SUBJECT: Release of Items from Procurement Demand

TO : Commanding Officer, Kokura Branch, IV Procurement District, APO 24

1. The Fukuoka Branch of Keeki Eidan and the Government of Fukuoka City are requesting that certain items listed on Procurement Demand No. JPWZ-5534-B be withdrawn. During an emergency in the waterworks system of this city, due to extended drought, some of this material was used last summer to provide an additional supply of water to the municipal water system. The material already used by the city is listed in Paragraph 1 of inclosure 1. The city also needs some additional pipe held by the Keeki Eidan and listed on subject Procurement Demand to complete the rehabilitation of the water mains in Fukuoka City, listed in Paragraph 2, inclosure 1. Some progress has made in restoring the mains but this work is temporarily at a standstill because of lack of materials.

2. This headquarters recommends that the city of Fukuoka be authorized the use of all the piping and joints listed on subject Procurement Demand of inclosure 2 hereto.

SUBJECT: Yamamoto Hotel, Fukuoka City.

TO : Commanding Officer, Kyushu Branch, Eighth Army Military Government Section, IV Procurement District, Kokura, Kyushu, APO 24.

1. The Yamamoto Hotel formerly occupied by the local C.I.C. was transferred to 24th Division Artillery who attempted to have it rehabilitated but were ordered not to do so.

2. Subsequently, the hotel ownership was transferred to a new owner under a formal contract. This new owner has rehabilitated the entire hotel at a tremendous cost and it will be ready for occupancy around 1st October.

3. The present procurement is for ¥ 66,000 per month, and it is impossible to see how this rental can remain at this price with the amount of money invested in the rehabilitation.

4. This letter is sent to your office as a matter of record in that the Military Government Team was not involved in any of the proceedings and the decision to go ahead with the rehabilitation was that of the Area Commander.
