

on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

- No. 1. Certificate of the Opium now advertized for sale.
- No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on

application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Where the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

*Post Master General, N. W. P.*

**STAGING BUNGALOW RULES.**

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Teenta in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one half the accomodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted, the Traveller who choses to order it must defray the expence in addition to other charges.

NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions, viz :

Produce of Behar Agency, Chests, 2,085  
Ditto of Benares, ditto, ..... 865

Total Chests,..... 2,950

**CONDITIONS OF SALE.**

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3d. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall

be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below:

livered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

"Opium applied for at any one time shall not be  
"taken on account of the French Government by

Fort William, Financial Department,  
the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the

Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal Madras and Bombay, to the extent of  $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Specify whether the money } was in coin or otherwise, }	Amount.			The nature of the duty on which the Officer was employed with the date, place and particular circumstances, which occasioned such loss, to be distinctly specified, and if the claim be made in England, the reason why it was not preferred at the Station, where the loss occurred, should be stated.

(To be signed by the Officer making the claim, \_\_\_\_\_)

I certify, that the particulars stated in the above Certificate are, to my knowledge, correct.

3. A Certificate from the person who has received the money, to prove that the claimant has replaced it.

If in any case the claimant cannot replace the money lost, without first receiving an allowance from the public to enable him to do so, an explanatory Certificate to that effect should be produced; and in all such cases the amount of the allowance which may be granted, instead of being issued to the claimant, will be applied to the discharge of the just demands which the Regiment or individuals may have on account thereof.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

*Post Master General, N. W. P.*

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

H. B. RIDDELL,

Post Master General, N. W. P.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious bid-dings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. 14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

19th. It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August,

September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON,  
Secretary.

Govt. Book Agent.

Govt. Book Agency, 31st August, 1849.

*Under the Patronage of the Government of India.*  
(Compiled by THOS. C. FENWICK.)

AN INDEX to the *Unrepealed Enactments of the Government of India*, from 1793 to March 1849, inclusive, to be completed in three Parts—**CIVIL, CRIMINAL and REVENUE**. *Part I. CIVIL*, containing 240 closely printed quarto pages, is JUST PUBLISHED. *Part II. CRIMINAL*, will be published by the end of January 1850, and *Part III, REVENUE*, by March of the same year.

The work is compiled on the plan of Dale's Index, and contains all the unrepealed portions of that work. The Epitome of the subsequent Enactments has been embodied, with considerable labour, from the Regulations and Acts themselves. The first portion of the work has received the approbation of several gentlemen in the Civil Service, at present holding high appointments in the Presidency, who have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the price will be 12 Rs. for each Part. To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Should the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found to be extremely moderate, especially when it is remembered that Dale's Index, which extends only to 1828, is offered even at the present day, for 32 Rs. a copy.

**ALSO JUST PUBLISHED.**

The Regulations and Acts of the Government of India, relating to the Military Service of the East India Company, attached to the Presidency of Fort William, and doing duty

within or without the Company's Territories, or beyond Seas, from 1793 to March 1849, inclusive, including the last Articles of War. The whole accompanied with a copious Index, containing altogether 200 quarto pages, price 8 Rupees.

This work is equally useful to Collectors and Magistrates as to Military men, and the price has been fixed with a view to make it available to the lowest grade of Officers, both Civil and Military.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,

JAS. SUTHERLAND, Secy.

Fort William,

Marine Superintendent's Office, }  
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Next Sandy Hill to North, . . . . . N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Oriza, or off the SANTAPILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks

for the guidance of all Mariners who may navigate the Coast of Orixá, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.  
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shallowest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky

bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,

Master Attendant.

NOTIFICATION.

Fort William, the 8th October, 1849.

NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions, viz:

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto, .....	865
Total Chests, .....	2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be deemed on the part of the purchasers at this

Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in

Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below:

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to

himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON,  
Secretary.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are

requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours, after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chuses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.  
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. by N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E to S. 57° E and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings

from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

Master Attendant.

FRED. J. MOUAT, M. D.,

Govt. Book Agency, 31st August, 1849.

Govt. Book Agent.

*Under the Patronage of the Government of India.*

(Compiled by THOS. C. FENWICK.)

AN INDEX to the *Unrepealed Enactments of the Government of India*, from 1793 to March 1849, inclusive, to be completed in three Parts—**CIVIL**, **CRIMINAL**, and **REVENUE**. *Part I. CIVIL*, containing 240 closely printed quarto pages, is **JUST PUBLISHED**. *Part II. CRIMINAL*, will be published by the end of January 1850, and *Part III. REVENUE*, by March of the same year.

The work is compiled on the plan of Dale's Index, and contains all the unrepealed portions of that work. The Epitome of the subsequent Enactments has been embodied, with considerable labour, from the Regulations and Acts themselves. The first portion of the work has received the approbation of several gentlemen in the Civil Service, at present holding high appointments in the Presidency, who have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the price will be 12 Rs. for each Part. To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Should the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found to be extremely moderate, especially when it is remembered that Dale's Index, which extends only to 1828, is offered even at the present day, for 32 Rs. a copy.

**ALSO JUST PUBLISHED.**

The Regulations and Acts of the Government of India, relating to the Military Service of the East India Company, attached to the Presidency of Fort William, and doing duty within or without the Company's Territories, or beyond Seas. From 1793 to March 1849, inclusive, including the

last Articles of War. The whole accompanied with a copious Index, containing altogether 200 quarto pages, price 8 Rupees.

