- A. Name of Plant: Yamamoto Kokubuhin Kaisha Ltd., Kobe Plant.
- B. Location of Plant: No.1, Chitese-cho 4 chome, Suma-Ku, Kobe.
- C. Description:

Sirs,

Our firm had been destroyed two plants by fire of the air-bomb at March 17th 1945, and had only one plant-Kobe plant. More over the Kobe plant had been bombed by the air-attack without machine shops at June 5, 1945. Then the machines which rested from the disaster had been ordered for reparation at May 28th, 1946.

Therefor we had been always racking our brains for the reconvertible products, and settled to peaceably produce as under.

1. We crave for your permission in respect to not carry away of our machine shop's houses which we have set the machines for reparation.

These houses will be used to our prearrage production as follow:-

Wheaving Machine for Hosiery	100 sets	Yen 2,500,000.-
Parts for Spinning Machine	120,000 P'ces	" 2,400,000.-
