

War Minister's Address Dliivered to the
Newly Appointed Chiefs of Prisoners of
War Camps, at the Ministry of War, on June
25, 1942.

1630

GENERAL HEADQUARTERS
SUPREME COMMANDER FOR THE ALLIED POWERS
INTERNATIONAL PROSECUTION SECTION

MEMORANDUM

29 August 1946

TO: Investigative Division - Attention: Mr. Monaghan
FROM: G. S. Woolworth
SUBJECT: Evidentiary Document No. 1630

Attached hereto is Evidentiary Document No. 1630, which is a copy of "War Minister's Address Delivered to the Newly Appointed Chief of Prisoner of War Camps," at the War Ministry on June 25, 1942.

The testimony of several witnesses indicates that the instructions were actually given at a meeting of newly appointed commanders of prisoner of war camps held on July 7, 1942, and that TOJO, himself, was not present at the meeting, and that the instructions were read for him by General UEMURA, then head of the Prisoner of War Management Bureau and the Prisoner of War Information Bureau.

Will you please investigate this matter at the Central Liaison Office and obtain a certificate of authenticity for the document, together with a statement as to when the meeting was actually held and the instructions of the War Minister given.

G. S. Woolworth

1630
War Minister's Address Delivered to the Newly Appointed
Chiefs of Prisoners of War Camps, at the Ministry of War,
on June 25, 1942.

It gives me great pleasure that you have been appointed
Chiefs of Prisoners of War Camps and are starting for your res-
pective posts soon.

In Japan, we have our own ideology concerning prisoners of
war, which should naturally make their treatment more or less
different from that in Europe and America. In dealing with them,
you should, of course, observe the various Regulations concerned,
aim at an adequate application of them, and evince the fair and
just attitude of the Empire vividly for abroad as well as at home.
At the same time, however, you must place the prisoners under strict
discipline and not allow them to lie idle doing nothing but eating
freely for even a single day. Their labour and technical skill
should be fully utilized for the replenishment of production, and
contribution rendered toward the prosecution of the Greater East
Asiatic War, for which no effort ought to be spared. You are spe-
cially desired to take into consideration the characteristic nature
of your places of appointment and make the local populace realize
the superior traits of the Japanese nation through the correct
treatment of prisoners of war, impressing upon their minds the unique
privilege and honour of having been born as Japanese subjects under
His Majesty's gracious reign.

Keeping these things in view, you will always be awake to the
gravity of your responsibility, tighten your control of subordinates,
and make every effort to fill your duty to perfection.

INSTRUCTIONS OF THE WAR MINISTER, HIDEKI TOJO,
TO THE NEWLY-APPOINTED COMMANDERS AND OFFICIALS
OF THE POW AND CIVILIAN INTERNEE CAMPS.

omitted from
final draft

I am very glad to see you who have been newly-appointed as the commanders and officials of POW (and Civilian internee) camps and who are going to leave for your new posts very soon.

[Our country has a different conception of POWs and consequently different methods of treatment compared with those of the United States and the European nations.]

So in treating the POWs and (Civilian internees), you must abide by the laws and regulations and apply them fairly and properly so that it will enhance and exhibit the prestige of our Empire; ^{at home & abroad} on the other hand, you must supervise them rigidly as much as humanity permits and not let them remain idle even for a single day so as to utilize most effectively their man-power and technical ability for the expansion of our industries and on behalf of

the Greater Eastern Asia War.

Moreover, considering the characteristics of the various localities,
[you must make the local people recognize the superiority of the ^{Yamato race} Japanese people
through the treatment of POWs ^{as well as to} and make them conceive it as the great favour
^{that they are able to collaborate with the Imperial Army in doing their best to establish}
of the Emperor and think ~~it the greatest honour~~ of the subjects of the Japanese
Empire.] *the Greater East Asia Co-Prosperity Sphere.*

(You must respect the aforementioned ideas and perceive the great respon-
sibility of your duty, and) ^{considering} the importance of the aforementioned
points and your great responsibility, you must lead your subordinates strictly
and properly and execute your duty to the utmost.

Instructions of War Minister
Hideki TOJO to the Newly-Appointed Commanders of the
Prisoner of War Camps

"It is very pleasing to me to hear that you who have been newly-appointed as commanders of prisoner of war camps are going to leave for your respective new posts very soon.

Our country has a different conception of prisoners of war and consequently has different methods of treatment compared with those of American and European nations.

So, in treating the prisoners of war at home and abroad, you must abide by the laws and regulations and apply them fairly and properly so that it will enhance and exhibit the prestige of our Empire. But on the other hand, you must supervise them rigidly insofar as you do not become inhuman, and not let them remain idle even for a single day, so as to utilize most effectively their manpower and technical ability for the expansion of our industries and to contribute to the execution of the great Eastern Asia War.

Moreover, considering the characteristics of the various localities, you must make the local people recognize the superiority of the Japanese people through the treatment of prisoners of war as well as make the local people conceive it as the greatest honor that they are able to collaborate with the Imperial Army in establishing the Greater East Asia Co-Prosperity Sphere.

Considering the importance of the aforementioned points and your great responsibility, you must lead your subordinates strictly and properly and execute your duty to the utmost."

Address of instructions given to the newly-appointed
heads of POW camps by War Minister

July 7th, 1942

At War Ministry Building

I wish you joy on the occasion that you, newly-appointed as heads of POW camps, are going to leave for your respective new post.

This country has different way of looking at war prisoners from the western countries. As regards the treatment of prisoners, therefore, there are various points of contrast between the two.

You should deal with the affairs of POW positively in accordance with the provisions concerned and set a fine example showing Japan's just attitude ^{at} home and abroad. On the other hand, it is your duties to maintain strict discipline among the prisoners so far as it is not against humanity, and make efficient use of their labour and special ability instead of having them live in idleness for boosting our producing capacity. Thus you should do your best to contribute to ^{the persecution of} ~~waging~~ the Greater East Asia War.

At this time, in the light of the characteristics of your post, you should have the ^{native} people there comprehend the superiority of the Japanese race or Yamato race through the treatment of POW as well as to have them awaken to it really being the greatest honour that they would collaborate with the Japanese in establishing the Greater East Asia Co-Prosperity Sphere.

Laying the above-mentioned purport to heart, you should become
~~conscious~~^{conscious} of the importance of your duty, strictly control over your subordi-
nates, and try hard to fulfil your duty.
