SEEDS, BULBS AND PLANTS can now be sent by Parcel Post at the regular zone rates.

We mail free of charge all seeds purchased by the packet or ounce, but when ordered in larger quantities customers pay cost of transportation.

Fluids and poisonous insecticides are not mailable.

NURSERY AND GREENHOUSE DEPARTMENT.

EVERGREENS. April and May; also in August and early September, during a wet period.

HARDY PERENNIALS. April, May, August and September.

SHIPPING DIRECTIONS AND TIME OF DELIVERY. Please specify at time of ordering whether goods are wanted by freight or express, also desired approximate date of delivery. We shall use our best judgment in these matters when definite instructions are not given.

PACKING FREE. Customers in comparing prices should note that we do not charge for boxes and packing; nor for delivery to any Express, Freight, or Steamship Line, in Boston.

COMPLAINTS. No complaints will be considered that are not made within ten days after receipt of stock.

NON-WARRANTY. We do not give as to description, quality, productiveness or any other matter, any warranty, express or implied, of any seeds, bulbs, plants, insecticides, fungicides, or fertilizers, which we send out. If the purchaser does not accept the goods on these terms, they are at once to be returned.

CASH WITH ORDER. We decline sending Trees, Shrubs, and Plants "Collect on Delivery," but we will ship by Express C.O.D. when desired, provided 50 per cent. of the amount of the order accompanies the same as a guarantee. Said guarantee is only required from parties with whom we have insufficient business acquaintance; it does not apply to our regular credit customers.

Our Nurseries are inspected by both State and Federal Inspectors, and all shipments of nursery stock have their certificate attached.
