11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

Not applicable.

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

On the occasion of my appointment to the position of official of the Nisshin Fire and Marine Insurance Co., Ltd. there was no arrangement existed with the MITSUBISHI Zaibatsu or the direct MITSUBHISHI Zaibatsu affiliates that their previous approval should be obtained, nor was their approval obtained.

Namely in the case of the NISSHIN Company the Zaibatsu or direct Zaibatsu affiliates concerned, according to Annexed List No.1 - (2) of the Regulations for the Enforcement of the Law, are MITSUBISHI HONSHA and MITSUBISHI ELECTRIC CO., LTD. and thirteen other companies as per Annexed List No.2 - (2) of the Regulations; and there was no arrangement existed between the NISSHIN Company and the companies above referred to that their prevous approval should be obtained for assumption of the office of officials of the NISSHIN Company, and further their approval was not obtained for my appointment to the official of the Company. This fact is also clearly verified by the attestation of MITSUBISHI HONSHA (as per Attestation No.1 annexed) and that of Mr. Taikichi HORIUCHI, who, as the Chairman of Board of Directors of the NISSHIN Company, undertook the selection for recommendation of the company's officials (as per Attestation No.2 annexed). It might also be added that none of the Zaibatsu and their direct affiliates above referred to, own even one share of the capital stock of the Company, and this alone will bear out the fact that there could never have been the existence of such an arrangement etc. as above referred to.

The reason I was appointed a non-standing official of the NISSHIN is presumed to have been in that I had been a senior employee of the MEIJI Fire Insurance Company, which is a stockholder and defact supporting

This fact is also clearly verified by the attestation of MITSUBISHI HONSHA (as per Attestation No.1 annexed) and that of Mr. Taikichi HORIUCHI, who, as the Chairman of Board of Directors of the NISSHIN Company, undertook the selection for recommendation of the company's officials (as per Attestation No.2 annexed). measure to have a senior employee of the supporting company, to furnish the NISSHIN, as its official, with knowledge and experience on routine business and with help towards maintaing the Company's income. Then the circumstances which led to my appointment as a junior standing director of the NISSHIN are that (1) Mr. S. Fujita who had been a full-time director of the Nisshin resigned on account of illness and the post of a full-time director became vacant, and that (2) the amalgamation of the MEIJI Company with "old" Tokio Marine and Mitsubishi Marine Companies meant the existence of too many senior employees so that I resigned from the MEIJI and assumed the post of a full-time director of the NISSHIN to serve solely with that company. As regards this assumption of office there never was any negotiation received either from MITSUBISHI Zaibatsu or from their direct affiliates, and furtheron the occasion of the assumption I never paid them even formal courtesies.

Further, as regards the relation between the NISSHIN Company and the MITSUBISHI Zaibatsu, the notes given at the foot of the REASONS FOR APPLICATION are offered for refernce.

APPLICATION

February 3rd 1948.

To: Mr. T. Katayama,
Prime Minister.

From: TSUCHIYA, Shimpei,
Nisshin Fire & Marine Insurance Co., Ltd.

In accordance with the "Law for Termination of the Zaibatsu Family Control" and Article 2 of the "Regulations for the enforcement of the Law", which were promulgated on January 7th 1948, the NISSHIN FIRE AND MARINE INSURANCE CO., LTD. was designated an "associate" company of MITSUBISHI Zaibatsu.

Accordingly HORIUCHI, Taikichi who was the highest responsible official of the Company, as the Chairman of the Board of Directors, has resigned from the post as a person wh as a matter of course comes under the prescribed appointees.

As I was in the position of official other than that of the highest responsible official, I hereby present the reasons as per statement attached, in accordance with the provisions of Article 7 of the "Law for Termination of the Zaibatsu Family Control", which satisfy all the items prescribed in the said Article; and, in accordance with the provisions of Article 4 of the Regulations for the enforcement of the Law, I beg to apply for your approval of my not being the appointee submitting to you herewith the Statement of the reasons for application, with annexed papers and also my completed questionnaire.

S. Tsuchiya
Nisshin Fire & Marine Insce
Co., Ltd.

REASONS FOR APPLICATION

Conditions prescribed in the items of Article 7 of the "Law for the Termination of the Zaibatsu Family Control" are fully satisfied for the reasons as follows:-

(1) That the subject person is not a spouse, parent, child, brother or sister including a spouse of such person or persons belonging to the Zaibatsu or their family members.

No relationship whatsoever coming under that stated above.

(2) That, with reference to any appointment to the position of official which the subject person occupied, there has never existed an arrangement with the Zaibatsus or the direct Zaibatsu affiliates that their previous approval should be obtained, or that should such an arrangement have never existed, the subject person, on the occasion of his appointment, did not in fact, obtain the previous approval of the Zaibatsu or the direct Zaibatsu affiliates.

