BRITISH SHAMING POLITICAL  
HOSTILITY.

The logic of the Northern Radicals is very  
simple. The Slave must submit to enjoy  
political rights. The Radical must write  
what he thinks and say what he pleases  
without fear of reprisals. Therefore  
"There is no room for us, for example,  
in your country; we must have no place  
to do so." They will not let him do so, and  
therefore he will be exterminated.
