1. The following information concerning SEDO, Kyugoro, age 27, No. 111 Meinohama-machi, Fukuoka City, is submitted for your consideration:

In June of 1948, SEDO, Kyugoro, was hired to work aboard the Koda Maru which was owned by KAZU, Tomonari. KAZU, Tomonari, received SCAP approval to collect Amakusa, a type of sea weed from the sea near the Ryukyuan Islands. On the 24th of December, 1948, the Koda Maru entered Yayeyama for the purpose of buying Amakusa (SEDO, Kyugoro, was a member of the crew at that time). The ship met a storm and was wrecked on the rocks.

The owner of the ship and the crew were questioned by the local MG and all members except SEDO, Kyugoro, who remained behind for medical treatment, were returned to Japan in January of 1949. SEDO, Kyogoro, returned to Japan on the Bogota Maru on the 18th of April 1949.

2. This person is presently held at the Hario Repatriation Center pending further instructions from your office.