On the occasion of my appointment to the position of official of the Nisshin Fire and Marine Insurance Co., Ltd. there was no arrangement existed with the MITSUBISHI Zaibatsu or the direct MITSUBISHI Zaibatsu affiliates that their previous approval should be obtained, nor was their approval obtained.

Namely in the case of the NISSHIN Company the Zaibatsu or direct Zaibatsu affiliates concerned, according to Annexed List No.1 - (2) of the Regulations for the Enforcement of the Law, are MITSUBISHI HONSHA and MITSUBISHI ELECTRIC CO., LTD. and thirteen other companies as per Annexed List No.2 - (2) of the Regulations; and there was no arrangement existed between the NISSHIN Company and the companies above referred to that their previous approval should be obtained for assumption of the office of officials of the NISSHIN Company, and further their approval was not obtained for my appointment to the official of the Compar This fact is also clearly verified by the attestation of MITSUBISHI HONSHA (as per Attestation No.1 annexed) and that of Mr. Taikichi HORIUCHI, who, as the Chairman of Board of Directors of the NISSHIN Company, undertook the selection for recommendation of the company's officials (as per Attestation No.2 annexed). It might also be added that none of the Zaibatsu and their direct affiliates above referred to, own even one share of the capital stock of the Company, and this alone will bear out the fact that there could never have been the existence of such an arrangement etc. as above referred to.

Further, as regards the relation between the NISSHIN Company and the MITSUBISHI Zaibatsu and also the circumstances of my appointment to the official of the Company, the notes given at the foot of this statement are offerred for reference.

(3) That the subject person has, in fact, never exercised the authority or influence commensurate with or surpassing, in the case of his having been an official in the quasi-direct Zaibatsu affiliates, that of the standing director, and, in the case of his having been an official in the Zaibatsu Associate companies, that of the highest responsible official.

The NISSHIN Company is authorized by its Articles of Association (as per annexed Attestation No.3) to have one Chairman of Board of Directors, one President and not more than three Standing Directors elected by voting of the Directors. The Chairman of Board of Directors convenes and presides over the meeting of Board of Directors; he in fact signs and seals papers sent out of the Company and he executes all the important policy matters of the Company including investment, utilization of assets, selection of officials, so that he is the highest responsible official both in name and in fact.

When I was appointed an official of the NISSHIN Company for the first time, on June 25th 1943, I was just a Director - not standing - and it was on March 30th 1944 that I was appointed a Standing Director but it was as a junior Standing Director (senior Standing Director was Mr. Takinosuke TSUJIKAWA who was subsequently replaced by Mr. Katsumo NISHIWAKI). And after Mr. NISHIWAKI resigned as senior Standing Director, Mr. Yasumichi SUZUKI was appointed the President of the Company, Therefore, there never was any occasion, during the period as prescribed by the Law, when I exercised authority or influence of the highest responsible official either in fact or even in form (refer the List of Officials and also Mr. HORIUCHI's attestation as annexed).

My primary duty was to take charge of ordinary routine matters concerning the aquisition of Fire insurance contracts and the development of that business (since a greater part of the business of NISSHIN Company is that of Fire insurance).

It was on September 10th 1947, when Mr. HORIUCHI and Mr. SUZUKI resigned as Chairman and President respectively, that I assumed, for the first time, the position of the highest responsible official, as the President, as the result of the conference of Board of Directors.

(4) That the subject person has never held concurrently the positions of officials in Zaibatsu companies exceeding three positions in one time.

I have held the position of official only in the NISSHIN Company, and never held the position of official in any other MITSUBISHI Zaibatsu Company.

NOTES

With reference to the Paragraph (2) I would like to go further into the connection of the NISSHIN Company with the MITSUBISHI Zaibatsu and say that although the NISSHIN Company has been designated an "associate company" of the MITSUBISHI Zaibatsu the relation is in fact far from being close.

To start with, the NISSHIN Company was established on July 1st 1943 on the merger of three companies, i.e.:-

Toyo Marine and Fire Insurance Co., Ltd.

(Capital ¥3 million: merged in 1942
Tomei Fire and Marine Insurance Co.,Ltd.
with capital ¥2 million).

Hokoku Fire Insurance Co., Ltd. (Capital ¥3 million).

Fukuju Fire Insurance Co., Ltd. (capital ¥2 million).

This merger was prompted as a self-protection measure on the part of the three companies since the development of China-Japan Incident and in particular the outbreak of East Asia War had so changed the situation that the operation of Fire and Marine Insurance business became increasingly difficult for small companies to maintain on independent footing.