This work is equally useful to Collectors and Magistrates as to Military men, and the price has been fixed with a view to make it available to the lowest grade of Officers, both Civil and Military.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,  
*Post Master General, N. W. P.*

**STAGING BUNGALOW RULES.**

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure	Amount Paid.	Remarks.

2 Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tattoes are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

No. 4177.

**Light Abreast the Santapillay Rocks.**

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,  
JAS. SUTHERLAND, Secy.

Fort William,  
Marine Superintendent's Office, }  
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse, ..	N. 60° W.
Santapillay Village with the highest dis- tant Peak, a little open to the North, }	N. 55° W.
Next Sandy Hill to North, . . . . .	N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

**NOTICE TO MARINERS.**

**SAILING INSTRUCTIONS** as a guide when Ships or Vessels are on the Coast of Orixia, or off the **SANTAPILLAY ROCKS.**

1. Whereas a recent survey of the **SANTAPILLAY ROCKS** under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and

Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixia, and the Bay of Bengal.

2. The Santapillay Rocks are in  
Latitude 17° 59' 25" N.  
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part, on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 13° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,  
Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the

sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

H. B. RIDDELL,  
Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

Madras Marine Board Office, 22nd October 1849

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles

Bearings from the Rock.

Next Sandy Hill to North, . . . . . N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orixia, or off the SANTA-PILLAY ROCKS.

1. Whereas a recent survey of the SANTA-PILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixia, and the Bay of Bengal.

2. The Santapillay Rocks are in \*  
Latitude 17° 59' 25" N.  
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in

length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found  $10\frac{1}{2}$  feet on the shoalest part; on the Eastern side 7 and 10 fathoms, and on the Western limit  $10\frac{1}{2}$  fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S.  $56^{\circ}$  E. to S.  $57^{\circ}$  E. and Santapillay Peak was bearing N.  $43^{\circ}$  W., the "Hugh Lindsay" was anchored in  $9\frac{1}{2}$  fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast  $3\frac{1}{2}$  miles—Latitude by an indifferent observation  $18^{\circ} 1' N.$

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and  $9\frac{1}{2}$  fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found  $10\frac{1}{4}$  and  $10\frac{1}{2}$  fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef, but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and  $9\frac{1}{2}$  fathoms within  $\frac{1}{4}$  of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N.  $50^{\circ}$  W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. EIDEN,  
Master Attendant.

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

Post Master General, N. W. P.

**STAGING BUNGALOW RULES.**

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks

2. Every European Traveller and every Traveller by Dâk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chuses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Next Sandy Hill to North, . . . . . N. 40° W.

The following information is furnished by Captain Bideu, Master Attendant at Madras, who surveyed the Rocks in 1816.

**NOTICE TO MARINERS.**

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orixia, or off the SANTAPILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixia, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.  
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of a mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ½ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,  
Master Attendant.

**IN HINDUSTANI.**

By DR. F. J. MOUAT. F. R. C. S.,  
etc. etc. etc.

The present work is published as a companion to the  
Atlas, and will form a complete Manual of Anatomy for  
the Students of the Military Class attached to the Medical  
College.

It will consist of the following parts, each complete  
in itself.

- Part I. The General Anatomy of the Tissues.
- II. The Bones and Ligaments.
- III. The Muscular System.
- IV. The Vascular System, including Arteries,  
Veins, and Lymphatics.
- V. The Nervous System.

- VII. The Viscera of the Chest, Abdomen, and  
Pelvis.

Each part will be stitched in a separate cover, and a  
General Index to the whole will be published upon the  
completion of the work.

The four first parts will be translated from the new  
edition of Quain's Elements of Anatomy, by Dr. Sharpey,  
and Professor Richard Quain—the best and most correct  
authority in the English Language.

The three last are already prepared for the press, and  
will appear first, commencing with the present issue.

The whole will be illustrated by drawings on stone, and  
brought up, as nearly as can be accomplished, to the

standard of the most recent and approved anatomical text

(Compiled by THOS. C. FENWICK.)

AN INDEX to the *Unrepealed Enactments of the Govern-  
ment of India*, from 1793 to March 1849, inclusive, to be  
completed in three Parts—CIVIL, CRIMINAL and REVENUE.  
*Part I.* CIVIL, containing 240 closely printed quarto pages,  
is JUST PUBLISHED. *Part II.* CRIMINAL, will be pub-  
lished by the end of January 1850, and *Part III.*, REVENUE,  
by March of the same year.

The work is compiled on the plan of Dale's Index, and  
contains all the unrepealed portions of that work. The  
Epitome of the subsequent Enactments has been embodied,  
with considerable labour, from the Regulations and Acts  
themselves. The first portion of the work has received the  
approbation of several gentlemen in the Civil Service, at  
present holding high appointments in the Presidency, who  
have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the  
price will be 12 Rs. for each Part. To those who may  
subscribe to one Part only, the price will still be 12 Rs., pro-  
vided the Part subscribed for, does not exceed 240 pages.  
Should the pages exceed that number, an extra charge of 4  
annas for every 5 pages will be made. Non-subscribers  
must be prepared to pay something more. Subscribers to both  
the unpublished portions of the work may obtain the Part  
published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found  
to be extremely moderate, especially when it is remembered  
that Dale's Index, which extends only to 1828, is offered  
even at the present day, for 32 Rs. a copy.

ALSO JUST PUBLISHED.

The Regulations and Acts of the Government of India,

last Articles of War. The whole accompanied with a copious  
Index, containing altogether 200 quarto pages, price  
8 Rupees.

This work is equally useful to Collectors and Magistrates  
as to Military men, and the price has been fixed with a view  
to make it available to the lowest grade of Officers, both  
Civil and Military.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of  $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.
