TO: Commanding General, I Corps, APO 301. ATTN: Mil Govt Section.

1. Reference para 2, basic letter, - it is advised that replacement of 28 iron doors removed by U. S. Army had already been disapproved by Finance Ministry officials during their inspection visit to the Takatori Plant. This office has been informally advised by the Prefectural Construction Section that Mr. Apar, CPC/FP representative, during his inspection trip, stated that replacement of subject doors was not necessary.

2. Since there appears to be no specific authority for the replacement of subject doors under the provisions of SCAPIN 1370, the CPC Section of this team will directly request that the Foreign Property Division of CPC-GHQ-SCAP direct the Finance Ministry to effect same in writing.

3. Reference "Para 9 of Inclosure 1" mentioned in Para 2 of Basic letter - it is advised that the installation of sand box covers was also disapproved at the same time by Finance Ministry officials.

4. Forwarded for your information.