The Tokio Marine and Fire Insurance Co., Ltd., which is one of the quasi-direct MITSUBISHI Zaibatsu affiliates, is the largest stockholder of the NISSHIN Company; but not only MITSUBISHI Zaibatsu but also Mitsubishi Honsha and other direct Mitsubishi Zaibatsu affiliates hold not one share in the NISSHIN Company's stock, so that even if it is argued that they still have indirect holding of interest in the NISSHIN, through the Tokio Marine Company, the proportion of holding is infinitesimal.

The NISSHIN Company has never participated in the managing structure of the MITSUBISHI Zaibatsu, never received control from them over the business operation, nor has been treated as a component part of the Zaibatsu. The NISSHIN, ranking 9th or 10th of the 15 insurance companies, in respect of the volume of premium writing, is rather one of the weaker companies in Fire and Marine insurance business, and can never be regarded to have effectively added anything to the economic controling power of the MITSUBISHI Zaibatsu. In respect of its investment also, the holding in the stocks of MITSUBISHI Zaibatsu Concerns, being only some 141,000 shares in all in the Mitsubishi Bank and seven other concerns, represents no more than just an ordinary investment of an insurance company, and it is hardly possible to consider that the NISSHIN has ever made any financial contribution to the Zaibatsu.

There has, therefore, been nothing to be regarded as coming under items a.b and c of Paragraph 2, Article 2 of the Law.

It might be added that the fact a greater part of the employees of direct Mitsubishi Zaibatsu affiliates to say nothing of their officials, did not know even that the NISSHIN is a subsidiary of the Tokio Marine Company, would show how very little has been the interest held by the MITSUBISHI Zaibatsu towards the NISSHIN. Under the circumstances it is not even a conceivable matter that the MITSUBISHI Zaibatsu or their direct affiliates might have participated in the appointment of NISSHIN's officials, and in fact there has never been anything of that sort.

The reason I was appointed a non-standing official of the NISSHIN is presumed to have been in that I had been a senior employee of the MEIJI Fire Insurance Company, which is a stockholder and defact supporting company of the NISSHIN, and it was a generally adopted measure to have a senior employee of the supporting company, to furnish the NISSHIN, as its official, with knowledge and experience on routine business and with help towards maintaing the Company's income. Then the circumstances which led to my appointment as a junior standing director of the NISSHIN are that (1) Mr. S. Fujita who had been a full-time director of the Nisshin resigned on account of illness and the post of a full-time director became vacant, and that (2) the amalgamation of the MEIJI Company with "old" Tokio Marine and Mitsubishi Marine companies meant the existence of too many senior employees so that I resigned from the MEIJI and assumed the post of a full-time director of the NISSHIN to serve solely with that company. As regards this assumption of office there never was any negotiation received either from MITSUBISHI Zaibatsu or from their direct affiliates, and further on the occasion of the assumption I never paid them even formal courtesies.

CERTIFICATION

February 3rd, 1948.

The MITSUBISHI Zaibatsu (annexed List No.1 -(2) of the Regulations for the Enforcement of the Law for Termination of the Zaibatsu Family Control) and or the Direct MITSUBISHI Affiliates (annexed List No.2 - (2) of the Regulations) have no arrangement to the effect that the NISSHIN Fire and Marine Insurance Co., Ltd. should secure an acknowledgement of the MITSUBISHI Zaibatsu and or the Direct MITSUBISHI Affiliates previously regarding the appointment of officials.

There is absolutely no evidence abailable that the MITSUBISHI Zaibatsu and or the Direct MITSUBISHI Affiliates on the occasion of the election of Mr. Shimpei TSUCHIYA and or Mr. Ichiro SAKAI, to Directors of the NISSHIN Fire and Marine Insurance Co., Ltd were asked to acknowledge these elections.

As far as can be gathered from the records of the MITSUBISHI HONSHA I hereby certify the above statement to be true and correct.

DEPOSITION

By: HORIUCHI, Taikichi

Ex-Chairman:- Toyo Marine and
Fire Insurance Co., Ltd.
(merged into the present
NISSHIN Co.)

Ex-Chairman:- Nisshin Fire and
Marine Insurance Co., Ltd.

