Enclosures.

9th June, 1933.

Dear Sir,

S. With reference to the classification in this Society's Register Book of the steamer "TOSCA", I beg to acquaint you that the Committee have had the case of this vessel before them at their meeting to-day, together with a communication from the Society's Surveyors at Southampton, from which it appears that the vessel is now laid up at that port.

In the circumstances, and in view of the fact that the year of grace allowed for the completion of the Second Special Survey No.3 expired at the end of last month, I am directed to say that the Committee are agreeable to the vessel's class remaining undisturbed for the present, whilst laid up, subject to the conditions set forth in the enclosed form of undertaking, which I shall be glad if you will kindly sign and return to this Office.

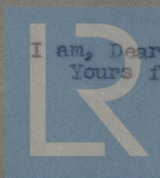

A duplicate copy of this form is also enclosed for your files.

I am, Dear Sir,
Yours faithfully,

W.A. Wilson, Esq.,
24, Northland Road,
SOUTHAMPTON.

Clerk to the
Classification Committee.
