

THE PRESIDENT'S MESSAGE.

The President's message to Congress, delivered on January 1, 1886, addressed the state of the Union and the progress of the nation during the past year.

The message discussed the economic conditions, the status of the Freedmen's Bureau, and the progress of the Reconstruction process in the Southern States.

The President highlighted the achievements of the past year, including the successful completion of the Freedmen's Bureau and the progress of the Reconstruction process.

The message also addressed the challenges facing the nation, including the economic depression and the political divisions in the South.

The President concluded his message with a call for continued unity and progress for the nation in the coming year.