I - HORIUCHI, Taikichi - assumed the chairmanship of the Board of Directors of the former Toyo Marine and Fire Insurance Co., Ltd. on April 1st 1942, and after the Toyo Marine & Fire Insurance Co., Ltd., amalgamated Hokoku Fire Insurance Co., Ltd. and Fukuju Fire Insurance Co., Ltd. and became the present Nisshin Fire and Marine Insurance Co., Ltd., on July 1st 1943, I continued to serve as its chairman; and until I resigned as the chairman on September 10th 1947 I myself personally and actually executed policy matters of the Company as its highest responsible official. Namely I convened directors meetings and presided over them as their chairman; signed and sealed important statements and documents addressed to the Government offices or others outside of the Company; such acts as investment, utilization of funds and disposition of assets were all subject to my approval and these acts were executed in my personal name as the chairman. There was, therefore, no instance where TSUCHIYA, Shimpei or SAKAI, Ichiro was made to exercise authority or influence commensurate with or surpassing that vested with, and exercised by me as, the highest responsible official of the Company. Nor was there any instance where TSUCHIYA, Shimpei or SAKAI, Ichiro did actually exercise the said authority or influence. Such matters as the selection, for recommendation, of officials were also done by myself after obtaining the concurrence of other officials.

Further as regards the selection of officials there was neither such arrangement existed with MITSUBISHI Zaibatsu or with any of their direct affiliates as may have required their previous approval, nor was there ever such an instance where their approval was sought for.

It follows, therefore, that, for TSUCHIYA, Shimpei and SAKAI, Ichiro to assume the office as officials of this Company, there was neither such arrangement existed with MITSUBISHI Zaibatsu or any of their direct affiliates as would have required their previous approval nor was there such approval ever obtained.

I hereby attest that there is no misrepresentation in my aforegoing deposition.

Regarding the Arrangement for Selecting Officials

受 23.2.19 付

January, 1948

1. In the selection of officials of the directly affiliated companies specified as "Bunkei-Kaisha" (called hereafter the Subsidiaries), the Mitsubishi Honsha enacted the following memorandum on May 27, 1941.

   "The directors and auditors of the Subsidiaries shall be recommended by the President of the Mitsubishi Honsha."

   Notwithstanding this memorandum, however, the Mitsubishi Honsha greatly esteemed the independence of the Subsidiaries and firmly observed the principle of leaving the selection of their officials to their own decisions.

   In actual practice:

   a) The Mitsubishi Honsha made recommendations when sending their own officials or staffs to the Subsidiaries as their directors or auditors.

   b) The President of the Mitsubishi Honsha gave previous approval when the President of the Subsidiary applied for it before assuming the position of President.

   Except in these two specified cases, it has been the usual custom to leave the selection of officials to the Subsidiaries themselves.

   The above-mentioned memorandum is different in nature from the arrangement regarding approval for the assumption of the position of officials under the provisions of Article 7 of the Law for the Termination of Zaibatsu Family Control. However, there existed no arrangement in writing except this memorandum, which is similar to that prescribed by the Law.

2. The Subsidiaries are companies designated as such by the Mitsubishi Honsha and placed under the direct "supervision and encouragement" of the Mitsubishi Honsha, as mentioned in the provisions of the Articles of Association which define the purposes of the Mitsubishi Honsha.

   At the termination of hostilities, the Subsidiaries of the Mitsubishi Honsha were the following:

   Mitsubishi Heavy-Industries, Limited.
   Mitsubishi Mining Company, Limited.
   Mitsubishi Warehouse Company, Limited.
   Mitsubishi Electric Manufacturing Company, Limited.
   Mitsubishi Chemical Industries Company, Limited.
   Mitsubishi Steel Manufacturing Company, Limited.
   Mitsubishi Oil Company, Limited.
   Mitsubishi Trading Company, Limited.
   The Mitsubishi Bank, Limited.
   Mitsubishi Trust Company, Limited.
   Mitsubishi Estate Company, Limited.

   However, the circumstances under which the Mitsubishi Honsha controlled each Subsidiary have varied according to the history, scale, capital relation, etc. of the respective Subsidiaries. Among the directly affiliated companies of the Mitsubishi Concern designated by the Law for the Termination of Zaibatsu Family Control, Mitsubishi Steamship Co., Ltd., Nippon Aluminium Co., Ltd. and Nippon Iron Construction Co., Ltd. are not Subsidiaries of the Mitsubishi Honsha. As far as the relation with the Mitsubishi Honsha is concerned, these three companies are quite different from the eleven companies mentioned above.

3. The Mitsubishi Honsha had no arrangement, written or unwritten, with regard to the recommendation of officials, except with the above-mentioned eleven Subsidiaries. Furthermore, except when the Mitsubishi Honsha recommended officials or staffs of the Mitsubishi Honsha as officials, the Mitsubishi Honsha have never recommended or approved officials.

