COMMENT

OCCUPATION FORCES: REPORT OF INCIDENT AT MIKAWA WITH BRITISH TROOPS.

Fukuoka: There will be no reduction of special income tax on the National Loan interest payments. This law has been effective since 1 Aug 45. Reduction of classification and aggregation income taxes will continue as they have been.
Omuta: All right.
Fukuoka: I overheard someone talking on the phone about Occupation Forces. What were they talking about ?
Omuta: Two or three British soldiers came into our branch bank at Mikawa with notes such as Formosa notes, Korea notes, and War notes and demanded payment in Yen. When the clerk refused to exchange them they threatened with pistols.
Fukuoka: How many English soldiers landed at Mikawa ?
Omuta: I don't know.
Fukuoka: Did you report this incident to Occupational Forces Headquarters in Omuta?
Omuta: No.
Fukuoka: You should report a case like that right away. We have a connection with the Occupational Forces Headquarters and we think they already are aware of the incident.
