A fiberal daduction will be made to these who contract by the year, No su secription from the country will be received unless an agent in this city be designated, to whom application may be regularly made for payment. Letters thust in all cases be post-paid.

## Miscellaneous.

A Philadelphia paper says, that there is every reason to believe that North Carolina will vote for Judge White for the Presidency. We should like to know how the editor obtained his information. We believe there is "every" reason but one, which is merely that North Carolina will have mainly for Van Buren - Withington (N Vive a large majority for Van Buren .- Webnington (N. C.) People's Press.

The popularity of General Harrison at home, may be correctly estimated upon rhading the following from 

President through all the dog days. He is eulogised and worshipped a palled through the streets by his newly collared forces. Juggernaut like; fed feasted, and flattered, yet he could not be elected to the State Legislathre, from the county if which he resides a station to which trom the county in which he resides and was beaten by a hyang lawyer scarcely known to the citizens, except that he was an industricus cake-seller, of good sense, and was not above wheeling a wheel barrow."

THE MEDITERRANEAN SQUADRON. The Malta Gazette, of the 8th of July, mentions that the American squadron, consisting of the Delaware ship of the Jing, the Potomac frigate, and the Shark schooler, under the con mand of commidder Patterson, had been lying within sight of the part for some days. The Delaware af terward sailed for Tripoli with the American consul gen oral and family. A smoot shock of an earthquake was ex-perienced at via them the 30th of June, but no damage is said to have been sustained by it.

STEA 4-BOAT EXPLOSION. A shocking accident, heriended with immentable loss of life occurred at Greenock, on the evening of the 24th of July. The Earl Grey, steamer, was lying at the Qany, on her way from Rothsay to Glasgow. The steam, it is said, was forced up, to prepare for a race with the Clarence the appointed time.

steamer, when the whole roof of the holler, the funnel, ca.

The price for pa bin and deck, were blown up into the air, and the beams planks and fragments scattered over the quay and into the river. There were about forty persons on board at the time of the accident, and the papers give the names of thirty two who were cittle killed or injured. This melanchily occurrence had created a very great sensation in

ARTHUR TAPPAN IN DANGER.

Menra Printers—On the way routh, a few days past,
I met a stage full of passengers, bound north. Two of
the gentlemen, with whom I am acquamated, walked a
short distance in the road, while the driver was changing They came near the barouche in which a gentlenorses. I noy came near the paradone in which a gentle-man ind myself were sifting; after the usual salutations, I asked what business took them to the north? They re-I asked what business took them to the north? They replied in a low tone of voice they were going to bring Arthur Tappan to the South VERITAS [Keep a look out, Arthur—a large reward is offered to you—before you are aware you may be boxed ]—Whig.

A letter from Vicksburg states that the chief man of the gamblers had returned there a few days before for the ourgamblers and sections there are a section to pose of removing his family; but that after having entered his house, a beautiful building, he became so much alarmed, that in a short time he absolutely died of the fright.— N. Y. Jour. of Com.

The following paragraph, being an extract of a letter

time tollowing paragraph, being an extract of a letter from Mr Rogerson, of the toyal observatory. London, was published in the Bristol (Eng.) Gazette of June 13th.]—16. The contect of Halley now artests the attention of the astronomical world. It is making its way towards the san and also the earth. It is now in the neighborhood of Jupiter, but as yet invisible even to a good telescope. I extend this comet will be seen by assisted vision in July and poet this comet will be seen by assisted vision in July and August, and become visible to the naked eye in September. It will be nearest the earth about this 5th or 6th of October, and in its perihelion or nearest point to the sun, about the 4th of November. It may be expected to be a aplendid object from the end of September to the middle of October. Its revolution is about 76 years—was last seen in 1759—having been observed also in 1632. When the met is nearest the sunit will be an equal distance with Venus from the luminary—and when at its great at du-tance from the sun it will be almost twice he far off as the Georgium Sidus.

Hon. Richard M. Johnson.—As any thing appertaining to this distinguished individual and invaluable public servant is interesting to the democratic party throughout the which he recently declared at a public meeting held in Cyntuana, Ky. They embrace the essentials of democracy—They are the great principles which we wish to be advocated and subtained; and they campt but be read with pleasure by all true republicans.

He disapproved of measures leading to consolidation or disunion.

He disapproved for measures leading to consolidation or disunion. country, the following is an epitome of his sentiments which he recently declared at a public meeting held in Cyntinana, Ky. They embrace the essentials of democracy—

He disapproved the attempts to stop the mail on Sun -leave that to the consciences of men and women H da pproved of imprisonment for debt (the Indian Eaught no b av r in [a] )

He disapproved of all monopolies—equality of right

an I privileges he confind d for.

He disapproved of the Bank of United States, in taking part in our elections—a fore emy had as much

H disapproved of the licentiqueness of the press but he much more disapproved of any legal check or restraint upon it-il might endanger the liberires of the people. Be disapproved of any qualific tions but age and residence in a voter at the polis. Hadisapproved of any property qualifications in a voter

He disapproved of all distinctions in society, but from personal merit.

He disapproved of opposition to laws by violence and relistance. The ballot-box was the place; better to sub-mit to a bad law antil repeated, than use force. He disapproved of the irresponsible tenure by which our iddges hold their offices—the constitution should be

-or for office of any kind.

He disapproved of the abuse of men in our country disnguished for talents, services and patriotism, no matter

what party.

He disauproved of the principle of being governed by the madity. It is the principle of monarchy—if we cannot true the majority, we esting the minority.

He disapproved of long sessions of congress, and long

aperches any where.

He disapproved paying members of congress by the day;
let the work by the job. The people will see that the

work is well done.

He dis up oved of the power of the federal judges to de-lare tate laws unconstitutional; it may sometimes suffer arrevil, but it is itself a greater evil; Hadisapproved of that part of the constitution which makes the senatorial term six years—the more irresponsible

the power, the more dangerous the liberty. Such are the mentiments of the democratic candidate for the vice-presidency. They do honor to his heart and