4. At the Shareholders' Meeting held on November 1, 1945, the Mitsubishi Honsha deleted a part of the text with regard to the purposes of the Company in the Articles of Association, that is, "to supervise and encourage the Subsidiaries and to promote the development of the associated companies." The Mitsubishi Honsha thus wiped out its character as a parent company, and declared that it should be dissolved in the future; and at the same time the President, Vice-president and other main officials retired from their positions. All memorandums and other regulations with regard to the control of the Subsidiaries were cancelled officially on the same day. Previous to the Shareholders' Meeting, the Managing Director of the Mitsubishi Honsha called the Presidents of the Subsidiaries together and made a statement to that effect.

   As the dissolution of the Zaibatsu is one of the most important occupation policies based on the Potsdam Declaration, General Headquarters and the Japanese Government have issued various statements, directives and memorandums on the subject since the Occupation of Japan on September 2, 1945. As a result, the control function of the Mitsubishi Honsha as a parent company was completely suspended immediately after the Occupation, that is, long before the Shareholders' Meeting mentioned above. The memorandum regarding the selection of officials of the Subsidiaries has, therefore, been abolished practically since then.

5. As far as can be gathered by the Mitsubishi Honsha, there has never been any memorandum similar to Honsha's, regarding the selection of officials, between the Subsidiaries and their affiliated or associated companies. Whether the Subsidiary recommended or acknowledged officials of its affiliated or associated companies has to be proved in individual cases.

I hereby certify the above statement to be true and correct in every detail.

It was on the 3rd Dec. 1945 when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd. It was already after the declaration of Mitsui Honsha, Ltd., the parent company of the above mentioned company, which was made on the 8th Dec. 1945 to the effect that the said Honsha was to be dissolved as the central controlling head quarters of all the industries and enterprises connected with Mitsui. In consequence, Mitsui Zaibatsu or Mitsui Honsha was not concerned in approving or designating me when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd. The reasons why I assumed this post were as follows:-

Up to the end of the war, the chief operations of Mitsui Agriculture & Forestry Co., Ltd. were making black teas in Formosa, forestry management in Korea, agricultural exploitations in the Southern Regions. In a word, they were industries in over seas. What was engaged in Japan were only of secondary importance such as forestry management, agriculture in Mino and Shari. With the termination of the war, the company lost all its assets abroad. What was left was enormous amount of debts and a very small of amount of property in Japan. In the post war chaotic conditions, the management of the company was confronted with untold difficulties.

At this juncture, my personal knowledge and experiences in the matters of finance as an individual was fully appreciated by Mitsui Agriculture & Forestry Company and was asked to be an officer of the company.

As it happened, it was decided that Mitsui Honsha, Ltd. had to proceed with the dissolution of the company and all the employees of the company were placed in a situation where they had to consider and search for the exchange of their employment. Under these circumstances, I consented to accept the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd.,

Misao Ueda Tokyo, April 2nd, 1948.

Mr. Hitoshi Ashida,
Prime Minister,
Tokyo.

Sir:-

Application for remaining at my present post by virtue of Article 8 of the Law of Eliminating Zaibatsu Family Influence.

Name and Address of the Applicant:-

Kenji Endo,
126 - Haramachi, Bunkyoku, Tokyo-to.

Present Post:- Liquidator, Mitsui Honsha, Ltd.

1. Purpose and Gist of the Application:

I occupied the post of an Auditor of Mitsui Agriculture & Forestry Co., Ltd., on the 3rd December 1945 and resigned the said post on the 30th September 1946. The company in question is designated as a Zaibatsu direct affiliated company by virtue of the Law of Eliminating Zaibatsu Family Influence.

At present, I occupy the post of a Liquidator of Mitsui Honsha, Ltd.

For the reasons given below, I apply herewith for your permission to remain at the present post.

2. Reasons for this Application

I give below the reasons for the present application by virtue of Clause 4, Article 8 of the Law of Eliminating Zaibatsu Family Influence.

I joined Mitsui Honsha, Ltd. in March 1944, since when I have occupied successively the post of Sub-Manager and Manager of the Finance Section and have been occupying up to date the post of Liquidator of Mitsui Honsha, Ltd., duly approved by SCAP.

The assets such as real estate, securities, loans, various assets abroad owned by Mitsui Honsha, Ltd. amount to ¥1,000,000,000, while liabilities reach nearly ¥500,000,000 both in most varied and complicated forms.

I am most thoroughly acquainted with the causes, origin, history of these accounts and relations with outsiders. Taking advantage of my long experiences in the field of financing business in Japan, I am attending to the liquidation business of these vast assets and liabilities of the company in an impartial and proper manner with the earnest desire to complete the final settlement of the accumurated outstanding problems in strict pursurance of the instructions from the competent authorities.

