution.
11. Fukushima Keifu-En (Home for the Aged).
12. Prefectural School for the Blind and Deaf Children.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

13. Kōriyama Blind Children's School.
14. Aizu Blind Children's School.
15. Taira Blind Children's School.
16. Fukushima-Ryō (a groups of houses for war-victims and repatriates).
17. Asaka-Ryō (" do ")
18 Aizu-Ryō (" do ").

[B.] On May 2nd of 1947 the first distribution of LARA Relief Goods (food, medicine, soaps and others) was taken to 18 institutions.

Afterwards its distribution has been continued to the present.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NND NO. 775013

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNJ NO. 77-5013

Transmission of Tidal Wave Warning and Evacuation Plan

Fukushima Prefecture

1. A tidal wave warning will be transmitted not only to the agencies concerned by an urgent wireless telegraph and telephone but to the general public in the dangerous areas through the Radio stations and newspaper companies.

2. Transmitting method of a tidal wave warning.
As indicated in the attached transmission table, an alarm will be transmitted most quickly. In case of suspension of the urgent telegram and telephone and other communication systems, the disaster relief party branch in order to seek safety will notify the people in the area of the pressing danger by their own measures.

3. Refuge Plan.
The people will take refuge in accordance with the refuge plan of the relief party branch. In this case a speciesl attention shall be paid in the following points.
(1) Selection of shelters.
a, In case of evacuation from dangerous areas, shelters shall be settled in communicable places to have contact with the neighboring villages and be in such a high place that an urgent cooking are carried out.

b. When the situation is considered to be so pressing that taking refuge to designated places is impossible, in order to prevent disorder, each party shall take such measure as the occasion demands.

c. Each shelter shall have the number limit and be occupied by the designated village. The people in the area shall be notified of the above matter.

(2) Pre-arrangement of the refuge route.
In case of the attack of a tidal wave, in accordance with the directions of the leader who is appointed by the chief of the party branch, the people of each village shall take refuge following the safest route which has been projected in cosideration of the condition of villages and the lay of the land.

4. Emergency relief.
Before the attack of a tidal wave, the person in charge of each relief party branch shall take measures to secure a supply of food and made plan to carry out an emergency cooking.

telegram and telephone and other communication systems, the disaster relief party branch in order to seek safety will notify the people in the area of the pressing danger by their own measures.

3. Refuge Plan.

The people will take refuge in accordance with the refuge plan of the relief party branch. In this case a speciesl attention shall be paid in the following points.

(1) Selection of shelters.

a. In case of evacuation from dangerous areas, shelters shall be settled in communicable places to have contact with the neighboring villages and be in such a high place that an urgent cooking are carried out.

b. When the situation is considered to be so pressing that taking refuge to designated places is impossible, in order to prevent disorder, each party shall take such measure as the occasion demands.

c. Each shelter shall have the number limit and be occupied by the designated village. The people in the area shall be notified of the above matter.

(2) Pre-arrangement of the refuge route.

In case of the attack of a tidal wave, in accordance with the directions of the leader who is appointed by the chief of the party branch, the people of each village shall take refuge following the safest route which has been projected in cosideration of the condition of villages and the lay of the land.

4. Emergency relief.

Before the attack of a tidal wave, the person in charge of each relief party branch shall take measures to secure a supply of food and made plan to carry out an emergency cooking.

5. Evacuation paln of village office, schools, plants, hospitals, and other facilities.

Making the most of shrines, temples, inhabitants' houses and other buildings in the safe area, the evacuation plan shall be established.
