Open Science Fellows Program

- 10 Fellows & 5 Mentors in 2016
- Higher education (PhD, Post-docs)
- Focus: Training for young academics on principles and practices of Open Science
- Theory of change: The fellows will incorporate Open Science into their own work, and will then in turn act as ambassadors for Open Science in their scientific institutions

WikiEducationProgram @WikiEduProgram · Jun 4

Thank you @wikimedia_am for hosting this year's meeting for Wikipedia education program leaders.

WikiEducationProgram

@WikiEduProgram

News and updates from The Wikipedia Education Program; Real-world impact for students and educators as they contribute to Wikipedia in an academic setting.

Merci!