Under these circumstances, if I should retire from the post of the Liquidator of the company at this juncture, there would remain only one other Liquidator and it is apparent to cause a good deal of difficulties for the company in the execution of the liquidation business, which is accompanied presently with untold hardship.

For these reasons, I submit herewith for your approval of my remaining at the present post for a period of one year.

3. Relevant Documents attached.

Holding Company Liquidation Commission

Tokyo, 29th March, 1948.

Mr. Hitoshi Ashida,
Prime Minister,
Tokyo.

Sir,

Re Petition of Retaining an officer of Mitsui Honsha, Ltd. at his post.

Mr. Kenji Endo, a Liquidator of Mitsui Honsha, Ltd., falls under the application of the Article Five of the "Law of eliminating the Zaibatsu Family Influence". However, the said company is in the process of liquidation as a holding company under the supervision of this Commission.

This Commission recognises that Mr. Kenji Endo is indispensable for the execution of the liquidation of Mitsui Honsha, Ltd., and that it is difficult for the said company to elect a suitable substitute in his place.

This Commission will be obliged if you will approve his remaining at his present post in case an application is made for that purpose by virtue of the Clause 4, Article 8 of the Law above cited.

Yours faithfully,

Holding Co. Liquidation Commission

Signed by Tadao Sasayama
Chairman.

MITSUI HONSHA, LTD.

NO. 1. NI-CHOME MUROMACHI
NIHONBASHI-KU.

TOKIO, April 2nd, 1948.

Mr. Hitoshi Ashida,
Prime Minister,
Tokyo.

Sir:-

Re. Petition for retaining the service of Mr. Kenji Endo.

When Mr. Kenji Endo assumed his post as a Liquidator of Mitsui Honsha, Ltd., on the 30th September 1946, he obtained the verbal approval of the authorities of SCAP prior to his appointment.

Since then he has been in charge of the liquidation of assets and liabilities of Mitsui Honsha, Ltd., with unfailing zeal in accordance with the policy regarding the dissolution of Zaibatsu on basis of the SCAP's Directives.

Since his employment by our company, he has occupied the posts of sub-manager, and manager successively of the Finance Section of our company. As to the knowledge he possesses about the accounting and the capability he is endowed with financing, there is practically no one in our company equal to him. He is most thoroughly acquainted with the origin, cause and history of assets and liabilities of our company as well as the Company's relations with others. Thanks to his long stay abroad, he is efficient in the English language.

Thus materially and otherwise, his place in our company can hardly be replaced by others.

Should he be compelled to retire from our company at this juncture, it is evident that there would be a good deal of hitch in the smooth execution of the liquidation business of the company, a business at present confronted with untold difficulties.

For the above reasons, the undersigned entreat you to approve his remaining at the present post for a period of one year.

Yours faithfully,

per pro. Mitsui Honsha, Ltd.

Jun Taguchi (Signed)
Liquidator.

11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

None

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

It was on the 3rd Dec. 1945 when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd. It was already after the declaration of Mitsui Honsha, Ltd., the parent company of the above mentioned company, which was made on the 8th Dec. 1945 to the effect that the said Honsha was to be dissolved as the central controlling head quarters of all the industries and enterprises connected with Mitsui. In consequence, Mitsui Zaibatsu or Mitsui Honsha was not concerned in approving or designating me when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd. The reasons why I assumed this post were as follows:-

Up to the end of the War, the chief operations of Mitsui Agriculture & Forestry Co., Ltd. were making black teas in Formosa, forestry management in Korea, agricultural exploitation in the Southern Regions. In a word, they were industries in over seas. What was engaged in Japan were only of secondary importance such as forestry management, agriculture in Mino and Shari. With the termination of the War, the company lost all its assets abroad. What was left was enormous amount of debts and a very small amount of property in Japan. In the post war chaotic conditions, the management of the company was confronted with untold difficulties.

At this jancture, my personal knowledge and experiences in the matters of finance as an individual was fully appreciated by Mitsui Agriculture & Forestry Company and was asked to be an officer of the company.

As it happened, it was decided that Mitsui Honsha, Ltd. had to proceed with the dissolution of the company and all the employees of the company were placed in a situation where they had to consider and search for the exchange of their employment. Under these circumstances, I consented to accept the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd., keeping at the same time my position thus far held at Mitsui Honsha. Thus my assumption of the post in question was simply prompted by my own personal reasons.

Mr. Tetsu Katayama,
The Prime Minister,
Tokio

Feb. 5th, 1948

Sir: -

Application for your approval that the present applicant was not a Zaibatsu officer.

Present Address:- 126, Haramachi, Kunkyo-ku, Tokyo-to.

