The screenshot shows the Wikipedia Education Program page. At the top left is the Wikimedia Outreach logo. The main heading is "Education". Below it, there is a "Translate this page" link and a list of "Other languages" including العربية, جازايرية, বাংলা, català, Deutsch, Ελληνικά, English, Esperanto, español, euskara, فارسی, suomi, français, Frysk, हिन्दी, italiano, 日本語, lietuvių, मैथिली, македонски, മലയാളം, नेपाली, Nederlands, polski, português do Brasil, русский, Scots, سنڌي, ไทย, Türkçe, українська, اردو, and 中文. A navigation bar contains links for "Wikipedia Education Program", "About", "Countries", "Collab", "Dashboard", "Resources", "Experiences", and "News". A "Connect" button is also visible. The main content area starts with the text: "The idea behind the Wikipedia Education Program is simple: educators and students around the world contribute to Wikipedia and other Wikimedia projects in an academic setting." To the right of this text is an image of hands holding a globe. Further right is a "Latest news" section with an "edit" link and a bullet point: "Armenia: Armenian students inspire their parents to join Wikipedia". The left sidebar contains various utility links such as "Main page", "Recent changes", "Upload file", "Village pump", "Projects" (GLAM, Education, Libraries), "Resources" (Bookshelf, Requested translation, Users by skillset, Contact us), and "Print/export" (Create a book, Download as PDF, Printable version). The top right of the page shows user information: "English", "Not logged in", "Talk", "Contributions", "Create account", "Log in", and a search bar.
