REID, SMITH & Co's BOOT DEPARTMENT.

TO meet the demands of our numerous and ever increasing patrons, who, as a rule, desire the very latest and best that can be obtained in FOOTWEAR, studying at the same time, comfort and economy, we have JUST OPENED for the Christmas trade, a SPLENDID CONSIGNMENT of the most UP-TO-DATE SHOES and BOOTS from the leading manufacturers of the Commonwealth.

We carry almost every design and shape in LADIES' and GENTS' FOOTWEAR, also a good variety of Solid Hard Wearers for Boys and Girls.

A visit to our Boot Department will repay you and leave you convinced that after all, REID, SMITH & CO. are the CHEAPEST as well as the BEST in Cowra for BOOTS and SHOES.

Remember! Our study and desire is to give you the best obtainable for the money, consequently we allow NO SHODDY GOODS to be foisted on to us, and when you pay less than our Prices, you are probably buying poor leather, cheap soles and common uppers, which are sure to be uncomfortable and cannot possibly give good wear. Trust the firm who gives you what you ask for, and shows the Price marked in Plain Figures. Come and see our beautiful New Stock of Up-to-date TANS for the Summer.

A New Fruit Company.

WE are a new company of WHOLESALE FRUITERS—but already we are doing probably the largest Shipping and Country business in Sydney. Our organization consists of men of sound experience in all branches of the trade—experts, in fact—and our financial ability is unquestioned.

WE rely ourselves out particularly to meet the needs of the Country Fruitster, and we know what they are. If you are in the trade, and are dissatisfied with present suppliers, you would be well advised to get into communication with us, and you will experience the good treatment and fairness with which we deal with our customers.

In Potatoes, Onions, and Green Vegetables, we do an exceptionally large trade. We can certainly meet your wants in these lines. QUOTATIONS mean little, yet we will be glad to send you some. The test is in the QUALITY and VALUE.