Present Position:- Liquidator of Mitsui Honsha, Ltd.

Applicant:- Kenji Endo

(1) The gist of my application:-
Whereas I occupied the post of Auditor of Mitsui Agriculture and Forestry Co., Ltd., which is designated as Zaibatsu's direct affiliate in accordance with the Law of Eliminating the family influence of Zaibatsu, for ten months from the 3rd Dec. 1945 to the 30th Sept. 1946, I was not the Zaibatsu's officer for the reasons given below and I apply herewith your approval thereof.

(2) By virtue of the Article Seven of the Law of Eliminating the family influence of Zaibatsu, I beg to state the following reasons:-

(a) I do not belong to Mitsui Zaibatsu family, nor am I married with a person of the same family. I am not a parent, or a child, or a brother nor am I married with any sister of Zaibatsu families.

(b) It was on the 3rd Dec. 1945 when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd. It was already after the declaration of Mitsui Honsha, Ltd., the parent company of the above mentioned company, which was made on the 8th Dec. 1945 to the effect that the said Honsha was to be dissolved as the central controlling head quarters of all the industries and enterprises connected with Mitsui. In consequence, Mitsui Zaibatsu or Mitsui Honsha was not concerned in approving or designating me when I assumed the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd.
The reasons why I assumed this post were as follows:-

(c) I have never occupied in the designated Zaibatsu Companies of Mitsui Zaibatsu more than four posts of company officers concurrently at any time.

DECLASSIFIED E.O. 11652 SEC. 3(E) AND 5(D) OR (E) NNDG # 775 072

Up to the end of the War, the chief operations of Mitsui Agriculture & Forestry Co., Ltd. were making black teas in Formosa, forestry management in Korea, agricultural exploitations in the Southern Regions. In a word, they were industries in overseas. What was engaged in Japan were only of secondary importance such as forestry management, agriculture in Mino and Shari. With the termination of the War, company lost all its assets abroad. What was left was enormons amount of debts and a very small amount of property in Japan. In the post war chaotic conditions, the management of the company was confronted with untold difficulties.

At this juncture, my personal knowledge and experiences in the matters of finance as an individual was full appreciated by Mitsui Agriculture & Forestry company and I was asked to be an officer of the company.

As it happened, it was decided that Mitsui Honsha, Ltd. had to proceed with the dissolution of the company and all the employees of the company were placed in a situation where they had to consider and search for the change of their employment. Under these circumstances, I consented to accept the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd., keeping at the same time my position thus far held at Mitsui Honsha. Thus, my assumption of the post in question was simply prompted by my own personal reasons.

Furthermore, at the time when I accepted this post, there was Mr. Kyoichi Baba as Standing Auditor of Mitsui Agriculture & Forestry Co., Ltd. and I was only added to the Board of Officers as a simple Auditor.

When I assumed the post of the Liquidator of Mitsui Honsha, Ltd., in September 1946 with the approval of G.H.Q. I resigned the post of Auditor of Mitsui Agriculture & Forestry Co., Ltd.

As a proof to support the above reasons I have given, I attach herewith the following.

11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibafsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

Not applicable

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

At the end of my term of office for a standing director of Soei Transportation Company, in October 1942, the principle of one port for one company, previded for in Sea Port Transportation Control Order was being carried out forcefully. The company, which aimed at the establishment of lighters, the main business of the company, was forced to make investment to both Tokyo and Yokohama Sea port Transportation Companies. Under the circumstances I wished to participate in the establishment of Tokyo Sea port Transportation Company with the view to the contribution to the sound development in the future of sea port transportation and the prevention of unemployment of the employees of the company. However my hope did not come true, and at the same time Soei Transportation Company had to reduce its activities. I decided, thereupon, to resign the position of managing director of the company. But my household economy was in such a poor condition that I could not make a living without occupation. It seemed difficult however, to obtain a suitable position in Hokkaido Colliery & Steamship Company. I applied considering my carrier in the past, for a position of Hokkaido Coal Stevedoring Company the business of which had much similarity with my former business. I was fortunate enough to succeed in assuming the post of chief of Muroran Agency of the Company, which was vacant then. Afterward, I was appointed as a Director of the company through the decision of the general assembly of share-holders in the 3rd ordinary session held on November 20 1942 and concurrently I was charged with the business of Chief of Muroran Agency in the same month. The circumstances under which I was appointed as a director are mentioned as above. This shows any zaibatsu or direct zaibatsu affiliate company had nothing to do with my appointment to the best of my knowledge.

