Additional Information [\[edit\]](#)

Ministry of Education

We signed an agreement with Buenos Aires Ministry of Education. It is the largest province in Argentina and therefore has the biggest educational community of the country. The aim is to disseminate Wikipedia in the classroom all around the province. We participated in an event with the Minister of Education, Alberto Sileoni and the main educational authorities of Buenos Aires.

A close-up photograph of a person's hands holding a grey, textured globe. The globe is covered in various symbols and characters, including the Omega symbol (Ω), the Chinese character '維' (Wei), and several Arabic numerals. The globe is held in a way that it appears to be a small, portable object. The background is blurred, showing a person's arms and a green surface.

Thank you.
