4 Stakeholders Model

4 Stakeholders Model

What if...

We can build an ESEAP Wikidata community dedicated to Linked Open Data partnerships projects in this region?*

**Wikidata/ Wikibase*

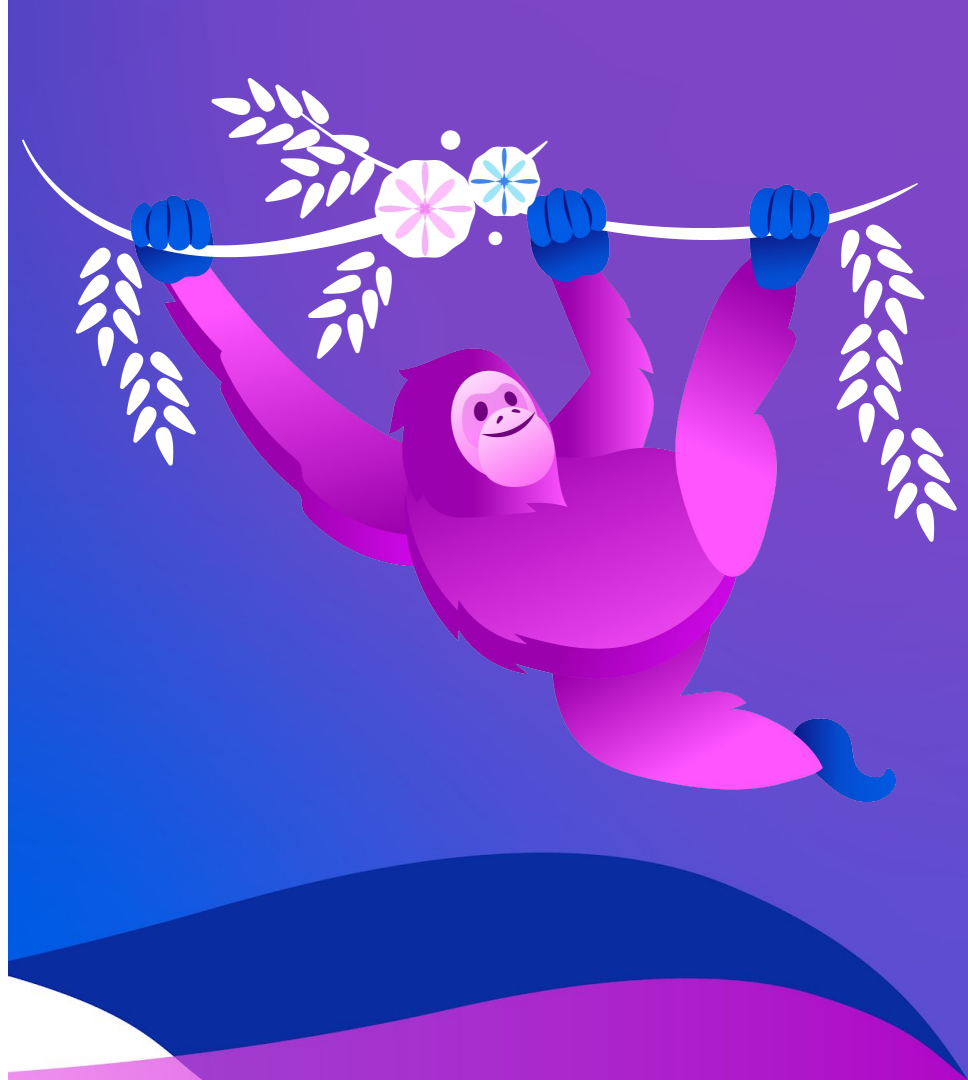

**Wikidata + Wikipedia/ Wikimedia Commons/ Wikisource etc*

Data Partnerships Playbook

*the definitive guide for Wikimedians on
interacting with governments, organizations
and Cultural and Heritage institutions.*

Tentative published date: 2025

... give back to the ESEAP Community

So please let me know...

- If a concerted effort to develop an ESEAP Wikidata community sounds cool to you...
- If developing ESEAP Wikimedians (Data Partnerships) makes sense for the ESEAP Hub...

Thank you