Mr. Tetsu Katayama
The Prime Minister

Petition for Approval of Non-Zaibatsu Official

A. Summary of Petition:

On November 20th, 1942, I assumed a director of Hokkaido Coal Stevedoring Co., Ltd., an associated Company of Zaibatsu, specified in the Law of Termination of the Zaibatsu Family Control, but I hereby submit a petition to you, the Prime Minister of Japanese Government that I do not fall under the category of Zaibatsu concerns in accordance with Section 7 of the Law by the following reasons.

B. Reasons for Petition:

1. I am not a person belonging to Mitsui Zaibatsu, or a spouse, parent, son, elder brother, younger brother, elder sister, younger sister of the same family resister, or their spouse.

2. No previous arrangement was made that an approval was to be obtained from Hokkaido Colliery & Steamship Co., Ltd., the direct affiliate of Mitsui Zaibatsu, and also I do not obtain any of the arrangements. Hereunder I describe the details. After I graduated the Jurisprudence course of Kyoto Imperial University, I served Ocean Transport Co., Ltd., in Kobe city

(Feb. 1918 - March 1920); Hokkaido Colliery & Steamship Co., Ltd. in Tokyo (to charge of the business regarding company ships and chartered ship from May 1920 to Feb. 1940, but served Kyoritsu Steamship Co., Ltd. in Tokyo from April 1926 to Dec. 1934), and Soei Transportation Co., Ltd. in Tokyo (Feb. 1940 - Oct. 1942), etc., details thereof was described in item 10, Chronological record of profession and employment in Questionnaire. The business of Soei Transportation Co. was compeled to reduce, being affected by the Harbour Carrying Trade Control Law promulgated on Sept. 16th, 1941 and the business relative to harbour, carrying and shipbuilding, of which I was in charge, almost came to a stop, so that my wish to establish Tokyo Marine Transportation Co., Ltd. by investment of sampand possessed by Soei Transportation Co. had not been realized and I resigned the post. I returned again Hokkaido Colliery & Steamship Co. Ltd. for family circumstances, but I cannot find any of proper position, so that I desired to enter into Hokkaido Coal Stevedoring Co., Ltd. and I could assume the manager of Muroran Sales Office of the company, which had been vacant, having been deemed a well qualified person from the previous chronological record of business. Substance of business of the company was harbour conveyance work. On Nov. 20th that year, I was selected to a director in accordance with the resolution at the third ordinary general meeting of shareholders and assumed the acting manager of the said sales office.

Such being the case, I was at first employed by the company in the capacity of a clerk, so that I was not a so-called dispatched director. It was three persons, Sanpei Matsuura, Seiichi Okada and the late Takayuki Matsuo that were not dispatched directors. Number of directors dispatched to the Head Office of the company from direct affiliated companies of Mitsui Zaibatsu was follows:-

Hokkaido Colliery & Steamship Co., Ltd.	More than 3 persons
Mitsui Products Co., Ltd.	1 person
Mitsui Mining Co., Ltd.	1 "

Important matters were discussed at the Head Office and the Manager of Otaru Branch executed his duties according to the instructions and Manager of Muroran Sales Office transacted business under the jurisdiction of Manager of Otaru Branch. Furthermore I assumed the Manager of Muroran Sales Office, holding the post of director concurrently, but directorship was in name only, because each of confreres at that place had its Head Office there and the person with whom I negotiated was almost an official, so that it was considered to be necessary that I was a director in order to maintain equilibrium. I did not participate in any important company's policy-making. Therefore I transacted business as the manager of Muroran Sales Office and had never participate in any important management. This was evidently proved by the fact that I had never been called to the Board of Directors for four years from the time when I assumed a director till the time of my assumption

of the manager of the sales office and also I had never went up to Tokyo except I visited the Head Office in Tokyo for the private business.

3. In fact I had not any rights or controlling power equal with or more powerful than those of the highest representative official that is to say, it was only one person, Katsunosuke Shimade that the highest representative official of the company was registered during the period from July 22nd, 1941, the time of establishment of the company, till Sept. 2nd that year. I was a director in name only and substantially, I was merely a manager of the Sales Office and agency under the jurisdiction of Otaru Branch. This fact was same as mentioned in above item 2.

4. I had not only assumed four or more of posts of officials of affiliated companies of Mitsui Zaibatsu at the same time, but also my assumption of a director of Hokkaido Coal Stevedoring Co., Ltd. was only position.

C. 1. Cirtificates attached.

Cirtificates that prove the fact that I had never been called to or attended the Board of Directors and that in fact, I took charge of only the business of an acting manager of Muroran Sales Office.

2. At the time assumption of office of the person above mentioned, no written agreement that necessitated the previous approval of this company had been in existence. Moreover, before his assumption of official position of the above stated company, said person had been an employee of the same company.
