DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. [illegible]

April 12, 1945.

Subject : Report of warning for violators regarding Shipbuilding.

To: Lt. Walker
From: Chief of Tamano branch of Chugoku Marine Transportation Bureau.

I went to Kinase-cho on April 10, 1945 with a duty, and I ~~gave~~ sent two violators regarding shipbuilding "the ~~w~~written warning" dated April 12, '45.

The following is the copy of "the written warning.":

To: HIROICH YOSHIDA
" EIKICHI HASHIMOTO
From: Chief of Tamano Branch of Chugoku Marine Transportation Bureau.

On april 9, '45 I consulted with Okayama Mil. Gov't Team concerning your violation of ship construction, and I was requested by the team to tell you the following (a) (b), so an engineer Saheki went to your Town on April 10, but you were absent from the house and office, so he told ~~your family~~ the message to your family. Therefore please keep our warning and order.

a) Stop at once the construction and repair of ships.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. [redacted]

(6) Offer right away the application of permisson towards SCAP and Transportation Ministry.

But you don't consider that you got the permisson by offering the application.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. [illegible]

April. 9, 1948.

Subject: Violations of SCAP order regarding ship-building.

To: Commanding officer of Okayama MGT.
From: The chief of Tamano Branch of CHUGOKU Marine-transportation Bureau.

We have recieved the folloing informations concerning the shipbuilding industry.

(1) "Re beginning of shipbuilding industry and ~~construction~~ of it." from the ship section of the central marine transportation Board dated July 27, 1946.

(a) In case of ~~construction~~ construction of ships having its length of more than 15 metres or of the establishment of the equipment of repair.

(b) In case of building of every steel ship or woodship of more than 100 tons.

The case of (a) and (b) needs the permission of SCAP.

(2) "Re permission of ship construction enterprise." from the chief of the ship section dated May. 5, 1947.

There is no change regarding control of new construction establishment, and the branch office should consult with the Mil. Govt Team concerning its details.

(3) "Re beginning of ship-building enterprise." from the chief of the ship section dated Aug. 4, 1947.

In case of building of steel-ship or wooden-ship of more than 15 metres (more than 20 tons even though its length

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 77862

is shorter than 15 m.) or new construction establishment, Extension, purchase or loan of the equipment, the permisson will be required.

this application of the permisson should be offered towards SCAP and Transportation Minister and its copy should be sent to District Mil. Govt Team.

(But the application of the permission toward SCAP will not be necessary in case of 'the repair or the offing' or 'the equipment of only ships of which tonnage are less than 100 tons'.

Well, the following two business men have been building the wooden-ships of more than 100 tons and repairing, though we have made the warning of advices as often as several times, so we must take some action against such violators.
